4. AGENDA ITEMS:

CHAIRMAN HEUMANN informed the audience before the regular meeting Commission and Staff met in open study session to discuss both items on the agenda. Items A and B are on consent. He further advised that there was a modified stipulation as to Item A.

A. PLH20-0023, PLT20-0037 PECOS AND MCQUEEN RETAIL

Request to Rezone from Agricultural District (AG-1) to Planned Area Development (PAD) for Neighborhood Commercial (C-1) uses, Preliminary Development Plan and Preliminary Plat approval for a neighborhood commercial center on approximately 3.5 acres located at the southwest corner of Pecos and McQueen Roads.

Update

Revisions to the site layout were completed by the applicant to address the Design Review Committee's guidance and include the following:

- Pad A shifted closer to the corner
- Pedestrian sidewalk in front of Pad A building entrance widened
- Phasing plan provided (Exhibit 4 in Development Booklet)
- Driveway turning radius increased adjacent to Pad B drive thru lane
- Perimeter wall height increased to 48 inches along both frontages to screen drive thru lanes
- Number of parking spaces proposed increased from 101 to 112 total spaces
- Speed humps and traffic directional signage proposed

Several exhibits contained in the Development Booklet do not reflect the above site plan modifications. The applicant will update the following exhibits prior to Council meeting:

- Landscape Plan
- Site Block Wall Plan
- Preliminary Grading & Drainage Plan
- Preliminary Plat

Background

- Site is approximately 3.5 acres

- The applicant is currently working with the City to acquire an approximate 2,660 sq. ft. City of Chandler-owned parcel located at the immediate corner of the intersection
- Site is currently vacant
- At the January 20, 2021 Planning and Zoning Commission meeting, the case was continued to conduct a Design Review Committee (DRC). On February 3, 2021, the DRC provided the applicant suggestions on revising the site plan, which include shifting Pad sites A and B further away from residential and the proposed daycare. The applicant requested further continuance to the March 3, 2021 Planning and Zoning Commission meeting to allow additional time to address the DRC's guidance.

Review and Recommendation

Planning staff finds the proposal is consistent with the General Plan designation of Neighborhoods and the Chandler Airpark Area Plan designation of Neighborhood Commercial. The General Plan land use designation allows Neighborhood Commercial uses within developments located at arterial intersections to serve commercial needs of low-density residential communities.

The site layout provides three pad sites including two proposed restaurants and a daycare. Pad site A is proposed as a Starbucks drive-through. Pad site B is proposed as a future restaurant/drive-through and a daycare. Building architecture is contemporary. Building and site layout comply with the intent of the Commercial Design Standards.

Late hour business policy defines any restaurant that opens its doors to the public one or more hours between midnight and 6 a.m., one or more days a week. Also, the policy is applicable when commercial is within 300 ft. of existing residential zoning. The proposed Starbucks anticipates business hours from 4:30 a.m. to 10 p.m., daily. These hours and building distance of approximately 206 ft. to the west, residentially zoned parcels require approval of the proposed businesses hours from 4:30 a.m. to 6 a.m., Mitigation proposed includes an 8 ft. tall solid wall along the entire site perimeter and several landscaped areas.

The applicant requests relief from the Zoning Code requirement that initial construction include a minimum of 12,000 sq. ft. of building area in Phase One. The request is to allow the flexibility to construct Pads B and C in future phases. Exhibit 4 (see attached) identifies improvements that will be completed during phase one, which includes Pad A and all site improvements including landscaping, driveways, and parking except for Pad B building area on the south and Pad C and associated parking area to the north of Pad C. Pad sites B and C would be covered with decomposed granite until market conditions allow development.

The second request is to reduce the 50 ft. by 250 ft. landscape intersection along both Pecos and McQueen roads. The reduced landscaped intersection allows the two

drive-through pad sites additional distance from existing residential and the proposed daycare. The applicant is currently working with the City's Real Estate division to purchase the City owned parcel of approximately 2,660 sq. ft. located at the immediate corner of the site.

Staff supports the requested waivers due to the infill nature of the site, site acreage and driveway location constraints. Staff finds the proposal to be consistent with the goals of the General Plan and recommends approval subject to conditions.

