City may remove, alter, tear out, relocate, or damage portions of the Communications Equipment in the case of fire, disaster, or other emergencies as the City Manager deems such action to be reasonably necessary under the circumstances. City will make reasonable efforts to contact the Company's Network Operations Center at (877) 611-5868. In such event, neither City, nor any agent, contractor or employee of City may be liable to Company or its customers or third parties for any harm so caused to them or the Communications Equipment. When practical, City may consult with Company in advance to assess the necessity of such actions and to minimize damage or disruption of operation of the Communications Equipment to the extent reasonably practical under the circumstances. City will inform Company after such action is taken. The terms and condition for Relocation Work apply for Company's repair for the emergency disruption of Company's Wireless Facilities.

T- Mobile Pima Park Site

13.17 Public Safety. If the Communications Equipment or any other Company equipment, improvements, or activities present any immediate hazard or impediment to the public, to City, to City's equipment or facilities, to other improvements or activities within or outside of the Site, or to City's ability to safely and conveniently operate the Public Property or perform City's utility, public safety, or other public health, safety, and welfare functions, Company must immediately remedy the hazard, comply with City requests to secure the Public Property, and otherwise cooperate with City at no expense to City to remove any such hazard or impediment. Company's work crews must report to the Site within four (4) hours of any request by City under this section. The City may impose violation use fees and civil sanctions as provided in C.C.C. chapter 46 for Company's failure to comply with this section, this Agreement, or City Code.

13.18 Third Party Permission. Company's Wireless Facilities must not be located on Third Party Areas without the third party's written permission. This Agreement may be suspended for Company's failure to obtain the third party's written permission to use Third Party Areas.

SECTION 14. PROPRIETARY INFORMATION

14.1 Notice to Company. If City receives a request to disclose information identified by Company as Proprietary Information, City will notify Company of such request as provided in section 19.15 to permit Company at Company's cost a reasonable opportunity to prevent the disclosure of the requested information. If the City does not receive a court order to prevent disclosure within five business days from the date of the notice, the City will disclose the requested information.

14.2 Public Records Law. Notwithstanding any provision in this Agreement, Company acknowledges and understands that City is a political subdivision of the State of Arizona and is subject to the disclosure requirements of Arizona's Public Records Laws (A.R.S. § 39-121 et. seq.).

SECTION 15. ABANDONMENT

15.1 Abandonment; Removal of Facilities. In the event that the use of a substantial part of any of the Wireless Facilities is discontinued for any reason for a continuous period of two (2) years for reasons other than Force Majeure, or in the event such Wireless Facilities or property has been installed in any Public Property or Right of Way without complying with the requirements of this Agreement, or this Agreement has terminated or been revoked, Company must promptly, upon being given 60 days' notice from the City, begin removal of such Wireless Facilities and related appurtenances from the Public Property and Right of Way other than such underground facilities which the City may permit to be abandoned in place. In the event of such removal, Company must promptly restore the Public Property or Right of Way or other area from which such property has been removed to a condition satisfactory to the City subject to the City's customary practice to review upon request of Company. As a minimum, Company must restore the Public Property or Right of Way to a condition as existed prior to the removal of the structure or property.

15.2 Permanent Abandonment. The Wireless Facilities and any other property of Company remaining on the Public Property or Right of Way without the consent of the City 180 days after the revocation of this Agreement will be at the option of the City considered permanently abandoned. Any Company property permitted to be abandoned in place will be abandoned consistent with C.C.C. §§ 46-2.9, 46-8.12(K), the Utility Permit Manual, Transportation and Development Policy TDP-275, and any other applicable law.

SECTION 16. AGREEMENT REVOCATION

16.1 Revocation for Nonuse. Not later than 24 months after the date that the City issues a wireless agreement under C.C.C. chapter 46, or an amended video service agreement under C.C.C. chapter 46, Company must offer and provide wireless services unless the Company cannot meet the requirement for reasons beyond the Company's control as provided in Section 19.22. If Company fails to comply with this section, the City may revoke this Agreement.

