

2023 Ak-Chin Indian Community Grant Application Cover Sheet

Name of Applicant: <u>Dignity Health Foundation – East Valley</u>		Applicant is a: ☐ City/Town/County (circle) ☒ Other	
Mayor/Supervisor/Chairman/President: <u>Kevin Hartke, Mayor</u>			
Contact Person and Title: <u>Dawn Lang, Deputy City Manager/CFO</u>			
Applicant Address (administrative office): <u>Dignity Health: 1727 W. Frye Road, Suite 230</u>			
City: <u>Chandler, AZ</u>		Zip Code: <u>85224</u>	
Applicant Mailing Address (if different):			
City:		Zip Code:	
Phone Number: <u>480-728-3130</u>		Fax Number: <u>480-728-3945</u>	
E-mail Address: <u>laurel.vetsch@commonspirit.org</u>			
Fiscal Agent for any Applicant that is not a City, Town, or County (<i>Special Taxing Districts/Fire Districts must have a Fiscal Agent</i>)			
Contact Person: <u>Laurel Vetsch</u>			
City/Town/County Mailing Address: <u>1727 Frye Road, Suite 230</u>			
City: <u>Chandler, AZ</u>		Zip Code: <u>85297</u>	
Phone Number: <u>480-728-3130</u>		Fax Number: <u>480-728-3945</u>	
E-mail Address: <u>laurel.vetsch@dignityhealth.org</u>			

Program or Project Name:	
Purpose (Check all that apply) ☐ education ☐ public safety ☐ health ☐ environment ☐ promotion of commerce ☐ economic and community development	
Purpose of Grant (brief statement): <u>Our request to Ak-Chin Indian Community this year is to help provide some of the most essential simulation training equipment needed for our physician residents. Medical simulation allows the acquisition of clinical skills through deliberate practice rather than an apprentice-Style learning. Simulation tools are an alternative to real patients where trainees can practice without fear.</u>	
Beginning and Ending Date of Program or Project: <u>October 1, 2023 – September 30, 2024</u>	
Amount Requested: <u>\$238,117.50</u>	Total Cost: <u>\$916,451.58</u>
Geographic Area Served: <u>East Valley (Chandler, Gilbert, Maricopa, GRIC, Ak-Chin, Mesa, Queen Creek)</u>	

By the execution of this Grant Application the undersigned agrees that the information contained in this Application is true, to the best of the Applicant's knowledge. The Applicant shall notify the Community if any information in this Application changes.

Signature: _____
For the Applicant:  Date: 5/22/2023

Typed/Printed Name and Title: Laurel Vetsch, Grant Director

For the Fiscal Agent:  Date: 6-5-23
(If applicable)

Typed/Printed Name and Title: Dawn Lang, Deputy City Manager, CFO

Describe the proposed program, project or purchase

Hospitals across the country are suffering from the effects of severe staff shortages and increased costs of care, supplies and equipment. Nationally, 2023 has proven to be one of the most financially challenging years to date for hospitals. Chandler Regional and Mercy Gilbert are no exceptions. In addition, our hospitals are experiencing higher patient counts due to aggressive population growth in the surrounding communities. These economic factors have placed a huge strain on our facilities, services, and community outreach to our most vulnerable neighbors. We need the community's help to continue to provide access to high-quality care and advancing specialized care.

As East Valley communities continue to grow at an unprecedented rate, our area is experiencing a shortage of nearly 250 primary care providers. Due to an aging, growing, and increasingly insured population, it is important to address physician shortages. According to the American Academy of Family Physicians, statewide, more than 3 out of 5 Arizonans live in a health professional shortage area. It is projected that a 50% increase in physicians is needed by 2030 (nearly 2,000), which underscores the current deficiency in personalized and specialized health care. This greatly impedes residents' access to care.

Chandler Regional and Mercy Gilbert Medical Centers are addressing the growing physician shortage in the East Valley by training the next generation of physicians. These physician residents learn medicine and treat patients with humankindness under the mentorship of Dignity Health teaching faculty physicians. Resident programs provide many advantages to the community including:

- Increasing the quality and safety of medical care provided;
- Enticing high-level physicians and specialists to the area to conduct research at a teaching hospital;
- Providing more physicians who will care for vulnerable populations; and
- Allowing all populations in the area to have greater access to care

Upon completion of medical school, physicians who have earned their MD or DO degrees continue their training in hospitals under the mentorship of staff physicians. A large part of this education includes training on simulation and virtual reality equipment. These training tools are crucial. Residents will use them to practice procedures throughout their residency so that when they perform procedures on patients, they have done the procedures numerous times and can provide excellent quality care, right from the start.

One of the most significant benefits of offering a residency program is the fact that physicians become embedded in the communities in which they do their residency. Research shows that 55% of physicians stay in the area after they complete their residency. This is the best way to attract well-trained, qualified physicians to our community and keep them here. Offering residency programs in key clinical areas will amplify the impact our ministry is able to make on our community's health. Our program will be a place for community health providers to turn to recruit the next generation of respected, compassionate providers. We aim to champion diversity and inclusion by training the next generation of health care providers that best represent our community, including our rural and Native American Community neighbors.

Dignity Health's residency program begins this July 2023 with 28 residents assigned to Internal Medicine, General Surgery and Family Medicine. Over the next two years we will add another 31

residents and two additional specialties – Emergency Medicine and Obstetrics/Gynecology, for a total of 59 residents. Residents are with us for three years and by 2028, we will host 124 new and continuing residents each year.

Last year, Ak-Chin Indian Community very generously supported construction projects that are needed to provide the physical space for our residents. Some of these construction projects included developing an auditorium in which physicians can gather for group learnings called Grand Rounds. Additionally, residents spend many hours at the hospital so we have renovated lounge areas and resting quarters for their use. Lastly, we are building out a formal simulation lab to create space for much-needed hands-on simulation equipment. The acquisition of such training equipment has now become one of our top priorities relating to our residency program.

Medical simulation allows the acquisition of clinical skills through deliberate practice rather than an apprentice style of learning. Simulation tools serve as an alternative to real patients. A trainee can make mistakes and learn from them without the fear of harming the patient.

“A key component of any successful residency program is to be able to provide the residents with the necessary educational equipment to prepare them for their careers. This includes patient simulation mannequins so that resident physicians can actively learn the necessary physical and cognitive skills required to successfully identify and treat potential life-threatening conditions.

Likewise, the standard of care in Emergency Medicine is to utilize non-invasive diagnostic testing whenever possible. This requires point-of-care ultrasounds that are used not only for physician training but also directly improves and impacts patient care.” - Dr. Erik Mattison, Emergency Medicine Residency Program Chairman.

Our request to Ak-Chin Indian Community this year is to help provide some of the most essential simulation training equipment needed for our residents including GE Venue R4 Premier Point of Care Ultrasound System, and a SimMan 3G PLUS Simulation Mannequin. The total funding necessary to acquire these devices is **\$238,117.50**.

Identify the target population that will be served by the Project. (Who will benefit? How many will be served? Is there a targeted geographic location?)

Our Physician Training program will train residents at Dignity Health hospitals in the East Valley that benefit the general public in the surrounding areas. Chandler Regional has the only Level 1 trauma center in the area and, along with Mercy Gilbert Medical Center, serves residents in the suburbs of Chandler, Gilbert, Maricopa, Mesa, Queen Creek, Apache Junction, San Tan Valley, and the Ak-Chin and Gila River Indian Communities, totaling nearly 1 million people.

