TERMS AND CONDITIONS OF AGREEMENT

1. Agreement.

(a) Lessee requests Cadence Equipment Finance, a division of Cadence Bank ("Lessor") to acquire the personal property (herein called "Equipment") described in the attached Lease Schedule(s). Lessee agrees to lease with an option to purchase the Equipment from Lessor and Lessor agrees to lease the Equipment to Lessee upon receipt of a duly authorized written acceptance hereof, signed by an authorized officer of Lessor at its principal office, upon the terms and conditions of this Equipment Lease - Purchase Agreement (the "Agreement"). Lessee represents, covenants and warrants, and as requested by Lessor will deliver an opinion of counsel substantially in the form attached as Exhibit B, to the effect, (i) that it is a fully constituted political subdivision or agency of the State of Texas (the "State") and is authorized by the Constitution and laws of the State and its own internal or administrative procedure to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder, and (ii) that this Agreement has been duly authorized, executed and delivered by Lessee and constitutes a legal, valid and binding agreement enforceable in accordance with its terms. Lessee agrees that it will do or cause to be done all things necessary to preserve and keep this Agreement in full force and effect. Lessee further represents, covenants and warrants that Lessee has complied with all bidding requirements where necessary and by due notification presented this Agreement for approval and adoption as a valid obligation on its part and that Lessee has sufficient appropriations or other funds available to pay all amounts due hereunder for the current fiscal year. In addition, Lessee represents, covenants and warrants to Lessor that:

(i) The Equipment is essential to the function of Lessee or to the service Lessee provides to its citizens;

(ii) Lessee has an immediate need for, and expects to make immediate use of, substantially all the Equipment, which need is not temporary or expected to diminish in the foreseeable future;

(b) Lessee acknowledges that Lessor has agreed to enter into this Agreement on the condition that the interest portions of the Payments as defined in Section 5 hereof shall be deductible from gross income pursuant to Section 103 of the Internal Revenue Code of 1986 and the Regulations thereunder (the "Code") is available. Said exception is subject to certain conditions relating to Lessee's use of the Equipment and to Lessee's issuance of tax-exempt obligations. In that regard, Lessee represents, covenants and warrants that:

(i) The Equipment will not be used, directly or indirectly, in a trade or business carried on by any person other than a governmental unit (within the meaning of Section 141 of the Code), except for such use as a member of the general public;

(ii) No portion of the Payments as defined in Section 5 hereof: (A) will be secured, directly or indirectly, by property used or to be used in a trade or business carried on by a person other than a governmental unit (within the meaning of Section 141 of the Code), except for such use as a member of the general public, or by payments in respect of such property; or (B) will be

derived from payments, whether or not to Lessee, in respect of property or borrowed money used or to be used for a trade or business carried on by any person other than a governmental unit (within the meaning of Section 141 of the Code); and

(iii) No portion of the gross proceeds of this Agreement will be used (directly or indirectly) to make or finance loans to persons other than governmental units.

(c) Lessee acknowledges and agrees that the Payments have been calculated by Lessor assuming that the interest portion of each Payment is exempt from federal income taxation. Lessee represents, covenants and warrants that it will do or refrain from doing all things necessary or appropriate to insure that the interest portions of the Payments are exempt from federal income taxation, including, but not limited to, executing and filing all information statements required by Section 149(e) of the Code and timely paying, to the extent of available funds, amounts required to be rebated to the United States pursuant to Section 148(f) of the Code.

(d) In the event that it is determined that any of the interest components of Payments may not be excluded from gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on each Date of Payment thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

(e) Lessee acknowledges that the representations, covenants and warranties set forth in Sections 1(b) and 1(c) shall survive the expiration of this Agreement and that Lessor may pursue any applicable remedies for the breach of such representations, covenants and warranties at any time.

