Whereas the parties, through their designated representatives, met and conferred in good faith pursuant to the Meet and Confer Ordinance in order to reach agreement concerning wages, hours, benefits, and other conditions of employment in the bargaining unit; and

Now therefore, the City of Chandler, hereinafter referred to as the "City" and CLASA, hereinafter referred to as the "Association" having reached this complete agreement concerning wages, hours, and working conditions for the term specified, the parties submit the Memorandum to the Mayor and the City Council of the City of Chandler with their joint recommendation that the body resolve to adopt its terms.

ARTICLE 1: RIGHTS

Section 1 – 1: Purpose/Gender

It is the purpose of this Memorandum to continue and maintain harmonious relations, cooperation, and understanding between the City and its Sergeants; and to set forth the full and entire understanding of the parties reached as a result of a good faith meeting and conferring regarding wages, hours, benefits, terms and other conditions of employment of the Sergeants covered hereby, which understanding the parties intend jointly to submit and recommend for approval and implementation to the Mayor and City Council.

Whenever any words used herein are in the masculine, feminine, or neuter, they shall be construed as though they were also used in another gender in all cases where they would so apply.

Section 1 – 2: City and Management Rights

The City and the City Manager's rights are not subjugated or diminished in any way by any expressed or implied duty or obligation to meet and confer. Retained management rights are not subject to the grievance procedure contained in any Memorandum of Understanding, nor are they subject to any other appeal or complaint process.

- 1) Subject to the terms of this Memorandum the City has and will continue to retain, whether exercised or not, the unilateral and exclusive right to operate, administer, and manage its municipal services and work force performing those services. The authority of the City shall not be modified or limited by inference or implication.
- 2) Subject to the terms of this Memorandum, the exclusive rights of the City shall include, but not be limited to:
 - The right to determine the organization of City government, the purpose of each of its departments, and the purpose and mission of its constituent agencies, boards, and commissions.
 - Set standards of service to be offered to the public, and through its management officials to exercise control and discretion over its organization and operations, to establish rules and practices governing the conduct of Sergeants, to direct and supervise its Sergeants and their work, to take disciplinary action, to relieve its Sergeants from duty because

of lack of work or for other legitimate reasons, to determine whether goods and or services shall be made.

- Determine whether goods and or services shall be made, purchased, or contracted for.
 - Determine the methods, means and personnel by which the City's services are to be provided, including the right to schedule, and assign work and overtime, to hire, transfer and reassign Sergeants and to otherwise act in the interests of efficient service to the community.
 - The City reserves the right to establish and revise work schedules and work locations; to establish, revise and implement standards for hiring and promoting Sergeants; to determine the need for additional positions and the qualifications of new Sergeants and to determine the qualifications for and/or the qualifications of Sergeants considered for transfer and/or promotion; to evaluate and judge the skill, ability and efficiency and general work performance of Sergeants.
 - Adopt and manage its budget, provide for the funding of certain levels of service, to add, delete, modify, or suspend certain programs, functions, divisions, and departments as the City Council in the exercise of its legislative authority to create and manage the City's budget and to determine whatever action to be necessary and appropriate.
 - Take all necessary actions to maintain uninterrupted service to the community.
- 3) The City retains all rights not specifically limited by a Memorandum of Understanding approved in accordance with the provisions of the Meet and Confer Ordinance, Chandler City Code § 2-13, as amended.
- 4) The enumeration of the above rights is illustrative only and is not to be construed as being all-inclusive.

Section 1 – 3: Rights of the Association

- A. The City recognizes the Chandler Lieutenants and Sergeant Association as the sole and exclusive Meet and Confer authorized representative, pursuant to the Meet and Confer Ordinance for purposes of the representation regarding wages, hours, benefits, and other conditions of employment for all regular full-time Sergeants in the employee group. The Associations shall have no rights beyond those specified in the Meet and Confer Ordinance as amended, Title 38 of the Revised Arizona State Statute and this Memorandum.

Members of the group shall hereinafter be referred to as "Sergeants."

