Action Agenda Item No. 4 and Discussion

4. **Application for Accidental Disability Moore**
Review and Consideration of Conflict in medical testimony regarding the Application for an Accidental Disability for Michael Moore.

Action Agenda Item No. 4 Motion and Vote

Police Member Elect Shellum moved to find that in response to concerns raised by PSPRS regarding the temporary disability the Board previously granted to Michael Moore, moved that we make the following findings regarding conflicting medical testimony.

Dr. Parker notes the presence of a conflict in medical evidence in his 10/27/23 responses on forms P5-LB-T, P5-LB-O, and P5-LB-A; however, his Addendum report dated 10/7/23 does not point to specific conflicts in medical evidence. Dr. Parker only references uncertainty about whether Mr. Moore would be able to continue serving in a PSPRS eligible position if he can work in a non-weapon carrying capacity. To the extent this represents a conflict in medical testimony, the Board finds that the carrying of a duty weapon is a requirement of any Police officer with the City of Chandler.

Dr. Parker also notes the presence of a conflict in medical evidence in his 8/16/23 responses on form P5-LB-A. In his original report dated 8/11/23 Dr. Parker notes on pg. 21 that "There are substantial conflicts in the medical evidence, including the absence of all of the psychiatric records, and the grossly exaggerated psychological testing." I find that there is no current conflict in medical evidence about an absence of medical records, as I find that Dr. Parker has since been provided with complete medical records for Mr. Moore;

Finally, I move to affirm our previous decision to grant a temporary disability to Mr. Moore. the Agenda Item No. 4 of the November 1, 2023, Regular Public Safety Police Personnel Retirement Board; Seconded by Citizen Member Crawford.

Motion carried unanimously (4-0)