2. Equipment Delivery and Acceptance. At the request of Lessee, Lessor agrees to order the Equipment which Lessee has described in the Lease Schedule(s) from the supplier of such Equipment but shall not be liable for specific performance of this order. Lessee shall accept such Equipment when and if delivered and placed in good repair and working order and hereby authorizes Lessor to add to this Agreement the serial number of each item of Equipment so delivered. Any delay in such delivery shall not affect the validity of this Agreement. Lessee shall have thirty (30) days from the date of delivery to accept such Equipment and deliver an executed Equipment Acceptance Certificate in the form attached hereto as Exhibit D. Notice of any defects must be given to Lessor within thirty (30) days of delivery. In the event the Equipment is not accepted by Lessee within thirty (30) days from the date of delivery and such acceptance is unreasonably withheld by Lessee, Lessor, at Lessor's option, shall have the right to cancel this Agreement.

3. Warranties. Lessor hereby assigns to Lessee for and during the term of this Agreement all manufacturer warranties and guarantees express or implied, issued on or applicable to the Equipment and Lessor authorizes Lessee to obtain the customary services furnished in connection with such warranties and guarantees at Lessee's expense. LESSOR IS

NOT A MANUFACTURER OR SUPPLIER OF THE EQUIPMENT, AND MAKES NO WARRANTIES WITH RESPECT TO THE EQUIPMENT, EITHER EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. Lessor authorizes Lessee to enforce in its own name any warranty, representation or other claim enforceable against the manufacturer. Lessor assumes no responsibility for shipment, delivery, installation or maintenance and all claims of Lessee with respect thereto, whether for delay, damage or otherwise, shall be made against supplier. Lessor, at its option, may provide in its purchase order that supplier agrees that any of such claims may be made by Lessee directly against suppliers. The obligation of Lessee to pay the Payments as defined in Section 5 below, shall not be abated, impaired or reduced by reason of any claims of Lessee with respect to Equipment condition, quality, workmanship, delivery, shipment, installation, defects or otherwise.

4. Agreement Term. This Agreement shall become effective upon the execution hereof by Lessor. The initial term of this Agreement shall commence on the date the Equipment is accepted pursuant to Section 2 above, and shall end on the last day of Lessee's current fiscal year. The term of this Agreement may be continued, solely at the option of Lessee, for additional successive one-year renewal terms up to the expiration of the number of periods indicated in Schedule A of the Lease Schedule(s) (hereinafter the "Agreement Term"). At the end of the initial term and at the end of each renewal term until the expiration of the Agreement Term, this Agreement shall be automatically renewed on a year-to-year basis, except as provided for in Section 5 and Section 14 below. The Agreement Term for each Lease Schedule shall not exceed 25 years. However, if the Equipment financed under a Lease Schedule finances energy conservation measures, the Agreement Term for that Lease Schedule shall not exceed 20 years.

5. Payments.

(a) Lessee agrees to pay to Lessor or its assignee total Payments ("Payments") set forth in Section A of the Lease Schedule(s), including the interest portions thereof, equal to the amount specified therein. Said Payments shall be payable without notice or demand at the office of Lessor (or such other place as Lessor may from time to time designate in writing). Any notice, invoicing, purchase orders, quotations or other forms or procedures required by Lessee of Lessor as a condition precedent to payment shall be fully explained and provided to Lessor prior to execution of this Agreement. Except as specifically provided in paragraph (c) of this Section, Payments shall be absolute and unconditional in all events and shall not be subject to any set-off, defense or counterclaim.

(b) Lessee reasonably believes that funds can be obtained sufficient to make all Payments during this Agreement Term. It is Lessee's present intent to make Payments for the full Agreement Term if funds are legally available therefor, and in that regard, Lessee represents that the use of the Equipment is essential to its proper efficient and economic operation. Notwithstanding the foregoing, nothing herein shall be deemed to require Lessee's then governing body to pursue annual appropriations to make payments under this Agreement, and Lessor agrees that the decision whether or not to budget or appropriate funds during the Agreement Term is solely within the discretion of Lessee's then governing body.

