After this discussion, Rosanna made a motion to approve the RFQ with amendments. Shachi seconded the motion. The motion passed unanimously.

BRIEFING ITEMS

a) Ongoing public art projects

Peter shared that the Galveston Traffic boxes will be installed on June 19. The arts commissioners look forward to seeing photographs.

Peter shared that Meg Stapp accepted the job of designing new banners for City Hall. She has received a down payment, and the project should be finished by the end of August.

Peter shared the updated design progress for the Tumbleweed Recreation Center project. The artists at coLAB studio assured Peter that their structural engineer was calculating to make sure the project would not break under extreme weather conditions.

b) External Public Art Projects

Peter shared that the Mayor is interested in doing a project near the Goodyear Canal in South Chandler. Mayor Hartke has allotted funding, and Peter has begun to research possible locations. The mayor also requested the project be finished by the end of the calendar year. Due to the short timeline and external funding, Peter suggested directly selecting Bobby Zokaites, who has significant experience around the valley and has been a finalist for 4 projects in Chandler, but has never been selected. The arts commission did not see any issue with this. Peter will reach out to Bobby and share designs at the August meeting.

Peter shared with the commissioners that arts staff plan to do a mural with external funding from a City Council Amendment this year and will have an RFQ ready to review by our meeting in August.