16.2 Revocation for Cause. In addition to C.C.C. chapter 46 and subject to Section 16.4 below, this Agreement may, after public hearing and notice and an opportunity to cure pursuant to Section 16.3 below, be revoked, altered,

T- Mobile Pima Park Site

or suspended by the City as it deems necessary on any of the following grounds: (i) failure to file and maintain any faithful letters of credit, insurance coverage or pay Agreement fees as required under this Agreement; (ii) failure to comply with applicable law regarding the operation of the Wireless Facilities, this Agreement, or the appropriate regulatory authority; (iii) violation of material terms of this Agreement; (iv) fraud by Company, in its conduct or relations under the Agreement; (v) willful or grossly negligent repeated violations of this Agreement; (vi) failure to comply with any federal, state, local or administrative order, law, permit regulation or consent decree as such may apply to Company's activities, as contemplated in this Agreement; and (vii) permanent or temporary suspension for a period greater than 180 calendar days by the United States or the State of Arizona for any authorizations for Company to own, operate, maintain, or construct a Wireless Facilities.

16.3 Cure Period. If any of the foregoing events occur, Company will be given a period of 60 days after receipt of a written notice of default from the City to cure the default before the hearing described in Section 16.4. The provisions of Section 16.4 apply: (i) if Company fails to cure the event of default within the 60-day period; or (ii) when an event of a default cannot be cured within the 60-day period and Company fails to begin and diligently pursue the cure.

16.4 City Determination; Public Hearing. If Company fails to remedy its default as provided for in Section 16.2, City will notify Company of that determination and will state the major causes and reasons supporting the determination. Company will be granted ten days to respond to the determination. The City will consider the response of Company, if any, and may then terminate, postpone for a period, or proceed with the revocation, alteration, or suspension process. If the City proceeds with the revocation, alteration, or suspension process, or reactivates a postponed proceeding, a written statement of revocation, alteration, or suspension will be served upon Company stating the principal reasons for such action and a copy of the statement must be sent by certified U.S. mail, return receipt requested, to Company as provided in Section 19.15. The City Council may take final action on the revocation, alteration, or suspension of this Agreement after the public hearing.

16.5 Removal of Facilities. Upon revocation of this Agreement, the City may declare a forfeiture, whereupon all rights and privileges of Company under this Agreement will immediately be divested without a further act upon the part of Company, and Company must remove its structures or property from the Public Property and restore the Public Property to the condition as existed prior to the removal of the structure or property. Upon Company's failure to do so within six months of revocation, the City may perform the work and collect the City's cost from Company. At the City's option, Company may abandon structures or property in place as provided in this Agreement. At a minimum, the Public Property must be restored to a condition as existed before the removal of the structures or property.

SECTION 17. RADIO FREQUENCY REQUIREMENTS; CITY EMPLOYEE SAFETY

17.1 RF Compliance Requirements. Company must document, report, and confirm its compliance with FCC Radio Frequency Exposure Guidelines (FCC OET Bulletin 65) and all other applicable radio frequency emissions laws and regulations in effect from time to time (collectively, the "FCC Rules"). Company must cause its senior internal engineer responsible for compliance with the FCC Rules to deliver to City a written letter (the "RF Letter"), as follows: (i) The RF Letter must attest that Company's operation of the Communications Equipment follows the FCC Rules. A statement from Company declaring exemption from reporting to FCC is not acceptable to comply with the requirements of this paragraph; and (ii) Company must maintain records of radio frequency measurements and Communications Equipment performance in accordance with the FCC Rules; and (iii) Company must show its compliance with the FCC Rules.

17.2 Prior Notice for Work Near Wireless Facilities. Prior to performing any work on the Site, the City's employee will contact the Network Operations Center (the "NOC") whose information must be located on the ground level Communications Equipment or on the pole. The City's employee will identify himself or herself as an employee of City and will request deactivate the RF signals at the Site for a specified period. Upon completion of the work, the City's employee will contact the NOC to inform Company that the Site may activate the RF signals.

17.3 Kill Switch. Company must provide access to a "kill switch" for the Wireless Facilities and Communication Equipment located at the Site for use by the City's employees, agents, or representatives.

SECTION 18. VIOLATION USE FEES AND PUBLIC SAFETY VIOLATIONS.

18.1 Violation Use Fee. Company agrees to pay Violation Use Fees as provided in C.C.C. chapter 46 when Company breaches the terms of this Agreement and fails to cure the breach after the applicable notice and cure period. The City may elect to draw upon the letter of credit required in Section 8 to collect the Violation Use Fees. For continuing violations within a 24-hour period, each calendar day is considered a separate period for purposes of recovery of Violation Use Fees. Company's payment of Violation Use Fees does not excuse Company's breach of this Agreement or limit the City's legal or equitable remedies.

