

City Council Regular Meeting

Thursday, August 14, 2025
6:00 p.m.

Chandler City Council Chambers
88 E. Chicago St., Chandler, AZ

CHANDLER arizona
Community of Innovation

Back row
Councilmember Matt Orlando, Councilmember OD Harris, Councilmember Jane Poston, Councilmember Jennifer Hawkins

Front row
Vice Mayor Christine Ellis, Mayor Kevin Hartke, Councilmember Angel Encinas

Our Vision

We are a world class City that provides an exceptional quality of life.

Our Brand

A safe, diverse, equitable and inclusive community that connects people, chooses innovation and inspires excellence.

Innovative Focus

Innovation is the lifeblood of our community. The introduction of new ideas and methods is rooted in Chandler's culture and heritage. This thread of innovation embodies how we connect, plan and serve our city to be a contemporary, financially responsible and safe place to live and work.

Pursuant to Resolution No. 4464 of the City of Chandler and to A.R.S. 38-431.02, notice is hereby given to the members of the Chandler City Council and to the general public that the Chandler City Council will hold a REGULAR MEETING open to the public on Thursday, August 14, 2025, at 6:00 p.m., in the Chandler City Council Chambers, 88 E. Chicago Street, Chandler, Arizona. One or more members of the Chandler City Council may attend this meeting by telephone.

Persons with disabilities may request a reasonable modification or communication aids and services by contacting the City Clerk’s office at 480-782-2181 (711 via AZRS). Please make requests in advance as it affords the City time to accommodate the request.

Agendas are available in the Office of the City Clerk, 175 S. Arizona Avenue.

City Council Memorandum Airport Memo No.

Date: August 14, 2025
To: Mayor and Council
John M. Pombier, Acting City Manager
Thru: Dawn Lang, Deputy City Manager - CFO
Steven Turner, Sustainability and Performance Officer
From: Ryan Reeves, Airport Manager
Subject: Introduction and Tentative Adoption of Ordinance No. 5134, Authorizing Amendment No. 1 of the Airport Ground Lease Agreement No. 018 to Construct and Operate Hangar and Office Improvements at the Airport.

Proposed Motion:

Move City Council introduce and tentatively adopt Ordinance No. 5134, authorizing the Mayor to execute Amendment No. 1 to Airport Ground Lease Agreement No. 018 between Chandler Air Service, Inc. and the City of Chandler, amending the completion deadline for site improvements to no later than August 31, 2026, and for the City Manager to sign all other documents and take all other action necessary or appropriate.

Background/Discussion

Chandler Air Service (CAS) entered into a ground lease with the City on September 26, 2022, for the development located at 2250 South Stinson Way. The lease includes a 20-year term with two 10-year options and mandates a minimum development of a 14,400 sq-ft hangar, 3,000 sq-ft office space, an aircraft parking/staging ramp, and associated surface parking. The agreement required CAS to break ground by the end of year 1 (September 26, 2023) and obtain a Certificate of Occupancy by year 2 (September 26, 2024). Airport staff worked with the FAA to obtain all FAA clearances for development. The FAA environmental clearance process extended the timeline and was not received until May 2023.

Due to delays in starting construction within 12 months of lease commencement, as required by Lease Section 4.2(e), extended for FAA clearance, a Notice of

Default was issued in June 2024. After CAS received notification of a loss of funding, the city issued a Notice of Lease Termination in February 2025, which gave them 30 days to vacate. Soon after, CAS received the promise of funding through CORE Bank, which was secured by June 2025, replacing the previously withdrawn commitment from Heritage Bank. All bond requirements, including the Performance Bond, have been met as of July 2025.

This amendment requires the development site improvements to be completed and to obtain its Certificate of Occupancy no later than August 31, 2026, as well as revise the original Exhibit "D", Landlord Consent and Agreement, to incorporate certain terms required by the Lender.

ORDINANCE NO. 5134

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHANDLER, ARIZONA APPROVING AN AMENDMENT TO CITY OF CHANDLER GROUND LEASE NUMBER 018 WITH CHANDLER AIR SERVICE, INC.; AND AUTHORIZING THE MAYOR TO SIGN THE AMENDMENT AND THE CITY MANAGER TO SIGN ALL OTHER DOCUMENTS AND TAKE ALL OTHER ACTION NECESSARY OR APPROPRIATE.

WHEREAS, the City of Chandler leased certain premises to Chandler Air Service, Inc. ("Tenant") pursuant to City of Chandler Ground Lease Number 018 effective September 26, 2022 (the "Lease") to construct and operate certain improvements at the Chandler Municipal Airport; and

WHEREAS, Tenant is assigning its interest in the Lease to a related entity and the new Tenant entity is obtaining financing from a private lender (the "Lender"); and

WHEREAS, the City and new Tenant entity wish to modify certain Lease terms to extend the time for construction of the improvements and consent to the Lease assignment as well as to revise the original Exhibit "D," Landlord Consent and Agreement, to incorporate certain terms required by the Lender.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of Chandler, Arizona, hereby as follows:

Section 1. Approves Amendment No. 1 to the Lease (the "Amendment") between the City of Chandler and the new Tenant in substantially the form attached hereto as Exhibit "A."

Section 2. Authorizes the Mayor to sign the Amendment and the City Manager, or designee, to sign all documents and take all action necessary or appropriate to carry out the purposes of this Ordinance.

INTRODUCED AND TENTATIVELY APPROVED by the City Council of the City of Chandler, Arizona, this _____ day of _____, 2025.

EXHIBIT “A”

CITY OF CHANDLER
FIRST AMENDMENT TO
AIRPORT LEASE AGREEMENT
NO. 018

RECITALS

A. The City of Chandler, an Arizona municipal corporation ("Landlord") and Chandler Air Service Hanger LLC, an Arizona limited liability company, as assignee of Chandler Air Service, Inc., an Arizona corporation, ("Tenant") (collectively, the "Parties") entered into that City of Chandler Airport Lease Agreement No. 018, effective September 26, 2022 (the "Lease").

B. Pursuant to the terms of the Lease, Tenant was to perform certain Project Work and complete New Improvements on the Premises within timeframes defined in Section 4.2 of the Lease. The Parties wish to revise those timeframes.

C. Tenant has obtained project funding from Core Bank ("Lender") to complete the New Improvements. Lender requires certain revisions to the Lease Exhibit "D."

D. The Parties wish to execute this First Amendment to Airport Lease Agreement No. 018 ("First Amendment") in order to make the desired revisions.

AGREEMENT

1. The Recitals are incorporated herein. All capitalized terms are as defined in this First Amendment or the Lease.

2. Section 4.2 of the Lease is deleted in its entirety and replaced with the following:

> 4.2 COMPLETION OF NEW IMPROVEMENTS. Tenant covenants and agrees that, no later than August 31, 2026, Tenant, at Tenant's expense, shall fully complete a project (the "Project Work") that includes: the demolition of any Existing Improvements and, the construction of one (1) new building consisting of a minimum of fourteen thousand four-hundred (14,400) square feet of hangar space and three-thousand (3,000) square feet of office space, new aircraft parking/staging apron, and a surface parking lot ("New Improvements"). The Project Work shall be done in accordance with plans and specifications approved by Landlord in its reasonable discretion and, for purposes of Paragraph 6.2 (c), shall commence no later than August 31, 2025. Except for activities identified in Paragraph 4.2(d), Tenant will obtain the approval of the final plans and specifications by any and all federal, state, municipal and other governmental authorities, offices and departments having jurisdiction in the matter and provide conformed copies of executed approvals to Landlord. The execution of this Lease by Landlord does not, and shall not be deemed to, constitute approval by the City of Chandler of such plans and specifications. If Tenant is unable to complete the Project Work by the timeline as stated in this Section 4.2, Tenant may make a written request to the City Manager for additional

time to complete the Project Work. Landlord's response to Tenant's request for approval shall be prompt, and such approval shall not be unreasonably withheld.

