

Amendment 1 to Capital Area Council of Governments Interlocal Agreement for 9-1-1 Geographic Information System Database Management

The Capital Area Council of Governments ("CAPCOG") entered into an Interlocal Agreement (ILA) with Burnet County (PUBLIC AGENCY) on November 15, 2021. This amendment is authorized under Section 13.3 of the original ILA, which authorizes amendments by mutual agreement. The purpose of this amendment is to correct the contract price and invoice amounts to match the amount approved by the Capital Area Emergency Communications District (CAECD) Board of Managers on October 13, 2021, for this contract. The amount in existing executed agreement was incorrect, in that it reflected the total amount budgeted for PUBLIC AGENCY for Fiscal Year 2022, rather than the nine-month period covered by this contract. Invoice dates for some periods also incorrectly listed 2021 dates rather than 2022 dates. Finally, the amendment also updates CAPCOG's project representative.
