Hey Brenda... He didn't give me any documents.. the last time it was on the agenda he had me write it down on a sticky note what he wanted it to say (or it may have been handwritten from him on a piece of paper) and that was it... He was sick that court so they took no action on it and that is all that I'm aware of.

So if he wants it back on the agenda I will just type it up as seen on here.

Thank you,