B. Certain specified representatives of the Association have the right to paid release time herein as follows:

- 1) The Association may designate up to five (5) Executive Board member representatives and shall notify the Chief of Police in writing of such designations. There shall be no obligation on the City to change or adjust normal departmental scheduling or assignments of personnel as a result of such designations.
- 2) One (1) representative may, when the Association is designated in writing by the Association member as their representative, attend mutually scheduled grievance meetings and hearings with department and City representatives without loss of pay or benefits. In no event shall this paid release time be used for any other purposes, such as gathering information, interviewing the grievant/appellant or witnesses, or preparing a presentation. The Association representative is required to obtain the permission of their department supervisor to absent himself from their duties to attend scheduled grievance meetings. Subject to operational needs and scheduling factors, this permission shall not be unreasonably withheld. An Association representative wishing to enter a work area for the purpose of investigating a formal grievance must first gain the permission of the work area supervisor. This permission will not be unreasonably withheld, giving proper consideration to essential work of the department and the occupational safety of the Association representative.

C. Payroll Dues Deduction

- 1) The City shall deduct yearly from all twenty-six (26) checks of Association members, the regular periodic Association membership dues pursuant to the City's deduction authorization form duly completed and signed by the employee and transmit such deductions monthly to the Association no later than the fourteenth (14th) day following the end of the pay period in which the deduction occurs, along with an alphabetical list of all Sergeants for whom the deductions have been made. Such deduction shall be made only when the Association member's earnings for a pay period are sufficient after other legally required deductions are made.
- 2) Authorization for membership dues deduction herein shall remain in effect during the term hereof unless revoked in writing by the Sergeant. The City shall accept revocation of deductions only during the first week of January and

July of the term of this Memorandum to be effective the following payroll period. The City will notify the Association of any revocations submitted to it.

- 3) The City shall not make any payroll deductions for Sergeants on behalf of any other organization that purports to provide benefits similar to those offered by the designated Association (as defined in the Meet and Confer Ordinance as amended) during the term of this Memorandum.
- 4) It is agreed that the City assumes no liability on account of any actions taken pursuant to this Section. The City will; however, as promptly as technically possible, implement changes brought to its attention.
- 5) The City shall, at the written request of the Association during the term of this Memorandum, make changes in the amount of dues deduction hereunder for the general membership, provided costs for implementing such changes shall be reimbursed by the Association at actual cost incurred by the City.

- 2) The City shall provide the Association with space for one (1) bulletin board per station for its use in communicating with its members at mutually agreeable locations. The City shall grant sole and exclusive use of such bulletin boards to the Association. Bulletin boards shall not exceed four feet wide by three feet tall (4' x 3') in size.
- 3) The bulletin boards shall be used only for the following notices: recreational and social affairs of the Association; Association meetings; Association elections; reports of the Executive Board or committees; rulings or policies of the state or national organizations; and legislative enactments and judicial decisions affecting public sector labor relations.

Notices shall not contain anything political; anything reflecting adversely on the City or any of its employees; or anything that is disruptive of the City's operations.

The City may order the removal of any posted notice on the basis that it violates the requirements herein. The Association may dispute the order of removal by filing a grievance pursuant to Personnel Rule 18 – Grievance Procedures. Posted material will be signed by an authorized official of the organization. The Association agrees to keep the bulletin board in good order.

