EXHIBIT “A”

INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement ("IGA") is made and entered into this 1ST day of APRIL, 2025, by and between the City of Chandler, an Arizona municipal corporation ("Chandler") and the City of Maricopa, an Arizona Municipal Corporation ("Maricopa"), collectively referred to in this IGA as the "parties."

RECITALS:

WHEREAS, the City of Chandler and the City of Maricopa both operate fire departments for their respective jurisdictions; and

WHEREAS, both the Chandler Fire Department (CFD) and the Maricopa Fire and Medical Department (MFD) are obligated to train their personnel; and

WHEREAS, CFD and MFD personnel provide mutual assistance to one another with respect to emergencies; and

WHEREAS, such mutual assistance will be more effective and efficient if the respective Fire Departments' personnel are jointly trained; and

WHEREAS, Chandler's Public Safety Training Center is large enough to accommodate the training of fire department personnel from both CFD and MFD; and

WHEREAS, the cost of personnel training will be reduced for both the CFD and the MFD if joint training is provided at the Chandler Public Safety Training Center; and

WHEREAS, Arizona Revised Statutes, Section 11-951, et. seq., provides that public agencies may enter into intergovernmental agreements for the provision of services, or for joint or cooperative action; and

WHEREAS, the MFD wishes to enter into this IGA to improve its capabilities thereby directly advancing the City of Maricopa's interest in protecting the health, safety and welfare of its citizens.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained in this IGA and other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties agree as follows:

1.0 Joint Training.

1.1 Agreement to Jointly Train. CFD and MFD agree to jointly train their respective fire department personnel in accordance with the terms and conditions of this IGA.

1.2 Schedule. CFD will use its best efforts to notify MFD of the time and date set for its trainings, and the topic of each such training, no less than fourteen (14) calendar days before the scheduled training event.

1.3 Training Topics. Training topics could include blood borne pathogens, electrical safety, confined space entry, flashover training, hazardous materials response, technical rescue, hose placement, ladder use and pharmacology. Other subjects will be included as necessary and MFD will be given the opportunity to suggest additional topics.

1.4 Training Location. Unless otherwise agreed to by the parties, all training pursuant to the IGA will be conducted at the Chandler Public Safety Training Center located at 3550 South Dobson Road, Chandler, Arizona.

1.5 MFD Personnel. MFD will send only MFD personnel to trainings scheduled pursuant to this IGA. Upon the request of MFD, CFD shall identify the number of spaces available to MFD personnel based on its estimate of the number of CFD personnel to be in attendance, the availability of funds for consumable items and capacity limits associated with the subject matter or topic of the training.

1.6 MFD Instructors. Nothing in this IGA shall be deemed to preclude CFD and MFD from agreeing to have MFD instructors cover some training topics. This provision, however, will not impact any aspect of Paragraph 2.1.

1.7 Use of Facility. MFD agrees to abide by all rules and regulations for use of the Chandler Public Safety Training Center, either written or oral, as provided by the appropriate representatives of the CFD.

2.0 Financial Aspects of Joint Training.

2.1 The Maricopa Fire Department's Contribution. The MFD total contribution shall be equal to Four Hundred Dollars (\$400) per sworn firefighter employed by MFD as of the Effective Date and each anniversary of that date for the term of this IGA but not to exceed ninety (90) firefighters annually. Within thirty (30) calendar days of the Effective Date, and thirty (30) calendar days prior to the Effective Date anniversary of each year in the Term of this IGA, MFD shall submit written verification of the number of sworn firefighters to be employed by MFD on October 1st of the particular calendar year. Once this written verification is received by the CFD Training Division, MFD will be invoiced for the total contribution amount for the current fiscal year. Payment for this IGA will be due thirty (30) calendar days after submission of invoice to MFD.

3.0 General Provisions.

3.1 Term. Once both parties have executed this IGA, the term of the IGA will commence on January 1, 2025, and, unless renewed, amended, or terminated early, expire on December 31, 2025. If the parties renew this IGA in accordance with Subparagraph 3.1.1., the use of the word "Term" in this IGA will include any renewal term periods as well as the original one-year Term established in this Paragraph 3.1.

3.1.1 Automatic Renewal. This IGA will automatically renew for four additional one (1) year terms unless one of the parties notifies the other, at least 90 calendar days prior to end of the Term, of its intent to let the IGA expire.

3.1.2 Early Termination. Either party may terminate this IGA by providing notice to the other at least ninety (90) calendar days prior to the date the terminating party intends for the IGA is to be terminated. If Chandler terminates prior to the end of the Term, it will refund the MFD's payment made in accordance with Paragraph 2 on a pro-rata basis based on the number of calendar months remaining in the anniversary year of the Term in which the termination is made. If the MFD terminates prior to the end of the Term, no refund of the payment amount made in accordance with Paragraph 2 will be made. No refunds will be made if MFD reduces its number of personnel during any anniversary year of the Term after payment has been made.

3.2 Meetings. Representatives from CFD and the MFD will meet no less than once per year to discuss the mechanics of this IGA. The parties shall operate in good faith and will be responsive to any reasonable request of the other to meet to discuss matters covered by this IGA in addition to the minimum once per year meeting required.

3.3 IGA Not Exclusive. Nothing in this IGA shall prevent either CFD or the MFD from entering other agreements regarding the training, or joint training, of their respective fire department personnel.

3.4 Notice and Opportunity to Cure. Unless a breach of, or default under, this IGA will result in an imminent threat to public health, safety and welfare; the non-defaulting party shall provide the defaulting party written notice of the alleged breach or default and a reasonable opportunity to cure such breach or default prior to such breach or default becoming actionable.

3.5 Dispute Resolution. Prior to conducting any litigation relating to this IGA, CFD and the MFD shall negotiate in good faith and attempt to resolve any dispute, controversy or claim arising out of or relating to this IGA or the breach, termination, interpretation or validity hereof (a "Dispute").

3.6 IGA Indemnification. The MFD shall indemnify and hold harmless Chandler, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the MFD, or loss

or damage to any property contributed to or caused by the active or passive negligence of the MFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the MFD, at the request of Chandler, will assume the defense at the MFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

The CFD shall indemnify and hold harmless the City of Maricopa, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the CFD, or loss or damage to any property contributed to or caused by the active or passive negligence of the CFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the CFD, at the request of Maricopa, will assume the defense at the CFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

3.7 Notices. Unless otherwise provided in this IGA, all notices, demands, requests, consents, approvals and other communications (collectively, "Notices") required hereunder shall be given by certified U.S. mail, postage prepaid or personally delivered, against receipted copy, at the address set forth below or at such other address as either party shall, from time to time, designate in writing to the other by notice given in the same manner specified in this paragraph.
