3. Recognition - 2024 & 2025 CEASE Designations

MAYOR HARTKE invited up the 2024 and 2025 CEASE Designations Stacy Sutherland, Nancy Baldwin, John Meza CEO of Arizona Anti-Trafficking Network, Police Sergeant Lowe, and Police Lieutenant DePodesta to be recognized.

JOHN MEZA, CEO of the Arizona Anti-Trafficking Network, expressed pride in being a Chandler resident and praised the city for earning the CEASE designation again. He highlighted the city's dedication to combating sexual exploitation through annual training and emphasized the importance of equipping the workforce to recognize and respond to trafficking crimes. Mr. Meza thanked Mayor Hartke, City Manager Wright, Assistant City Manager Wille, the City Council, and the Chandler Police Department's Human Trafficking Unit for their efforts. He explained that the CEASE program empowers cities to fight sex trafficking by training at least 75% of their workforce. Mr. Meza concluded by presenting a plaque to the city, recognizing their commitment to ending exploitation and creating a safer Arizona for all.

Consent Agenda and Discussion

Discussion was held on items 2, 7

City Clerk

1. Approval of Minutes

Economic Development

7. Agreement No. ED2-918-4422, Amendment No. 3, with 2060 Digital, LLC, for Digital Marketing Services
Move City Council approve Agreement No. ED2-918-4422, Amendment No. 3, with 2060 Digital, LLC, for digital marketing services, in an amount not to exceed \$400,000, for the period of one year, beginning March 1, 2025, through February 28, 2026.

COUNCILMEMBER POSTON asked about an item related to digital advertising, noting that the \$400,000 allocation was a significant amount of money. She asked for a broad overview of how the funds would be utilized, clarifying that while it falls under economic development, the scope of the initiative appeared to be broader.

MATT BURDICK, Communications and Public Affairs Director, said the \$400,000 digital advertising contract serves multiple departments. It is used to promote tourism through Visit Chandler programs, as well as raise awareness for various initiatives like community surveys, fireworks and water safety, and water conservation. The funding helps the city compete in today's media landscape, where digital advertising is essential for capturing attention. He also highlighted a recent campaign to educate residents about new ordinances on brass knuckles and unruly gatherings, which has been successful in preventing incidents. Digital advertising helps ensure the community is informed about important city actions and programs.

COUNCILMEMBER POSTON asked how many years the city has been participating in digital advertising, noting that it has become a "pay-to-play" world in today's media landscape. She sought clarification on the duration of the city's involvement in this type of advertising.

MR. BURDICK said the city has been engaged in digital marketing since the COVID-19 days when there was a need for various communication efforts. He clarified that the item on the agenda tonight represents the second year of a five-year contract extension. Additionally, the city has been utilizing digital marketing for about three to four years before the current contract.

COUNCILMEMBER POSTON said there was also a separate contract for the city's city-wide recruitment.

MR. BURDICK said the city has a separate contract for city-wide recruitment, which serves two main purposes: maintaining the city website and running advertising campaigns to promote career opportunities within the city. He explained that this contract has now moved into more of a maintenance phase, focusing primarily on website upkeep, pay-per-click ads, and search engine optimization to target potential applicants. However, he noted that the significant advertising efforts seen in 2022 and 2023 are no longer in place.

COUNCILMEMBER POSTON said the item is a not to exceed budget, meaning the city only pays for what is used in terms of pay-per-click services. She referenced previous conversations with both Mr. Burdick and the City Manager, noting that the city has a highly skilled staff who create the

video content, collateral, and campaigns. She asked if the city also has a role in selecting the platforms used for the campaigns.

MR. BURDICK said the city works with a media buyer, providing them with creative assets to create ads. The media buyer handles platform selection based on the target audience, such as using different platforms for a teen audience versus homeowners. All efforts focus on Chandler residents and businesses, except for the Visit Chandler campaign, which targets a broader audience. He also clarified that for transparency, the contract specifies that the vendor cannot receive more than 33% of the campaign budget for their fees, covering reporting, ad purchases, and creative assembly.