- 4) The Association is authorized to use mutually agreed upon non-work areas in City facilities for pick-up by or distribution to Sergeants of the official Association literature that is not political in nature or abusive of any person or organization. The use of working areas or use of City equipment and information systems, for the solicitation of members, dues collection, and distribution of materials relating to other Association business shall be prohibited unless allowed by a specific Section of the Memorandum.
 - 5) The Association President, or their designee, will be provided a mail slot for department communications and may use the City's e-mail system to send e-mails to Sergeants to announce meetings. With pre-approval from the Chief of Police or designee, notice of association charities and upcoming events may be sent by the email system.
- E. In recognition of the mutual benefit to both the City and the Association, a Sergeant using Association release time as defined by Articles in this Memorandum to conduct Association business shall be accorded all insurance-related benefits. Claims made for benefits will be reviewed on a case-by-case basis in the same manner as the claim of any other employee.
- F. A member of the Executive Board of the Association, or a designated Association representative, will, with the approval of the Chief of Police or their designee, subject to twenty-four (24) hours written notice in advance, be authorized to engage in Association related activities during City work hours on a non-paid basis. Approval for use of unpaid time hereunder shall be subject to Department operational and scheduling factors and administration control as to usage of such time but shall not be unreasonably withheld. There shall be no use of official paid time for Association related activities under this paragraph.
- G. A Sergeant may contribute up to three (3) hours per year of accrued vacation to be placed in an Association leave time bank for use by the Association to engage in

legitimate Association business. The following conditions shall apply to the leave time bank:

- 1) The Association shall supply the City with a Release Hours Authorization Form, which includes the name of the Sergeant and the hours of vacation time donated by the Sergeant to the pool.
- 2) The donating Sergeant shall sign the form before submission to the City.
- 3) The City shall withdraw the bank hours in the first pay period of July or upon promotion date of an Officer to Sergeant.
- 4) The form shall be enforceable from year-to-year, and the Association President may increase bank hours upon a written statement.
- 5) Charges against the Association leave time bank shall only be made when approved by the President or Secretary/Treasurer of the Association.
- 6) Human Resources shall keep a record of all time donated and drawn against.
- 7) Any unused hours in the Association leave time bank may be carried over from one fiscal year to the next.
- 8) The Association shall indemnify, defend, and hold harmless the City against any and all claims made and against any suits instituted against the City on account of the City complying with any of the provision of this Section.
- 9) These hours may be used as follows:
 - a. For Executive Board members to attend meetings of the Executive Board, meetings of the general membership, and for preparation for negotiations pursuant to the Meet and Confer Ordinance as amended.
 - b. For any member designated by the President to be used for legitimate Association purposes.
- 10) Approval for use of paid time hereunder shall be subject to Departmental operational needs and scheduling factors. Such approval shall not be unreasonably withheld. When using such paid time, members of the Executive Board shall give at least twenty-four (24) hours written notice in advance.

- H. The Association will be allowed one-half (½) hour to talk to and possibly sign new Sergeants into the Association and to explain the rights and benefits under the Memorandum. This time will be allotted after promotion of said Sergeants. The content of such information shall not be political in nature, abusive of any person or the Department or disruptive of the Department's operation.
- I. It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the Sergeant's work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the Sergeants regular work shift in pursuit of benefits provided by this Article.
- J. In the interest of encouraging continuing education for Sergeants, the Department will mail to the Association President the AZ POST calendar.
- K. The Association may designate up to three (3) Sergeants to represent the Association in the Meet and Confer process with the City. These designated Sergeants shall be granted time off with pay for the purpose of such representation, and such times shall not be applied to bank hours.
- L. In the event that the City alleges that the Association or a Sergeant, or the Association or a Sergeant alleges that the City has violated a provision of the Meet and Confer Ordinance as amended, the Association, Sergeant, or City may submit such a claim through the grievance procedure in Article 2 of this Memorandum.

Section 1 – 4: Sergeant Rights

- A. All Sergeants shall have the right to join or not to join the Association as they individually prefer. Sergeants have the right to participate on behalf of or engage in activities on behalf of an Association and have the right to refrain from such activity. Sergeants shall be free from any interference, restraint, or coercion by any employee, supervisor, or manager for or against the Association. Violations will necessitate disciplinary action.
- B. Sergeants have the right to be represented by the Association and to have a member of the Association present during the grievance and the disciplinary process. The disciplinary process does not apply to an interview of a Sergeant during the normal course of work, counseling, instruction, informal verbal admonishment or other routine or unplanned contact with a supervisor.

