## Briefing

### 3. Review Museum Foundation Board Attendance Record

- The Foundation's policy states that members must attend 75% of the meetings. The policy does not specify if that 75% is counted after excused absences or if it includes excused and unexcused absences.
- Albert been absent for six out of the ten meetings.
- The policy states that the President can call a board member who has not attended at least 75% of the meetings, and ask that they resign, because from their attendance record, it seems they cannot make the necessary time commitments to the board. Previously, Barbara called Adam when his attendance was low and then his attendance improved.
- It is recommended that Barbara or Jody call Albert to discuss the attendance policy, if she has not already.
- The attendance policy will be reviewed in brief at the next regular meeting of the Museum Foundation.

### 4. Review Questions for Museum Foundation Board Member Candidates

- The application to be on any board has a series of questions. Barbara developed the questions in part from the questions that the CCA board is asked.
- There has been previous discussion that the board needs specific talents. There should be a question that addresses the skillsets that potential board members will bring. The question should be phrased around knowledge and experience so that the answers are not literal.

### 5. Review Draft of Museum Foundation's "Case for Support"

- Barbara drafted the case for support. It will be an important reference for board members, helping them to feel comfortable advocating for the museum.
- The document will be updated with missing information, copy edited, reviewed one more time and then sent to potential graphic design contractors. There is a designer that the museum frequently works with, who Jody will contact, and another individual who Joan will contact. The document will be designed to be used digitally.
- Joan will email Barbara with questions about the document's missing information.

### 6. Discussion/Plans for Possible Fundraising Events

- Barbara and Joan discussed the idea of fundraising for the Japanese Internment Camp barrack building at the Gila River Reservation. It is a good idea, but not something that the Foundation can take on.
- Rich will call Bill Staples to let him know that the museum is about two years away from having a site that the barrack can be moved to, and the board is not in a state to fundraise for this initiative.

- The board is establishing the Friends of the Chandler Museum. It will be a \$50 membership. Benefits will be a sticker, recognition on a poster at the museum, invitations to special events, and a newsletter. This will be presented at the next board meeting. Jody will ask IT to establish a general email for the Foundation and that would go to a Square site. There will be a processing fee. Create a button on Square that is just Friends of the Museum.
  - The November OAD event and inviting board members and Friends of the Chandler Museum was discussed.
7. Discuss Foundation Marketing Plan Proposal [submitted by Idea Workgroup]
    - Comprehensive proposal. Jacki and Calvenea will be acknowledged and thanked for their work at the next board meeting.
    - Previously asked to look at the foundation web presence on the city site and on Square. It was part of our strategic plan to enhance that marketing. The website is in the process of being built.
    - Digital marketing progress is a direct result of the marketing plan proposal.
  8. Review Idea Workgroup Research on Henrys and Monarchs non-profit groups
    - This information is good research, and the Executive Subcommittee will thank Jacki and Calvenea for collecting and putting together the information.
  9. Review Agenda for Next Museum Foundation Board Meeting
    - Attendance Policy
    - November Fundraising Initiative
    - November Membership Event
    - Report on Foundation Marketing Plan