(c) In the event no funds or insufficient funds are appropriated for Payments and other sums due in any fiscal year under this Agreement, Lessee shall immediately notify Lessor or its assignee of such occurrence and this Agreement shall create no further obligation of Lessee as to such fiscal year and shall be null and void, except as to funds which have been previously appropriated. In such event, this Agreement shall terminate without penalty to Lessee on the last day of the fiscal year for which funds were appropriated. Subsequent to such termination of this Agreement, Lessee shall have no continuing obligation to make Payments under this Agreement. In the event of such termination, Lessee agrees to peaceably surrender possession of the Equipment to Lessor or its assignee on the date of such termination, packed for shipment in accordance with manufacturer specifications and freight prepaid and insured to any location in the continental United States designated by Lessor. Lessor shall have all legal and equitable rights and remedies to take possession of the Equipment.

6. Location. The Equipment shall be delivered and thereafter based at the location specified in the Lease Schedule(s) and shall not be removed therefrom without Lessor's prior written consent.

7. Use; Repairs. Lessee shall use the Equipment in a careful manner and shall comply with all laws, ordinances and regulations relating to, and shall pay all costs, claims, damages, fees and charges arising out of its possession, use or maintenance. Lessee, at its expense, shall keep the Equipment in good repair and furnish all parts, mechanisms and devices required therefor.

8. Alterations. Lessee shall not make any alterations, additions or improvements to the Equipment without Lessor's prior written consent unless such alterations, additions or improvements may be removed without damage to the Equipment.

9. Loss and Damage. Lessee shall bear the entire risk of loss or damage to all Equipment from any cause whatsoever, and no such loss or damage of the Equipment nor defect therein or unfitness or obsolescence thereof shall relieve Lessee of the obligation to make Payments or any other obligation under this Agreement. In the event of damage to any item of Equipment, Lessee shall immediately place the same in good repair. If Lessor determines that any item of Equipment is lost, stolen, destroyed or damaged beyond repair, Lessee at the option of Lessor shall:

(a) Replace the same at Lessee's expense with like equipment in good repair; or

(b) Pay Lessor in cash all of the following: (i) all amounts then owed by Lessee to Lessor under the applicable Lease Schedule, and (ii) an amount equal to the Concluding Payment set forth in Schedule A to such Lease Schedule. Upon Lessor's receipt of such payment, Lessee shall be entitled to whatever interest Lessor may have in said item, in its then condition and location, without warranty expressed or implied.

10. Insurance. Lessee shall, during the Agreement Term, purchase and maintain insurance, or with Lessor's prior written consent may self-insure, covering specifically all

Equipment of every description under this Agreement against casualty occurrences, including the perils of FIRE, LIGHTNING, WINDSTORM, HAIL, EXPLOSION, AIRCRAFT, VEHICLES, SMOKE, RIOT, CIVIL COMMOTION, STRIKERS, LOCKED OUT WORKMEN OR THEFT, BURGLARY AND WATER DAMAGE, in an amount equal to the cost of replacement of all Equipment and with a company approved by Lessor and shall carry public liability and property damage insurance sufficient to protect Lessor from liability in all events. The proceeds under this insurance shall be payable to Lessee and Lessor or its assignee as additional insured as their interest may appear under the terms and conditions of this Agreement. Such proceeds shall be available to Lessee for the satisfaction of Lessee's obligations under Section 9 hereof. Upon acceptance of the Equipment and upon each insurance renewal date, Lessee shall deliver to Lessor or its assignee a duly authenticated certificate evidencing such insurance. In the event of any loss, damage, injury or accident involving the Equipment, Lessee shall promptly provide Lessor with written notice thereof and make available to Lessor all information and documentation relating thereto.

11. Liens and Taxes. Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances. Lessee shall pay, when due, all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Equipment, excluding, however, all taxes on or measured by Lessor's income. If Lessee fails to pay said charges and taxes when due, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. In any event, Lessee shall pay Lessor the amount thereof upon demand whether or not Lessor shall have advanced the funds for Lessee.