- C. If a Sergeant requests representation will be allowed when the member is subject of an administrative investigation and the Sergeant reasonably believes that the interview could result in dismissal, demotion or suspension by Professional Standards Section, or any Police Department supervisory, who is conducting an administrative investigation. The Sergeant will obtain the most readily available Association representative. The Association representative will make every reasonable attempt to arrive within one (1) hour from the time the member makes a phone call to the representative. The Association representative will attend the above interview only as an observer. At the end of the interview, but prior to the conclusion of the interview, the Sergeant being interviewed may privately confer with their representative. Upon returning to the interview the Sergeant will be allowed to make a statement not to exceed five (5) minutes addressing the specific facts or policies related to the interview. A Sergeant identified only as a witness will be given the opportunity to consult with an Association representative not same representative as the suspected Sergeant to discuss their rights and obligations prior to the interview. The interview session shall be for a reasonable period of time, taking into consideration the gravity and complexity of the misconduct being investigated.
- D. Any unit member who is the subject of an officer involved shooting investigation who has discharged a weapon or was shot at or violently assaulted may request to have the administrative interview postponed for up to forty-eight (48) hours from the time of the incident. The Chief of Police may deny the request when they determine that delaying the interview would be detrimental to the investigation. A unit member may waive their rights to make the request for postponement of the administrative interview. In all cases, the overall mental and physical or health of the unit member shall be taken into consideration.
- E. A Sergeant under investigation will be notified in writing every 30 (thirty) days as to the current status of the investigation. This will include a brief description of the number of known witnesses still to be interviewed and other investigative processes remaining to be completed, as well as an estimated date of completion.
- F. A Sergeant has the right to present their own grievance in person and has the right to be represented.
- G. A Sergeant covered hereunder shall, on their request be allowed to review their departmental or divisional personnel file in the presence of an appropriate supervisor/official of the Department within three (3) business days of the request review. Another person of their choosing may accompany the Sergeant.

When a City-directed work fitness/job performance medical evaluation process is completed, the Sergeant may request copies of their medical information from the City-selected physician. The City must also agree to give the City-selected physician authorization to release any/all information to the requesting Sergeant.

- H. No Sergeant shall have any adverse comments entered into their departmental personnel file without the Sergeant being informed by the supervisor. If the Sergeant requests, they may receive a copy of the adverse comment. A Sergeant may, at their discretion, attach rebuttal statements to any material contained in their departmental personnel file, which may be adverse in nature.
- I. Material purged from a Sergeant's file in accordance with the below procedures or allegations about a Sergeant which are unfounded, exonerated, not sustained or a policy failure will not be used in future performance ratings or disciplinary actions.
- J. Consistent with the requirements of A.R.S. § 39-128, the City shall maintain as part of a Sergeant's official personnel record all documents relating to disciplinary actions, including the Sergeant's response to the disciplinary action, and shall make such records available for inspection and copying as required by the public records law.

Upon written request, a Sergeant may have letters of admonishment which are over three (3) years old removed from the department working file when there have been no incidents or problems of a similar nature within the three (3) year period immediately preceding the request. A Sergeant may request to have letters of instruction and counseling statements which are over one (1) year old removed from the department working file.

- K. A Sergeant under investigation by Professional Standards Section or a Police Department supervisor for a disciplinary matter that may lead to a written reprimand, suspension, demotion, or discharge, and who is interviewed, or requested to produce any documentation, shall be given a written notice informing him of the specific nature of the investigation, their status in the investigation, and all known allegations of misconduct involved in the interview of the Sergeant.

In addition, the Sergeant and/or the Police Department supervisor/Professional Standards Section representative shall be entitled to mechanically record such interview. Should any mechanical recordings take place, the department reserves the right to transcribe any such interview for the purpose of verifying the accuracy of the interview and, if requested, the Sergeant shall sign the transcription if it is accurate.

For any sustained allegations resulting in a letter of reprimand or higher, the Sergeant has appeal rights under Personnel Rules or, where applicable Title 38 of Arizona Revised Statute.

