Discussion

1. Presentation and Direction to Staff Regarding the Addition of Juneteenth as a City Observed Holiday, to be Observed on June 19

MAYOR HARTKE thanked Councilmember Harris for bringing this item forward. Mayor Hartke said Juneteenth commemorates June 19, 1865, which was the day that enslaved Americans in

Galveston received word of the Emancipation Proclamation even though it was signed two and a half years earlier. In June 2021 it became a federal holiday but that does not automatically become a City holiday unless adopted by the City. In 2016, the State of Arizona officially recognized Juneteenth as a holiday but is not one of the 18 states that have made it a paid holiday. Mayor Hartke called for a staff presentation.

JOSHUA WRIGHT, City Manager, introduced the discussion item and staff would provide information to Council so that they may direct staff.

NIKI TAPIA, Diversity, Equity and Inclusion Supervisor, presented the following presentation.

- Juneteenth Holiday
- Juneteenth
 - What is it?
 - Juneteenth is an annual celebration commemorating the freedom of all enslaved people in the United States of America. On June 19th, 1865, two and a half years after the Emancipation Proclamation, Union soldiers went to Galveston, Texas to enforce the freeing of all remaining slaves.
- How Do We Celebrate Juneteenth in Chandler?
 - South Chandler Self-Help has organized Black History Month and Juneteenth events in Chandler since the 1980's.
- Expanded Events in 2020 & 2021
 - Chandler4Change
 - Caravan during COVID-19
 - Festival at Folley Park in 2021
 - City facilitated Culture Music in the Park event in AJ Chandler Park
- Juneteenth 2022 Activities
 - Mayor and City Council proclaimed the celebration of Juneteenth in Chandler at the June 6 City Council meeting
 - Multiple partners collaborated to coordinate four days of celebration from June 16-19, 2022
 - City employees provided opportunity to attend informational session regarding the history of Juneteenth

KRISTIN MAIER, Human Resources Manager, continued the presentation.

- Juneteenth as a Federal Holiday
 - On June 17, 2021, President Biden signed a bill making Juneteenth the eleventh American federal holiday.
 - The federal government's authority to declare holidays extends only to federal employees and institutions under federal control. Other institutions may, but are not required to, observe federal holidays. The Chandler City Council retains the authority to determine observed holidays for the City of Chandler.
- Current City of Chandler Holidays

- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Day
- Personal Holiday
- Current Valley Municipalities Observing Juneteenth as a City Holiday
 - Avondale
 - Buckeye*
 - Glendale
 - Goodyear
 - Phoenix
 - Scottsdale
 - Surprise
 - Tempe

COUNCILMEMBER HARRIS asked in the Buckeye holiday schedule if Juneteenth would be observed only if it was on a weekday.

MS. MAIER confirmed that was correct, if it fell on a weekend here would be no additional day of observance.

MS. MAIER continued the presentation.

- Implementation Considerations
 - Changes to the City holiday schedule require a personnel rule change, approved by City Council resolution
 - Can be added to Memorandums of Understanding (MOU's) for labor associations outside of meet and confer cycle
 - Estimated financial impact of adding Juneteenth holiday is \$222,000

COUNCILMEMBER STEWART asked if public safety employees would be paid overtime on a holiday.

MS. MAIER said yes, they get paid time and a half for working on a holiday.

MR. WRIGHT continued the presentation.

- Options to Consider

- Keep existing City holiday schedule (no change)
- Designate Juneteenth as a City of Chandler holiday beginning in 2023
- Add another personal holiday for employees to use at their discretion
- Next Steps
 - If directed by City Council to proceed with adding a new City holiday, resolution amending personnel rule would appear on August 18, 2022, regular meeting agenda
 - Direction to City Manager on operational expectations for Juneteenth 2023 (e.g. recreation centers, aquatic facilities, libraries, etc.).
 - Cost of new holiday in FY22-23 would be absorbed through salary savings or other operational efficiencies and would be budgeted in future fiscal years.

COUNCILMEMBER STEWART asked if any employees working on that holiday would receive time and a half.

MR. WRIGHT said they would either receive time and a half pay or would be able to take the holiday on a different day.

COUNCILMEMBER STEWART asked if that would change the \$222,000 amount.

MR. WRIGHT said that amount is just an estimate, but it would range depending on how they deployed the staffing model.

COUNCILMEMBER HARRIS asked on which holidays are facilities completely closed.