Our award-winning hospitals are home to a full range of services and have evolved as the population in our communities have grown and changed. The formation of our physician resident program is the next step in that evolution. Once our residents graduate from our program and begin their practice, access to care will increase significantly throughout our community, particularly in some of the most critically-needed specialties. Beginning in 2028, 124 physicians per year will graduate from our program, thus increasing access to care for millions of residents in the Valley.

We believe that immersive community engagement is a critical factor in delivering the most comprehensive and compassionate care possible to our growing communities. We know that seeing our patients in our familiar health care settings isn't enough to address holistic health needs or address disparities. Community responsive healthcare and service to the community are important parts of both patient care and resident education.

The community outreach component of our curriculum provides experiential opportunities to meet, treat, and interact with our community – where they are. All resident training activities are designed to nurture an intrinsic understanding of the social determinants of health that affect our communities.

Describe the Project goals and objectives and outline a plan to meet these goals.

The goals of our physician residency program are as follows:

1. Provide education and training,
2. Increase excellence and safety,
3. Embed more physicians in our community,
4. Emphasize quality and leadership, and
5. Construct a foundation of care

Objectives include:

- Increasing the physician workforce pipeline, particularly for our area;
- Providing more clinical service coverage and efficiency in response to our growing population;
- Ensuring all East Valley residents, including those from surrounding rural areas, have ongoing access to state-of-the-art patient care;
- Educating more physicians to be catalysts for complex care and achieving enhanced clinical outcomes; and
- Increasing our outreach of medical services to the community and instilling a vision for serving the most vulnerable.

The resulting impact of these goals and objectives can be shown as follows:

<i>Education & Training</i>	<i>Excellence & Safety</i>	<i>Need for More Physicians</i>	<i>Quality & Research</i>	<i>Foundation of Care</i>
Create an academic learning environment focused on teaching and evidence-based medicine	Drive excellence and innovation in patient care delivery and safety	Address community needs for new primary care physicians and specialists to deliver services	Develop and support new medical/ scholarly research and quality improvement processes	Emphasize family medicine physicians as foundation for healthcare services in community

The appropriate space and resources are needed for this valuable program. Thanks to your generous donation last year, we are adapting our current space into an innovative learning environment. Now we must acquire the training equipment for physician residents to learn and practice their surgical and

procedural techniques. Our first class of residents will join us this summer to begin their first year of residency.

Provide a timetable for implementation of the Project.

Program Timeline

Our educational staff and leadership are in place with Allan Markus MD MS MBA FACP serving as Internal Medicine Residency Program Director, Clarence E. Clark III, MD, MBA, FACS, FASCRS serving as General Surgery Residency Program Director, and Richard P. Kratche MD, FAAFP serving as Family Medicine Residency Program Director. All accreditations have been secured. And, after many months (early October – end of January) of filtering through over 1,200 applications and conducting 158 interviews, our residents were selected on Match Day which was March, 17, 2023. Facilities will be ready for residents when they arrive in late June, and we will continue to pursue funding for the many pieces of simulation equipment needed for our residents to train on.

Identify current funding sources for the Project and characterize each funding source listed as either a one-time-only or long-term funding source.

Capital funds made available by Dignity Health for one-time use are being utilized to help launch this program. Faculty and leadership are funded through their salaries by Dignity Health. Ak-Chin Indian Community provided general construction funds last year. Through a one-time grant from the Arizona Lottery, we are able to provide handheld Point of Care Ultrasound (PoCUS) devices to our residents. PoCUS devices are state-of-the-art diagnostic tools, sometimes referred to as the “new stethoscope.”

Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions.

Partners in our GME enterprise include:

- Construction and design partners which are renovating and building the required spaces.
- The Accreditation Council for Graduate Medical Education sets and monitors voluntary professional educational standards essential in preparing physicians to deliver safe, high-quality medical care.

- Each residency program has a robust network of top-tier physicians with a variety of sub-specialty expertise (Full Faculty list available upon request).

Define the Project as a new or continuing project or a purchase. Provide information about how the Project will be sustained or the purchase will be maintained after the grant funding is exhausted.

Dignity Health's Graduate Medical Education program is new to the East Valley. While startup costs are significant, \$7.2 million for construction and equipment, once the program is running, it will become part of the hospitals' ongoing operational costs. The Executive Leadership of Dignity Health East Valley undertakes the responsibility for overseeing the operations of all assets, as well as making frontline recommendations for budget and capital allocations.

If the Applicant organization has requested funding from any other Arizona tribe, please list:

- Pending requests made within the last eighteen (18) months, including the name of the tribe to which the request was made and a brief summary of the project for which a grant was requested.**
- Funded requests made in the last five (5) years, including the name of the tribe that awarded the funding, a brief summary of the project for which the funding was awarded, and the amount of the funding received.**

Pending and unsuccessful requests within the last eighteen months include:

- Fort McDowell Yavapai Nation – Support for the purchase of additional PoCUS devices (pending)
- Gila River Indian Community - Support for the purchase of simulation training equipment (declined)

Funded requests in the last five years include:

- Ak-Chin Indian Community - \$199,782 awarded for GME construction
- Ak-Chin Indian Community - \$240,000 awarded for tower construction at Chandler Regional Medical Center
- Salt River Pima-Maricopa Indian Community - \$50,000 awarded for children's dental services and \$50,000 for medications for the uninsured
- Gila River Indian Community – \$119,000 awarded for ECMO pump purchase
- Gila River Indian Community - \$500,000 awarded for tower construction at Chandler Regional Medical Center

Dear Taxpayer:

This is in response to your request dated Sep. 14, 2017, regarding your tax-exempt status.

We issued you a determination letter in July 1986, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Section 509(a)(3) as a Type I supporting organization. A Type I supporting organization is operated, supervised, or controlled by one or more publicly supported charities.

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

This Agreement (as defined below) is by and between the Customer and the GE Healthcare business ("GE Healthcare"), each as identified below for the sale and purchase of the Products and/or Services identified in this Quotation, together with any applicable schedules referred to herein ("Quotation"). "Agreement" is this Quotation and either: (i) the Governing Agreement identified below; or (ii) if no Governing Agreement is identified, the GE Healthcare Terms and Conditions and Warranties that apply to the Products and/or Services identified in this Quotation. In the event of conflict, the Quotation supersedes.

GE Healthcare can withdraw this Quotation at any time before Customer: (i) signs and returns this Quotation or (ii) provides evidence of Quotation acceptance satisfactory to GE Healthcare ("Quotation Acceptance"). On Quotation Acceptance, this Agreement is the complete and final agreement of the parties relating to the Products and/or Services identified in Quotation. There is no reliance on any terms other than those expressly stated or incorporated by reference in this Agreement and, except as permitted in this Agreement, no attempt to modify will be binding unless agreed to in writing by the parties. Modifications may result in additional fees and cannot be made without GE Healthcare's prior written consent.

Handwritten or electronic modifications on this Agreement (except an indication of the form of payment, Customer purchase order number and signatures on the signature blocks below) are void.

Governing Agreement:	CommonSpirit DH-CE-136 - PoC U/S

To Accept This Quotation

- Please sign the quote and any included attachments (where requested).
- If requested, please indicate your form of payment.
- If you include a purchase order, please make sure it references the following information:
 - The correct Quote number and Version number above
 - The correct Remit To information as indicated in **"Payment Instructions"** above
 - Your correct SHIP TO and BILL TO site name and address
 - The correct Total Price as indicated above

Upon submission of a purchase order in response to this quotation, GE Healthcare requests the following to evidence agreement to contract terms: Signature page on quote filled out with signature and P.O. number **** OR**** Verbiage on the purchase order must state one of the following:

(i) Per the terms of Quotation # _____, (ii) Per the terms of GPO # _____; (iii) Per the terms of MPA# _____; or (iv) Per the terms of SAA # _____.