(a) The Project Work shall be deemed fully completed when a final certificate of occupancy is issued for the New Improvements by the Planning and Development Department of the City of Chandler (or such other department of the City, however denominated, that is responsible for issuing building permits and providing certificates of occupancy).

(b) Tenant will perform all of the Project Work, including, without limitation, all demolition of Existing Improvements and construction of New Improvements, in a good, careful, proper, and workmanlike manner in accordance with the approved plans and specifications; all provisions of law and any and all permits and authority required by ordinance, code, law, or public regulations or by any authority at any time having jurisdiction over the Premises; and the requirements of any public or quasi-public body having similar jurisdiction.

(c) Landlord will be an additional insured on all liability insurance policies maintained by Tenant and its contractor(s) during the performance of all of the Project Work.

(d) Tenant and Landlord acknowledge receipt of a Categorical Environmental Exclusion from the Federal Aviation Administration (FAA), pursuant to the National Environmental Policy Act of 1969, dated May 23, 2023 and valid for work commenced at the Premises within three (3) years.

(e) In the event that, through no fault of the Tenant's actions, the period of the Project Work is delayed by federal, state, regional, or county agencies, Landlord shall grant Tenant a daily schedule credit for completion of the Project.

3. Exhibit "D" is deleted and replaced in its entirety with the "Revised Exhibit 'D'" in Attachment 1.

4. This First Amendment is subject to A.R.S. § 38-511.

Boards and Commissions Info

Professional Experience
I have been employed with Chandler Gilbert Arc for 15 years supporting individuals with intellectual and developmental disabilities. I have worked from Direct Care to Community Living Coordinator to my current position of Program Support Liaison.

Board/Committee Experience
I have been on a handful of committees within the agency I work for however, no civil committee experience. I am actively trying to find a Board Position where my skills can be of use. Most recently, I was accepted into the Supported Decision-Making Training Advisory Committee with The Arc of Arizona. I've been involved with the Sprout Film Festival Committee since its' induction. I am also an active member of the Chandler Business Alliance (on behalf of CGArc).

Briefly explain why you would like to serve on the board / commission
I have been an advocate for individuals with ID and DD for 15 years. And while I have enjoyed advocating from the frontlines, I know there is so much more to do. I want to encourage as well as be a part of creating community inclusion for our Chandler members with disabilities. There is nothing more personally rewarding than to see the fruits of ones labor, especially when it creates opportunities for others whose voice is not always heard.

Boards and Commissions Info

Professional Experience
I am a graduate of the 2022 City of Chandler CIVIC program. My professional experience includes working for major Chandler employers such as Chandler Regional Medical Center and Chandler Unified School District - in both positions I worked as a registered nurse. Nursing is my second career. Prior to nursing I worked in several administrative roles in companies throughout the valley including Avnet and the City of Mesa. I graduated from Arizona State University with a Bachelors of Science in Nursing and I graduated from Chandler-Gilbert Community College with an Associate of Applied Science in Nursing in 2017.

Board/Committee Experience
I served as treasurer for one term, and vice-president for one term for the International Moms Club, San Tan Valley Chapter. MOMS Club is an official 501c3 organization and was professionally run by the local chapter. I was an active member from 2009 through 2012.

Briefly explain why you would like to serve on the board / commission
I am a mom of two disabled sons and I feel that I have a unique perspective as a health care provider and also a parent to two special needs children. I have spent my adult life advocating for the underserved. I am active in the disability community online where I help connect parents to resources. I also am an ambassador in a doctor founded online community supporting the autism community called Autism Roadmaps. In my work as a nurse, I am a public health provider. At Chandler Unified School District I oversaw multiple public school health offices and managed a team of nursing assistants. I regularly advocated for many special needs students. At Chandler Regional Hospital I worked in the Community Wellness department where we provided free medical care for the uninsured. It was important to be aware of all the resources available in our community. I would like to make a difference in the City of Chandler by helping to ensure my neighbors who are disabled or are caring for the disabled are represented and have a voice.

To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
From: Matt Burdick, Communications and Public Affairs Director
Subject: Agreement No. CAPA2-918-4421, Amendment No. 4, for Digital Marketing Services for Recruitment Campaigns

---

Proposed Motion:

Move City Council approve Agreement No. CAPA2-918-4421, Amendment No. 4, with Davidson Belluso, for digital marketing services for recruitment campaigns, for a period of one year, September 1, 2025, through August 31, 2026, in an amount not to exceed $125,000.

Background/Discussion:

This extension of this agreement, in the amount of $125,000, will fund the continuation of the Join Team Chandler recruitment campaign website and targeted use of email and digital marketing tactics that encourage prospective employees to submit job interest cards and applications for career opportunities at the police department and career opportunities with other city departments.

Evaluation:

On February 24, 2022, City Council approved a $300,000 agreement with Davidson Belluso, for digital marketing services for recruitment campaigns, for a one-year period, with the option of up to four one-year extensions. City Council approved the first one-year extension option through Amendment No. 1 in the amount of $381,000. Through Amendment No. 2, City Council approved an increase in the spending limit by $600,000 and the extension of the agreement through August 31, 2024. Amendment No. 3 extended the agreement through August 31, 2025. Staff recommends the approval of this one-year extension option

August 31, 2026.

Financial Implications:

Funding for this agreement is available in the Communications and Public Affairs Department cost center under account string 101 1070 5219.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
DIGITAL MARKETING SERVICES FOR RECRUITMENT CAMPAIGNS
CITY OF CHANDLER AGREEMENT NO. CAPA2-918-4421

THIS AMENDMENT NO. 4 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Davidson Belluso (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, the Parties entered into an agreement for digital marketing services (Agreement); and

WHEREAS, the term of the Agreement was March 1, 2022, through February 28, 2023, with the option of up to four one-year extensions; and

WHEREAS, the Parties exercised a portion of the second option through Amendment No. 2 to extend the Agreement through August 31, 2024.

WHEREAS, the Parties exercised a portion of the second option through Amendment No. 3 to extend the Agreement through August 31, 2025.

WHEREAS, the Parties wish to exercise the option to extend through this Amendment for one year. term.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III is amended to read as follows: The Agreement is extended for the period of September 1, 2025, through August 31, 2026.

Docusign Envelope ID: 302A5C8B-5A59-4649-82F5-55B015B9A6D9

3. Section IV is amended to read as follows: Total payments made to the Contractor during the term of this Amendment No. 4 will not exceed $125,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 4 and the Agreement, the terms and conditions in this Amendment No. 4 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Council Memorandum Community Services Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
John Sefton, Community Services Director
From: Corey Povar, Assistant Director
Subject: Agreement No. PW2-988-4516, Amendment No. 3, with BrightView Landscape Services, Inc., for Landscape Maintenance Areas 1 through 4

Proposed Motion:

Move City Council approve Agreement No. PW2-988-4516, Amendment No.3, with BrightView Landscape Services, Inc., for landscape maintenance areas 1 through 4, in an amount not to exceed $3,432,732.32, for the period of August 22, 2025, through June 30, 2026.

Background/Discussion:

The City of Chandler Community Services department has created a new division, ROW Landscape, who now has responsibility for right-of-way and median landscape maintenance from the Streets division in the Public Works & Utilities department. The ROW Landscape division are subject matter experts in the areas of horticulture and landscaping, and are responsible for landscape maintenance of 423 acres within the City. Work under this agreement includes trash pickup, weed control, irrigation repair, fertilization, tree trimming, mowing, and pruning/trimming for arterial street rights-of-way, medians, city-owned lots, and stormwater retention basins. This agreement also includes landscape maintenance for the Loop 101 Price Freeway frontage roads, Chandler Mall Transit Center, Chandler Airport terminal area, bus rapid transit stations, and a large portion of the McQueen Municipal Operations Yard. The City is divided into quadrants with areas described above grouped as landscape zones 1 through 4.

