RE: Knife River Corporation - South - Honey Creek Site
Application # 2023-5015
6075 S. Highway 281
Burnet, TX 78611

Dear Natalie Sales:

This letter is to acknowledge receipt of the application for LCRA Quarry/Mine Permit approval for the referenced project. The permit application has been accepted as administratively complete. You will be contacted with the results of our review by 6/1/2023. Additional information or application revisions may be required in order to issue a permit. In this case 30 calendar days will be provided to furnish the information. An extension of time to provide additional information may not exceed 6 months from the date that the application for permit was filed.

You have also been provided with a Notice of Application. Please date and post this notice at the site in a location visible to the public. Please also make arrangements to mail notice of application to property owners within 500 feet of the project site or 1,000 feet of the project limits. The posted notice duration should coincide with mailed notice.

If you have any questions, please contact me at the letterhead address or by telephone at (512) 578-2245.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Ballin", is written over a horizontal line.