Include applicable quote/agreement number with the reference on the purchase order. In addition, Source of Funds (choice of Cash/Third Party Load or GE HFS Lease Loan or Third Party Lease through _____), must be indicated, which may be done on the Quote Signature Page (for signed quotes), or the Purchase Order (where quotes are not signed) or via a separate written source of funds statement (if provided by GE Healthcare)."

Catalog Item Details

Line	Qty.	Catalog			
1.	1.00	H8042VU	Venue R4 Premier		
				<u>Extended List Price</u>	<u>Net Price</u>
				\$92,715.00	\$46,357.50

Venue R4 Premier is a high performance, console-based, ultrasound system that provides the latest technologies to help deliver a simple, fast, and precise solution to the Point of Care ultrasound community. This system provides exceptional image quality using advanced cSound™ image technology and APU backend. The Venue smart design includes a 19" monitor on an articulating arm, which also serves as a cleanable and intuitive touchscreen user interface, four active probe ports, 512GB SSD, and a battery that provides up to four hours of scan time when fully charged. It supports 15 probes: 3Sc-RS, 6S-RS, 12S-RS, 12L-RS, L4-12t-RS, L4-20t-RS, 9L-RS, ML6-15-RS, L10-22-RS, L8-18i-RS, C1-5-RS, 8C-RS, E8C-RS, 6Tc-RS and M5Sc-RS.

Accessories in the standard package include, large basket, one multipurpose cup that can be used for a gel bottle or barcode reader, one custom insert for smaller Probes, and a power cable holder.

Venue offers ophthalmic imaging, Real-Time documentation diagrams for Lung, eFAST and Renal as well as Venue View, PDI+, Catheter to Vessel Ratio measurement, Follow Up tool, Venue Scribble, Imaging Insight, and Probe Check.

This HCAT also contains the Shock Toolkit - including Auto-VTI, Auto-IVC, and Auto B-lines tools. Venue Premier also offers a suite of AI tools including Real-Time EF, an AI-enabled tool that continuously calculates real-time ejection fraction during live scanning in apical 4CH view and allows users to capture instant results, without requiring an ECG. Lung Sweep a rapid visualization tool, which provides a dynamic panoramic view of the entire lung.

A USB wireless network adapter allows Venue to connect to a standard network share folder or PACS through optional DICOM connectivity, along with Viewpoint enablement for Viewpoint integration as well.

This HCAT also includes SW eDelivery entitlement which notifies registered customers by email of any SW updates as well as access to eDelivery portal where they can download the SW on USB media and install it on the system.

The Venue transducer guide and Datasheet includes more information about the supported clinical applications, scan modes, workflow, and probes. All user manuals, in all available languages, are supplied in electronic form.

This package includes a five-year standard warranty, and up to two days of Applications Training. Training must be completed within (12) months after Product delivery, otherwise GE Healthcare obligation to provide the training will expire without refund. Venue's 5-year warranty covers defective parts, components, and probes purchased with the system and includes: (i) repair at GE Healthcare facilities, (ii) a loaner unit or probe replacement shipped for next business day delivery for requests received by 3pm Central Time (subject to availability), (iii) phone support from 7am to 7pm Central Time, Monday-Friday, excluding GE Healthcare holidays. *DICOM is the registered trademark of the National Electrical Manufacturers Association for its standard publications relating to digital communications of medical information.

Venue R4 Premier is a high performance, console-based, ultrasound system that provides the latest technologies to help deliver a simple, fast, and precise solution to the Point of Care ultrasound community. This system provides exceptional image quality using advanced cSound™ image technology and APU backend. The Venue smart design includes a 19" monitor on an articulating arm, which also serves as a cleanable and intuitive touchscreen user interface, four active probe ports, 512GB SSD, and a battery that provides up to four hours of scan time when fully charged. It supports 15 probes: 3Sc-RS, 6S-RS, 12S-RS, 12L-RS, L4-12t-RS, L4-20t-RS, 9L-RS, ML6-15-RS, L10-22-RS, L8-18i-RS, C1-5-RS, 8C-RS, E8C-RS, 6Tc-RS and M5Sc-RS.

Accessories in the standard package include, large basket, one multipurpose cup that can be used for a gel bottle or barcode reader, one custom insert for smaller Probes, and a power cable holder.

Venue offers ophthalmic imaging, Real-Time documentation diagrams for Lung, eFAST and Renal as well as Venue View, PDI+, Catheter to Vessel Ratio measurement, Follow Up tool, Venue Scribble, Imaging Insight, and Probe Check.

This HCAT also contains the Shock Toolkit - including Auto-VTI, Auto-IVC, and Auto B-lines tools. Venue Premier also offers a suite of AI tools including Real-Time EF, an AI-enabled tool that continuously calculates real-time ejection fraction during live scanning in apical 4CH view and allows users to capture instant results, without requiring an ECG. Lung Sweep a rapid visualization tool, which provides a dynamic panoramic view of the entire lung.

A USB wireless network adapter allows Venue to connect to a standard network share folder or PACS through optional DICOM connectivity, along with Viewpoint enablement for Viewpoint integration as well.

This HCAT also includes SW eDelivery entitlement which notifies registered customers by email of any SW updates as well as access to eDelivery portal where they can download the SW on USB media and install it on the system.

The Venue transducer guide and Datasheet includes more information about the supported clinical applications, scan modes, workflow, and probes. All user manuals, in all available languages, are supplied in electronic form.

This package includes a five-year standard warranty, and up to two days of Applications Training. Training must be completed within (12) months after Product delivery, otherwise GE Healthcare obligation to provide the training will expire without refund. Venue's 5-year warranty covers defective parts, components, and probes purchased with the system and includes: (i) repair at GE Healthcare facilities, (ii) a loaner unit or probe replacement shipped for next business day delivery for requests received by 3pm Central Time (subject to availability), (iii) phone support from 7am to 7pm Central Time, Monday-Friday, excluding GE Healthcare holidays. *DICOM is the registered trademark of the National Electrical Manufacturers Association for its standard publications relating to digital communications of medical information.

GE Healthcare Terms & Conditions

with Automated Breast Ultrasound and ViewPoint Software Maintenance Additional Terms & Conditions

1. **Definitions.** As identified in this Agreement, "Equipment" is hardware and embedded software that is licensed with the purchase of the hardware delivered to Customer in GE Healthcare's packaging and with its labeling; "Software" is software developed by GE Healthcare and/or delivered to Customer in GE Healthcare's packaging and with its labeling, and Documentation associated with the software; "Third Party Software" and "Third Party Equipment" are respectively software developed by a third party, and hardware and embedded software that is licensed with the purchase of the hardware, that is delivered to Customer in the third party's packaging and with its labeling (collectively, "Third Party Product"); "Product" is Equipment, Software and Third Party Product; "Services" are Product support or professional services; "Subscription" is a limited-term, non-transferable license to access and use a Product (except Healthcare Digital Products), including any associated support Services; "Healthcare Digital Products" are: (i) Software identified in the Quotation as "Centricity"; (ii) Third Party Software licensed for use in connection with Centricity Software; (iii) hardware used to operate Centricity or Third Party Software; (iv) Services provided for implementation, installation or support and maintenance of Centricity or Third Party Software licensed for use in connection with Centricity Software; and/or (v) any Product or Service that is identified in a Healthcare Digital Quotation. "Specifications" are GE Healthcare's written specifications and manuals as of the date the Equipment shipped; and "Documentation" is the online help functions, user instructions and manuals regarding the installation and operation of the Product as made available by GE Healthcare to Customer.