To ensure the continuity of plant and tree warranties at the time of planting with the ongoing landscape maintenance services, the prior practices of landscape

revegetation will now be included in the Landscape Services Areas 1-4 contract as “Landscape Enhancements”. Work under the Landscape Enhancement portion of the contract includes non-routine enhancements such as; replacement of plant materials, irrigation system component upgrades, decomposed granite or mulch, header curbs or pavers, and the removal and replacement of damaged, hazardous, or diseased trees within the landscape areas maintained by the city. The Landscape Enhancement portion of the agreement is considered "on-call” or “as needed" and there are no guarantees as to the minimum quantity of work that will be required by the city.

Evaluation:

On August 18, 2022, City Council approved an agreement with BrightView Landscape Services, Inc., for landscape maintenance areas 1 through 4, for a one-year period, with the option of up to four (4) additional one-year extensions. The contractor has agreed to extend for an additional term with the same terms, conditions, and pricing. Staff recommends extension of this agreement for the term of August 22, 2025, through June 30, 2026. This is the third extension of the original agreement.

CHANDLER arizona

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
LANDSCAPE SERVICES AREAS 1-4
CITY OF CHANDLER AGREEMENT NO. PW2-988-4516

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and BrightView Landscape Services, Inc., (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____, 2025 (Effective Date).

RECITALS

WHEREAS, the Parties entered into an agreement for landscape services (Agreement); and

WHEREAS, the term of the Agreement was August 22, 2022, through August 21, 2023, with the option of up to four one-year extensions; and

WHEREAS, the Parties wish to exercise the third option through this Amendment to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III is amended to read as follows: The Agreement is extended for a one-year period August 22, 2025, through June 30, 2026.

3. Section IV, Price is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B of the original Agreement, attached to and made a part of this Amendment No. 3. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $3,432,732.32.

4. Exhibit A to the Agreement is amended to include scope of work changes and additions in Revised Exhibit A, attached to and made a part of this Amendment No. 3.

5. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

REVISED EXHIBIT A
SCOPE OF WORK

The City of Chandler Parks Division within the Community Services department will be taking responsibility for right-of-way and median landscape maintenance from Streets division in the Public Work & Utilities department. Contractor's staff will now need to work with Park's staff on the services provided to the City.

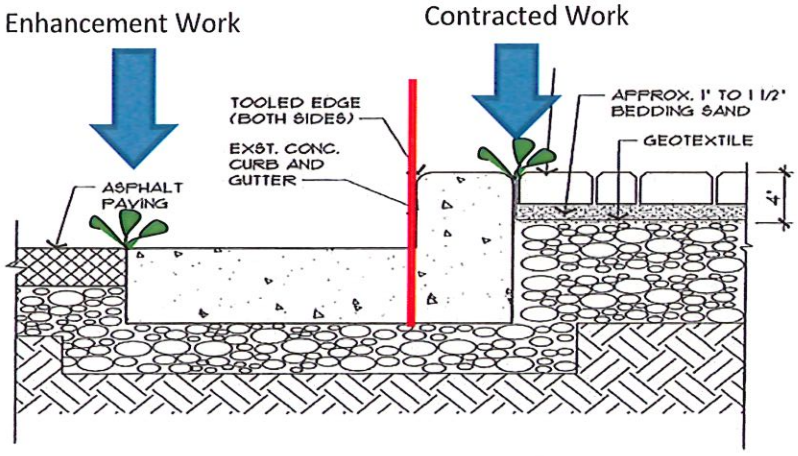

ADDITION TO EXHIBIT A
LANDSCAPE MAINTENANCE SERVICES AREAS 1-4

ADOT Intersection Weed Abatement

At times it may be necessary to support the landscape services of ADOT by providing additional post-emergent weed control applications. The city will seek permission from ADOT representatives to conduct this work and provide written authorization to the Contractor prior to application. The Contractor shall keep detailed records of applications and submit those spray reports immediately after the day of application to the Contract Administrator to provide to ADOT.

Curb and Gutter Weed Abatement:

Weed control in all contracted areas shall be considered routine work. Weed Abatement, as described in this enhancement work addition, will include controlling weeds within the public street or roadway between the face of curb and asphalt paving as depicted below, or in expansion joints of the gutter concrete. Contractor shall use chemical herbicide applications and mechanical methods to reduce weeds to a minimum of less than one inch. The Compliance Specialist will provide a list of street or roadway gutters for the Contractor to perform this weed abatement and authorization will be through an approved purchase order number.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

Storm Damage Clean Up

When monsoons hit the city the cleanup efforts are priority for the safety of the citizens. The Landscape Maintenance contract extra work table will take precedence during these cleanup efforts. Emergency Call Outs for monsoon clean up is intended to be the efforts made by extra crews to quickly clean up trees or parts of trees in the follow priority:

1. In roadways blocking traffic
2. Where property damage has occurred
3. Blocking of sidewalks
4. On or in private property
5. In the landscaped area of the median or ROW

Broken branches that are picked up or trimmed on regular routine routes do not constitute an Emergency Call Out. The Compliance Specialist must request a damaged tree to be cleaned up via phone call, text or email to constitute an Emergency Call Out. To clarify this, we have created a Storm Damage Debris Removal, Extra Landscape Crew to indicate we are requesting an additional standard landscape crew to cut up downed trees. Now if the storm damage involves private property or technical climbing to mitigate the risks, we understand this requires a higher-level skill set. Thus, extra work item of Storm Damage Tree Removal, Arbor Technical Crew, will be a rate for the specialty arbor crew to attend to the downed or storm damaged tree. Re-staking of trees after a wind storm does not constitute storm damage clean up

At times storms may occur during the course of an Enhancement project scope affecting the new plant material, causing erosion or washouts, and flooding debris into open irrigation pipes. These Enhancement work table rates are to address any justified cleanup efforts to get the project back on track. The Contractor must provide a proposal of the labor required to remedy storms that affected the new plant material, caused erosion or washouts, or flooded debris into open irrigation pipes. The Compliance Specialist will have the final approval of any justified cleanup efforts to get the project back on track and to have a quality outcome for our citizens.

ADDITION TO EXHIBIT A
LANDSCAPE ENHANCEMENTS
SCOPE OF WORK

INTENT: To ensure the continuity of plant and tree warranties at the time of planting with the on-going landscape maintenance services, the prior practices of landscape revegetation will now be included in the Landscape Services Areas 1-4 contract as "Landscape Enhancements".

DESCRIPTION: Contractor shall furnish all labor, material, and equipment necessary to vegetate, design, repair and redress areas within the city as specified. This portion of the agreement is an on-call / as needed service of the contract. Contractor shall install plant material within City landscaped areas only. Work shall be performed in accordance with all applicable laws, codes, and regulations required by

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

authorities having jurisdiction over such work and provide for all Inspections and permits required by federal, state, and local authorities in furnishing, transporting and Installing landscapes as shown or for completing the work Identified herein.

Contractor is aware that the Landscape Enhancement portion of the agreement is "as needed" and that there are no guarantees as to the minimum quantity of work that will be required by the city.

At a minimum the Contractor shall be able to furnish or remove and dispose, transport, and plant any material typically associated with street median landscape including backfill excavation and watering per City specifications. In addition, the Contractor shall coordinate work space as required including approval of traffic control, coordinating of utility marking service as necessary, site clean~up, safety, and any other Incidental work.