12. Indemnity. To the extent permitted by the laws of the State, Lessee shall indemnify Lessor against and hold Lessor harmless from any and all claims, actions, proceedings, expenses, damages or liabilities, arising in connection with the Equipment, including, without limitation, its manufacture, selection, purchase, delivery, possession, use, operation or return and the recovery of claims under insurance policies thereon.

13. Assignment.

(a) Without Lessor's prior consent, Lessee shall not either (i) assign, transfer, pledge, hypothecate, grant any security interest in or otherwise dispose of this Agreement or the Equipment or any interest in this Agreement or said Equipment, or (ii) lease or lend the Equipment or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor may, without the consent of Lessee, assign, in whole but not in part, its rights, title and interest in and to this Agreement, and all attachments hereto including Lease Schedule(s), to an assignee/investor or its agent or trustee, and/or grant or assign a security interest in this Agreement or the Equipment, in whole but not in part, and its assignee may reassign this Agreement. Each such assignee shall have all of the rights of Lessor under this Agreement. Lessee shall recognize and acknowledge each such assignment and/or security interest. Subject to the foregoing, this Agreement inures to the benefit of and is binding upon the heirs, executors, administrators, successors and assignees of the parties hereto.

(b) This Agreement and any interest herein may be transferred only through a book entry system as prescribed by Section 149(a) of the Code, as the same may be amended from

time to time. During the term of this Agreement, Lessee shall keep a complete and accurate record of all assignments and other transfers in form and substance necessary to comply with Section 149(a) of the Code. Upon assignment of Lessor's interest herein, Lessor will cause written notice of such assignment to be sent to Lessee and, upon receipt of such notice of assignment, Lessee shall: (i) acknowledge the same in writing to Lessor; and (ii) record the assignment in Lessee's "book entry system" as that term is defined in Section 149(a) of the Code. No further action will be required by Lessor or by Lessee to evidence the assignment. **LESSEE AGREES THAT, UPON NOTICE OF ASSIGNMENT, IF SO INSTRUCTED IT SHALL PAY DIRECTLY TO THE ASSIGNEE, WITHOUT ABATEMENT, DEDUCTION OR SETOFF, ALL AMOUNTS THAT BECOME DUE HEREUNDER.**

14. Purchase Option. At the written request of Lessee, delivered thirty (30) days prior to a Date of Payment as shown on Schedule A to a Lease Schedule, and if Lessee is not on such Date of Payment in default pursuant to any provision of this Agreement, Lessor shall convey all of Lessor's right, title and interest in and to the Equipment described in that Lease Schedule to Lessee upon payment by Lessee of the applicable Concluding Payment and the Base Payment due on such date of Payment. Upon satisfaction by Lessee of such purchase conditions, Lessor shall deliver to Lessee a full release of any right, title or interest of Lessor in and to such Equipment.

15. Taxes on and Title to Equipment. In addition to other payments to be made pursuant to this Agreement, Lessee shall indemnify and hold Lessor harmless from and against, and shall pay Lessor, as additional payment, on demand, an amount equal to, all license, assessments, sales, use, real or personal property, gross receipts or other assessments, taxes, levies, imposts, duties and charges, if any, together with any penalties, fines or interest thereon imposed against or on Lessor, Lessee or the Equipment by any governmental authority upon or with respect to the Equipment or the purchase, ownership, possession, operation, return or sale of, or receipt of payments for, the Equipment, except any Federal or state income taxes, if any, payable by Lessor. Lessee may contest any such taxes prior to payment provided such contest does not involve any risk of sale, forfeiture or loss of the Equipment or any interest therein.

This Agreement is intended for security. For purposes of laws governing taxation and conditional sales, title to the Equipment shall be deemed to be transferred hereby to Lessee, subject to immediate and automatic reversion to Lessor upon any default by Lessee or upon failure to appropriate sufficient funds in order to make payments required hereunder, unless Lessor otherwise elects in writing.

16. Personal Property. The Equipment is, and shall at all times during the Agreement Term be and remain, personal property.