Traffic Analysis

A Traffic Impact Analysis was prepared to analyze existing conditions and traffic with the proposed development. Based on the analysis, traffic impacts of the proposed development could be mitigated by making adjustments to the existing traffic signal timing at the McQueen Road/Pecos Road intersection to maintain acceptable levels of service. Additionally, the Transportation Engineering Division will continue to work with the applicant to establish a circulation plan for the Day Care/Pre-K. This is being done in an effort to document pick-up/drop-off procedures and minimize potential implications to the adjacent public roadways that have occurred with similar land uses. Staff recommends a stipulation to address the future daycare's drop off/pick up circulation plan.

Public / Neighborhood Outreach

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A virtual neighborhood meeting was held on July 21, 2020. Ten residents attended virtually to obtain project information. Questions and concerns voiced relate to traffic, construction timing, existing irrigation ditch, drive through locations, vehicle exhaust, land uses, and children's safety (daycare). No opposition to the request was stated.
- Planning staff received letters from residents in opposition to the proposed Starbucks stating they would rather support local businesses.

Recommended Actions

Rezoning

Planning staff recommends Planning and Zoning Commission move to recommend approval of rezoning from Agricultural District (AG-1) to PAD for Neighborhood Commercial (C-1) uses, subject to the following conditions:

1. Development shall be in substantial conformance with the Development Booklet, entitled "Pecos and McQueen Retail" and kept on file in the City of Chandler Planning Division, in File No. PLH20-0023, modified by such conditions included at the time the Booklet was approved by the Chandler City Council and/or as thereafter amended, modified or supplemented by the Chandler City Council.
2. Completion of the construction of all required off-site street improvements including but not limited to paving, landscaping, curb, gutter and sidewalks, median improvements and street lighting to achieve conformance with City codes, standard details, and design manuals.
3. Right-of-way dedications to achieve full half-widths, including turn lanes and deceleration lanes, per the standards of the Chandler Transportation Plan.
4. Late hour businesses shall not be open to the public from 10 p.m. to 4:30 a.m., seven days a week.

Preliminary Development Plan

Planning staff recommends Planning and Zoning Commission move to recommend approval of the Preliminary Development Plan, subject to the following conditions:

1. Development shall be in substantial conformance with the Development Booklet, entitled "Pecos and McQueen Retail" and kept on file in the City of Chandler Planning Division, in File No. PLH20-0023, modified by such conditions included at the time the Booklet was approved by the Chandler City Council and/or as thereafter amended, modified or supplemented by the Chandler City Council.
2. The site shall be maintained in a clean and orderly manner.
3. The landscaping in all open-spaces shall be maintained by the property owner or property owners' association, and shall be maintained at a level consistent with or better than at the time of planting.
4. The landscaping in all rights-of-way shall be maintained by the adjacent property owner or property owners' association.
5. Landscaping plans (including for open spaces, rights-of-way, and street medians) and perimeter walls shall be approved by the Planning Administrator.
6. Solid walls no less than 48 inches in height shall be constructed to screen all drive-through lanes.
7. Prior to issuance of a building permit, a circulation plan shall be approved by the City's Traffic Engineering Division for a daycare/Pre-K business.

8. No more than two drive-through pad sites shall be permitted.
9. Phase 1 on-site improvements shall at a minimum include the following:
 - a. Construction of Pad A building, associated parking and landscaping
 - b. All perimeter landscaping
 - c. Driveways to Pads A and B and landscaping along said driveways
 - d. Parking areas for Pad B and landscaping within said parking areas.
 - e. Landscape and parking north and east of Pad C.
10. Sign packages, including freestanding signs as well as wall-mounted signs, shall be designed in coordination with landscape plans, planting materials, storm water retention requirements, and utility pedestals, so as not to create problems with sign visibility or prompt the removal of required landscape materials.
11. Preliminary Development Plan approval does not constitute Final Development Plan approval; compliance with the details required by all applicable codes and conditions of the City of Chandler and this Preliminary Development Plan shall apply.

Preliminary Plat

Planning staff recommends Planning and Zoning Commission move to recommend approval of the Preliminary Plat, subject to the following condition:

1. Approval by the City Engineer and Planning Administrator with regard to the details of all submittals required by code or condition.

Proposed Motions

Rezoning

Move Planning and Zoning Commission recommend approval of PLH20-0023 Pecos and McQueen Retail rezoning from Agricultural District (AG-1) to Planned Area Development (PAD) for Neighborhood Commercial (C-1) uses, subject to conditions as recommended by Planning staff.