2. **Term and Termination.** Software licenses, Services and/or Subscriptions will have individual term lengths identified in the Quotation. If there is a material breach of this Agreement and/or the Quotation that is not cured by the breaching party within 60 days from receipt of written notice, the non-breaching party can terminate the respective Agreement or Quotation. Other than as set forth in this Agreement, neither party can unilaterally terminate this Agreement or a Quotation. Any remaining undisputed, unpaid fees become immediately due and payable on expiration or termination. Expiration or termination of this Agreement will have no effect on Quotations executed prior to the date of expiration or termination.

3. **Software License.** Other than as identified in a Quotation, GE Healthcare grants Customer a non-exclusive, non-transferable, non-sublicensable, perpetual license to use the Software for Customer's internal business purposes only in the United States consistent with the terms of this Agreement. Customer's independent contractors (except GE Healthcare competitors) may use the Software, but Customer is responsible for their compliance with this license, and additional license fees may apply. Customer cannot modify, reverse engineer, copy or create derivative works of the Software, except for making 1 backup copy, and cannot remove or modify labels or notices of proprietary rights of the Software or Documentation. If GE Healthcare provides Third Party Software, Customer will comply with third party license terms, and licensors are third-party beneficiaries of this Agreement.

4. Commercial Logistics

4.1 Order Cancellation and Modifications.

4.1.1 **Cancellation.** If Customer cancels an order prior to shipment without GE Healthcare's written consent, Customer will be responsible for all third-party expenses incurred by GE Healthcare prior to Customer's order cancellation and GE Healthcare may charge: (i) a fee of up to 10% of the Product price; and (ii) a fee for site evaluations performed prior to cancellation. GE Healthcare will retain, as a credit, payments received up to the amount of the cancellation charge. Customer must pay applicable progress payments (other than final payment) prior to final calibration, and GE Healthcare may delay calibration until those payments are received. If Customer does not schedule a delivery date within 6 months after order entry, GE Healthcare may cancel on written notice. This Section does not apply to Software or Subscriptions, Third Party Products and/or related professional or installation services; those orders are non-cancellable.

4.1.2 **Used Equipment.** Equipment identified as pre-owned, refurbished, remanufactured or demonstration Equipment is not new and may have received reconditioning to meet Specifications ("Used Equipment"). Sale of Used Equipment is subject to availability. If it is no longer available, GE Healthcare will attempt to identify other Used Equipment in its inventory that meets Customer's needs, and if substitute Used Equipment is not acceptable, GE Healthcare will cancel the order and refund any deposit Customer paid for the Used Equipment.

4.2 **Site Preparation.** Customer is responsible for network and site preparation, including costs, in compliance with GE Healthcare's written requirements and applicable laws. GE Healthcare may refuse to deliver or install if the site has not been properly prepared or there are other impediments.

4.3 **Transportation, Title and Risk of Loss.** Unless otherwise identified in the Quotation, shipping terms are FOB Destination. Title and risk of loss to Equipment and Third-Party Equipment passes to Customer on delivery to Customer's designated delivery location.

4.4 **Delivery, Returns and Installation.** Delivery dates are approximate. Products may be delivered in installments. GE Healthcare may invoice multiple installment deliveries on a consolidated basis, but this does not release Customer's obligation to pay for each installment delivery. Delivery occurs: (i) for Product, on electronic or physical delivery to Customer; and (ii) for Services, on performance.

Products cannot be returned for refund or credit if they match the Quotation.

Delivery and installations will be performed from 8am to 5pm local time, Monday-Friday, excluding GE Healthcare holidays, and outside those hours for an additional fee. Customer will: (i) install cable and assemble products not provided by GE Healthcare; (ii) enable connectivity and interoperability with products not provided by GE Healthcare; (iii) pay for construction and rigging costs; and (iv) obtain all licenses, permits and approvals for installation, use and disposal of Products. For upgrades and revisions to non-Healthcare Digital Products, Customer must return replaced components to GE Healthcare at no charge.

4.5 Information Technology Professional Services ("ITPS"). ITPS must be completed within 12 months of the later of the ITPS order date or Product delivery. If not done within this time period, other than because of GE Healthcare's failure to perform, ITPS performance obligations expire without refund. ITPS includes project management, HL7/HIS system integration, database conversion, network design and integration and separately cataloged software installations. This Section does not apply to Healthcare Digital Products.

4.6 Acceptance.

4.6.1 Equipment Acceptance. Beginning on completion of installation (not to exceed 30 days from shipment) or delivery (if installation is not required), Customer will have 5 days to determine if the Equipment operates substantially in accordance with Specifications ("Equipment Test Period"). If the Equipment fails to perform accordingly, Customer will provide to GE Healthcare: (i) written notice; (ii) access to the Equipment; and (iii) a reasonable time to bring the Equipment into compliance. After correction by GE Healthcare, Customer will have the remainder of the Equipment Test Period or 3 days, whichever is greater, to continue testing. Equipment is accepted on the earlier of expiration of the Equipment Test Period or the date the Equipment is first used for non-acceptance testing purposes.

4.6.2 Software Acceptance. Beginning on completion of Software implementation, Customer will have 30 days to determine if the Software operates substantially in accordance with the Documentation ("Software Test Period"). If the Software fails to perform accordingly, Customer will provide to GE Healthcare: (i) written notice; (ii) access to the Software; and (iii) a reasonable time to bring the Software into compliance. After correction by GE Healthcare, Customer will have the remainder of the Software Test Period or 5 days, whichever is greater, to continue testing. Software is accepted on the first to occur of: (a) expiration of the Software Test Period; (b) the date Software is first used to process actual data; or (c) the "Go-Live Date" as defined in the Quotation.

4.6.3 Third Party Product Acceptance. Third Party Products are accepted 5 days after delivery.

4.6.4 Subscription Acceptance. Products provided pursuant to a Subscription are accepted 5 days after GE Healthcare provides Customer access to the Products.

4.7 Third Party Products and Services. If GE Healthcare provides Third Party Products and/or Services, then (i) GE Healthcare is acquiring them on Customer's behalf as its agent and not as a supplier; (ii) GE Healthcare provides no warranties or indemnification, express or implied; and (iii) Customer is responsible for all claims resulting from or related to their acquisition or use.

4.8 Mobile Equipment. GE Healthcare will assemble Equipment it has approved for mobile use at the vehicle location identified by Customer. Customer will comply with the vehicle manufacturer's planning requirements and arrange for delivery of the vehicle. Equipment placed in a mobile environment must be used for medical, billing, or other non-entertainment use by bona fide medical professionals authorized to use and prescribe such use.

4.9 Audit. GE Healthcare may audit Customer's use of Software, Subscription and Healthcare Digital Products to verify Customer's compliance with this Agreement up to 12 months following termination or expiration of the applicable Quotation. Customer will provide reasonable assistance and unrestricted access to the information. Customer must pay underpaid or unpaid fees discovered during the audit, and GE Healthcare's reasonable audit costs, within 30 days of written notification of the amounts owed. If Customer does not pay, or the audit reveals that Customer is not in compliance, GE Healthcare may terminate Customer's Software license, Subscription or use of the Healthcare Digital Product.