COUNCILMEMBER POSTON said that in the previous recruitment campaign, a larger portion of the budget went toward payment, noting that the current contract has a 33% cap, which falls in the \$120,000 to \$130,000 range. Councilmember Poston expressed support for the current item but raised a concern about adding staff, especially after the recent budget discussions. Councilmember Poston suggested that in the future, staff, including the City Manager, should consider whether it might be more cost-effective to hire a person to manage digital advertising, either by training current staff or bringing in a new hire. She emphasized that this approach could be more efficient in the long run, as digital advertising needs are likely to grow.

COUNCILMEMBER HARRIS asked if Councilmember Poston's suggestion would change the scope or parameters of how the contract is executed. He inquired whether this would require a motion or if staff would approach the matter differently, noting that it seemed like the approach might be shifting.

MAYOR HARTKE clarified Councilmember Poston is in favor of the current contract but suggests looking into the future possibility of handling digital advertising differently, without affecting the current contract.

Briefing

14. Resident Bond Exploratory Steering Committee Executive Summary by Chair Jay Tibshraeny and Deputy City Manager | CFO Dawn Lang

JAY TIBSHRAENY, Bond Committee Chair, gave the following presentation.

Resident Bond Exploratory Committee Executive Summary

Resident Bond Exploratory Steering Committee

- Jay Tibshraeny, Chair
- Garry Hays, At Large Member
- Kari Zurn, At Large Member
- Craig Gilbert, Facilities, Sustainability and Technology Subcommittee Chair
- Nina Mullins, Parks & Recreation Subcommittee Chair
- Rick Heumann, Public Works Subcommittee Chair
- Trinity Donovan, Public Safety Subcommittee Chair

Committee Timeline

Public Communication

- Staff presented public information options in October to the Steering Committee
- Input gathered helped to create a public information campaign regarding the work of the Resident Bond Exploratory Committee
- Bond election website created as the central source for resident information
- Social posts and articles released
- Additional public information activities will occur as the City Council receives the recommendations from the Resident Bond Exploratory Committee and determines whether to process with a bond election

Chandler Bond History

- Valley Bond Elections Since 2000
- Comparison of GO Bond Use in Chandler & Large Valley Cities
- Bond Authority Requested
- Bond Authority Approved

Steering Committee Recommendations

- Over a period of five months, the Resident Bond Exploratory Steering Committee reviewed and evaluated 37 possible bond projects with an estimated total cost of \$728,095,600
- Prioritized fiscal conservancy by focusing on the highest-need projects
- Final recommendations of 24 projects with a \$475,000,000 bond need in the areas of Fire, Police, Streets, and Parks and Recreation for approval in the November 2025 bond Election
- If approved, this \$475 million recommendation to City Council would not increase primary or secondary property tax rates using current projections.

COUNCILMEMBER ORLANDO said during the development of communities in Chandler, the city had multiple options for funding infrastructure. These included the use of bonds, one-time dollars, or impact fees. He noted that Chandler was at the forefront of utilizing impact fees and believed that the city was among the first to approve and implement them. Councilmember Orlando shared that he was recently asked why bonds are being used today. In response, he explained that during the city's build-out phase, impact fees were the primary source of income used to fund

infrastructure, which allowed new residents to bear the cost. As a result, existing residents were not burdened with those expenses. He highlighted that now that the city is largely built out, impact fees are decreasing because there is very little new development, or fertile ground left. Due to this decline, bonds have become increasingly important for funding necessary infrastructure, particularly when it comes to maintaining and upgrading older infrastructure. He concluded by asking if his explanation was correct, expressing confidence that it was.

DAWN LANG, Deputy City Manager and Chief Financial Officer, said that Chandler used revenue from growth to support various infrastructure projects, such as wastewater treatment plants, water treatment plants, and additional roads. Now that much of this growth-related infrastructure has been built, the city is focusing on maintaining and caring for its aging systems. Ms. Lang emphasized that bonds are crucial for maintaining this aging infrastructure and adding new amenities as needed.

COUNCILMEMBER ORLANDO said that the city is losing one revenue source but is relying on another to help maintain its progress as a community.

