Subject: Re: LAW LIBRARY

Karin - I spoke with both Judge Stubbs and Judge Garrett and they are both on board. So, we would like to request permission from the Commissioners Court to donate any old code books that we have, 2015 and prior, to the "Old Books for New Lawyers" organization.

I am copying Judge Henson and Jayme on this email in case they have books they would like to get rid of as well and would want to be included.

If I need to come to the CC meeting or if you have any questions, please let me know.

ALL HEARINGS WILL BE IN PERSON- ALL PARTICIPANTS AND ATTORNEYS MUST APPEAR IN PERSON AT THE DESIGNATED COURTHOUSE.

Supposedly we have a public access computer that serves as our law library. We no longer have physical law library books.
If you would like me to, I'll put the request on the next agenda to donate the books.

Does Burnet County have a law library? We have a bunch of old codes and I would like to put them in the law library if we have one but I do not think that we do. If we do not, I would like to get permission to donate them to a program called "Old Books for New Lawyers". Any idea who I would ask for that permission from? These are code books from 2000-2010.
