APPROVAL OF MINUTES

- a) Rosanna made the motion to approve the minutes from March 18, 2025. Darrell seconded the motion. The motion passed unanimously.

ACTION AGENDA

- a. Elect chair and vice-chair for 2025-2026
 - I. Peter explains terms are ending and new chairs need to be elected. Peter suggests either Mahfam or Shachi based on experience. After Mahfam explains she can't do it, Shachi agrees to being vice-chair. Darrell motions to approve Julie as chair and Shachi as vice-chair. Mahfam seconds the motion. Motion passes unanimously.
- b. Approve RFQ for Traffic Management Center building
 - I. Peter explains that the Traffic Management Center originally thought they wanted traffic boxes, but they would actually like traffic themed

artwork on the outside of the building. Darrell asks if the imagery on the RFQ will be used because of his concern about clarity in the RFQ. Peter explains they want the artwork to reference or use the imagery of signs and let the artist determine how the signs will be artistically included. Shachi asks if there is a size recommendation for this call and suggests adding size parameters. Peter agrees to add general dimensions. Tim asks for clarification if the artwork can be a mural or sculptural and agrees general dimensions would be helpful for applicants. Peter clarifies that the artwork can be either or a mural or sculptural and the call is intentionally vague. Rosanna motions to approve the RFQ. Tim seconds motion. Motion passes unanimously.

c. Approve RFQ for Outreach Activities

- i. Peter explains we approved funding for hiring 4 artists for outreach activities at the last meeting. Caroline will be in charge of managing this RFQ. Hanley will make the link for the form. Shachi points out the timeline of events on the outreach RFQ may be incorrect. After some discussion, Peter clarifies that the timeline is correct. Darrell motions to approve the RFQ. Tim seconds the motion. The motion passes unanimously.