17. Security Interest. To secure all of its obligations hereunder, Lessee grants to Lessor a first and prior security interest in any and all right and interest of Lessee in the Equipment, this Agreement and Payments due under this Agreement. Lessee agrees that this Agreement may be filed as a financing statement evidencing such security interest, and agrees that Lessor may file financing statements and other instruments necessary or appropriate to evidence such security interest. Lessee further agrees that the Uniform Commercial Code of the State shall apply as

between the parties hereto and assignees of Lessor.

18. Events of Default. Lessee shall be in default under this Agreement upon the occurrence of any of the following events:

(a) Nonpayment when due or within six (6) days thereafter of any Payment of rent or other sum owing hereunder;

(b) Breach of any other covenant or agreement in this Agreement and the continuance of such breach for a period of 10 consecutive days following Lessee's receipt of written notice thereof from Lessor;

(c) If any representation or warranty made by Lessee or by any agent or representative of Lessee herein or in any document or certificate furnished Lessor in connection herewith or pursuant hereto proves to be incorrect at any time in any material respect;

(d) If Lessee shall dissolve or become insolvent or bankrupt, commit any act of bankruptcy, make any assignment for the benefit of, or enter into an arrangement or composition with creditors, suspend or terminate the transaction of its usual business or consent to the appointment of a trustee or receiver or if a trustee or receiver shall be appointed for Lessee or for a substantial part of its property, or if bankruptcy, reorganization arrangements or similar proceedings shall be instituted by or against Lessee;

(e) If any order, judgment or decree shall be entered against Lessee by a court of competent jurisdiction and such order, judgment or decree shall continue unpaid or unsatisfied for any period in excess of 60 consecutive days without a stay of execution, or if a writ or order of attachment, execution or other legal process shall be issued in connection with any action or proceeding against Lessee or its property whereby any of the Equipment or any substantial part of Lessee's property may be taken or restrained;

(f) If Lessee shall default in the performance of any obligation or in payment of any sum due to Lessor under any other lease, contract, agreement, arrangement or understanding;

(g) If any indebtedness of Lessee for borrowed money shall become due and payable by acceleration of the maturity date thereof; or

(h) If Lessor, in the exercise of reasonable judgment, shall determine that Lessee is generally not paying its debts as such debts become due. In addition, Lessee shall give Lessor 5 days' written notice prior to the filing of any voluntary petition of bankruptcy, written notice upon commencement of an involuntary bankruptcy proceeding, or written notice prior to taking any action with respect to all or any items of the Equipment in bankruptcy proceedings, and shall include in said written notice the venue of the anticipated proceedings and a copy of any relevant pleadings with respect thereto. Failure to give said written notice within the time as specified shall constitute an event of default hereunder and shall cause an immediate termination of this

Agreement as to all items of Equipment. Said default and termination, however, shall not constitute an election of remedies and Lessor shall retain its rights to such other remedies as may be set forth in this Agreement.

19. Remedies of Default. Upon the occurrence of any event of default and at any time thereafter, Lessor, acting alone and/or through its agents, may, without any further notice, exercise one or more of the following remedies as Lessor in its sole discretion shall elect:

(a) Declare the unpaid principal balance plus accrued interest to date through the end of the then current fiscal year under this Agreement to be immediately due and payable without notice or demand;

(b) Terminate this Agreement as to any or all items of Equipment;

(c) Without notice, demand, liability or legal process, enter into any premises of or under control or jurisdiction of Lessee or any agent of Lessee where the leased Equipment may be, or is believed to be by Lessor, and repossess all or any item thereof, disconnecting and separating all or so much thereof as may be required to disconnect or separate same from any other property, Lessee hereby expressly waiving all further rights to possession of the Equipment and all claims for injuries suffered through or loss caused by such repossession;

(d) Cause Lessee, at Lessee's expense, promptly to return the Equipment to Lessor, at such place as Lessor may designate, in the condition set forth above;

(e) Use, hold, sell, lease or otherwise dispose of the Equipment or any item thereof on the premises of Lessee or at any other location without affecting the obligations of Lessee as provided in this Agreement;