4.10 Product Inflation. For GE Healthcare imaging Products only (to exclude ultrasound and life care solutions Products), due to the potential long cycle time from Product order to Product delivery, GE Healthcare may increase Product Total Quote Net Selling Price by an amount equal to the increase in the U.S. Bureau of Labor Statistics Consumer Price Index ("CPI") from the date of Product order to the date of notice prior to Product delivery, by providing at least 4 weeks prior notice from the requested delivery date.

5. Security Interest and Payment.

5.1 Security Interest. Customer grants GE Healthcare a purchase money security interest in all Products in the Quotation until full payment is received, and Customer will perform all acts and execute all documents necessary to perfect GE Healthcare's security interest.

5.2 Failure to Pay. If, after Product delivery, Customer is more than 45 days past due on undisputed payments, GE Healthcare may, on 10 days' prior written notice, disable and/or remove the Products.

5.3 Lease. If Customer leases a Product, Customer continues to be responsible for payment obligations under this Agreement.

6. Trade-In Equipment. Trade-in equipment identified in a Quotation will be subject to separate trade-in terms and conditions.

7. **Subscriptions.** The following terms apply to all Subscriptions (excluding Healthcare Digital Products).

7.1 **Commencement.** Unless otherwise indicated in this Agreement or the Quotation, the Subscription commences on the date GE Healthcare provides Customer access to the Products.

7.2 **Renewal / Non-Renewal.** The Subscription term renews automatically for the same duration as the initial term of the Subscription unless otherwise identified in the Quotation. Except as otherwise identified in this Agreement or a Quotation, GE Healthcare may increase prices annually by no more than the Consumer Price Index for All Urban Consumers (U.S. City Average, December to December) plus 2%, upon 90 days' prior written notice. Subscriptions are not cancellable; however, either party may opt to not renew the Subscription after the initial Subscription term or any subsequent renewal term by providing at least 60 days' prior written notice to the other party prior to renewal.

7.3 **Subscription Equipment.** Title to Equipment and Third-Party Equipment provided via Subscription ("**Subscription Equipment**") remains with GE Healthcare. Customer will not place, or permit the placement of, liens, security interests, or other encumbrances on Subscription Equipment. Customer shall not repair or service Subscription Equipment, or allow others to do so, without the prior written consent of GE Healthcare.

7.4 **Support Services.** Unless otherwise noted in the Quotation, GE Healthcare will provide support Services as described in the Subscription Products and ViewPoint Software Maintenance Terms and Conditions.

7.5 **Upgrades.** Included in the Subscription fees if Customer does not owe any undisputed payments, GE Healthcare will provide upgrades if and when they become available and to the extent they are provided to all GE Healthcare customers with a Subscription for the Products, at mutually agreed upon delivery and installation dates. Upgrades do not include: (i) any optional or separately licensable features; (ii) any Products not covered by the Subscription; or (iii) any virtual environment required to host an upgraded Product. GE Healthcare shall have no obligation to provide upgrades if Products are not maintained within the current major release version or the immediately prior major release version.

7.6 **Access Controls.** Customer must: (i) ensure users maintain individually-assigned confidential user credentials and control mechanisms to access the Subscription; and (ii) take reasonable steps to prevent unauthorized access to Products.

7.7 **Post-Termination.** Upon termination or expiration of the Subscription: (i) Customer must immediately discontinue use of the Products and return Subscription Equipment to GE Healthcare in proper operating condition; (ii) Customer must destroy its copies of Software and Documentation; (iii) Customer must remove its data from Subscription Equipment; (iv) GE Healthcare is not responsible for and may destroy Customer-provided information, images or data; and (v) GE Healthcare will remove Customer's access.

7.8 **Professional Services.** For Services not covered under this Agreement or required due to Customer not meeting its responsibilities under the Agreement, applicable additional professional Services and fees will be required: (i) identified in the Quotation; and (ii) subject to GE Healthcare's then-current pricing.

8. General Terms.

8.1 **Confidentiality.** Each party will treat this Agreement and the other party's proprietary information as confidential, meaning it will not use or disclose the information to third parties unless permitted in this Agreement or required by law. Customers are not prohibited from discussing patient safety issues in appropriate venues.

8.2 **Governing Law.** The law of the state where the Product is installed, Service is provided, or Subscription is accessed will govern this Agreement.

8.3 **Force Majeure.** Performance time for non-monetary obligations will be reasonably extended for delays beyond a party's control.

8.4 **Assignment; Use of Subcontractors.** Neither party may assign this Agreement or any rights, interests or obligations provided by this Agreement without the prior written consent of the other party; provided, however, that either party may assign this Agreement and any or all rights and obligations under this Agreement to any of its affiliates upon prior written notice to the other party; provided, further, that no such assignment shall release either party from any liability under this Agreement. Notwithstanding anything to the contrary in this Agreement, GE Healthcare may assign this Agreement and all of its rights, interests and obligations under this Agreement to a GE Healthcare Subsidiary (as defined below), subject to the GE Healthcare Subsidiary agreeing to be bound by all of the terms and conditions of this Agreement and assuming all of the rights, interests and obligations of GE Healthcare under this Agreement. Immediately upon such assignment and assumption, automatically and without the requirement of any further action by any person or entity, (i) all references in this Agreement to GE Healthcare shall instead apply to GE Healthcare Subsidiary unless the context otherwise requires and (ii) GE Healthcare shall be unconditionally and irrevocably released and discharged from any and all liabilities and obligations under or in connection with this Agreement. "GE Healthcare Subsidiary" means a majority owned direct or indirect subsidiary of GE Healthcare Parent. "GE Healthcare Parent" means an entity that (A) has at the time of such assignment and assumption (or concurrently therewith) an investment-grade unsecured corporate credit rating issued by each of Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business (or any successor thereto), and Moody's Investors Service, Inc. (or any successor thereto), and (B) has succeeded to ownership, directly or indirectly, of substantially all of the assets formerly owned by the GE Healthcare business of the General Electric group of companies. Notwithstanding anything to the contrary in this Agreement, in the event of any change of direct or indirect ownership of GE Healthcare in connection with the previously-announced separation of the General Electric group of companies, regardless of the form such separation takes, the other party hereby acknowledges and consents to the change of ownership of GE Healthcare as part of such separation. . GE

Healthcare may hire subcontractors to perform work under this Agreement but will remain responsible for its obligations.

8.5. Waiver, Survival. If any provision of this Agreement is not enforced, it is not a waiver of that provision or of a party's right to later enforce it. Terms in this Agreement related to intellectual property, compliance, data rights and terms that by their nature are intended to survive will survive the Agreement's expiration or termination.

8.6. Intellectual Property. GE Healthcare owns all rights to the intellectual property in GE Healthcare's Products, Services, Documentation, Specifications, and statements of work related to a Quotation or otherwise. Customer may provide GE Healthcare with feedback related to Products, Services, and related Documentation, and GE Healthcare may use it in an unrestricted manner.

9. **Compliance.**

9.1. Generally. Each party will comply with applicable laws and regulations. Customer is only purchasing or licensing Products for its own medical, billing and/or non-entertainment use in the United States, or for the purposes of renting or leasing the Products for medical, billing and/or non-entertainment purposes through a mobile system or modular building where Customer maintains title to the Products. GE Healthcare will not deliver, install, service or train if it discovers Products have been or are intended to be used contrary to this Agreement. This Agreement is subject to GE Healthcare's ongoing credit review and approval. Customer is aware of its legal obligations for cost reporting, including 42 C.F.R. § 1001.952(g) and (h), and will request from GE Healthcare any information beyond the invoice needed to fulfill Customer's cost reporting obligations. GE Healthcare will provide safety-related updates for Equipment and Software required by applicable laws and regulations at no additional charge.