DAWN LANG, Deputy City Manager – Chief Financial Officer gave the following presentation.

Steering Committee Recommendations

- Over a period of five months, the Resident Bond Exploratory Steering Committee reviewed and evaluated 37 possible bond projects with an estimated total cost of \$728, 095, 600
- Prioritized fiscal conservancy by focusing on the highest-need projects
- Final recommendations of 24 projects with a \$475,000,000 bond need in the areas of Fire, Police, Streets, and Parks and Recreation for approval in the November 2025 bond Election
- If approved, this \$475 million recommendation to City Council would not increase primary or secondary property tax rates using current projections.

Parks and Recommendation Subcommittee

- Maintain existing parks was the top priority
- Community and recreation center repairs and improvements
- Higher priority for AJ Park renovation
- Folley Pool Prioritized as high impact project for the surrounding neighborhood
- Include Phase 2 of Mesquite Groves Regional Park due to increased cost since the 2021 Bond election
- Park improvements to impact all areas of Chandler
- Tumbleweed Ranch, Multi-Gen expansion, and Mesquite Groves Phase 3 pushed out to future bond election

Proposed Ballot Question

Question 1

Enhance Chandler's Parks and Recreation Amenities to Improve Quality of Life in the Community

Shall the City of Chandler, Arizona, be authorized to issue and sell general obligation bonds of the city in the principal amount not exceeding \$158,000,000 to provide funding for community, neighborhood, and regional parks, aquatic centers, arts and cultural centers, recreational facilities, buildings, and improvements? Projects may include, but are not limited to those intended to:

- Renovate and improve existing neighborhood and community parks, recreational facilities and buildings,
- Design and construct new city parks and recreational facilities, buildings and improvements,
- Construct or improve multi-use fields, playgrounds, and other facilities at city parks, which may include Snedigar Sports Complex, Desert Breeze Park, Mesquite Groves Park, and Dr. A.J. Chandler Park, and
- Renovate and improve existing pools and aquatic centers, which may include Folley Pool.

Generated funds will be used to pay for all necessary design, acquisition, construction, reconstruction, improvement, repair, renovation, equipment and installation, and associated costs including the acquisition of land or interests therein necessary for such.

These bonds will be issued as general obligation bonds, and the issuance of these bonds will result in a property tax increase sufficient to pay the annual debt service on bonds unless the governing body provides for payment from other sources.

Public Safety – Fire Subcommittee

- Prioritized facilities to meet the changing needs of Chandler
- Rebuild • Fire Station #284
- Construction of new Fire Station #2812
- Fire emergency vehicle replacements
- Remodel of Public Safety Training Building A was moved to be paid by General Fund

Proposed Ballot Question

Question 2

Enhance Chandler Fire Department Services and Response through Improved Facilities and Equipment

Shall the City of Chandler, Arizona, be authorized to issue and sell general obligation bonds of the city in the principal amount not exceeding \$88,000,000 to provide funding for public safety and fire facilities and improvements, related equipment, vehicles technology and communication systems? Projects may include, but are not limited to, those intended to:

- Construct a new city fire station and related public safety facilities,
- Repair and renovate existing city fire stations and related public safety facilities, and
- Acquire emergency vehicles which may include fire engines and ladder trucks.

Generated funds will be used to pay for all necessary design, acquisition, construction, reconstruction, improvement, repair, renovation, equipment and installation and associated costs including the acquisition of land or interests therein necessary for such purposes.

These bonds will be issued as general obligation bonds and the issuance of these bonds will result in a property tax increase sufficient to pay the annual debt service on bonds unless the governing body provides for payment from other sources.

Public Safety – Policies Subcommittee

- Prioritized facilities to meet the changing needs of Chandler
- Police Main Station renovations
- Radio communications equipment
- Police emergency vehicle replacements

Proposed Ballot Question

Question 3

Enhance Chandler Police Department services and response through improved facilities and equipment

Shall the City of Chandler, Arizona, be authorized to issue and sell general obligation bonds of the city in the principal amount not exceeding \$46,000,000 to provide funding for public safety and police facilities and improvements, related equipment, vehicles, technology and communication systems? Projects may include, but are not limited to, those intended to:

- Renovate and improve the city Police main station,
- Acquire technology and radio communication equipment to enhance police responsiveness, and
- Acquire emergency vehicles.