Any work to be completed on private property where staff may have to enter private property needs a signed City of Property owner Acknowledgement, Waiver and Release from Liability Form, most current revision, signed by the property owner unless directed by City staff. A copy of the signed document must be provided to City staff.

It should be noted that at all times the City must be able to coordinate work with the Contractor as priorities change from time to time. Moreover, it is crucial that the Contractor be able to perform in a quick and responsive manner known as Emergency Call Outs, which are typically after large storm events and occasionally accidents using the rates identified in the pricing table.

The provisions of the Landscape Services Areas 1-4 shall prevail for any specifications not addressed within the Landscape Enhancement section.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

LANDSCAPE ENHANCEMENTS TECHNICAL SPECIFICATIONS
Part 1 – Operations and Administration

LANDSCAPE AND IRRIGATION DESIGN SERVICES

Contractor to provide access to a Landscape Designer, who which does not need to be a registered landscape architect, for general landscape plantings and irrigation designs. The Contractor and their Designer shall conduct a site evaluation (i.e. study planting site characteristics such as the amount of sun or shade, soil type, pH, soil compaction, existing plants/shrubs/trees and water drainage) and provide recommendations for landscaping enhancements/improvements. The Contractor should use their expertise and vision to make the areas more aesthetically pleasing.

Low Impact Design and Green Infrastructure practices; such as preserving existing native trees and vegetation, rainwater harvesting, xeriscaping, and the use of drought adapted plant material to minimize the use of irrigation. Refer to the Green Infrastructure Handbook by ASU for more details.

The Contractor is required to utilize the existing irrigation system components when applicable. Repairs necessary for project success are the responsibility of the Contractor and the installation of new control valves and/or water lines shall only be installed with Compliance Specialist approval.

The Landscape Designer shall use the most current version of the City's landscape and irrigation details and specification found within the Uniform Design Manual and the Approved Products List on the City's website under section 8. (https://www.chandleraz.gov/government/departments/development-services/unified-development-manual)

It is preferred that the Landscape and Irrigation designers be able to provide AutoCAD files of their designs to the City for incorporation into the City's GIS system of record keeping.

UTILITY CLEARANCES AND PERMITS

Contractor shall adhere to all current and applicable CITY, STATE, and FEDERAL codes and laws.

Maricopa County Dust Control Permits must be obtained by the Contractor prior to the commencement of work. Dust control permits require daily dust logs, and when applicable a list of all Rule 310 certified employees and a list of subcontractors working under your permit. The Contractor and all subcontractors shall register with the Maricopa County Air Quality Department and provide their registration ID number to the Compliance Specialist. Contractor shall follow all standard outlined in the Maricopa County Air Quality Department, Rule 310 Dust Abatement Handbook.

A Stormwater Pollution Prevention Plan (SWPPP) may be required depending upon the scope of work. It will be the responsibility of the Contractor to create the plan and submit to the City's Engineering Counter prior to obtaining the Notice to Proceed.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

All Horticultural activities shall follow the applicable ANSI A-300 standards, Arizona Landscape Contractors Association (ALCA) Sustainable Landscape Management (SLM) practices, Arizona Nursery Association Guides and the International Society of Arboriculture (ISA) guidelines.

Contractor must obtain Traffic Control Plan permits and shall adhere to the most current edition of the City's Uniform Design Manual for Traffic Barricade Design. Contractor shall adhere to the Federal Highway Administrations, Manual of Uniform Traffic Code Devices, (MUTCD), most current edition and the City of Phoenix Barricade Manual.

CONTRACTOR'S EQUIPMENT

Contractor shall provide and maintain during the entire period of this contract, equipment sufficient in number, condition and capacity to efficiently perform the work and render the services required by this contract and in compliance with all state regulatory laws . A fleet list must be provided at the beginning of the contract detailing make, model and year of equipment to be used and their typical area or function of use.

All vehicles must be maintained in good repair, appearance and sanitary condition at all times. The Contactor's staff shall use and maintain all equipment safety features as provide by the manufacturer, i.e. chute guards, shields, covers, cutoff switches, etc. The Contractor's name shall be clearly displayed on all maintenance vehicles and motorized equipment. The City reserves the right to inspect the Contractor's vehicles at any time to ascertain said condition. Additional consideration will be given to those with energy efficient, hybrid or electric vehicles and equipment.

When the Arizona Department of Environmental Quality issues a high pollution warning, the Contractor shall be expected to eliminate the use of gasoline powered equipment, i.e. blowers, weed eaters, chain saws, etc. for that day and notify their employees of the advisory and the Compliance Specialist of the suspension of work.

Truck idling of more than 15 minutes is highly discouraged within City limits. It is recommended that employees go indoors for breaks from the hot weather to reduce emissions.

CONDITION OF LANDSCAPE AT BEGINNING OF PROJECT

Upon receiving official notification that an enhancement project has been approved by the City, the Contractor shall conduct a ride along with the Compliance Specialist to inspect the areas for pre-existing conditions that would prevent or adversely affect completion of any improvement activities. The Contractor shall prepare a list of specific deficiencies found at each project area and submit the list to the City for review before a notice to proceed will be issued. The City will evaluate each problem listed to determine if extra compensation is warranted for repair work prior to starting the contract's enhancement project. The Compliance Specialist may authorize the Contractor to make extra cost repairs or may determine that the items listed represent normal conditions that might be expected at any time during the contract period. The determination of disposition of all items listed shall be the

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

responsibility of the City and the City's decision shall be final and binding upon the Contractor. All repairs to pre-existing conditions deemed necessary and authorized by the City shall be made during the execution of the enhancement project. Contractor shall replace or repair In kind any damage to property resulting from the Contractor's actions to the satisfaction of the Contract Administrator/designee.

It Is the Contractor's responsibility to document existing site conditions for verification that any potential damage was not done by the Contractor.

SCHEDULING OF WORK

The Contractor shall provide written project schedules not later than one (1) week prior to project commencement. The Compliance Specialist shall review and approve the schedules submitted and reserves the right to make changes or adjustments or to reject the entire proposed schedule if it does not meet timing or standards set forth by the City. A project is not permitted to begin until the schedule is approved. All projects shall be scheduled on Monday through Friday of each week between the hours of 6am and 3pm. Weekend work is NOT permitted without prior Compliance Specialist approval. The Contractor must make every effort to stay on schedule and shall complete all work during the scheduled calendar week unless unforeseen circumstances beyond the control of the Contractor cause delays.

Weekly, the Contractor will be required to submit to the City a report of work items completed the previous week and an updated 3-week look ahead schedule. The report will be due by 5:00 P.M. on the Monday following the week completing the work. All scheduled items not completed during the week must be included in this report with an explanation why the work was not completed. This report shall be in written form, furnished via email, as a report attachment. Late or non-submittal of reports may result in a $250.00 fine, which shall be deducted from invoices for services rendered. All reports will be due and reviewed at least one week prior to end of project for the final invoice to be approved for payment.

WEATHER & CLIMATE

In the event of inclement weather, the Contractor shall obtain approval from the Compliance Specialist prior to not performing any work due to the weather event. The City reserves the right to suspend any or all work due to poor weather conditions or other extreme conditions. The City also reserves the right to authorize the suspended work to be performed at a later date, or the City's Compliance Specialist may deem it more appropriate to omit the suspended work and resume the normal schedule. The Contractor shall not perform any suspended work without written authorization from the Compliance Specialist.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

SITE INSPECTION

The Contractor shall establish milestones within the schedule for City staff to inspect the progress of the project. Contact the assigned City representative at least 48 hours prior for an inspection. Work cannot continue until inspections occur.

