

Public Comments 2/10/2026

Spending high points from March 2025 till now,

- \$900,000.00 for voting machines
- \$1,100,000.00 for remodeling of the Courthouse Annex Building
- \$1,000,000.00 for new fiber optic cable and IT Building equipment
- \$1,712,621.00 (opt. a) for various spending at the upcoming 2/10/2026 meeting

If my math is correct these numbers add to \$4,712,621.00 in 11 months.

That number does not represent a total of all the money spent by this court in those 11 months under the "guidance" of the unelected bureaucrat Bryan Walker., oops I mean Bryan Wilson.

A million here, a million there,... pretty soon you're talking about a lot of money.

Easy to spend when it's not your money.