At the time of a scheduled interview by the Professional Standards Section, a Police Department supervisor, or other City employee, the investigator will advise the Sergeant of all evidence known at the time of the interview that will be used in the course of the investigation. This includes any written documents, video or audio recordings, or photographs. The Investigator will inform the Sergeant of such evidence at the time of the interview.

- 1) A copy of the signed and dated notice of investigation will be given to the Sergeant prior to the beginning of the interview. The Sergeant shall have the right to retain the notice of investigation for their use throughout the entire course of the interview. A Sergeant will be provided an opportunity to make a telephone call after the issuance of the notice of investigation to obtain an Association representative.
- 2) In the event a Sergeant does not record their interview they may request a copy of the investigator's tape(s) if the investigator records the interview (the Sergeant provides the tape).
- 3) If any Sergeant is told not to speak to anyone regarding an investigation, this admonition does not apply to speaking with an attorney functioning within the attorney-client relationship, or with an Association representative who may discuss the matter only with the Executive Board members. When the investigation is completed, the accused Sergeant will be notified in writing of the findings. A Sergeant under internal or administrative investigation may be reassigned, until the completion of the investigation.
- 4) If during the course of the above-mentioned investigation, information is learned concerning additional misconduct on the part of the Sergeant being interviewed, a notice of investigation will be issued to the Sergeant prior to the Sergeant being questioned about the additional misconduct information.
- 5) Issues related to the release of a Sergeant's home address and telephone number, timeliness of lodging a complaint against a Sergeant, and multiple discipline arising out of the same incident have been addressed by the adoption of general orders related to these subjects.

- 6) The unit member's immediate supervisor will normally investigate LEVEL 1 complaints, whether generated internally or externally and LEVEL II Class A "First Violation" complaints that result from a complaint of a third LEVEL 1 violation within a one (1) year period. The Professional Standards Section will normally investigate LEVEL II complaints unless otherwise directed by the Chief of Police.

The Professional Standards Section will normally investigate any complaint that involves extensive manpower and resources that would unreasonably burden a supervisor. Division Commanders may request the Professional Standards Section to conduct an investigation for a variety of reasons. These requests will be routed through the Chief of Police.

- L. The employer shall count as time worked any hours or fractions of hours spent within the Sergeant's regular work shift in pursuit of benefits provided by this Article, (Association Representative) but shall not count as time worked any hours or fractions of hours spent outside the Sergeant's work shift.
- M. A Sergeant who receives a written reprimand may request a copy of the official documentation, if any, supporting the written reprimand.
- N. If a polygraph examination is required of a Sergeant, an Association representative will be allowed to monitor and observe all preliminary and post examination interviews and the examination from a monitoring room if available. If no monitoring room is available, appropriate steps will be taken to video record the proceedings for the record. The results of a polygraph or voice stress examination alone will not be the sole factor for determining truthfulness or on which to impose disciplinary action. A copy of the examination results including charts will be provided to the Sergeant upon request.
- O. Once a Sergeant has been formally counseled or disciplined in accordance with General Orders B-12, including the counseling/discipline chart, and B-13, no further investigation will be conducted for the same allegation for the same incident except when:
 - 1) New Information reveals additional allegations arising from or related to the same incident.
 - 2) The Chief of Police requests further investigation for the integrity of the organization and to maintain public trust.

- P. A complaint will be treated as a delayed complaint if an allegation of non-criminal misconduct by an employee occurred more than one hundred and twenty (120) days prior to the date of complaint.

The supervisor receiving the complaint will document the information in a memorandum. The memorandum will be sent through the chain of command to the Professional Standards Section, who will review and inform the Chief of Police. A determination will be made whether or not a formal investigation will be initiated. If an investigation is merited, the Professional Standards Section will conduct the investigation, unless otherwise directed by the Chief of Police.

The Association must equally and fairly represent all Sergeants.

- Q. An employee subject to suspension, demotion or dismissal shall be entitled, upon appeal, to the Disciplinary Review Group process outlined in Personnel Rule 5 – Disciplinary & Appeal Procedures, Section 7. For purposes of Rule 5, Section 7.A.2., the Association President or designee shall replace the member of the Employee Council on the Disciplinary Review Group.