Typically these milestones are:

- the completion of clear and grub
- installation of irrigation system piping prior to burying
- function and pressure testing of irrigation system for 48 hours prior to planting
- scheduling of nursery tree and plant selection by City staff
- granite or mulch ground cover samples
- subgrades and final grades

SUBMITTAL SAMPLES AND TESTING

Contractor shall provide submittal and may be sampled for testing at the point of delivery. The submittal will be accepted or rejected upon the results of tests performed or at the Compliance Specialists discretion for the ultimate success of the project.

If desired by the City, items/services bid shall be subjected to testing, dissection or analysis by a recognized testing laboratory or consultant selected by the City to determine that the material(s) submitted for bid conform to the bid specifications. The cost of testing, dissection or analysis shall be borne by the Contractor.

SAFE SERVICE AREAS

All service areas shall be maintained to prevent the existence of safety hazards. If safety hazards cannot be corrected before Contractors' employees leave a service area (ie. end of work day), the Contractor shall ensure the proper protective barriers are in place. Protective barriers may include cones, A-frame barricades, warning signage and/or temporary fencing depending up on the severity of the safety hazard as determined by the Compliance Specialist. Costs associated with protective barriers are the responsibility of the Contractor.

SITE CLEANLINESS

The Contractor shall keep the premises clean of all rubbish and debris generated by the work involved and shall leave the premises neat and clean. All surplus material, rubbish, and debris shall be disposed of by the Contractor at their expense. The work areas shall be cleaned at the end of each workday. Sweep, scrub or hose affected areas as directed by the owner's representative to maintain a clean and neat work area.

All materials, tools, equipment, etc., shall be removed or safely stored. The City is not responsible for theft or damage to the Contractor's property. All possible safety hazards to workers or the public shall be corrected immediately and left in a safe condition at the end of each workday. If there is a question in this area, the City's Compliance Specialist will be consulted.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

Protect landscape work and materials from damage due to bulk material installation -operations, by other Contractors and trades, trespassers, and animals. Maintain protection during installation and maintenance periods. Treat, repair or replace damaged work as directed by the Compliance Specialist. All scars, ruts or other marks in the ground caused by this work shall be repaired and the ground left in a neat and orderly condition throughout the site.

DISPOSAL OF TRASH AND WASTE

All trash and any other waste generated from executing this agreement shall be transported and disposed of in compliance with federal, state, county and City laws and regulations. The Contractor is solely responsible for any disposal fees (dumping charges), incurred as a result of routine work. Fees for disposal of waste accumulated from extra work or emergency response work shall be included in Extra Work, Payment Rates or Emergency Response Work on the invoices. The disposal must be at an authorized landfill, recycling center or green waste facility.

COMPENSATION

The unit price of proposal shall include all labor, materials (unless supplied by the City), equipment, overhead, profit, and any other incidental costs to perform the enhancement project. The City will not sign Contractor proposals, the issuance of a Purchase Order is the written authorization to proceed. The amounts invoiced shall be those agreed upon in the proposal or by change order to the proposal.

Payment will be made on a completed project basis within 30 days after receipt of a numbered and itemized invoice from the Contractor and acceptance of the work by the City, less any deductions or assessments as described. An itemized invoice shall identify the specific project name.

All invoices are to be submitted to the City's Accounts Payable Department via email, fax, or mail and the Compliance Specialist copied. All invoices for projects completed between July to June of the fiscal year must be submitted to accounts payable by June 30th. The Contractor will be given two written notifications to submit all fiscal year invoices during this time frame. Any invoices not submitted within these time frames and with the City's proper notification, may not be paid.

Contractors shall make every effort to resolve disagreements in performance standards and deductions in payment with the Compliance Specialist. If a resolution cannot be met the Contractor can request the City's Procurement department to be involved as a mediator for resolution. The City reserves the right to have the Contractor's accounting department in attendance.

CONDITION OF LANDSCAPE AT END OF PROJECT

One (1) week prior to project completion, the Compliance Specialist and the Contractor will make a final ride along inspection to determine the condition of all landscape project area(s). Items determined to be improperly installed or executed by the Contractor will be listed and evaluated by the Compliance Specialist. The Contractor will arrange for repairs to be made and the costs for making repairs to the areas shall be the responsibility of the Contractor. After completion of punch list items, the Contractor

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

and Compliance Specialist shall re-inspect the project and upon satisfactory completion of punch list items, issue a written statement of acceptance of installation and establish the beginning of the project warranty period. The last payment shall be that which is due for all work completed fulfilling the scope of said enhancement project.

WARRANTY

Unless otherwise specified, all irrigation system items shall be guaranteed against defect in material and workmanship for a minimum period of two (2) years from date of acceptance by the City. Tree planting shall be guaranteed for one (1) year from time of planting and shrub planting for 90 days. The project warranty period begins upon written acceptance of project installation by the Compliance Specialist and Contractor. At any time during that period, if a defect should occur in any item, that item shall be replaced or repaired by the Contractor at no obligation to the City except where it be shown that the defect was caused by misuse, vandalism, or by faulty design.

Contractor expressly warrants that all goods or services furnished under this contract shall conform to the specification, appropriate standards, and will be new and free from defects in material or workmanship. Contractor warrants that all such goods or services will conform to any statements made on the containers, labels or advertisements for such goods, or services, and that any goods will be adequately contained, packaged, marked and labeled.

Contractor warrants that all goods or services furnished will be merchantable, and will be safe and appropriate for the purpose which goods or services of that kind are normally used. If Contractor knows or has reason to know the particular purpose for which City intends to use the goods or services, Contractor warrants that goods or services furnished will conform in all respect to samples. Inspection, test, acceptance of use of the goods or services furnished shall not affect the Contractors obligation under this warrant and such warranties shall survive inspection, test, acceptance and use. Contractors warranty shall run to City, its successors, and assigns.

It is agreed that the Contractor shall be fully responsible for making any correction, replacement, or modification necessary for specification or legal compliance. In the event of any call back, Contractor agrees to give the City first priority. Contractor agrees that if the product or service offered does not comply with the foregoing, the City has the right to cancel the purchase at any time with full refund within 30 calendar days after notice of non-compliance and Contractor further agrees to by full responsible for any consequential damages suffered by the City.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

LANDSCAPE ENHANCEMENTS TECHNICAL SPECIFICATIONS
Part 2 –Installation and Horticultural

All projects are to be installed based on the scope designation as provided by the Compliance Specialist. All Horticultural activities shall follow the applicable ANSI A-300 and Z133 standards, Arizona Landscape Contractors Association (ALCA), Sustainable Landscape Management (SLM) practices, and the International Society of Arboriculture (ISA) guidelines. The Enhancement project shall use the most current version of the City's landscape and irrigation details and specification found within the Uniform Design Manual and the Approved Products List on the City's website under section 8. (https://www.chandleraz.gov/government/departments/development-services/unified-development-manual)

TREE, SHRUB, GROUNDCOVER AND CACTI PLANTING

The Contractor shall install new plants and trees, if so ordered by the city, at the price agreed upon in the attached pricing table. The Compliance Specialist has the right to select a species best suited to the planting location(s). When purchasing new trees and/or plants, the Contractor shall notify the Compliance Specialist and accommodate the Compliance Specialist's schedule to allow hand selection of nursery stock. Typically, trees are hand selected and other plants can be approved by nursery pictures.

If the Compliance Specialist waives their right to hand select nursery stock, the Contractor shall select trees of the specified species that are free of girdling roots, co-dominant trunks, unusual bends in the trunk and the trunk flare must be visible. Selected plant stock shall not be recently re-potted, nor have roots growing through drainage holes and of the correct size and species specified in the approved proposal. Plant stock shall be well-shaped, fully branched, healthy, vigorous, and densely foliated when in leaf. All trees and shrubs are expected to be free of disease, pests, eggs, larvae, and defects such as knots, sun scald, injuries, abrasions, and disfigurement. Substitutions in species are not allowed without prior Compliance Specialist authorization.

