- C. TPWD shall use the Tower for its lawful purpose and for no other purpose. TPWD personnel shall observe Tower rules and all applicable federal, state and local laws at all times applicable to the Tower and TPWD's property installed thereon. All operations of TPWD hereunder shall be conducted in such a manner

so as not to interfere with the communication facilities serving the activities of the County, and should TPWD's said activities, in the opinion of the County, interfere in any manner with said communication facilities or those of another licensee now occupying said Tower, TPWD shall upon written notice from the County, promptly eliminate the interference or remove the cause of such interference. And, upon TPWD's failure or inability to do so, the County may at their option terminate this Agreement, and TPWD's rights hereunder, by giving thirty (30) days written notice to TPWD, in which event TPWD shall promptly cease its operation hereunder and remove all equipment/facilities from said Tower.

- E. Title to all radio equipment installed on the Tower by TPWD shall remain with TPWD even though permanently affixed to said Tower. Upon termination of the Agreement, TPWD shall remove all radio equipment and any other property of TPWD from the Tower.
- F. Should the Tower be destroyed or damaged to such an extent that the same shall be thereby rendered unusable, then, in such event, this Agreement may be terminated, at the option of TPWD, by giving written notice to that effect to the County, and the Agreement shall be deemed terminated as of the end of the calendar month during which such notice is received by the County. The County shall be under no obligation to repair or reconstruct the premises or any portion thereof.
- G. The County shall not be responsible for any damage due to vandalism, burglary, collision, or any other act committed by a third party or any natural disaster or occurrence, to any property owned by TPWD.