9.2. Security. GE Healthcare is not responsible for: (i) Customer's passwords or password management (ii) securing Customer's network; (iii) preventing unauthorized access to Customer's network or the Product; (iv) backup management; (v) data integrity; (vi) recovery of lost, corrupted or damaged data, images, software or equipment; (vii) third party operating systems, unless specifically provided in the Quotation; or (viii) providing or validating antivirus or related IT safeguards unless sold to Customer by GE Healthcare. NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR DAMAGES CAUSED BY UNAUTHORIZED ACCESS TO THE NETWORK OR PRODUCTS REGARDLESS OF A PARTY'S COMPLIANT SECURITY MEASURES.

9.3. Environmental Health and Safety ("EHS"). GE Healthcare personnel may stop work without penalty due to safety concerns. Customer must: (i) comply with GE Healthcare's EHS requirements; (ii) provide a safe environment for GE Healthcare personnel; (iii) tell GE Healthcare about chemicals or hazardous materials that might come in contact with Products or GE Healthcare personnel; (iv) perform decommissioning or disposal at Customer facilities; (v) obtain and maintain necessary permits; (vi) thoroughly clean Products before Service; (vii) provide radioactive materials required for testing Products; and (viii) dispose of waste related to Products and installations.

9.4. Parts and Tubes. GE Healthcare: (i) recommends the use of parts it has validated for use with the Product; (ii) is not responsible for the quality of parts supplied by third parties to Customer; and (iii) cannot assure Product functionality or performance when non-validated parts are used. Certain Products are designed to recognize GE Healthcare-supplied tubes and report the presence of a non-GE Healthcare tube; GE Healthcare is not responsible for the use of, or effects from, non-GE Healthcare supplied tubes.

9.5. Training. GE Healthcare's training does not guarantee that: (i) Customer trainees are fully trained on Product use, maintenance or operation; or (ii) training will satisfy any licensure or accreditation. Customer must ensure its trainees are fully qualified in the use and operation of the Product. Unless otherwise identified in the training catalog, Customer will complete training within 12 months of: (a) the date of Product delivery for a Product purchase; (b) the respective start date for Services or Subscription for purchase of Service or Subscription; or (c) the date training is ordered for training-only purchases. If not completed within this time period, other than because of GE Healthcare's fault, training expires without refund. Training will be invoiced and payment due pursuant to the billing terms listed in the equipment Quotation. Recording of GE Healthcare training sessions is prohibited.

9.6. Medical Diagnosis and Treatment. All clinical and medical treatment, diagnostic and/or billing decisions are Customer's responsibility.

9.7. Connectivity. If a Product has remote access capability: (i) Customer will provide GE Healthcare with, and maintain, a GE Healthcare-validated remote access connection to service the Product; or (ii) GE Healthcare reserves the right to charge Customer for onsite support at GE Healthcare's then-current billing rate. This remote access and collection of machine data (e.g., temperature, helium level) will continue after the end of this Agreement unless Customer requests in writing that GE Healthcare disable it.

9.8. Use of Data.

9.8.1 Protected Health Information. If GE Healthcare creates, receives, maintains, transmits or otherwise has access to Protected Health Information (as defined in 45 C.F.R. § 160.103) ("PHI"), GE Healthcare may use and disclose the PHI only as permitted by law and by the Business Associate Agreement. Before returning any Product to GE Healthcare, Customer must ensure that all PHI stored in it is deleted.

9.8.2 Data Rights. GE Healthcare may collect, prepare derivatives from and otherwise use non-PHI data related to Products and/or Services for such things as training, demonstration, research, development, benchmarking, continuous improvement and facilitating the provision of its products, software and services. GE Healthcare will own all intellectual property and other rights that could result from this collection, preparation and use. The non-PHI data will not be used to identify Customer or sold by GE Healthcare without Customer's consent.

9.9. Customer Policies. GE Healthcare will use reasonable efforts to respect Customer-provided policies that apply to GE Healthcare and do not materially contradict GE Healthcare policies. Failure to respect Customer policies is not a material breach unless it is willful and adversely affects GE Healthcare's ability to perform its obligations.

9.10. Insurance. GE Healthcare will maintain coverage in accordance with its standard certificate of insurance.

9.11. Excluded Provider. To its knowledge, neither GE Healthcare nor its employees performing Services under this Agreement have been excluded from participation in a Federal Healthcare Program. If an employee performing Services under this Agreement is excluded, GE Healthcare will replace that employee within a reasonable time; if GE Healthcare is excluded, Customer may terminate this Agreement upon written notice to GE Healthcare.

10. Disputes and Arbitration

10.1. Binding Arbitration. Other than collection matters and actions seeking injunctive relief to prevent or cease a violation of intellectual property rights related to Products or Services, the parties agree to submit all disputes arising under or relating to this Agreement to the American Arbitration Association ("AAA") office closest to the largest metropolitan area of the location where the Product is installed or the Service is provided for binding arbitration conducted in accordance with AAA's then-current Commercial Arbitration Rules. Costs, including arbitrator fees and expenses, will be shared equally, and each party will bear its own attorneys' fees. The arbitrator will have authority to award damages only to the extent available under this Agreement. Nothing in this Section shall allow either party to arbitrate claims of any third-party not a party to this Agreement. The parties further agree to keep confidential: (i) the fact that any arbitration occurred, (ii) the results of any arbitration, (iii) all materials used, or created for use, in the arbitration, and (iv) all other documents produced by another party in the arbitration and not otherwise in the public domain.

11. Liability and Indemnity.

11.1 Limitation of Liability. GE HEALTHCARE'S LIABILITY FOR DIRECT DAMAGES TO CUSTOMER UNDER THIS AGREEMENT WILL NOT EXCEED: (I) FOR PRODUCTS, THE PRICE FOR THE PRODUCT THAT IS THE BASIS FOR THE CLAIM; OR (II) FOR SERVICE OR SUBSCRIPTIONS, THE AMOUNT OF SERVICE OR SUBSCRIPTION FEES FOR THE 12 MONTHS PRECEDING THE ACTION THAT IS THE BASIS FOR THE CLAIM. THIS LIMITATION WILL NOT APPLY TO GE HEALTHCARE'S DUTIES TO INDEMNIFY CUSTOMER UNDER THIS AGREEMENT.

11.2 Exclusion of Damages. NEITHER PARTY WILL HAVE ANY OBLIGATION FOR: (I) CONSEQUENTIAL, PUNITIVE, INCIDENTAL, INDIRECT OR REPUTATIONAL DAMAGES; (II) PROFIT, DATA OR REVENUE LOSS; OR (III) CAPITAL, REPLACEMENT OR INCREASED OPERATING COSTS.

11.3 IP Indemnification. GE Healthcare will indemnify, defend and hold Customer harmless from third-party claims for infringement of United States intellectual property rights arising from Customer's use of the Equipment or Software in accordance with the Specifications, Documentation and license.

11.4 General Indemnification.

11.4.1 GE Healthcare will indemnify, defend and hold Customer harmless for losses which Customer becomes legally obligated to pay arising from third party claims brought against Customer for bodily injury or damage to real or tangible personal property to the extent the damage was caused by GE Healthcare's: (i) design or manufacturing defect; (ii) negligent failure to warn, negligent installation or negligent Services; or (iii) material breach of this Agreement.