Generated funds will be used to pay for all necessary design, acquisition, construction, reconstruction, improvement, repair, renovation, equipment and installation and associated costs including the acquisition of land or interests therein necessary for such purposes.

These bonds will be issued as general obligation bonds and the issuance of these bonds will result in a property tax increase sufficient to pay the annual debt service on bonds, unless the governing body provides for payment from other sources.

Public Works Subcommittee

- Maintain existing infrastructure through repaving and collector street improvements
- Placed higher priority on upcoming needed street and intersection improvements
 - Kyrene Road, Arizona Avenue and Warner Road Intersection, McQueen Road
- Additional phases for McQueen Road and Warner Road moved to a future bond election

- Ocotillo Shared Use Path moved to future bond election
- Washington Street improvements moved to be paid by General Fund

Proposed Ballot Question

Question 4

Keep Chandler streets safe and improve traffic for Chandler residents

Shall the City of Chandler, Arizona, be authorized to issue and sell general obligation bonds of the city in the principal amount not exceeding \$183,000,000 to provide funding for streets, avenues, alleys, highways, transportation and shared use path improvements, related equipment, technology and communication systems, and traffic signals, signal control systems and signage to keep streets safe and improve traffic flows for city residents? Projects may include, but are not limited to, those intended to:

- Repave and repair existing streets and intersections in the city,
- Improve and repair traffic signals and signal control systems,
- Improve city streets, which may include improvements to McQueen and Kyrene Roads,
- Improve city intersections, which may include the Arizona Ave./Warner Road intersection and Kyrene Road/Chandler Blvd. intersection, and
- Design and construct shared use paths.

Generated funds will be used to pay for all necessary design, acquisition, construction, reconstruction, improvement, repair, renovation, equipment and installation and associated costs including the acquisition of land or interests therein necessary for such purposes.

These bonds will be issued as general obligation bonds and the issuance of these bonds will result in a property tax increase sufficient to pay the annual debt service on bonds, unless the governing body provides for payment from other sources.

Facility, Sustainability, & Technology Subcommittee

- Multiple projects reviewed overlapped with other subcommittees
 - Sports Field LED lighting, water conservation improvements, Fire Station #282 rebuild, and Police Main Station renovations
- Consensus was to shift these projects to their respective subcommittees for a more focused evaluation
- Steering committee recommended the citywide fiber upgrades and existing city building renovations & repairs be moved to be paid by General Fund

Financial Considerations

- City of Chandler maintains AAA bond rating
- Correlates to lower taxes and utility rates for residents

- As the city ages and gets closer to buildout, much of the infrastructure must be maintained or replaced to continue to provide a great quality of life for our residents
- Selling bonds is a common practice to fund capital/infrastructure needs in a community
- State law requires a city to obtain voter approval through bond authorization

Financial Considerations

- The secondary tax levy funds GO bond debt, with additional capacity created by either increasing revenue or paying down debt
- Arizona law limits GO bond debt to 20% of secondary assessed value for most projects and 6% for special purpose bonds, with the city well below these limits
- Maintaining a stable tax rate requires balancing assessed values and tax rates, with state law capping assessed value growth at 6.20% for five years, then 1.22% annually
 - Recommendation caps growth at 4.50%
- Next Steps
- Thank you To Our Committee Members

MAYOR HARTKE shared information about the Mother Language Day event at Tumbleweed Park on Saturday, February 22 at 11:00 a.m.,

MAYOR HARTKE shared that Chandler was recently recognized as one of the best cities in the nation for small businesses, a distinction awarded by B2B Review. Mayor Hartke expressed excitement over the continued accolades that highlight the city's support for its business community and residents. Mayor Hartke stated that Chandler is proud to be home to many thriving small businesses and remains grateful to the entrepreneurs who choose to make Chandler their home.

