3. PLH23-0003 Ponderosa - Dispensary

KEVIN MAYO, PLANNING ADMINISTRATOR presented details regarding the request for Use Permit approval to allow the collocation of an ancillary Medical Marijuana Facility in conjunction with its affiliated onsite Medical Marijuana Cultivation Site and Medical Marijuana Infusion Food Establishment located at 318 S. Bracken Lane.

COMMISSIONER MORGAN asked if the proposal is strictly for medical marijuana or is this medical and recreational.

KEVIN MAYO, PLANNING ADMINISTRATOR replied, the Arizona State Statutes changed years back and it allows a dual licensee, so Chandler elected to not allow recreation standalone and only allow recreation as part of a dual license. He explained, the City can only regulate the medical marijuana side of it, but by Statute and City Code, it is possible to obtain a dual license for recreation and medical uses.

COMMISSIONER MORGAN pointed out the Chucky Cheese around the corner from the facility and explained he does not feel the sale of medical marijuana so close to a children's restaurant and play place is the best image. He asked if it is known if Chucky Cheese is going to remain in the area.

KEVIN MAYO, PLANNING ADMINISTRATOR stated he has not heard anything from the State or regarding Chucky Cheese. He explained the State Statutes set forth the governance of medical marijuana. He further explained, there is not an issue through the State's eyes and there is a location in west Chandler near something similar and the State was okay with it. He further stated, it did not make it into our protected land uses, so through our zoning code and through State it is okay.

CHAIRMAN HEUMANN stated the way the Ordinance is written they must be so many feet away from schools and certain things like that, a restaurant is not included in the list.

KEVIN MAYO, PLANNING ADMINISTRATOR stated there is protected land uses for residential schools, daycares, and things like that. He further stated that is correct, a restaurant and even a recreation facility is not on the list.
