Yes

Boards and Commissions Info

Professional Experience

I began my law enforcement career in 1975, by serving in the U.S. Army as a Military Police Officer. Upon an honorable discharge in 1978, I returned to civilian life and was hired in 1979 as a Police Officer in Deerfield, Illinois, which is a suburb of Chicago. In 1984, I was selected and appointed as a Special Agent in the FBI. After a 21 year career in the Bureau, I retired and went to work in private industry as a Director of Security. Over the past 17 years, I've held various management positions in Safety and Security, Consulting and Investigations. In 2021, I formed my own Private Investigation Agency and I now continue to work in selective investigative assignments on a part-time basis.

Board/Committee Experience

I've served voluntarily on various committees throughout my professional career, some ad hoc, which included serving on several different task forces formed with different members to address a crime problem. I also served voluntarily on the following committees in my personal life: Seven years on a High School All Night Party Committee as the Security representative, seven years as a Delegation Leader on a Sports, Leadership and Fine Arts Camp Committee, member of a Building Committee at church for 5 years, which also included short term membership on a Pastor Search Committee.

Briefly explain why you would like to serve on the board / commission

I have a strong desire to serve my city. I'm grateful to have lived in Chandler for the past eight years and I take pride in the city and its government. I'm excited for the opportunity to give something back to my community by serving as a member of the citizens' panel. My 30 years of service in law enforcement, with 21 as a Supervisory Special Agent in the Federal Bureau of Investigation, provided me exposure to the complex and delicate nature of a citizen review process. As a retiree and resident of Chandler, I understand the importance of working closely with members in the community to build trust and strengthen a relationship with our police department, to better serve the community and its residents. My career background experience and retiree status give me a unique perspective which I believe is necessary to harmonize a citizen review process. As I understand the process, based on the types of complaints that may be reviewed and use of force considerations, I'm able to offer valuable contributions. This shared understanding will be helpful and serve as an additional asset to the Chief of Police in decision making, from an advisory position. I'm dedicated to serving my community and will commit to serving a full three-year term. I meet all the service requirements to include completion of the Chandler Police Department's Citizens' Police Academy in 2016. I look forward to serving in the city I love and contributing to the efforts of local law enforcement with my citizen cooperation and participation.
