

Burnet Gangsters Gil Jones and Donna Wilcox initiate a coup that started on January 3rd of 2025 repeating the mantra over and over, whoever was appointed as Judge should not run in 2026.

Gil Jones and State Rep. Terry Wilson meet with the Williamson County District Attorney less than two weeks before Bryan Wilson was appointed. Did Gil Jones and Terry Wilson leverage the Williamson County District Attorney for the Amburn's information that was used on March 11th against another candidate ?

Phase One of the coup is completed on March 11th, 2025. The Commissioners Court meeting that day was a staged event for all to see in Burnet County. Within the month the appointed County Judge leads the effort to buy the new electronic voting machines despite the protests of everyone in the courtroom. The Commissioners Court votes yes on spending \$900,000.

New \$900,000 voting machines in Burnet County.

A new Election Admin in Burnet County.

What could go wrong ?

Maybe the better question is "When things go wrong in the elections is it a bug or a feature of the systems ?"
