- We prohibit anyone including employees, vendors, and customers from smoking on the patio and within 20 feet of all entrances into our place of business
- We politely inform violators smoking on the patio or within 20 feet of an entrance to extinguish their lit tobacco product or to go at least 20 feet away from the entrance to smoke

Site Improvements: NA

Building signage: NA

The Business: Buon Padre Pizza is a family-owned pizzeria serving the local Chandler community. We are requesting an entertainment permit to provide an inviting atmosphere where patrons can spend time making new memories with their friends and family. We want people to enjoy watching their favorite sports team or spend time socializing over a delicious meal while recorded music plays in the background - setting the perfect mood for a night out. We are close to a residential neighborhood and want to respect their right to not be intruded upon by loud music or TV programs coming from our patio. We plan on keeping a mid-low volume level at all times.