18.2 Enforcement of Violation Use Fees. The City Manager may issue a warning for Company's first violation under this section. The City Manager will issue notice to the Company as listed in Section 19.15. If City determines that Company is liable for Violation Use Fee, the City assesses the Violation Use Fee by setting forth the nature of the violation and the amount of the assessment. Within ten days of the notice of violation date, Company may appeal the violation as provided in C.C.C. chapter 46 or must pay the Violation Use Fee.

18.3 Public Safety Violations; Civil Sanctions. In addition to imposing a Violation Use Fee, as provided in C.C.C. chapter 46 the City Manager may issue notices of violation of this Agreement and may take those measures necessary to promote, preserve, and protect public health, safety, and welfare within the public right-of-way. The City Manager may issue a warning for Company's first violation under this section. The City Manager will issue notice to the Company as listed in Section 19.15, and Company's violation may result in a civil sanction as provided in C.C.C. chapter 46. For continuing violations within a 24-hour period, each calendar day is considered a separate period for civil sanctions.

18.4 Civil Action for Violations. These remedies are cumulative, and the City may proceed under one or more remedies. Any party who causes, permits, facilitates, or aids or abets any violation of any provision of this section or who fails to perform any act or duty required by this section is subject to a civil sanction as provided in C.C.C. chapter 46.

SECTION 19. GENERAL CONDITIONS.

19.1 Agreement Administrator and Enforcement. In all matters of Agreement administration, the City Manager has authority to determine Company's compliance with the terms and provisions of the Agreement, and in the event of non-compliance, to exercise any or all the remedies provided in this Agreement and to the full extent provided by law.

19.2 Right of Inspection of Construction. The City may inspect all construction or installation work performed subject to the provisions of this Agreement and to make such tests as it deems necessary to ensure compliance with the terms of this Agreement and other pertinent provisions of law.

19.3 Right of Intervention. The City may intervene in any suit or proceeding related to or arising out of this Agreement to which Company is party, and Company may not oppose such intervention by the City.

19.4 Reserved.

19.5 Reserved.

19.6 Compliance With Laws. Company must comply with all federal, state, and City ordinances, resolutions, rules, and regulations related to the rights and duties granted Company under this Agreement.

19.7 No Recourse. Company has no recourse whatsoever against the City's officials, boards, commissions, agents, or employees personally for any loss, costs, expense, or damage arising out of any provision, requirement, enforcement, or defect in this Agreement.

19.8 Non-Enforcement by the City. Company will not be relieved of its obligation to comply with any of the provisions of this Agreement by reason of the City's failure to insist upon or to seek compliance with any term and condition.

T- Mobile Pima Park Site

19.9 Agreement Documents. Company must submit to the City the letter of credit and insurance certificates as required by the Agreement within 30 days of the Effective Date. The Agreement granted is not legally operative until all of Company's requirements in this Section are completed. In the event Company does not timely satisfy these, this Agreement will be deemed null and void unless Company's time period to comply is extended by the Council.

19.10 Survival of Warranties. Company's representations and warranties made as part of the grant of this Agreement, or any permit issued under this Agreement survive termination or revocation of this Agreement.

19.11 Right of Cancellation. Company acknowledges that this Agreement is subject to cancellation by the City under A.R.S. § 38-511.

19.12 Covenant Against Contingent Fees. Company warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee; and that no member of the City Council or any employee of the City has any interest, financially or otherwise, in this Agreement. For breach or violation of this warranty, the City has the right to annul this Agreement without liability, or at its discretion to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

19.13 Independent Contractor. Any provision in this Agreement that may appear to give the City the right to direct Company or Company the right to direct the City as to the details of accomplishing the work or to exercise a measure of control over the work means that the party will follow the wishes of the other party as to the results of the work only.

19.14 Governing Law; Jurisdiction. Arizona law governs this Agreement, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding to enforce this Agreement must be instituted in Maricopa County, Arizona courts.

19.18 Right of Parties. Nothing in this Agreement, whether express or implied, is intended to confer any right or remedies under or by reason of this Agreement on any persons other than the Parties to this Agreement and their respective successors and permitted assigns, nor is anything in this Agreement intended to relieve or discharge any obligation or liability of any person who is not a party to this Agreement, nor will any provisions in this Agreement give any persons not a party to this Agreement any right of subrogation or action over or against any Party to this Agreement.