11.4.2 Customer will indemnify, defend and hold GE Healthcare harmless for losses which GE Healthcare becomes legally obligated to pay arising from third party claims brought against GE Healthcare for bodily injury or damage to real or tangible personal property to the extent the damage was caused by Customer's: (i) medical diagnosis or treatment decisions; (ii) misuse or negligent use of the Product; (iii) improper storage of the Product (iv) modification of the Product; or (v) material breach of this Agreement.

11.5 Indemnification Procedure. For all indemnities under this Agreement: (i) the indemnified party must give the other party written notice before claiming indemnification; (ii) the indemnifying party will control the defense; (iii) the indemnified party may retain counsel at its own expense; and (iv) the indemnifying party is not responsible for any settlement without its written consent.

12. **Payment and Finance.**

12.1 Late Payment. Customer must raise payment disputes before the payment due date. For any undisputed late payment, GE Healthcare may: (i) suspend performance under this Agreement until all past due amounts are paid; (ii) charge interest at a rate no more than the maximum rate permitted by applicable law; and (iii) use unapplied funds due to Customer to offset any of Customer's outstanding balance. If GE Healthcare suspends performance, any downtime will not be included in the calculation of any uptime commitment. If Customer fails to pay when due: (a) GE Healthcare may revoke its credit and designate Customer to be on credit hold; and (b) all subsequent shipments and Services must be paid in full on receipt.

12.2 Taxes. Prices do not include applicable taxes, which are Customer's responsibility.

12.3 Customer Payment Obligation. If installation or acceptance is delayed more than 90 days because of any reason for which Customer or its subcontractor is responsible, GE Healthcare will provide written notice and bill the remaining balance due on the order, and Customer must pay according to the payment terms listed on the Quotation.

13. **Notices.** Notices will be in writing and considered delivered when received if sent by certified mail, postage prepaid, return receipt requested, by overnight mail, or by fax. Notice to Customer will be directed to the address on this Agreement, and notice to GE Healthcare to General Counsel, 9900 W Innovation Dr., Wauwatosa, WI 53226.

14. **Invenia Automated Breast Ultrasound.** CUSTOMER IS REQUIRED TO COMPLETE INVENIA APPLICATIONS TRAINING AND INVENIA RADIOLOGIST TRAINING PRIOR TO CLINICAL USE. Invenia applications training is identified in the Quotation(s) and will be completed through the GE Healthcare applications training courses. Invenia radiologist training can also be purchased separately from GE Healthcare.

15. **Subscription Products and ViewPoint Software Maintenance Terms and Conditions.**

15.1 Overview. GE Healthcare will, in accordance with the terms and conditions of this section, maintain, support and update: (i) Products provided via Subscription (excluding Healthcare Digital Products); and (ii) ViewPoint Software licensed by Customer ("ViewPoint Software") and HIS interface software installed in the United States covered by a Software Maintenance Agreement ("SMA").

15.2 Scope.

15.2.1 Software Support and Maintenance. GE Healthcare will use reasonable efforts to provide Error Correction (defined below) for verifiable and reproducible Errors (defined below) within a reasonable time after: (a) Customer reports the Error to GE Healthcare; or (b) detection by GE Healthcare. Updates (defined below), if released, will be provided at no additional cost as a part of this maintenance commitment. New functionality must be purchased separately, unless otherwise agreed.

15.2.2 Equipment Maintenance. Preventative maintenance service may be required periodically during normal business hours of 8:00 a.m. to 5:00 p.m. (local time) on mutually agreed dates. Customer will make the Equipment available for preventative maintenance upon GE Healthcare request. Additional services to be performed, including specific additional terms thereof, shall be specified in the Quotation or alternate schedules.

15.2.3 Definitions. "Error" means any Software-related problem that: (i) materially interferes with Customer's use of the Software; and (ii) results from a failure of the Software to materially conform to the Documentation. "Error Correction" means: (a) modification of the Software that corrects an Error by bringing the Software into material conformity with the Documentation; or (b) a procedure that avoids the material adverse effect of the nonconformity. "Update" means a change that provides Error Corrections and/or enhances functionality of the Software version licensed by Customer. An Update does not involve major changes or provide significant, new functionality or applications, or changes to the software architecture or file structure. Updates retain the same license as the original Software.

15.2.4 Hotline Support. GE Healthcare will provide phone and email support during standard business hours, excluding GE Healthcare holidays, for problem solving, Error resolution and general help.

15.2.5 Remote Access Support. GE Healthcare may access Software remotely via Customer's network and GE Healthcare-supplied secure tunnelling software to monitor Software parameters to help prevent and detect Errors. Customer will reasonably cooperate with GE Healthcare to establish remote connections. Certain modules require remote access in order to obtain support.

15.2.6 Warranty. GE Healthcare warrants that its Services will be performed by trained individuals in a professional, workman-like manner. GE Healthcare will re-perform non-conforming Services as long as Customer provides prompt written notice to GE Healthcare. NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WILL APPLY. SERVICE MANUALS AND DOCUMENTATION ARE PROVIDED "AS IS". GE HEALTHCARE DOES NOT GUARANTEE PRODUCTS WILL OPERATE WITHOUT ERROR OR INTERRUPTION.

15.2.7 Exclusions. GE Healthcare has no obligation to Customer for: (i) use of Products in combination with software, hardware, or services not recommended in writing by GE Healthcare; (ii) use in a manner or environment for which GE Healthcare did not design or license the Products, or in violation of GE Healthcare's recommendations or instructions; (iii) interface configuration (often referred to as HIS, PACS or EMR interfaces necessary due to changing vendors or versions); (iv) reorganization of Customer data; (v) consulting or software engineering and programming; (vi) support of Products outside the scope of the foregoing maintenance commitments; (vii) failure to use or install, or permit GE Healthcare to use or install, Error Corrections or Updates; (viii) failure to maintain Products within the current major release version or the immediately prior major release version; (ix) defects in products or services not made and provided by GE Healthcare; (x) any cause external to the Products or beyond GE Healthcare's control; (xi) failure of Customer's network; (xii) replacement of disposable or consumable items; (xiii) additional equipment or upgrades in connection with Products; and (xiv) migration of Software to different hardware or operating systems.

15.2.8 Software Maintenance Agreement Term. The following applies to ViewPoint software and HIS interface software only: The SMA term and start date is identified in the Quotation and its related Schedule A. Either party may terminate the SMA without cause after the first anniversary by providing at least 90 days' prior written notice to the other party. SMA payments are due within 30 days after receipt of GE Healthcare's invoice.

GE Healthcare Warranty Statement

1. Warranty.

1.1. **Equipment.** For non-customized Equipment purchased from GE Healthcare or its authorized distributors, unless otherwise identified in the Quotation, GE Healthcare warrants that Equipment will be free from defects in title, and, for 1 year from Equipment Acceptance, it will: (i) be free from defects in material and workmanship under normal use and service; and (ii) perform substantially in accordance with the Specifications. The warranty covers parts and labor and only applies to end-users that purchase Equipment from GE Healthcare or its authorized distributors.

1.2. **Software.** For Software licensed from GE Healthcare, GE Healthcare warrants that: (i) it has the right to license or sublicense Software to Customer; (ii) it has not inserted Disabling Code into Software; (iii) it will use efforts consistent with industry standards to remove viruses from Software before delivery; and (iv) unless otherwise identified in the Quotation, for 90 days from Software Acceptance, Software will perform substantially in accordance with the Documentation. “Disabling Code” is code designed to interfere with the normal operation of Software, but code that prohibits use outside of the license scope is not Disabling Code.

