The City of Chandler Housing and Redevelopment Division is pleased to provide well maintained housing that adds to the overall quality of the neighborhoods where their homes are located. On the 4th day, housing staff or their representative will do a follow up check of the property. If the problem is corrected, no other notice or steps are required. If the problem is not corrected either housing maintenance staff or a landscape company will be sent out, at the tenants expense, to correct all landscape issues.

Multiple Violations of the Landscaping Policy
