ABSOLUTEL NO!

This is now the second notice in as many days I have received. This area is already over developed and as for the same reasons as I told you in my response to notice PLH22-0034/PLT22-0024 I object to this rezoning entirely.

Pleas acknowledge receipt of this email and the receipt of the email for notice PLH22-0034/PLT22-0024

Plh22-0034. The Wayne. As a home owner within 600 ft. I feel the planned density is too high. Not enough open area for residents , etc. Traffic egress to Dobson will be problematic. It's already difficult pulling out on Dobson from Highland (1630 N Yucca)