MR. WRIGHT said that all facilities are completely closed on Christmas Day, New Year's Day, and Thanksgiving. During other holidays, public-facing facilities are operational.

COUNCILMEMBER HARRIS asked about the operations on Independence Day.

MR. WRIGHT said that some recreational facilities are open with limited hours during the day. The cost implications would be within the current fiscal year, and the cost would be able to be absorbed through operational efficiencies and salary savings. If adopted, the holiday would be planned for in future fiscal years as a budget item.

COUNCILMEMBER LOPEZ asked for background information on the flexible personal holiday currently given.

MS. MAIER said she was not sure.

COUNCILMEMBER ORLANDO said that when adopting Martin Luther King Jr. Day, there were more personal holiday days and one of those was absorbed into Martin Luther King Jr. Day.

COUNCILMEMBER LOPEZ asked if we are still planning to do the Christmas break.

MR. WRIGHT said yes, the Christmas break plan has been announced. It is not the same holiday schedule, it is condensed, and not considered the same type of leave.

COUNCILMEMBER LOPEZ confirmed that it is still time off.

MR. WRIGHT said yes, it is still time off, it is just coded differently in payroll.

COUNCILMEMBER LOPEZ asked how the break is different from the holiday.

MR. WRIGHT said it is similar in terms of that it is time away from the office. The break is not added to a schedule. There are 10 holidays with 3 additional days off.

COUNCILMMBER ELLIS asked if the time off around Christmas is part of a benefit program or incentive program and not a holiday.

MR. WRIGHT confirmed that was correct, it is not a formal holiday. The difference is that this is a year-to-year program, it has not been announced permanently. Mr. Wright said we are still open on those days and all services are still available.

COUNCILMEMBER HARRIS asked which offices are closed and which are open during the winter break time.

MR. WRIGHT said everything is open: City Hall, water bill, permits, tax and license are all open. This is done through rotating staff or working remotely. Services are not interrupted. If staff have to work those days then they take those days off at another time.

COUNCILMEMBER ORLANDO asked if overtime is granted during the winter break.

MR. WRIGHT said that there is some overtime for public safety employees.

COUNCILMEMBER HARRIS asked if it is possible to reduce the estimated cost of the holiday.

MR. WRIGHT said staff can explore that and look into operations on what services are expected to be.

COUNCILMEMBER HARRIS asked about the most cost-efficient way to celebrate the holiday.

MR. WRIGHT said that staff could look into different offices being opened to reduce the impact of the cost.

COUNCILMEMBER HARRIS said it is beneficial to look into reducing the cost before implementation. It is important to celebrate, but we must also be responsible with our money.

DAWN LANG, Deputy City Manager / Chief Financial Officer, answered that the \$220,000 estimate came from a comparison with Presidents' Day. Public safety is still engaged but services like utility services and administrative offices are closed. The cost would be comparable unless it is executed like the winter break. That is an average cost of public safety wages, benefits, and overtime.

MAYOR HARTKE said for a summer holiday, the pools should be open.

COUNCILMEMBER ELLIS said one creative way to reduce cost would be to close early. Councilmember Ellis asked if there had been any observance of holidays through a half day work schedule.

MR. WRIGHT said a half day had not been used as a holiday observance.

COUNCILMEMBER HARRIS asked if on Independence Day, the front-facing offices are closed.

MR. WRIGHT said that that was correct, public facilities like recreation options are still open.

COUNCILMEMBER ELLIS said that she was considering the observance as more of a floating holiday. It is a holiday observance. There is a whole week of events of bringing organizations together. We did an amazing job this year of putting Juneteenth celebrations together.

COUNCILMEMBER LOPEZ asked if the floating holiday would be a different value than the \$220,000 estimate.

MR. WRIGHT said staff would look into it.

COUNCILMEMBER LOPEZ agreed that a floating holiday is a good idea to implement for this observance. This could promote inclusiveness so that everyone can celebrate their cultural history on a day they see fit.

MS. LANG said that this would be easier to schedule as not everyone would be off on one day, so the cost would probably be less.

MAYOR HARTKE stated that this discussion was to consider the celebration of Juneteenth specifically. It could be a floating holiday but for recognizing Juneteenth.

COUNCILMEMBER ORLANDO said he is fine with either a formal day or a floating holiday, he would like to observe the holiday either way. There would be a cost no matter the logistics.

COUNCILMEMBER STEWART said that recognizing the holiday is important. How it is celebrated is still to be determined, but the pools should be open.

