Hello all,

I have tried contacting the client regarding this question, but when we took the job order from him he said it was for building a home, not business.

Thank you,

Missy Hawker

Subject: Fw: Replat - 23291

Hello Missy,

The one question the Board has is the property to be re-platted for commercial use. The By-Laws state the property cannot be used for commercial use. If not, then the POA approves the replating of Mr. Robert Dunn's property.

The electric provider is PEC, water is provided by a well, and wastewater is septic tank. The garbage provider in the area is Waste Management.

Thank you,