1.3. **Services.** GE Healthcare warrants that its Service will be performed by trained individuals in a professional, workman-like manner.

1.4. **Used Equipment.** Certain Used Equipment is provided with GE Healthcare’s standard warranty for the duration identified in the Quotation, but in no event more than 1 year. If no warranty is identified, the Used Equipment is provided “AS IS” and is not warranted by GE Healthcare.

1.5. **Accessories and Supplies.** Warranties for accessories and supplies are at www.gehealthcare.com/accessories.

1.6. **Third Party Product.** Third Party Product is covered by the third party’s warranty and not GE Healthcare’s warranties.

1.7. **Subscription Products.** Unless otherwise specified, Products provided via Subscription do not include a warranty.

1.8. **SaaS Offerings.** Unless otherwise specified SaaS Offerings do not include a warranty.

2. **Remedies.** If Customer promptly notifies GE Healthcare of its claim during the warranty and makes the Product available, GE Healthcare will: (i) at its option, repair, adjust or replace the non-conforming Equipment or components; (ii) at its option, correct the non-conformity or replace the Software; and/or (iii) re-perform non-conforming Service. Warranty service will be performed from 8am to 5pm local time, Monday-Friday, excluding GE Healthcare holidays, and outside those hours at GE Healthcare’s then-current service rates and subject to personnel availability. GE Healthcare may require warranty repairs to be performed via a secure, remote connection or at an authorized service center. If GE Healthcare replaces Equipment or a component, the original becomes GE Healthcare property and Customer will return the original to GE Healthcare within 5 days after the replacement is provided to Customer. Customer cannot stockpile replacement parts. Prior to returning Equipment to GE Healthcare, Customer will: (a) obtain a return to manufacturer authorization; and (b) back up and remove all information stored on the Equipment (stored data may be removed during repair). Customer is responsible for damage during shipment to GE Healthcare. The warranty for a Product or component provided to correct a warranty failure is the unexpired term of the warranty for the repaired or replaced Product.

GE Healthcare may provide a loaner unit during extended periods of Product service. If a loaner unit is provided: (i) it is for Customer’s temporary use at the location identified in the Quotation; (ii) it will be returned to GE Healthcare within 5 days after the Product is returned to Customer, and if it is not, GE Healthcare may repossess it or invoice Customer for its full list price; (iii) it, and all programs and information pertaining to it, remain GE Healthcare property; (iv) risk of loss is with Customer during its possession; (v) Customer will maintain and return it in proper condition, normal wear and tear excepted, in accordance with GE Healthcare’s instructions; (vi) it will not be repaired except by GE Healthcare; (vii) GE Healthcare will be given reasonable access to it; (viii) Customer is not paying for its use, and Customer will ensure charges or claims submitted to a government healthcare program or patient are submitted accordingly; and (ix) prior to returning it to GE Healthcare, Customer will delete all information, including PHI, from it and its accessories, in compliance with industry standards and instructions provided by GE Healthcare.

NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WILL APPLY. SERVICE MANUALS AND DOCUMENTATION ARE PROVIDED “AS IS”. GE HEALTHCARE DOES NOT GUARANTEE PRODUCTS WILL OPERATE WITHOUT ERROR OR INTERRUPTION.

3. **Limitations.** GE Healthcare has no obligation to Customer for warranty claims if Customer uses the Product: (a) for non-medical or entertainment use or outside the United States; (b) in combination with software, hardware, or services not recommended in writing by GE Healthcare; and (c) in a manner or environment for which GE Healthcare did not design or license it, or in violation of GE Healthcare’s recommendations or instructions. GE Healthcare has no obligation to Customer for warranty claims for damages or deficiencies outside GE Healthcare’s reasonable control.

In addition, these warranties do not cover: (i) defects or deficiencies from improper storage or handling, maintenance or use that does not conform to Specifications and/or Documentation, inadequate backup or virus protection, cyber-attacks, failure to maintain power quality, grounding, temperature, and humidity within Specifications and/or Documentation, or other misuse or abuse; (ii) repairs due to power anomalies or any cause external to the Products or beyond GE Healthcare’s control; (iii) payment or reimbursement of facility costs arising from repair or replacement of the Products or parts; (iv) planned maintenance (unless applicable to Equipment), adjustment, alignment, or calibration; (v) network and antenna installations not performed by GE Healthcare or its subcontractors; (vi) lost or stolen Products; (vii) Products with serial numbers altered, defaced or removed; (viii) modification of Product not approved in writing by GE Healthcare (ix) Products immersed in liquid; (x) for Mobile Equipment, defects or deficiencies from mobile use outside of normal transportation wear and tear (excluding OEC regarding transportation wear and tear) and (xi) replacement of disposable or consumable items.

4. Exceptions to Standard Warranty.

Partial System Equipment Upgrades for CT, MR, X-Ray, IGS, PET (Scanners, Cyclotrons and Chemistry Labs) and Nuclear systems: 6 months (only applies to the upgraded components unless the parties otherwise agree to modify the coverage of the upgraded and existing components in an existing service agreement. Optima XR240amx partial upgrades are warranted for 1 year on the wireless detector. This exception does not apply

to the Artist Evo 1.5T and Premier Evo 3T upgrades which will have a full system one year warranty.

Cyclotron and Radiopharmacy: Warranty starts on the earlier of (i) 3 months after the date GE Healthcare completes mechanical installation, or (ii) the date Product testing is successfully completed

MR Systems: Warranty does not cover: (i) a defect or deficiency from failure of water chillers supplied or serviced by Customer, and (ii) for MR systems with LHe/LN or shield cooler configured superconducting magnets (except for MR Systems with LCC magnets), any cryogen supply, cryogenic service or service to the magnet, cryostat, coldhead, shield cooler compressor or shim coils unless the need for supply or service is caused by a defect in material or workmanship covered by this warranty.

Proteus XR/a, Definium and Precision 500D X-Ray Systems: Warranty does not cover collimator bulbs

Performix 160A (MX160) Tubes: 3 years

X-Ray High Voltage Rectifiers and TV Camera Pick-Up Tubes: 6 months

X-Ray Wireless Digital Detectors: In addition to the standard warranty, GE Healthcare will provide coverage for detector damage due to accidental dropping or mishandling. If accidental damage occurs, GE Healthcare will provide Customer with 1 replacement detector during warranty at no additional charge. If subsequent accidental damage occurs during warranty, each additional replacement will be provided for \$30,000 per replacement. This additional coverage excludes damage caused by any use that does not conform to original equipment manufacturer ("OEM") guidelines, use that causes fluid invasion, holes, deep scratches or the detector case to crack, and damage caused by abuse, theft, loss, fire, power failures or surges. If the warranty is voided by these conditions, repair or replacement is Customer's responsibility.

Bone Mineral Densitometry: Alpha Source, Inc. will perform installation, application support and warranty services. Direct warranty claims to Alpha Source, Inc. at 1-800-654-9845. Upgraded computer, printer and monitor components include a 1 month warranty. Customer will not be credited the value of this warranty against pre-existing warranties or service agreements.

OEC New or Exchange Service Parts: 120 days

OEC Tubes and Image Intensifiers: 1 year

HealthNet Lan, Advantage Review — Remote Products: 3 months

LOGIQ e, Venue 50, Venue Go, Versana Active and related transducers purchased with them: 5 years