VICE MAYOR ROE said that it is important to have good benefits. Adding a holiday where individuals can choose what they celebrate is a good idea. It is cost effective and still recognizes the holiday. We can do it affordably and be inclusive of many celebrations.

MAYOR HARTKE said that the consensus is to move forward with this. The name could still be Juneteenth, but people could use it as a floating holiday. Critical services would still be operational.

COUNCILMEMBER HARRIS said he liked the idea of how Buckeye observed the holiday on weekdays. Critical services would be operational, but in general reduce staffing. It could be comparable to Independence Day.

MAYOR HARTKE asked that if it fell on a weekday, it would be a hard day off, as opposed to a flex day.

COUNCILMEMBER HARRIS said yes.

COUNCILMEMBER ORLANDO said we could add Juneteenth to the holiday schedule and use a floating holiday to take that day off.

COUNCILMEMBER HARRIS said some of the services like the pool would be open. Other services not essential would be closed.

MAYOR HARTKE said that the front-facing departments would schedule different than administrative staff.

VICE MAYOR ROE commented that Juneteenth is specific to that day and is appropriate. The floating holiday might have a different name so that it was not tied to the day.

MAYOR HARTKE said that it should be called Juneteenth, whether people observe it or not.

VICE MAYOR ROE said that naming it something else would be in line with promoting diverse celebrations of holidays. Vice Mayor Roe asked if it is important to name it Juneteenth or provide an opportunity for others to celebrate what is appropriate for them.

COUNCILMEMBER HARRIS said that staff has opportunities with winter break to use the days at other times. Councilmember Harris said that this holiday should still be named Juneteenth but is open to other recognitions of holidays.

COUNCILMEMBER ELLIS said that we are not creating another holiday, we are making sure that staff can recognize this federally designated holiday. Councilmember Ellis agreed that looking into diverse celebrations of holidays would be good to investigate.

COUNCILMEMBER ORLANDO commented that there is a set number of holidays that can be taken. There are some permanently off. There could be a list of varied holidays that if the employee wants to take off, they would be able to. There could be a pool of holidays that employees can take off, but that would be a different conversation.

COUNCILMEMBER HARRIS said that for today, that can be brought up later. Councilmember Harris wanted to ensure there is a consensus for the observation of Juneteenth.

COUNCILMEMBER STEWART summarized that we are at consensus that Juneteenth should be celebrated. We just need to decide how we are going to recognize that and still provide customer service. We will figure out how time off will work with staff and contracts.

MR. WRIGHT mentioned that the concern was how to balance service to residents while still recognizing the holiday. There are ways to balance that operationally.

COUNCILMEMBER HARRIS said that pools should be open. Councilmember Harris asked for information on what should be open in conjunction with the holiday. It should be parallel with Independence Day operations.

MAYOR HARTKE directed staff to look into this. There is an overall acceptance of observing Juneteenth, the details just need to be worked out.

COUNCILMEMBER STEWART said there several different holidays to celebrate and asked about other days that should be recognized in the same vein.

MR. WRIGHT said that staff can look into other cultural celebrations.

Consent Agenda and Discussion

Discussion was held on items 3, 6, and 11.

Airport

1. Amendment to the Airport Commission Bylaws
Move City Council approve the amended Chandler Airport Commission Bylaws as recommended by the Chandler Airport Commission.

City Clerk

2. Board and Commission Appointments
Move City Council approve the Board and Commission appointments as recommended.

City Manager

3. Resolution No. 5599 Approving the Agreement between the Maricopa Association of Governments (MAG) and the City of Chandler to Develop a Project Assessment for Enhanced Bicycle and Pedestrian Facilities and Potential Traffic Calming Elements on Hunt Highway, from Cooper Road to Val Vista Drive
Move City Council pass and adopt Resolution No. 5599 approving the Active Transportation Project Agreement No. 828C-0R between the Maricopa Association of Governments (MAG) and the City of Chandler to Develop a Project Assessment for enhanced bicycle and pedestrian facilities and potential traffic calming elements on Hunt Highway, from Cooper Road to Val Vista Drive, in the amount of \$70,000.

COUNCILMEMBER ORLANDO asked for a staff presentation.

RYAN PETERS, Strategic Initiatives Director, introduced the item and said this project was identified in the 2019 Transportation Master Plan as a popular area of bicyclists. The traffic speeds prevent people from using this corridor. The Gila River Indian Community has a casino under construction in the area which would cause changes in the traffic patterns. Mr. Peters said this item would determine what options are available for this area of the City.