The CLASA Association President or designee may not serve on a disciplinary review group if they have a direct connection with the matter being reviewed or has any real or perceived conflict of interest. The person will be mutually agreed upon between the Human Resources Director and the CLASA President. If mutual agreement cannot be reached, the appointment will revert to the Personnel Rule and will be a member of Employee Council. The grounds for discipline and types of discipline are not grievable matters under this Memorandum.

Section 1 – 5: Prohibition of Strike and Lockouts

- A. The Association and Sergeants covered by this Memorandum recognize and agree that rendering of services to the community cannot under any circumstances or conditions be withheld, interrupted, or discontinued, and to do so would endanger the health, safety, and welfare of the citizens of the City of Chandler.
- B. The Association pledges to maintain unimpaired municipal services as directed by the City. Neither the Association, nor any Sergeant, for any reason, will authorize, institute, aid, condone or engage in a slowdown, work stoppage, strike, or any other interference with the work and statutory functions and obligations of the City or the Department. During the term of this Memorandum neither the City nor its agents for any reason shall authorize, institute, aid or promote a lockout of Sergeants covered by this Memorandum.

- C. Should any Sergeant during the term of this Memorandum, and until such time that it is expressly and legally rescinded breach the obligations of Section 1 – 5 (B), the City Manager or their designee shall immediately notify the Association that a prohibited action is in progress.
- D. The Association shall forthwith, through its Executive Board and other authorized representatives, disavow said strike or other prohibited action, and shall notify in writing all Association members and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others. Copies of such notification shall be delivered to the Office of the City Manager. In addition, the Association shall order all Sergeants violating this Article to immediately return to work and cease the strike or other prohibited activity. Such order shall be delivered both orally and in writing to all Sergeants violating this Article with copies of the written order to be delivered to the Office of the City Manager.
- E. Penalties or sanctions the City may assess against a Sergeant who violates this Section shall include, but not be limited to:
 - 1) Discipline up to and including discharge.
 - 2) Loss of all compensation and benefits, including seniority, during the period of such prohibited activity.
- F. Should the Association during the term of this Memorandum and until such time that it is expressly and legally rescinded, breach its obligations under this Section, it is agreed that all penalties set forth in the City Charter, shall be imposed on the Association, in addition to any other legal and administrative remedies available to the City that in its discretion it may elect to pursue.
- G. Nothing contained herein shall preclude the City from obtaining judicial restraint or from seeking damages from the Association, in the event of a violation of this Section.

ARTICLE 2: GRIEVANCE/ARBITRATION/LABOR MANAGEMENT

Section 2 – 1: Grievance Procedure

- A. The grievance procedures set forth in Personnel Rule 18 - Grievance Procedures shall apply to any grievance brought by a unit member or the Employee Organization alleging violation(s) of the express terms of this Memorandum for which there is no Merit System Board appeal or other specific method of review under State or City law.
- B. Any proposed changes to Personnel Rule 18 - Grievance Procedures will be provided to the Employee Organization President in a redline format and, if requested by the Employee Organization, a labor-management meeting shall be scheduled prior to submission of the proposed change to the City Council for approval. The meeting shall be scheduled within a reasonable amount of time so as not to unduly delay the process.
- C. In the event the City Manager takes unilateral action that is inconsistent with an express term or condition of this Memorandum and the effect of such action adversely affects the wages, benefits, or working conditions of a majority of unit members directly affected by the action, the employee organization may bring an Organization Grievance on behalf of all members using the grievance procedures under Personnel Rule 18 - Grievance Procedures. If the Organization Grievance is not resolved at the supervisor or department level, the City Manager shall refer the Organization Grievance, brought under the limited circumstances described herein, to a neutral third party who is not a current or former official or employee of the City. The City Manager may elect to exercise their sole discretion to bypass the supervisor's and department's review of the Organization Grievance and refer the Organization Grievance directly to a neutral third party.
- D. The parties, or their designated representatives, shall agree on a neutral third party. If they are unable to agree on a neutral third party within a reasonable time, the City shall provide a list of seven (7) individuals who have experience as a hearing officer or mediator with the public sector in Arizona. The parties shall, within five (5) workdays of the receipt of said list, select the neutral third party by alternately striking names from said list until one (1) name remains. Such person shall then become the neutral third party. The neutral third party so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:
 - i. The neutral third party shall be bound by the language of the Memorandum and departmental rules and regulations consistent therewith in considering any issue properly before him/her.