All plantings of trees and/or plants shall follow the techniques and standards found in the Chandler Uniform Design Manual, Section 8. Deviations from these standards require written authorization from the Compliance Specialist. In addition, the techniques below shall be followed:

- The planting hole should be two to three times the width of the root ball at the soil surface, sloping down to about the width of the root ball at the base.
- The planting hole should never be deeper than the distance from the trunk flare to the bottom of the root ball. If necessary, soil should be removed from the root ball to expose the trunk flare and at least 2 primary roots.
- Do not add soft fill to the bottom of the hole as the root ball will settle, resulting in excessive planting depth. Do not add gravel to the planting hole to aid in drainage. Contractor shall test drainage of tree and shrub pits by filling with water twice In succession. Conditions permitting the retention of water in planting pits for more than twenty-four (24) hours shall be brought to the attention of the

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

Contract Administrator/designee, Contractor shall submit a written proposal for the correction to the Contract Administrator/designee for approval prior to proceeding with the work.

- Do not handle container plants/trees by the tops, stems or trunks at any time. Lift all plants so that the root ball is supported from the underside.
- At no time shall trees or plant materials be pruned, trimmed or topped prior to delivery and any alterations of their shape shall be conducted only with the approval and in the presence of the Compliance Specialist.
- Burlap, wire baskets, plastic containers, wooden boxes and any other type of root ball holding container shall be completely removed at planting. After removing plant from container, Contractor shall scarify side of root-ball to eliminate root-bound condition.
- Backfilling should use the existing soil, working it around the ball while adding water to prevent large pockets of air. Slightly tamp soil and water thoroughly and slowly after backfilling.
- Fertilizer tablets shall be used on all "non-native" and/or "desert-adapted" plant material. Native plant material may be omitted from this requirement. The tablets shall be composed of20% nitrogen, 10% phosphorous, and 5% potassium
- All trees that are unable to support themselves in an upright position, whether new plants or plants damaged in storms, will need to be staked within three (3) working days. The Contractor shall be responsible for staking trees, maintaining tree ties, removal or loosening of tree ties and removal of stakes on an as needed basis. All holes from any removal of tree stakes shall be back-filled and packed to maintain the grade level. At no time shall broken portions of tree stakes be left above ground level. Trees that are staked shall have 2 (two), 8 (eight) foot lodge pole stakes with 2 (two) sets of tree ties to maintain a healthy growth pattern. Multi-trunked trees should have three (3) stakes on the largest caliper stems. Tree ties are to be broad, smooth and somewhat elastic; wire with cut garden hose sections is an unacceptable tie material.
- The nursery tree stake shall be removed prior to the installation of supporting stakes.
- Trees with a caliper greater than that of their stakes shall be evaluated monthly during the maintenance period. Stakes and ties shall be removed from any tree able to stand upright on its own and notification to the Compliance Specialist shall be given prior to removing stakes. Any tree fatally girdled by improper ties shall be replaced at the Contractor's expense with a like-size tree and species to be approved by the City. All stakes and ties shall be reviewed prior to maintenance turnover following applicable installation warranties.
- All palms shall be placed straight and perpendicular to an assumed level ground surface. Do not place palms perpendicular to sloped ground. Contractor shall set palms firm enough so as not to reduce the need for stakes or bracing. Contractor shall assume all responsibility to maintain palms In an upright position. If Contractor believes bracing is necessary, It shall be his responsibility to notify the Contract Administrator/designee prior to the commencement of palm installation

IRRIGATION INSTALLATION AND MAINTENANCE

A functioning irrigation system will be defined as one where all the emitters are providing uniformed precipitation rates over a given period of time, resulting in a uniform plant growth, the control timer is keeping time and all stations are operating. With these points in mind, the Contractor is responsible to see that all newly planted material owned by the City receives the proper amount of water to properly establish and maintain health and vigor.

All the irrigation systems shall be operated at an appropriate seasonal frequency, using the least amount of water necessary for proper establishment and to maintain the growth, health and vigor of all landscape plant material. Water schedules shall promote prompt establishment and development of the plant's root system. If special watering is needed for any area, it is the responsibility of the Contractor to bring it to the Compliance Specialist's attention, in writing.

Plant material, that is damaged due to lack of water or over watering shall be replaced or returned to health at the Contractor's expense. Replacement and plant recovery procedures shall be submitted by the Contractor for the City's approval.

Any Contractor concerns for irrigation system design or management practices, shall be submitted to the City, in writing, or otherwise be the responsibility of the Contractor. When irrigation systems are out-of-service involving laterals, emitters or heads, the Contractor is required to water by hand, or by other means in accordance with plant needs, and this watering shall be considered routine work. The Contractor will also furnish the water in these instances.

When watering, the Contractor shall not water to a point of run-off. If run-off is occurring, adjustment of the watering schedule, or use of wetting agents, may be necessary. It is a violation of Chandler Code to cause any water to flow into a public street.

Upon written notification from the Contractor of system failure involving electric supply and/or water supply from the City's main lines, backflows or valves the City will assume the cost for necessary hand watering done in accordance with the special watering provision on the Pricing table.

The Contractor will provide desired program parameters for computerized controllers to activate the irrigation system in writing. It is the Contractor's sole responsibility to notify the Compliance Specialist if the approved watering schedule fails to meet the appropriate watering requirements for the project. The watering schedule should assure the proper maintenance of plant material; no stressed, dead, or dying plant material.

For efficient use of water, the guideline below should be followed, unless the Contractor can justify, to the Compliance Specialist's satisfaction, the deviation from the guidelines:

- Drip irrigation should start no earlier than 5:00 a.m. and be off no later than 4:00 p.m., where applicable
- Turf irrigation should start no earlier than 10:30 p.m. and be off no later than 5:00 a.m., where applicable
- Adjustments that are made by the Contractor in order to maintain growth at a desired rate must be approved by the Compliance Specialist in writing.

BULK MATERIAL GROUND COVER

The Contractor shall provide a Water Truck or Water Mechanism if necessary to comply with Environmental Issues (Dust Control) set by the Arizona Department of Air Quality (ADEQ) guidelines. The Contractor will utilize a granite shooter style truck or other means to load and spread landscape rock and other various materials. The Contractor shall confirm that a sufficient quantity is available so that the entire area will be of the same composition and appearance. Contractor shall be responsible for providing and use the stone slinger truck for loading and spreading landscape rock or various materials as needed.

The Contractor will provide clean-up after each work assignment and clean-up any spillage or debris left from the work/project back to the original state. Sweep as necessary.

All bulk material installation activities shall follow the applicable Maricopa County Dust Abatement Handbook. The Contractor shall suppress emission of dust to comply with the twenty percent (20%) visible emission opacity limit in Rule 310 of Maricopa County's Air Pollution Control Regulations.

The Contractor is responsible for providing transportation, placement and leveling of all bulk materials per the contract scope for each enhancement project. The Contractor shall install landscape boulders, decomposed granite, riprap, and/or mulch if so ordered by the city, at the price agreed upon in the attached pricing table. The Compliance Specialist has the right to select the color, size, and texture best suited to the project location(s). When purchasing new rock, or mulch the Contractor shall notify the Compliance Specialist and provide a current supplier sample for inspection and approval. Selected materials shall be of the correct size and color specified in the approved proposal.

Decomposed granite, boulders, and/or riprap shall be native, local, desert stone at the size and color, meeting industry standard gradation. The decomposed granite and/or rip rap shall be from a single source, free from coating, clay, caliche or organic matter.