(f) Sell or lease the Equipment or any part thereof, at public auction or by private sale or lease at such time or times and upon such terms as Lessor may determine, free and clear of any rights of Lessee, and, if notice thereof is required by law, any notice in writing of any such sale or lease by Lessor to Lessee not less than 10 days prior to the date thereof shall constitute reasonable notice thereof;

(g) Proceed by appropriate action either at law or in equity to enforce performance by Lessee of the applicable covenants of this Agreement or to recover damages for the breach thereof; or

(h) Exercise any and all rights accruing to Lessor under any applicable law upon a default by Lessee. In addition, Lessor shall be entitled to recover immediately as liquidated damages for the loss of a bargain and not as a penalty, a sum equal to the aggregate of the following:

(i) All unpaid Payments or other sums which are due and payable through the end of the then current fiscal year;

(ii) Any expense paid or incurred by Lessor in connection with the collection of such unpaid Payments and with the repossession, holding, repair and subsequent sale, lease or other disposition of the Equipment, including attorney's fees and legal expenses, and

(iii) The purchase option price, less the net amount of the recovery, if any, actually received by Lessor from insurance or otherwise. Additionally, the measure of liquidated damages as set forth hereinabove shall be applicable to fix the damages accruing for the unexpired portion of this Agreement Term if this Agreement is not assumed by the Lessee in a bankruptcy proceeding. Should Lessor, however, estimate its actual damages to exceed the foregoing, Lessor may, at its option, recover its actual damages in lieu of or in addition thereto.

None of the remedies of Lessor under this Agreement are intended to be exclusive, but each shall be cumulative and in addition to any other remedy referred to herein or otherwise available to Lessor at law or in equity. Lessee agrees to pay Lessor all attorneys' fees and all costs and expenses incurred by Lessor in connection with the enforcement of the terms of this Agreement or any right or remedy hereunder. Any repossession or subsequent sale or lease by Lessor of any item of Equipment shall not bar any action for a deficiency as herein provided and the bringing of an action or the entry of a judgment against Lessee shall not bar Lessor's right to repossess any or all items of Equipment. Lessee waives any and all rights to notice and to a judicial hearing with respect to the repossession of the Equipment by Lessor in the event of a default hereunder by Lessee.

20. Amendments and Addendums. This Agreement may be amended or any of its terms modified only by written consent of Lessee and Lessor or its assignee.

In the event Lessee desires to buy other equipment, the parties may execute an addendum to this Agreement with respect to such other equipment by (i) executing a Lease Schedule for such equipment; (ii) executing an acceptance certificate of the equipment; and (iii) obtaining new opinions and other supporting documentation as required or permitted by this Agreement. For purposes of construing subsequent transactions concerning other equipment as an integrated contract, the following shall be considered a single transaction or legal and binding agreement:

(a) This Agreement, which provides basic terms and conditions;

(b) An executed Lease Schedule and acceptance certificate; and

(c) Schedules, exhibits, and other attachments to such documents that pertain to the equipment described in the delivery order, and supporting documentation such as, e.g., opinions of counsel and insurance certificates.

21. Notices. All notices to be given under this Agreement shall be made in writing and mailed by certified mail, return receipt requested, to the other party at its address set forth herein or at such address as the party may provide in writing from time to time. Any such notice shall be deemed to have been received five (5) days subsequent to mailing.

22. Section Headings. All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provisions of this Agreement.

23. Governing Law. This Agreement shall be governed by the provisions hereof and by the laws of the State of Texas.

24. Delivery of Related Documents. Lessee will execute or provide as required by Lessor, the following documents and information in form and substance satisfactory to Lessor:

- (a) Equipment Acceptance Certificate;
- (b) Legal opinion of counsel as described in Section 1 above;
- (c) Statement of Lessee describing the essential functions and uses of the Equipment;
- (d) Documents evidencing title and delivery;
- (e) Maintenance contract regarding Equipment, if any;
- (f) Uniform Commercial Code Financing Statements;
- (g) Certificates of liability and casualty insurance naming Lessor and its assigns as additional insureds;
- (h) Invoicing instructions; and
- (i) Other documents as reasonably requested by Lessor.