COUNCILMEMBER ORLANDO emphasized that this item is more for the calming measures rather than the bicycle lane. Councilmember Orlando asked when the traffic study is due.

MR. PETERS said that the traffic calming would be significant for Hunt Highway. There is a narrow right of way between the City of Chandler and the GRIC boundary. Mr. Peters said any kind of bicycle improvements made would have a natural effect on calming.

JASON CRAMPTON, Transportation Planning Manager, said that the study would take six to nine months to complete.

COUNCILMEMBER ORLANDO confirmed if any new ideas come up, we would share them with the GRIC community to potentially share on the cost.

MR. CRAMPTON said staff will look at those options, as the project is currently not in the CIP. Future options would be analyzed as the project is developed.

MAYOR HARTKE asked how potential completion of the casino would skew traffic study results.

MR. PETERS said that if the casino were built during the study, there would be an impact. The consultant would likely examine existing and projected traffic patterns, with the traffic impact analysis provided by GRIC. There would also be real-time analysis. This may be examined in a future year.

4. Agreement No. CM8-962-3970, Amendment No. 2, with Lyft, Inc., for the First Mile, Last Mile Program
Move City Council approve Agreement No. CM8-962-3970, Amendment No. 2, with Lyft, Inc., for the First Mile, Last Mile Program, in an amount not to exceed \$50,000, for the period of one year, beginning July 21, 2022, through July 20, 2023.

11. Purchase of Extractors for the Fire Stations
Move City Council approve the sole source purchase of extractors, from Coin & Professional Equipment Co., in the amount of \$147,952.

MAYOR HARTKE asked for a staff presentation.

THOMAS DWIGGINS, Fire Chief, said this item is a purchasing agreement with CPEC for the purchase of 11 industrial extractors for each fire station. An extractor is a specialized washing machine that is designed to extract carcinogens from firefighter's structural turnout gear or their personal protective equipment. The National Fire Protection Administration and manufacturers of gear recommend washing gear post exposure to every fire, smoke, or hazardous materials. There is currently a process in place with ECMS out of Phoenix that would wash and inspect gear once per year and anytime there is a significant exposure to a large fire. To stay consistent with the recommendations of NFPA and manufacturers, washing more frequently is needed. In the City of Chandler, every firefighter has two sets of gear. If their primary set is contaminated, it would be sent to be cleaned. The current process of cycling through primary and secondary sets of gear takes seven days. The seven-day window is problematic as firefighters work two to three shifts within that time span. If they respond to a second fire, they will have to clean their secondary set themselves and wear the gear again. The goal is to purchase 11 extractors and install them, create a washing program, and policy to mandate washing after every fire. There would be a decrease in exposure to carcinogens and a decrease in washing time. Carcinogens cause cancer in firefighters. Clean gear is a more effective and safe set of gear.

COUNCILMEMBER ORLANDO supported the item and shared that letting the public know what this is about is important.

COUNCILMEMBER ELLIS said the goal of protecting firefighters in their line of work is essential. Councilmember Ellis asked what the cost for the extractors would be.

CHIEF DWIGGINS answered that it would be around \$147,000. Policy would mandate washing after every fire. With these extractors, the gear is anticipated to be washed 900 more times. The current cost to outsource washing is \$100 each. There is a cost savings in this switch.

COUNCILMEMBER ELLIS commented that this is a good return on our dollars. Councilmember Ellis asked how this was funded.

JOSHUA WRIGHT, City Manager, answered that these are reallocated dollars initially sourced from ARPA and CARES that offset other general fund projects. The funds are general fund dollars.

17. Resolution No. 5604 Approving to Submit a Rental Assistance Demonstration (RAD) Application to HUD to Implement the Redevelopment of Chandler Public Housing Portfolio
Move City Council pass and adopt Resolution No. 5604, authorizing the City Manager or his Designee to submit an application to U.S. Department of Housing and Urban Development (HUD) for HUD's Rental Assistance Demonstration (RAD) program and to implement the redevelopment of the Chandler Public Housing Portfolio with the City of Chandler Housing and Redevelopment Division as Developer/Co-Developer, and authorizing the City Manager to take all action necessary to implement and operate all phases of the redevelopment and disburse public housing and/or affordable housing funds for related projects.

