SIDE-VIEW

- VARIETY OF VIEWS 360 DEGREES AROUND

BACK-SIDE

MATERIAL: STEEL

FINISH:

- POWDER-COAT
- +AUTOMOTIVE ENAMEL

DESCRIPTION

"FIRE AND FIGHT" WAS DESIGNED TO DRAW EYES FROM PASSERS BY LIKE A BRIGHT RED FIRE ENGINE. WHEN VIEWED FROM THE FRONT THE SCULPTURE TAKES THE SHAPE OF THE MALTESE CROSS- REFERENCING THE HISTORY OF FIREFIGHTERS AS PROTECTORS- AND THEIR WILLINGNESS TO LAY DOWN THEIR OWN LIVES TO SAVE OTHERS. AS VIEWERS MOVE AROUND THE WORK THE SHAPE CHANGES FROM MALTESE TO FLAME AS SEEN FROM THE SIDES; CREATING A TENSION BETWEEN IDEAS (CHAOS AND CONTROL) OR MORE SPECIFICALLY: FIRE AND FIGHTER. CENTERED FOCALLY IN THE PIECE, THE LADDER, THE HAT, THE AXE, AND THE HOSE REMIND VIEWERS THAT FIREFIGHTERS PLACE THEMSELVES IN THE CENTERS OF FIRES WHENEVER NECESSARY AND THESE TOOLS SPECIFICALLY ARE SOME OF THE MOST ICONIC AND ENDURING FIREFIGHTERS USE TO DO THEIR JOB. INSIDE THE WALLS OF THE WORK ITSELF ARE BLUE SILHOUETTES- ON ONE SIDE A MOUNTAIN, ON THE OTHER A COUPLE OF BUILDINGS- THESE PAINTED ADDITIONS MAKE REFERENCE TO CHANDLER, AZ AND THE SURROUNDING AREA IN WHICH THE CHANDLER FD SERVE AS FIRST RESPONDERS. LAST BUT NOT LEAST IS A BRONZE BADGE ON THE FOUNDATION OF WHICH THE PIECE STANDS- THIS BADGE WILL REMEMBER MARK "BO" BOULANGER AND HIS COMMITMENT TO SAVE LIVES. I THANK YOU FOR THE OPPORTUNITY TO PUT FORTH THIS PROPOSAL AND FOR YOUR SERVICE TO FIGHTING FIRES AND PROTECTING OUR COMMUNITIES.

	Grinding/ sanding	10000	
	Powder-coat/ Automotive enamel	9000	19000
	Overhead Shop Fee	3000	3000
	Transport/ Install	3000	3000
	Tax		5040

Plinth
Lighting

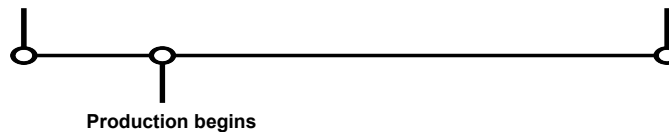

Pending

2,960 dollars of available funds remain in the budget to be allocated towards plinth and lighting- further discussions will be necessary to determine if these line items can be worked into the overall build project budget- cost for pouring the concrete, running power and installing uplighting may exceed the available funds/ services within this budget

TIMELINE