25. Entire Agreement; Waiver. This Agreement, together with the Lease Schedule(s) and other attachments hereto, and other documents or instruments executed by Lessee and Lessor in connection herewith, constitute the entire agreement between the parties with respect to the Equipment. Any provisions of this Agreement found to be prohibited by law shall be ineffective to the extent of such prohibition without invalidating the remainder of this Agreement. The waiver by Lessor of any breach by Lessee of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach thereof.

26. Execution in Counterparts; Electronic Transaction. This Agreement may be simultaneously executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument. In addition; the parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

27. Role of Lessor. Lessor has not acted and will not act as a fiduciary for Lessee or as Lessee's agent or municipal advisor. Lessor has not and will not provide financial, legal, tax, accounting or other advice to Lessee or to any financial advisor or placement agent engaged by Lessee with respect to this Agreement. Lessee, its financial advisor, placement agent or municipal advisor, if any, shall each seek and obtain its own financial, legal, tax, accounting and other advice with respect to this Agreement from its own advisors (including as it relates to structure, timing, terms and similar matters).

[Signature page follows.]

28. Special Stipulations. Any amendment to the terms of this Agreement will be set forth in Exhibit A attached hereto ("Special Stipulations").

NOW, THEREFORE, BE IT RESOLVED by this Governing Body for and on behalf of Lessee as follows:

Section 1. The Agreement and Exhibits attached thereto in substantially the same form as attached hereto as Exhibit "A" by and between the Lessor and the Lessee is hereby approved and Joe Don Dockery (the "Authorized Officer") is hereby authorized and directed to execute said Agreement on behalf of the Lessee.

Section 2. The Agreement is being issued in calendar year 2023.

Section 3. Neither any portion of the gross proceeds of the Agreement nor the Equipment identified to the Agreement shall be used (directly or indirectly) in a trade or business carried on by any person other than a governmental unit, except for such use as a member of the general public.

Section 4. No portion of the rental payments identified in the Agreement (a) is secured, directly or indirectly, by property used or to be used in a trade or business carried on by a person other than a governmental unit, except for such use as a member of the general public, or by payments in respect of such property; or (b) is to be derived from payments (whether or not to the Lessee) in respect of property or borrowed money used or to be used for a trade or business carried on by any person other than a governmental unit.

Section 5. No portion of the gross proceeds of the Agreement are used (directly or indirectly) to make or finance loans to persons other than governmental units.

Section 6. The Authorized Officer is further authorized for and on behalf of the Governing Body and the Lessee to do all things necessary in furtherance of the obligations of the Lessee pursuant to the Agreement, including execution and delivery of all other documents necessary or appropriate to carry out the transactions contemplated thereby in accordance with the terms and provisions thereof.

Section 7. The Lessee desires to designate the Agreement as a "qualified tax-exempt obligation" of the Lessee, as defined in Section 265(b)(3) of the Internal Revenue Code of 1986 (the "Code"). The aggregate face amount of all tax-exempt obligations (excluding private activity bonds other than qualified 501(c)(3) bonds) issued or to be issued by the Lessee and all subordinate entities thereof during the current calendar year is not reasonably expected to exceed \$10,000,000. The Lessee and all subordinate entities thereof will not issue or enter into in excess of \$10,000,000 of tax-exempt obligations (including the Agreement, but excluding private activity bonds other than qualified 501(c)(3) bonds) during the current calendar year, without first obtaining an opinion of nationally recognized counsel in the area of tax-exempt municipal obligations acceptable to the Lessor that the designation of the Agreement as a "qualified tax-exempt obligation" will not be adversely affected.

Following the reading of the foregoing resolution, Jim Luther moved that the foregoing resolution be adopted. Billy Wall seconded the motion for its adoption. The Senior Commissioner put the question to a roll call vote and the result was as follows:
