ZACHARY WERDEAN, CITY PLANNER asked if the Commission's concerns could be clarified.

CHAIRMAN HEUMANN is concerned when drums are used there is a different kind of noise level.

ZACHARY WERDEAN, CITY PLANNER stated Staff's intention to find a middle ground and allow the use of some drums that are reasonable. He explained Staff thought bongos would be reasonable, and if they are not, they will not be included in the request going forward to the City Council.

CHAIRMAN HEUMANN stated he is okay with that.

DAVID DE LA TORRE, PLANNING MANAGER explained it may be easier to regulate and for staff to enforce if no percussion instruments are allowed.

VICE CHAIRMAN DAVID ROSE stated he is familiar with the Applicant and they would react if there were any issues. He explained an additional stipulation to prohibit the use of percussion instruments is not appropriate as the Applicant has been there for years and they have handled issues properly. He further explained there are different way to mitigate sounds and if the neighbors reacted, the Applicant would address the issue.

CHAIRMAN HEUMANN agreed the Applicant has done a great job, but his intention is to prevent issues from happening like the situation in 2012. He asked staff to work with the Applicant to make sure they understand this use permit has a two-year time stipulation.