19.19 Construction. This Agreement is the result of negotiations between the Parties, none of whom has acted under any duress or compulsion, whether legal, economic, or otherwise. Accordingly, the terms and provisions of this Agreement will be construed in accordance with their usual and customary meanings. The Parties hereby waive the application of any rule of law that otherwise would be applicable in connection with the construction of this Agreement that ambiguous or conflicting terms or provisions should be construed against the party who (or whose attorney) prepared the executed Agreement or any earlier draft of the same. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular and the singular the plural. The words "hereof," "herein," "hereunder" and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement. All references to "Sections" herein refer to the sections and paragraphs of this Agreement unless specifically stated otherwise. The section and other headings contained in this Agreement are inserted for convenience of reference only, and they neither form a part of this Agreement nor are they to be used in the construction or interpretation of this Agreement.

19.20 Severability. If any covenant, condition, term, or provision of this Agreement is held to be illegal, or if the application of this Agreement to any person or in any circumstances to any extent be judicially determined to be invalid or unenforceable, the remainder of this Agreement or the application of such covenant, condition, term, or provision to persons or in circumstances other than those to which it is held invalid or unenforceable, must not be affected, and each covenant, term, and condition of this Agreement is valid and enforceable to the fullest extent permitted by law.

19.21 Cooperation and Further Documentation. Each of the Parties agree to provide the other with such additional and other duly executed documents as are reasonably requested to fulfill the intent of this Agreement.

19.22 Force Majeure. For the purpose of any of the provisions of this Agreement, neither Company nor the City, as the case may be, will be considered in breach of or in default of their obligations under this Agreement as a result of the enforced delay in performance of such obligations due to unforeseeable causes beyond its control and without

its fault or negligence, including, but not limited to: acts of God, acts of the public enemy, acts of the Federal Government, acts of the Salt River Project, acts of Maricopa County, acts of the State of Arizona or any of its departments, acts of any railroad, fire, floods, epidemics, strikes, lock outs, freight embargoes, and unusually severe weather; it being the purpose and intent of this provision that in the occurrence of any such enforced delay, the time for performance of Company's and the City's obligations, as the case may be, will be extended for the period of the enforced delay, provided that the party seeking the benefit of this provision will have notified the other party in writing of the cause or causes, and requested an extension for the period of the enforced delay. If notice by the party claiming such extension is sent to the other party more than 30 days after commencement of the cause, the period of delay will be deemed to commence 30 days prior to the giving of such notice.

19.23 On-Call Assistance. Company must be available to staff employees of any City department having jurisdiction over Company's activities twenty-four (24) hours a day, seven (7) days a week, regarding problems or complaints resulting from the installation, operation, maintenance, or removal of its Wireless Facilities. City may contact by telephone the control center operator at telephone number (877) 611-5868 regarding such problems or complaints. In the event of a public emergency, pursuant to Sections 13.16 and 13.17, the emergency contact can be reached at (800) 621-2622.

19.24 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any party who fails, or whose contractors fail, to comply with A.R.S. § 23-214(A) in connection with this Agreement. Therefore, Company and each contractor it uses warrant their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with § 23-214, subsection A in connection with this Agreement. A breach of this warranty will be deemed a material breach of this Agreement and may be subject to penalties up to and including revocation of the Agreement. City retains the legal right to inspect the papers of Company's or contractor's employees who provide services under this Agreement to ensure that Company and its contractors comply with this warranty.

19.25 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

19.26 Written Acceptance. Company's execution of this Agreement constitutes Company's acceptance of this Agreement as granted and its agreement to be bound by and to comply with the terms and conditions of this Agreement. Company's signature must be acknowledged by Company before a notary public.

19.27 Data Confidentiality and Data Security. As used in this Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to Company as part of the terms and conditions of this Agreement. Except as specifically provided in this Agreement, Company must not divulge confidential data provided by City to Company and clearly marked confidential to any third party without the City's prior written consent. These prohibitions do not apply to the following data: (i) data which was known to the Company prior to the Effective Date or is publicly available; or (ii) data which was acquired by the Company in its performance under this Agreement and which was disclosed to the Company by a third party, who to the best of the Company's knowledge and belief, had the legal right to make such disclosure and the Company is not otherwise required to hold such data in confidence; or (iii) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Company is subject. Company assumes all liability to maintain the confidentiality of City's confidential data in Company's possession. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court.

19.28 Authority. Each party represents to the other that the person signing on its behalf has the legal right and authority to execute, enter into, and bind such party to the commitments and obligations set forth herein.
