ATLAS TOWER

RE: Letter of Inventory of Existing Sites for New Telecommunications Facility

Applicant has no existing facilities within City of Chandler jurisdiction, nor any sites within $\frac{1}{4}$ mile from jurisdictional lines.

Please see below map indicating existing an inventory of all existing vertical towers or structures that are equal to or higher than the height of any proposed tower within one (1) square mile of the proposed location regardless of jurisdiction. Verizon Wireless already has installed antennas on these existing sites and these existing sites are not providing the necessary coverage that the proposed cellular facility will.

Existing Site #1: Two 101' Monopoles (25015 S MCQUEEN Rd)
Existing Site #2: 60' Monopalm (2945 E RIGGS Rd)
