

It's that time of year again! The City of Chandler is starting its budget process and encourages residents to provide their thoughts about the community and its future.

Starting Monday, Nov. 25, Chandler residents will be able to find the survey at chandleraz.gov/budget and will be available through Friday, Jan. 10, 2025.

City staff asks residents to answer at least the first six general questions of the survey which should take about two minutes. The remaining questions allow you to provide funding priorities as well as feedback on the Council Strategic Focus Areas. You can share thoughts and ideas on any or all of the topics including open text boxes for comments.

The budget survey results are shared with the Mayor, City Councilmembers, City Manager, and staff to assist in the formulation of the city's financial plan. Please take this opportunity to let us know what is going well, and what could use some additional attention during the next Budget Year.

In addition to the online survey, paper copies will also be available in English, Spanish and Mandarin Chinese, and may be picked up at various city facilities, including libraries, community centers and the lobby of City Hall.
