- Questions

VICE MAYOR HARRIS confirmed that a yes vote would lower the property tax rates in the City of Chandler.

MR. DUNBAR said tonight's vote sets anticipated tax revenues in the budget; the actual rate setting will happen at the end of June. Thursday will be the final day of adopting the tax levy lowering taxes for the people of Chandler.

VICE MAYOR HARRIS asked about the appreciation of values for the properties in Chandler.

MR. DUNBAR explained that Maricopa County evaluates property values across the county. They assess the new properties added to the tax rolls each year and the actual value of existing properties in Chandler. After the assessment, they send out property valuations and the

associated tax levy. A state statute limits property value increases to 5% per year, and this year the average increase was 4.4%.

VICE MAYOR HARRIS asked how long they have been lowering the property taxes.

MR. DUNBAR said this will be the ninth consecutive year of property tax reductions.

VICE MAYOR HARRIS asked if there was an increase in any other taxes in the City of Chandler.

MR. DUNBAR said there have been no other tax increases for the residents.

COUNCILMEMBER STEWART thanked the staff for the process.

VICE MAYOR HARRIS asked about the third-party budget audit and compliance with state statutes regarding the third-party review.

MR. DUNBAR clarified that a third-party financial audit is conducted with the annual consolidated financial report, not the actual budget documents. The audit team comes in after the fact and reviews all expenditures to make sure Chandler is following all the requirements.

Unscheduled Public Appearances

MAYOR HARTKE discussed unscheduled public appearances and confirmed with the City Attorney that he has the authority to change meetings and work sessions. He also mentioned adding a public comment portion to future work sessions and council subcommittees and acknowledged receiving a comment card from Linda Sawyer, which will be added to the meeting record.

LES MINKUS of Chandler, AZ, provided comments advocating for the right of Chandler residents to speak at all City public meetings, including study sessions, work sessions, and committee meetings. He submitted a formal request three months ago, supported by 100 signatures from Chandler residents. The request has not been put on the agenda or brought to a vote by the Mayor and Council, despite apparent agreement from the majority of Council members. Mr. Minkus emphasized the need for transparency before the upcoming election and urged the Mayor and Council to vote on the matter at the next Council meeting. He believes voters have the right to know where each Council member stands on this issue.

SAMANTHA HAYES, of Gilbert, AZ, shared concerns about the behavior of Officer Tyler Service from the Chandler Police Department on school campuses within the Chandler Unified School District. She has addressed several incidents involving Officer Service and a black family at Bogel Junior High School. Ms. Hayes highlighted that Officer Tyler Service's actions have been unprofessional, retaliatory, and biased, specifically targeting the mother and her children. She emphasized that such behavior fosters an environment of fear and distrust and underlined the Council's need for immediate and decisive action. Samantha urged a thorough investigation of Officer Service's conduct, implementation of comprehensive bias training for all school resource officers, and exploration of alternative models of school safety that do not heavily rely on police presence. She emphasized that creating a nurturing and unbiased environment is crucial for all students' well-being and educational success.

BRIDGET VEGA, of Gilbert, AZ, expressed gratitude to the Mayor and Council for their proactive efforts in creating a safer community for the youth following the assault and murder of Preston Lord seven months ago. She called for transparency, mandated training for School Resource Officers (SROs), and improved communication between parents, schools, and SROs in the Chandler Unified School District. Ms. Vega asked for accountability and safety; she highlighted instances of physical assaults, sexual assaults, bullying, and drug-related incidents on school campuses. Ms. Vega asked the Council to prioritize the well-being of the youth and to seek justice for victims of violence.

SEDINA, shared concerns about biased policing and unfair treatment by the Chandler Police Department, particularly mentioning Officer Tyler Service at Bogle Junior High School. Sedina mentioned an incident involving her child being assaulted on school premises, which led to the child facing unjust disciplinary actions and being offered a misdemeanor charge, despite being the victim. Sedina emphasized the need for a thorough investigation into the matter and expressed the desire for equitable and fair treatment from law enforcement and school authorities.