Preliminary Development Plan

Move Planning and Zoning Commission recommend approval of Preliminary Development Plan, PLH20-0023 Pecos and McQueen Retail, subject to conditions as recommended by Planning staff.

Preliminary Plat

Move Planning and Zoning Commission recommend approval of Preliminary Plat, PLT20-0037 Pecos and McQueen Retail, as recommended by Planning staff.

CHAIRMAN HEUMANN requested that staff present the modified stipulation to the commission and audience.

SUSAN FIALA, SENIOR CITY PLANNER presented a modified stipulation as reflected under #9 of the Preliminary Development plan.

COMMISSIONER KLOB indicated that the applicant is not going to develop a drive through lane for pad B.

B. PLH20-0042 ROCK LOBSTER DINING ROOM EXPANSION

Request Entertainment Use Permit approval for existing outdoor patio speakers for background music only. The existing business is located at 2475 W. Queen Creek Road at the southwest corner of Queen Creek and Dobson roads.

Background

- Zoned as Planned Area Development (PAD) for office, retail, residential and hotel uses.
- Zoning Code requires Entertainment Use Permit approval when outdoor speakers and/or live entertainment is provided and the establishment is located within 1,320 feet of residential property. The subject site is located approximately 150 feet north of a multi-family residential development.
- A Liquor Use Permit (LUP) allowing liquor sales and live, acoustic, indoor music was approved in 2017 and had no effective time limit stipulation.
- Rock Lobster ownership was unaware of Entertainment Use Permit Requirement at the time of speaker installation.
- The need for this Entertainment Use Permit came to Staff's attention after Rock Lobster requested a Liquor License Extension of Premise.

Surrounding Land Uses

North	Queen Creek Road, then a hotel	South	The Cays (Multi-Family, part of the same zoning case)
-------	--------------------------------	-------	---

East	Commercial (restaurant, retail, office)	West	Commercial (restaurant, retail, office)
------	---	------	---

Proposed Business Operations

Building/Suite Area	4,000 building sq. ft. & 500 patio sq. ft.
# of employees	25 employees
Hours of Operation	Sunday through Thursday 11am-9pm Friday and Saturday 11am-10pm
Hours of Entertainment	Patio speakers provide ambient background music during business hours. No live entertainment is provided.

Review and Recommendation

The existing patio speakers have been in operation for as long as the business, over ten years. During that time, no noise complaints have been filled against Rock Lobster with the Chandler Police Department, nor with Rock Lobster management. At the time of installation, the owners of the subject site were not aware that additional approval was needed to permit outdoor patio speakers, as a Liquor Use Permit allowing for live acoustic performances was granted in 2017 with no effective time limit. Planning staff has reviewed the request and finds that it is consistent with the General Plan.

Public / Neighborhood Notification

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A neighborhood meeting was held on February 17, 2021. There were two attendees, both inquired with general questions and were not in opposition of this request.
- Four residents of The Cays reached out to Planning staff to express initial opposition as the residents thought this request to be adding additional volume or hours of operation; however, upon learning that this request does not permit anything in excess of what is currently existing, they appeared to no longer oppose the request. One additional resident reached out in opposition of this request, expressing that there is no need for additional music. Staff reached out to them to provide information. As of the writing of this memo staff has not received a response.

Recommended Action

Planning staff recommends Planning and Zoning Commission motion to recommend approval of the Entertainment Use Permit, subject to the following conditions:

1. Expansion or modification beyond the approved attachments (Floor Plan and Narrative) shall void the Entertainment Use Permit and require new Entertainment Use Permit application and approval.
2. The Entertainment Use Permit is non-transferable to any other location.
3. No noise shall be emitted from external speakers in such a manner that exceeds the general level of noise emitted by uses outside the premises of the business and disturbs adjacent businesses and residential areas.
4. The establishment shall provide a contact phone number for a responsible person (i.e., bar owner and/or manager) to any interested neighbors and property owners to resolve noise complaints quickly and directly.

Proposed Motion

Motion Planning and Zoning Commission to recommend approval of Entertainment Use Permit case, PLH20-0042 Rock Lobster Dining Room Expansion, subject to the conditions as recommended by Planning staff.

MOVED BY COMMISSIONER FLANDERS seconded by **COMMISSIONER KLOB** to approve consent agenda with a modified stipulation as to Item A.