- ii. The neutral third party shall expressly confine him/herself to the precise issue submitted and shall have no authority to consider any other issue not so submitted.
- iii. The neutral third party shall be bound by applicable State and City law.
- iv. The neutral third party shall submit findings and recommendations to the employee organization and to the City Manager. The cost of the neutral third party and any other mutually incurred costs shall be borne equally by the parties.
- v. The City Manager shall, within ten (10) workdays of the receipt of the written findings and recommendations, make the final, non-appealable determination of the organization grievance and submit it in writing to the employee organization.

Section 2 – 2: Labor-Management Committee

It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the employee's work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the employee's regular work shift in pursuit of benefits provided by this Article.

- A. There shall be a Labor-Management Committee consisting of two (2) representatives of the Association and two (2) representatives of the City and the City's HR Director or designee who shall be the Chairperson. The purpose of the Committee is to facilitate improved labor-management relationships by providing a forum for free and informal discussion of mutual concerns and problems.
- B. The Committee shall meet, when necessary, at mutually agreed upon times.
- C. If the representative of the Association is a Sergeant, such representative shall not lose pay or benefits for meetings mutually scheduled during duty time.

ARTICLE 3: COMPENSATION AND WAGES

Each unit member will receive a one-time, non-pensionable lump sum payment of two thousand dollars (\$2,000) payable the first full pay period in July 2022.

Section 3 – 1: Merit Pay

For each fiscal year of the agreement, the City will fund an on-going merit increase of up to five percent (5%) for eligible Sergeants effective on the first day of the pay period which includes the date of the Sergeant's current job classification or salary review date, until the Sergeant is at the top of the pay grade.

Section 3 – 2: Longevity Pay

A. In recognition of continuous service and overall performance, the City agrees to provide the following longevity pay for eligible unit members:

- 1) A unit member who meets the qualifications specified in this article shall receive annually a longevity payment of two and one-quarter percent (2.25%) of their base rate, or base rate plus assignment pay, paid in one (1) installment during the pay period of the unit member's date of classification or salary review date. This payment is not compensation for the purposes of PSPRS.
- 2) Qualifications:
 - a. A Sergeant must have five (5) years in a Chandler Police sworn position or reach the top of the Sergeant's pay range, whichever occurs sooner, to be eligible to receive the longevity pay.
 - b. A Sergeant must have achieved the performance rating of "meets expectations" or better in each overall job standard category on their latest scheduled performance evaluation on file in the Human Resources Department.

Section 3 – 3: Total Annual Cash Compensation Survey

A. Wage increases are to be determined as follows:

- 1) For the purposes of this section, "Total Annual Cash Compensation" means the following:
 - a. the maximum annualized base wages for an individual Sergeant at the top of the pay range (i.e., maximum hourly rate X 2,080); and

- b. the annual amount paid by the City in deferred compensation, or equivalent, to an individual Sergeant at the top of the pay range; and
 - c. the annual amount contributed by the City towards the retirement health savings plan, or equivalent, for an individual Sergeant at the top of the pay range; and
 - d. the annual amount received as longevity pay, or equivalent, by an individual Sergeant at the top of the Sergeant pay range.
- 2) Human Resources will finalize a Compensation Survey no later than August 1st of each year that compares Total Annual Cash Compensation for eight (8) cities: Chandler, Gilbert, Glendale, Mesa, Peoria, Phoenix, Scottsdale, and Tempe based on JIMS data and/or verification from the respective cities' HR Departments. At the conclusion of the Compensation Survey, the eight (8) cities shall be ranked in numerical order based on Total Annual Cash Compensation with the highest being ranked as number one (1) and the lowest ranked as number eight (8).