Council's Announcements

COUNCILMEMBER ENCINAS shared that he, along with Mayor, had the opportunity to attend the Chandler Fun Run and join youth and teens in a mile-long walk, with many running in celebration. The event focused on celebrating and empowering youth with developmental disabilities. Councilmember Encinas thanked the organizers, volunteers, and especially the educators, noting that it was a fun and successful experience for everyone involved. He congratulated all the participants on another successful run and expressed gratitude for being part of the event.

COUNCILMEMBER POSTON provided an update during the last Council meeting, addressing federal issues and how they will impact Chandler residents and the city. Since then, staff has set up a web page at chandleraz.gov/executiveorders to help answer questions residents may have about executive orders affecting local services. Councilmember Poston mentioned that while not all answers are available yet, the web page will be continuously updated as more information becomes available. She also thanked residents for reaching out with their concerns and encouraged them to keep doing so, assuring them that updates will follow as more answers are obtained.

VICE MAYOR ELLIS invited everyone to join the Night of Hope event on Sunday at 5:00 PM at Grace Church in Tempe. She emphasized the city's commitment to addressing human trafficking and ensuring the well-being of its residents, stating that efforts like this contribute to improving the quality of life in the community.

VICE MAYOR ELLIS emphasized the importance of Black History Month by highlighting five influential Black women in nursing. She recognized Mary Eliza Mahoney, the first Black registered

nurse in the U.S., and Harriet Tubman for her nursing work during the Civil War. Vice Mayor Ellis also mentioned Susie King Taylor, who treated soldiers without formal training, and Estelle Mosley Osborne, the first Black nurse with a master's degree. Finally, she honored Mabel Staupers for her advocacy for Black nurses in the military and the American Nurses Association. Vice Mayor Ellis reflected on how these women's contributions opened doors for her career and her daughter's medical school graduation, encouraging respect and learning from history.

COUNCILMEMBER ORLANDO shared that former Councilmember Heumann initiated the Innovation Fair. The Chandler Unified School District was invited to participate, merging two separate events, and the budget was increased to accommodate the growth, leading to higher attendance. Councilmember Orlando reminded everyone that the Innovation Fair will be held this Saturday from 10 a.m. to 2 p.m. at AJ Chandler Park by the main stage, and he added that there will also be food available for attendees to enjoy.

COUNCILMEMBER HARRIS recognized Chandler's High Schools Spring athletics.

COUNCILMEMBER HARRIS shared that he will be recognized with the Humanitarian Award this Saturday at 7:00 p.m.

COUNCILMEMBER HARRIS spoke about Black History Month, emphasizing the importance of learning about African American contributions to the community. Councilmember Harris highlighted Dr. Gilbert as a "Living Legend" in Chandler, acknowledging his outstanding work with the Chandler Unified School District and his ongoing service, even as he nears retirement. Councilmember Harris also recognized Dr. Bill Crawford for his tireless contributions to various committees and projects. He encouraged everyone to connect with and celebrate these two great men, praising their continued impact on the community. Councilmember Harris expressed gratitude for their mentorship and contributions to the City of Chandler.

COUNCILMEMBER HAWKINS shared that for the first time last year, she enjoyed the Chandler Public Safety Fair, which is coming up again on March 1. The event will be held behind the Chandler Police Main Station and is designed for families, featuring a variety of activities. Councilmember Hawkins highlighted the SWAT vehicles, demonstrations, the K9 unit, a robot dog, and a fire truck for kids to explore. She encouraged everyone to attend, as the event runs from 9 a.m. to 1 p.m. on Saturday, March 1, and promises to be a fun and informative experience.

City Manager's Announcements

JOSHUA WRIGHT, City Manager, shared that the city has officially accepted the 2024 and 2025 CEASE designations. He credited Emilia Krajewski, an intern in the City Manager's office, for leading the effort. Ms. Krajewski, who is pursuing her master's degree at Arizona State University through their Marvin Andrews program, joined the office a few months ago. A Chandler native, she grew up and attended high school in the city. Mr. Wright expressed excitement about having her work on impactful projects and thanked her for her contributions.