Woody Mulch should be used as an alternative to granite under trees and shrubs and on bare soil at the request of the City with a minimum 3-inch layer. To the greatest extent possible, Contractor shall not procure mulch products that originate from forest products. When possible, Contractor shall give preference to mulch products produced locally, or from regionally generated plant debris including that made at the City of Chandler.

All granite/mulch installation projects shall comply with the following guidelines below:

- Placement of materials without damaging surrounding areas.
- Complete finished soil grades, adjacent to paving, curbs and headers will consider the depth of applied toppings materials such as granite to a 2-inch depth and mulch to a 3-inch depth.
- Protect existing vegetation from damage during rock shooting installations The Contractor is responsible to replace any damaged vegetation in kind as directed by the City.
- Any decomposed granite that lands within plant material shall be removed. Granite to be distributed 4-6 inches away from the base of plants and/or trees.

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

- Decomposed granite shall be evenly distributed on the designated areas to a depth as indicated on the plans and details. If a depth is not indicated, the minimum granite depth shall be 2-inches and mulch 3-inches
- After rough spreading and rough grading of the granite/mulch within the designated areas, the granite shall be raked evenly and thoroughly blend the different gradation sizes. Mulch shall be tamped flat to remove air pockets for a uniform surface.
- Remove all non-planted vegetation from all areas designated to receive granite (by chemical or mechanical means) and maintain the designated areas "vegetation-free" prior to placement of the granite.
- Contractor shall provide a written record detailing a minimum of (1) application of pre-emergent herbicide per manufacturer's recommendations before granite installation and a second application after completion.
- Contractor shall maintain a minimum of ½" finished surface grade below any applicable concrete headers and/or landscape edging.
- Contractor is responsible for all cleanup and debris removal generated as a result of the project.

TURFGRASS REMOVAL TIERS

Increase water run times and perform an approved fertilization to promote active growth of the turfgrass in collaboration with the Compliance Specialist. The Compliance Specialist will provide guidance to the thickness of sod cut removal tier to use in turfgrass removal.

Spraying out of Turfgrass

- Contractor to request the Irrigation cutoff timing, in conjunction with schedule of herbicide treatments.
- Timing of herbicide sprays shall be part of the summer active growing season. Submit products to Parks Department will approve types of herbicides
- Nutsedge treatment using approved herbicides

Thickness of sod cut removal

1. Scrape the top 1 inch off
2. 3 inches along hardscape edges
3. Sod cut 2 inches throughout

Follow up spraying and removal warranty for one year.

TREE PRESERVATION – Tree preservation is the process of protecting trees and vegetation from damage related to construction activity or turfgrass removal. Tree preservation fence installation is required to provide protection to the root zone, trunk, and canopy of City trees. Fencing will typically be four feet (4') high, orange, UV resistant, high density barricade fabric. Fence shall be secured to each stake with three (3) appropriate ties near the top, middle, and bottom of each stake. When feasible, fencing should be maintained to ten feet (10') beyond the tree crown dripline or to protect the critical root zone. Other preservation activities may be utilized to prevent soil compaction such as thick layers of composted

Docusign Envelope ID: 9A84B7AF-C889-4F90-9B3E-52FF3B025F0F

mulch. Consult with the City's Urban Forestry division for guidance on turfgrass removal around existing trees.

SUB GRADES

Typically, sub-grades have been previously graded. Contractor shall be required to make repairs, which are pitted, eroded or scoured due to surface drainage, or other damage where necessary. All ground surfaces shall be graded reasonably smooth prior to completion of the landscape Installation.

FINISH GRADES

Unless otherwise noted, landscape finish grades shall be 1" below adjacent pavements, curbs and walks, etc. All landscape areas within this agreement shall be uniformly graded so that finished surfaces conform to typical City of Chandler standards. Finished surfaces shall be reasonably smooth, and free from irregularities or debris deemed not acceptable by City. If required, swales shall be finished to permit proper surface drainage or rainwater harvesting.

RESTRUCTURE OF EXHIBIT "B"
PRICING

As part of the City of Chandler reorganization mentioned above, the pricing tables have been restructured by responsible City departments as the primary category and Area locations as the secondary category. While the primary contacts will be the ROW Landscape division, the City has provided the current City representative and contact information for coordination of services with the respective departments.

City Council Memorandum Facilities and Fleet Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
From: Mike Hollingsworth, Facility & Fleet Services Senior Manager
Subject: Agreement No. BF5-910-4930, with The Pigeon Guy, for Bird Abatement Services

Proposed Motion:

Move City Council approve Agreement No. BF5-910-4930, with The Pigeon Guy, for bird abatement services, in an amount not to exceed $350,000, for the period of one year, beginning July 17, 2025, through July 16, 2026, with the option of up to four one-year extensions.

Background/Discussion:

The city is currently experiencing significant pigeon activity across multiple facilities, including the Main Library covered parking, Main Police Department parking garage, City Hall, City Hall parking garage, City Hall cooling towers, Courts covered parking, Center for the Arts, and the Oregon Street parking structure. This increased bird presence is contributing to property damage and creating potential health and safety concerns due to droppings and nesting materials.

This request seeks to secure a contract for comprehensive bird abatement services. The scope of work will include thorough cleaning and sanitization of affected areas, as well as the implementation of targeted abatement measures in locations where pigeons are nesting or perching, particularly in parking structures.

Industry best practices will be employed to effectively reduce the presence of birds, mitigate damage, and address health risks. The service will also incorporate regular monitoring and assessment, including visual inspections, acoustic

monitoring, and damage evaluations. Pre- and post-abatement data will be collected and analyzed to ensure the effectiveness of the intervention and to guide ongoing efforts.

Evaluation:

On May 2, 2025, City staff issued Request for Proposal No. BF5-910-4930, for bird abatement services. Notification was sent to all registered vendors. Seven (7) proposals were received from the following offerors:

Arizona's Best, Inc. dba Arizona's Best Choice Pest & Termite
Xpert Bird Solutions LLC
Urban Bird Services
The Pigeon Guy
EcoGuard Pest Control LLC
Burns Pest Elimination
Aviaway Bird Control Services

The Evaluation Committee evaluated the proposals and recommends award to The Pigeon Guy, who submitted the most advantageous offer to the City in accordance with the evaluation criteria. The term of this agreement is July 17, 2025, through July 16, 2026, with the option of up to four one-year extensions.

CHANDLER arizona

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

CITY OF CHANDLER SERVICES AGREEMENT
BIRD ABATEMENT SERVICES
CITY OF CHANDLER AGREEMENT NO. BF5-910-4930

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and The Pigeon Guy, Sole Proprietor (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

A. City proposes to provide bird abatement services as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Contractor must perform the services described in Exhibit A to the City's satisfaction within the terms and conditions of this Agreement and within the care and skill that a person who provides similar services in Chandler, Arizona exercises under similar conditions. All work or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the work or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the work or service.

SECTION III: PERIOD OF SERVICE

Contractor must perform the services described in Exhibit A for the term of this Agreement.

The term of the Agreement is one (1) year, and begins on July 17, 2025, and ends on July 16, 2026, unless sooner terminated in accordance with the provisions of this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to four (4) additional terms of one (1) year each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION IV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance of the services approved and accepted by the City under this Agreement must not exceed $350,000. Contractor must submit requests for payment for services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those services negotiated as a lump sum will be made in accordance with the percentage of the work completed during the preceding billing period. Services negotiated as a not-to-exceed fee will be paid in accordance with the work completed on the service during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and will require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the Agreement.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Prior to commencement of subsequent renewal terms, the City may approve a fully documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of services, cost of performance, or Project schedule, the work will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such an amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any service provided for in this Agreement or abandon any portion of the Project for which services have been performed by the Contractor. In the event the City abandons or suspends the services, or any part of the services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the work Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's work to appraise the work completed. The Contractor will receive compensation in full for services performed to the date of such termination. The fee shall be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Saranna Davidson	Name: Fred Payne
Title: Procurement Officer	Title: Founder & CEO

Phone: (480) 782-2406	Phone: 480 206-6515
Email: saranna.davidson@chandleraz.gov	Email: Fred@thepigeonguy.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Services. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor’s compliance.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third-party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.36 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.37 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.38 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.39 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Services
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.40 Special Conditions. As part of the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

in Exhibit D, which is attached to and made a part of this Agreement.

