Preliminary Development Plan

Move City Council approve Preliminary Development Plan PLH21-0073 Veneto, for site layout and building architecture, subject to the conditions as recommended by Planning and Zoning Commission.

RON KEMP, 850 W. Jeronimo St., Chandler, thanked the builder and the City for working together to mitigate parking issues. Mr. Kemp shared a concern with the green area across the street on Pleasant as he was unsure if pets would be allowed or not. If pets are allowed, the green area may be used. The green area currently has signage that says Do Not Trespass but there is no way of stopping people.

COUNCILMEMBER ORLANDO asked if the applicant could address this issue.

TAYLOR EARL, 3101 N. Central Ave, mentioned the developer's familiarity with the concern for the green space. There is a space on the east side of the project with a grass area where people could take their pets. They offered stipulations which were not added, but have a letter submitted to be part of the zoning file, requiring that part of the lease the residents would be aware they do not have the right to use that area. In addition, if the HOA would allow, a sign could be installed clarifying that the green space is for HOA residents only. The park is offsite, and not part of the subject of the case, so the stipulations were not included. However, their intention with the commitments in the letter is to mitigate that concern.

COUNCILMEMBER ELLIS thanked Mr. Earl and the builder for working together. Their efforts in working through these promises would ensure that residents would be satisfied.

COUNCILMEMBER HARRIS thanked the applicant for the time spent in conversation with him and said that they would be a good partner to the City of Chandler. Councilmember Harris said he hoped the constituents would feel comfortable with what was shared today.

COUNCILMEMBER LOPEZ shared that the outreach and open dialogue with the neighbors is how it should be done. This is an exhibition of what a good partner and good community does.

VICE MAYOR ROE thanked Mr. Earl and Mr. Kemp for addressing the Council.