LESLIE MINKUS, 3372 E. Gemini Ct, Chandler, stated that he has been a resident of Chandler for 11 years, a Military Veteran and an active member of the Citizens Police Academy Association of Chandler for the past 5 years. He expressed his admiration for the city in doing something to help people experiencing homelessness but is against the city applying for or accepting funds from the federal government or state agencies for homeless programs that may require the housing of or care of any individual that may be categorized as an illegal alien, foreign or domestic terrorist or convicted felon. There are petitions being circulated to notify citizens of the potential for the funding that could have provisions that could apply to those categories of people. Citizens should have the right and opportunity to decide how tax dollars are spent and studies should be

conducted and reported to the public to determine impact that the homeless programs have on the health and safety of the city. He said the city is experiencing staffing shortage, increase in crime, and neglected neighborhoods. Programs for the homeless may not enhance the health and safety of the community but rather do the opposite. Chandler residents want city officials to be transparent and responsive to the public on these issues. He stated that accepting funding from federal and state agencies come with specific rules and requirements in which the city adheres. He stated that President Joe Biden and Homeland Secretary, Alejandro Mayorkas are drafting plans to send busloads of migrants to U.S. towns hours away from the border.

RUTH JONES, 2734 E. Birchwood Pl, Chandler, stated that she spoke about this issue at the Study Session Monday and was back to plead that the City Council change their mind on the issue. She presented a video showing photos of waste, encampments, graffiti, and abandoned cars in various locations throughout the city. She said that we needed to help those in need but first need to help the citizens who live here and consider all options. The people that live in Chandler pay taxes, work, and want a good place to live. She said the city has been doing programs with the federal government for a long time and instead of helping the homeless, it has done the opposite. This year the homeless population in Chandler has risen by 76% which is more than double than any other city in the state of Arizona. She explained that taking federal dollars will not have the impact that is hoped for and will not fix the problem. She declared that entering into an agreement with HUD without any limits or identifying markers would not help the city. She stated that Councilmember Stewart said it best on Monday night, "We need to untangle with the federal government". It important to think about the impact not only on the people we are helping but the people who live here. She stated that there are residents of Chandler that have homes that are more than 50 years old that need repair and assistance. She urged the Council to explore other options so that all the citizens of the City of Chandler are cared for.

MAYOR HARTKE asked Mrs. Jones to follow up with the Community Services Department to ensure that the locations pictured in her presentation get cleaned up.

COUNCILMEMBER STEWART thanked Mr. Minkus for his presentation. He stated that he spoke with Leah Powell, Neighborhood Services Director regarding undocumented migrants utilizing the services and she confirmed that were not any of those cases. He asked staff for an update.

COUNCILMEMBER STEWART thanked Mrs. Jones for her presentation. He clarified his comment at the Study Session regarding the federal government and stated that he was referring to the printing of money and not entanglement.

City Council Memorandum City Clerk's Office Memo No. 22-012

Date: August 15, 2022
To: Mayor and Council
From: Dana DeLong, City Clerk
Subject: Official Canvass of the City of Chandler Primary Election of August 2, 2022

Proposed Motion:

Move City Council accept the official results of the August 2, 2022, Primary Election of the City of Chandler.

Background/Discussion

The City held its Primary Election on August 2, 2022, for the purpose of electing a mayor, three councilmembers, and declaring a ballot issue - Proposition 470, Home Rule. The election was held in conjunction with the countywide election on a consolidated ballot. Arizona Revised Statute §16-642 requires the governing body canvass the returns of the election not later than twenty days following the election.

The attached canvass shows the final official results. Voter turnout was 35.09% with 56,181 voters casting ballots out of a total voter population of 160,095.

Proposition 470 was approved overwhelmingly by a vote of 42,139 yes votes to 6,623 no votes.

Chandler City Charter Article VII, Section 7.01(d) - Majority Vote to Elect states:

At a primary election any candidate who shall receive a majority of all the votes cast at such election shall be declared elected to the office for which he is a candidate, and no further election shall be held as to said candidate, provided that if more candidates receive a majority then there are offices to be filled, then those equal in number to the offices to be filled, receiving the highest number of votes shall be declared elected.

Kevin Hartke was declared elected to the office of the mayor.

Matt Orlando, Jane Poston, and Angel Encinas were declared elected to the office of councilmember at the 2022 Primary Election. They received the highest number of votes over the majority of votes cast number equal to the number of seats to be filled and shall be issued certificates of election. A run-off election is not necessary.

The installation ceremony will occur on January 12, 2023.
