INTRODUCTION OF ORDINANCE NO. 4958

REZONING SUBJECT TO THE FOLLOWING CONDITIONS:

1. Development shall be in substantial conformance with the Development Booklet, entitled "Elux at McQueen" and kept on file in the City of Chandler Planning Division, in File No. PLH19-0063, modified by such conditions included at the time the Booklet was approved by the Chandler City Council and/or as thereafter amended, modified or supplemented by the Chandler City Council.

2. The multi-family apartment manager shall display, in a conspicuous place within the rental office, a map illustrating the location of the development Elux at McQueen in the context of the Chandler Airpark Area Plan. The map shall identify the Airport Impact Overlay District, the noise contours and over flight patterns as depicted in Exhibit 6A in the FAR Part 150 Noise Compatibility Study document as adopted by Chandler City Council (Resolution No. 2590, 11-5-98), and the noise contours as identified in the Chandler Airpark Area Plan. Such map or aerial photo shall be a minimum size of 24" x 36". Compliance with this condition shall be demonstrated by the property owner or multifamily apartment manager submitting to the Zoning Administrator of a signed affidavit and photograph that acknowledges such map is on display prior to beginning any rental activity.
3. Prior to execution of any lease, prospective apartment tenants shall be given written disclosure in their lease and in a separately signed disclosure statement acknowledging that this apartment community is located proximate to the Chandler Municipal Airport that includes a heliport, aircraft engine testing facility, and an aircraft storage facility, that an avigational easement exists on the property, the property lies within the Chandler Municipal Airport Impact Overlay District, and that the property is subject to aircraft noise and over flight activity. The requirement for such disclosure shall be confirmed in an avigation notice covenant that runs with the land and is recorded with the Maricopa County Recorder prior to issuance of the first building permit for this development.
4. The developer shall provide the city with an avigational easement over the subject property in accordance with Section 3004 of the City of Chandler Zoning Code.
5. Prior to building permit issuance for any structures the developer shall provide a DETERMINATION OF NO HAZARD TO AVIATION approval as issued by the FAA after filing an FAA Form 7460, Notice of Proposed Construction or Alteration.
6. The Final Plat shall contain the following statement on the cover sheet in a prominent location and in large text: "This property is located within the Chandler Municipal Airport Impact Overlay District and is subject to aircraft noise and frequent over flight activity, and is encumbered by an avigational easement to the City of Chandler."
7. All leases at Elux at McQueen shall provide that all questions, concerns, or complaints any tenant may have about the Chandler Municipal Airport or the operation of aircraft landing at, taking off from, or operating at or on Chandler Municipal Airport shall be directed solely to the manager of Elux at McQueen development and not to the Chandler Municipal Airport, the City of Chandler, the FAA, any aircraft owner, or any pilot. All leases shall also provide that it shall be within the sole and absolute discretion of the manager of Elux at McQueen (and not the tenant) to determine (after the manager's due consideration of all airport related acknowledgments and disclosures that are required by the Zoning Stipulations and consideration of all information known to Elux at McQueen's

Manager) whether or not, when, and how to communicate any tenants question, concern, or complain to the manager of the Chandler Municipal Airport.

8. All apartment buildings shall be designed and built to achieve an interior noise level not to exceed 45 decibels (Ldn) from aircraft noise. A professional acoustical consultant, architect or engineer shall certify that the project's construction plans are in conformance with this condition.
9. In the event the multi-family residential is platted to allow unit ownership, prior to the time of making any lot reservations or subsequent sales agreements, the subdivider/homebuilder/developer shall provide a written disclosure statement, for the signature of each buyer, acknowledging that this subdivision lies within the Chandler Municipal Airport Impact Overlay District, as specified in the Chandler Zoning Code. The disclosure statement shall acknowledge the proximity of this subdivision to the Chandler Airport and that an avigational easement exists and/or is required on the property, and further, shall acknowledge that the property is subject to aircraft noise and overflight activity and other externalities. This document signed by the homebuyer shall be recorded with Maricopa County Recorder's Office upon sale of the property. The "Public Subdivision Report", "Purchase Contracts", CC&R's, and the individual lot/unit property deeds shall include a disclosure statement outlining that the site is adjacent to or nearby an existing municipal airport, and the disclosure shall state that such uses are legal and should be expected to continue indefinitely. This responsibility for notice rests with the subdivider/homebuilder/developer and shall not be construed as an absolute guarantee by the City of Chandler for receiving such notice.
10. Multi-family dwelling units shall be permitted up to a maximum density of 12.6 dwelling units per acre.
11. The developer shall be responsible for the design and installation of a traffic signal at the intersection of McQueen Road and Armstrong Way during the initial phase of construction.
12. Completion of the construction of all required off-site street improvements including but not limited to paving, landscaping, curb, gutter and sidewalks, median improvements and street lighting to achieve conformance with City codes, standard details, and design manuals.
13. The developer shall be required to install landscaping in the arterial street median(s) adjoining this project. In the event that the landscaping already exists within such median(s) the developer shall be required to upgrade such landscaping to meet current City Standards.
14. Right-of-way dedications to achieve full half-widths, including turn lanes and deceleration lanes, per the standards of the Chandler Transportation Plan.

15. Minimum setbacks shall be as provided below and further detailed in the development booklet:

Property Line Location	Minimum Building Setback
McQueen Road	50'
North Property Line	10'
East Property Line	10'
South Property Line	35'

APPROVAL OF THE PRELIMINARY DEVELOPMENT PLAN SUBJECT TO THE FOLLOWING CONDITIONS:

1. Development shall be in substantial conformance with the Development Booklet, entitled, "Elux at McQueen" and kept on file in the City of Chandler Planning Division, in File No. PLH19-0063, modified by such conditions included at the time the Booklet was approved by the Chandler City Council and/or as thereafter amended, modified or supplemented by Chandler City Council.
2. Landscaping plans (including for open spaces, retention, rights-of-way, and street medians) shall be approved by the Planning Administrator.
3. All mechanical equipment, including HVAC, utility meters, etc. shall be screened from view by material(s) that are architecturally integrated and consistent with the proposed buildings.
4. Signage shall substantially be as shown within the submitted Development Booklet and shall follow all applicable criteria of the City of Chandler Sign Code.
5. Preliminary Development Plan approval does not constitute Final Development Plan approval; compliance with the details required by all applicable codes and conditions of the City of Chandler and this Preliminary Development Plan shall apply.
6. The site shall be maintained in a clean and orderly manner.
7. The landscaping in all open-spaces shall be maintained by the property owner or property owners' association, and shall be maintained at a level consistent with or better than at the time of planting.
8. The landscaping in all rights-of-way shall be maintained by the adjacent property owner or property owners' association.
9. Roadway-style signs shall be installed at multiple locations as depicted in the development booklet that identify the presence of low flying aircraft.

10. The developer shall coordinate with staff to provide a tot lot.
11. The developer shall coordinate with staff to provide an appropriate number of electric charging stations.
12. The developer shall coordinate with staff to provide color diversity throughout the development by incorporating an additional color.

APPROVAL OF THE PRELIMINARY PLAT SUBJECT TO THE FOLLOWING CONDITION:

1. Approval by the City Engineer and Planning Administrator with regard to the details of all submittals required by code or condition.
