Strengthening the region by supporting urban and rural local governments through coordination, collaboration, and the sharing of ideas and resources.

ABOUT

Since 1970, the county region has served Blanco, Burnet, Lee, Llano, and Travis counties.

CAPCOG serves as a member government for nearly 100 cities and members throughout its regional area.

As a regional membership organization, CAPCOG provides a variety of services to its member jurisdictions, including areas of emergency management, aging resources, education, economic development, homeland security, and GIS data analysis.

HOMELAND SECURITY

The Homeland Security Division partners with local governments and other emergency management stakeholders to conduct regional planning and support the coordination of operations, situational awareness, and training to respond to natural or man-made disasters.

REGIONAL PLANNING & SERVICES

The Regional Planning and Services (RPS) Division manages programs benefiting the region's environment and community and economic development. It provides support services on mapping, demographic, and economic data for local jurisdictions and CAPCOG's other programs.

CAPCOG DIVISIONS

AGING SERVICES

The Aging Services Division operates as the Area Agency on Aging of the Capital Area (AAACAP) and the Aging and Disability Resource Center of the Capital Area (ARDC). It serves and supports older adults, their caregivers, and those with disabilities with information and referral to resources, nutrition assistance, health and wellness programming and more. The division partners with local governments and nonprofits.

EMERGENCY COMMUNICATIONS

The Emergency Communications Division provides technical, operational, and educational support to the region's 31 Public Safety Answering Points (PSAPs). It maintains critical emergency communications network infrastructure at each PSAP and across 8,400 square miles to ensure 9-1-1 calls and texts are answered.

REGIONAL ENFORCEMENT

The Regional Academy (RA) provides officer courtship, hire officers, communities, Commission (TCOLE) standards, recommend law enforcement mandated a service peer
