CONSENT AGENDA DISCUSSION

COUNCILMEMBER ORLANDO had questions regarding Consent Agenda Item No. 5.

5. Construction Contract No. PR1905.401 with Nickle Contracting, LLC, for Lantana Ranch Park Phase I Improvements

COUNCILMEMBER ORLANDO asked about the parking for this site.

ANDY BASS, Community Services Director, said staff has worked with the residents and HOA and have had meetings to discuss the parking. Mr. Bass said they are interested in having a limited amount of parking and staff is now working with the Transportation section to develop a few parking scenarios and would submit that to the HOA for consideration. Mr. Bass said staff would continue to work with residents to find a solution to serve the park and the residents of the neighborhood.

COUNCILMEMBER ORLANDO said they did try other options and this was the next best available option.

COUNCILMEMBER ORLANDO had questions regarding Consent Agenda Item No. 9.

9. Adoption of Resolution No. 5432, Introduction of Ordinance No. 4954, Preliminary Development Plan, and Preliminary Plat Approval, PLH20-0066/PLH20-0028/PLT20-0032 Hudson Crossings

COUNCILMEMBER ORLANDO asked if this was outside the 65 decibel ring for noise since it is in the Airpark area as he did not see the noise contour map.

SUSAN FIALA, Senior Planner, said yes it is outside of that contour and all housing products is required to be built to meet noise attenuation.

COUNCILMEMBER ORLANDO asked what decibel that was required.

MS. FIALA said 45.

COUNCILMEMBER ORLANDO asked if there have been other options for this area that might be better for freeway type of activity.

MS. FIALA said this property is designed as neighborhoods in the General Plan and Airpark Area Plan. Ms. Fiala said they are requesting an amendment from high density residential to a single family low medium density residential. Ms. Fiala said Willis Road is not an arterial road and there is residential surrounding this property on the west and east side. Ms. Fiala said it would not be conducive for employment or commercial usage and single family would be the most appropriate land use.

COUNCILMEMBER ORLANDO asked if this area would all be housing and there would not be any commercial along the freeway.

MS. FIALA said they could not predict what projects would come forward, but it is designated as residential.

KEVIN MAYO, Planning Administrator, said the freeway is the line of demarcation and the area is mostly built out east of McQueen. To the west is predominately larger lot single family. South of the 202 is where the Airpark Area Plan begins and they are not looking to bring employment to areas designated as residential in the area.

COUNCILMEMBER ORLANDO said anything to the west of McQueen is commercial and east of McQueen is residential.

COUNCILMEMBER ORLANDO had questions regarding Consent Agenda Item No.11.

11. Adoption of Resolution No. 5433, Introduction of Ordinance No. 4955, and Preliminary Development Plan, PLH20-0047/PLH20-0048 Valerio at Ocotillo and Residence Inn Expansion

COUNCILMEMBER ORLANDO asked when the third addition would be built.

MS. FIALA said the applicant is expecting it to be built within a year, but it would depend on COVID-19 impacts as well.

COUNCILMEMBER ORLANDO had questions regarding Consent Agenda Item No. 13.

13. Introduction of Ordinance No. 4958, Preliminary Development Plan and Preliminary Plat, PLH19-0063/PLT19-0055 Elux at McQueen

COUNCILMEMBER ORLANDO asked if any residents have had concerns on this project.

LAUREN SCHUMANN, Senior Planner, said there was a neighborhood meeting that was held and five residents attended. Ms. Schumann said she did receive one phone call and was concerned with the traffic conditions and the resident was provided with the traffic analysis. Ms. Schumann said to relieve some traffic tension there would be a full intersection at McQueen and Armstrong.

COUNCILMEMBER ORLANDO asked if the resident was satisfied with the information.

MS. SCHUMANN said yes, the resident has not asked any additional questions.

VICE MAYOR STEWART asked what the property to the west was zoned.

MS. SCHUMANN said the current property is envisioned as high density residential. Across the street is zoned as agricultural and is anticipated to be light industrial. Ms. Schumann said staff is in the process of updating the Airpark Area Plan and they have discussed the possibilities to allow that area to be used for offices.

COUNCILMEMBER ORLANDO had questions regarding Consent Agenda Item No. 14.

14. Preliminary Plat, PLT20-0033 Queen Creek Commerce Center

COUNCILMEMBER ORLANDO asked for more information about a flex building.

MS. SCHUMANN said properties zoned planned area development that allows for a mix of uses. The flex allows for multiple uses, the majority being industrial, manufacturing, and research in development, but because of the flex more than 10% of the space could be used as office as well.
