**NON-EXCLUSIVE EASEMENT FOR
BELOW-GRADE BUILDING FOOTINGS**

For and in consideration of the sum of Ten and no/100 dollars (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged,

THE CITY OF CHANDLER, an Arizona municipal corporation

("Grantor"), hereby grants and conveys unto S ARIZONA AVENUE, LLC, an Arizona limited liability company ("Grantee"), a non-exclusive easement for construction of below-grade building footings ("Footings") with the right of ingress and egress for the purpose of installation and maintenance of the Footings as deemed necessary or appropriate by the Grantee under the Grantor's real property situated in Maricopa County, Arizona and described in **Exhibit A** (Legal Description) and depicted in **Exhibit B** (Drawing) attached hereto and made a part hereof (the "Property"). This easement does not permit Grantee to place any permanent facilities or materials on or above the surface of the Property where they are visible to pedestrians. Grantee must return the surface of the Property to its original condition upon completion of any construction or maintenance of Footings, excepting any pre-existing wear, deterioration, or conditions unrelated to Grantee's activities. Grantee may document pre-work conditions by photographs or video for reference. This obligation includes a full restoration of any hardscape, paving, or landscaping, including sidewalks, pavers, plants, rocks, utilities, or other materials that are present on the Property before Grantee performs work to install or maintain the Footings. Grantor retains the right to use the Property for any purposes that will not interfere with Footings constructed by Grantee pursuant to this non-exclusive easement. Grantor shall not construct, excavate, or otherwise alter the Easement Area in a manner that would impair the structural integrity or accessibility of the Footings without the prior written consent of the Grantee.

This easement is solely for the purpose of construction and future maintenance of the Footings described herein to provide structural support for the walls of the building present on Grantee's property at the time this easement is granted. If Grantee's property is redeveloped such that the building's walls are demolished, this easement will cease

unless otherwise agreed in writing by the parties, and Grantee must remove any Footings present within the Grantor's Property , and any new footings required for said redevelopment or other improvements made on Grantee's property will be contained within the Grantee's property. Grantor will have the right, at such time, to record an instrument to provide notice of termination of this easement. This Easement shall run with the land and shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
