Community Development and Resources Supervisor Karin Bishop provided an overview of the meeting and process for reviewing applications in ZoomGrants. She explained that today, subcommittee members would have an opportunity to identify outstanding questions before finalizing individual scores. If staff could not answer, additional information would be requested from the organization.

Ms. Bishop shared that Subcommittee Member Chad Wakefield declared a conflict of interest with the City of Chandler Housing and Redevelopment Division Relocation Assistance application. Therefore, discussion regarding the Relocation Assistance application would be conducted at the end of subcommittee meetings, allowing Mr. Wakefield to excuse himself from that part of the discussion.

Community Resources Manager Riann Balch informed the subcommittee that discussion related to the Relocation Assistance and Professional Services applications would be delayed to the next meeting to allow for presentation of the most up to date information related to the Relocation Assistance Demonstration (RAD) project.

Subcommittee Chair Alcala facilitated a discussion of each application to identify the need for additional information from agencies.

Chandler residents Linda Sawyer and Mary Yanno asked questions about applications. Staff responded as appropriate and informed Ms. Sawyer and Ms. Yanno that they may submit a public record request if they would like additional information.

The CDBG/HOME Subcommittee requested the following information of applicants:

Public Housing Youth Program:

- What criteria is used to measure success of this program?
- What is the average length of time that youth participate in the Public Housing Youth program?
- Does the program track the long-term success of each youth participant? If so, please provide data outcomes.

Tenant-Based Rental Assistance Program:

- What is the average length of stay for participating households in the Tenant-Based Rental Assistance (TBRA) program?
