Briefing

4. Tumbleweed Ranch Masterplan Presentation
 - Philip Weddle of Weddle Gilmore Architects shared a presentation of the Tumbleweed Ranch Conceptual Master Plan.
 - Tumbleweed Ranch will be known as "The Ranch at Tumbleweed Park."
 - The Masterplan is broken down into eight zones, and the project will be completed in phases. Philip Weddle reviewed each zone in detail. Some of the changes included in the Masterplan are additional entrances to the Ranch which will be clear points of entry; additional structures being added; and moving the Red Shed Theater and rotating it.
 - Flexibility has been built into the Masterplan.
 - The additional structures will allow new opportunities for events and functions at The Ranch.
 - Various structures such as the McCroskey House, Edwards House, the Grocery Store, and others will remain at The Ranch.
 - Barbara Meyerson inquired if the neighbors are okay with the upcoming changes.
 - Jody Crago responded that the Museum Foundation Board is the first to view the presentation. This presentation will be presented to other stakeholders and with the community/neighbors in public meetings.
 - Jody Crago will keep the board apprised of the meeting outcomes.

- Calvenea Malloy asked what the timeline was for these renovations.
 - Kim Moyers answered that some of the phases were included in the upcoming Capital Improvement Projects (CIP) budget, while other phases will be part of future CIP budget requests.
 - If the current CIP budget is approved, the first phase will be the general site improvements, which includes planting trees and grading where needed.
 - Josh Askey queried if the City of Chandler will be responsible for The Ranch. Kim Moyers replied that The Ranch will continue to be under the Museum.

5. Executive Subcommittee Update

- The Executive Subcommittee Meeting scheduled for March 6, 2023, has been cancelled in lieu of the Board Retreat, which will begin at 8:30 a.m. and is being held at the Chandler Museum in the Saguaro Room.