Human Resources shall determine the rank of the City of Chandler in comparison to the ranking of the seven other cities. If the City of Chandler's Total Annual Cash Compensation is ranked at or above the third (3rd) position in the rankings, no wage adjustments shall be made.

If the City of Chandler's Total Annual Cash Compensation is ranked below the Total Annual Cash Compensation of the third (3rd) highest city in the rankings, the top of the Chandler Sergeant pay scale shall be adjusted by the percentage required for Chandler's Total Annual Cash Compensation to be equal to the midpoint between the Total Annual Cash Compensation of the second (2nd) and third (3rd) highest cities.

Sergeants' wages shall be increased to correspond with any upward adjustment made to the Sergeant salary range as a result of the annual survey.

Any wage increase will become effective on the first day of the next full pay period after the survey data has been accepted and signed by the Association. In the event that the survey results in Chandler's being ranked above the third (3rd) position as defined in this Section, Chandler's range will not be decreased.

Any time an adjustment is made to the maximum pay range for the Sergeant position pursuant to this Section. The minimum pay range for the position shall be set at five percent (5%) above Top Officer Pay.

- B. A salary inversion exists when an employee with less seniority in a job classification earns a higher base rate of pay for any period of time than an employee in the same job classification with greater seniority. The City will not address a salary inversion within the Police Sergeant job classification and Salary Review Dates will not be assigned. Any employee that has an existing Salary Review Date will retain the Salary Review Date as the effective date for future annual merit increases, Supervisory Incentive Pay, and the completion of performance evaluations.

In Fiscal Year 23/24, upon completion of the City of Chandler 2022 Classification and Compensation Study, if the City adopts a pay philosophy that would result in a greater pay increase for unit members than the methodology set forth in this MOU, this philosophy will be incorporated into the MOU and applied to the August 2023 survey.

Section 3 – 4: Field Training Pay/Special Assignment Pay Differential

Field Training Officers (FTOs) who the department selects to conduct department-approved Sergeant field training will receive an additional five percent (5%) of their base rate of pay for every day they are assigned to an officially authorized field training position.

Sergeants in field training assignments and the specialty assignments set forth above may be removed from the assignments by the Chief of Police or designee, at any time. The removal from field training and specialty assignments is within the sole discretion of the Chief of Police. A Sergeant who is removed from a field training or specialty

All paid leave taken in lieu of hours worked, except time off taken as compensatory time or administrative leave for investigation or discipline purposes, shall be counted as "hours worked" for purposes of overtime calculation. The "hours worked" requirement does not apply to overtime compensation the City is obligated to pay by the specific terms of this Memorandum or Department regulations (i.e., "contract overtime") for certain activities or situations. Payment for hours worked on a holiday, as part of the regularly scheduled hours of work, shall be compensated as provided by this rule.

Overtime compensation for Sergeants shall be computed in accordance with the Fair Labor Standards Act and the regular rate of pay including applicable shift differential, on call pay and assignment pays. If overtime is to be paid, it must be recorded and paid, at one and one-half times (1.5x) the regular rate, on the payroll immediately following the conclusion of the pay period in which the overtime was worked. If compensatory time is to be accrued in lieu of overtime pay, it must be

 - 1) Compensation to a Sergeant who is called out at times other than their regularly scheduled shift will begin at the time the Sergeant is notified, but not to exceed thirty (30) minutes and shall terminate thirty (30) minutes after being relieved of duty. A Sergeant is relieved from duty when he is directed by a supervisor to secure or are no longer performing the task directly related to the reason for the call-out. A Sergeant beginning an overtime period within two (2) hours or less prior to the regularly scheduled duty reporting time will be compensated from the time the overtime period begins to the time he is scheduled to report for duty except that a Sergeant shall not be eligible for additional compensation during that period.
