The following plans have been prepared by the Urban Franchising & Design Department and as such are non-proprietary. All images used are for illustrative purposes only and are intended to convey the concept and vision for the landscape. They are for guidance only, plans may change as work progresses and do not necessarily represent a final and accurate depiction of the finished product and specifications may vary. Final plans are intended to give a general indication of the proposed project only. All images and dimensions provided in these plans are approximate and subject to change. Please consult with an architect/engineer to finalize plans and make sure they adopted the local building codes and requirements of the city and state.