5.41 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, the Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. The Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.42 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.43 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.44 Warranties. Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.45 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.46 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.47 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

provisions of this Agreement. The Parties recognize that the continuation of this Agreement after the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

EXHIBIT A TO AGREEMENT
SCOPE OF WORK

1. BACKGROUND

1.1. The City of Chandler (City) is seeking proposals from Contractors with demonstrated professional competence and experience to provide bird abatement services for various City locations.

1.2. The City is experiencing a large amount of pigeon activity at various city locations, causing property damage and creating potential public health concerns at these locations.

2. GENERAL REQUIREMENTS

2.1. The Contractor shall provide effective bird abatement services that will reduce pigeon presence, droppings and damages by 80% at selected city buildings by means of your company's best practices.

3. SPECIFIC REQUIREMENTS

3.1. The Contractor must provide warranty on all work and services performed under this agreement and guarantee bird abatement reduction.

4. CONTRACTOR RESPONSIBILITIES

4.1. The Contractor shall provide measured and documented reporting to support bird abatement results. Reporting can include using surveys, monitoring, pre- and post-abatement data comparison, using methods like visual checks, acoustic monitoring, and damage assessments.

4.2. The Contractor shall furnish all supervision, labor, materials and equipment necessary to provide bird abatement services.

4.3. The Contractor shall be responsible for obtaining and maintaining all required permits and certifications for the bird abatement services and shall comply with all applicable laws and state regulations.

5. SERVICE LOCATIONS

5.1. The contractor shall provide bird abatement services as described above to the following locations:

Service Locations		
Item #	**Location Name**	**Location Address**
1	Library Covered Parking	22 S Delaware St
2	Main PD Garage	250 E Chicago St
3	City Hall	175 S Arizona Ave
4	City Hall Cooling Tower	240 S Washington
5	Courts Parking	200 E Chicago St
6	Center for the Arts	250 N Arizona Ave
7	Oregon Parking Garage	160 S Oregon St

ADDITIONAL SERVICES

The Contractor may provide other related services upon request from the City.

EXHIBIT B TO AGREEMENT
PRICE PROPOSAL PAGE

Offerors must submit all-inclusive pricing to complete the Scope of Work.

The following table details the basics asked to be bid, for any additional recommendations for the scope of work, please reference the optional bids total $71,500 i.e., Library (junction boxes, power wash) Courts (junction boxes) PD (electrical cabinet,) parking garage (stair wells, lower trough net, window nets spikes) City Hall (60 more vertical troughs with 80ft boom, pillar nixalite, electric shock) and Cooling tower (hose).

Item #	Location Name	Location Address	Service Description	Price Per Service
1.	Library Covered Parking	22 S Delaware St	Install drop ceilings of commercial-grade net beneath all 10 library solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary.	$52,000
2.	Main PD Garage	250 E Chicago St	Completely exclude pigeon access to the concrete ledges, lights, conduit and sprinkler perches of the Chandler PD ground floor parking garage using a commercial-grade, 2" black net drop ceiling. Hanging lights will have zipper accesses provided through the nets. We will need cooperation to have full and uncompromised access to treatment areas without cars on the agreed upon ceiling areas above parking spots or the costs may change for delays. We will facilitate this access best we can using caution tape and or fencing in sections being worked on that day. This has been a problem in the past so we ask for sincere cooperation to complete this task for the city	$42,000
3.	City Hall	175 S Arizona Ave	Treat roughly 90 upper glass windowsill applications on the city hall with a removable, custom-made, metal, pigeon-slide application. Spikes displacement wire and gel here would not	$22,000

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

			work as pigeons could stand or nest in, on behind or against these other products. A cheaper net option can be bid upon request. Application is to be installed in a way to allow cleaning of the windows enclosed behind the slide. Techs may use lifts and ladders and may work after hours with generators and light towers to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management, unless they are in the way of the installation, all previous applications are to remain as is.	
4.	City Hall Cooling Tower	240 S Washington	Completely enclose and exclude pigeon access inside the water feature structure on all sides using commercial grade netting and perhaps custom cut galvanized wire mesh. Exclusion from the top will go over rails and will have zipper access, not raised net stanchions…unless a bid for these expensive stanchions and extra net requested. To treat as close to the water flow as possible, we will need cooperation with management to restrict the flow.	$4,500
5.	Courts Parking	200 E Chicago St	Install drop ceilings of commercial -grade net beneath all 9 courthouse solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary. We will not void warranty by penetrating panel sides with self - tap screws	$44,000
6.	Center for the Arts	250 N Arizona Ave	Completely exclude pigeon access to the underside of the 2 long curved walkway canopies at the Center for the Arts using commercial grade net. Net will not	$8,000

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

			be installed straight across but customized in an arch shape full-length, in attempt to avoid individuals trying to cut through the net	
7.	Oregon Parking Garage	160 S Oregon St	Install a drop ceiling of 2" net on every level of this parking garage to enclose both all nesting and perching opportunities in the ceiling concrete shelves, fire suppression systems and electrical conduit above. There is nesting access through 2 of the 3 roughly 40-foot metal shade walls. Excluding pigeons from getting behind and underneath these walls will require net exclusion on the sides, tops and bottoms of these panels, as well as closing off access to the associated windows on the back side of the panels. Please note as per specific request, this does not include excluding nesting "against" the product.	7.
8.	Additional insurance Per Year Required	All Locations	The $252,500 number represented above, includes the auto and full 2million aggregate insurance we have carried with no claims for the last 24 years and 12 million in business at all levels of government .	
			Grand Total	$252,500

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

EXHIBIT C TO AGREEMENT
INSURANCE

INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $2,000,000 aggregate. Said insurance must also include coverage for products and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

D. *Professional Liability.* If the Agreement is the subject of any professional services or work performed by the Contractor, or if the Contractor engages in any professional services or work adjunct or residual to performing the work under this Agreement, the Contractor must maintain Professional Liability insurance covering errors and omissions arising out of the work or services performed by the Contractor, or anyone employed by the Contractor, or anyone whose acts, mistakes, errors and omissions the Contractor is legally liable, with a liability limit of $1,000,000 each claim and $2,000,000 all claims. In the event the Professional Liability insurance policy is written on a "claims made" basis, coverage must extend for three years past completion and acceptance of the work or services, and the Contractor, or its selected Design Professional will submit Certificates of Insurance as evidence the required coverage is in effect. The Design Professional must annually submit Certificates of Insurance citing that the applicable coverage is in force and contains the required provisions for a three-year period.

E. *Builders' Risk/Installation Floater Insurance.* The Contractor bears all responsibility for loss to all equipment or Work under construction. Unless waived in writing by the City the Contractor will purchase and maintain in force Builders' Risk/Installation Floater insurance on the entire Work until completed and accepted by the City. This insurance will be Special Causes of Loss policy form, (minimally including perils of fire, flood, lightning, explosion, windstorm and hail, smoke, aircraft and vehicles, riot and civil commotion, theft, vandalism, malicious mischief, and collapse), completed value, replacement cost policy form equal to the contract price and all subsequent modifications. The Contractor's Builders' Risk/Installation Floater insurance must be primary and not contributory.

1. Builders' Risk/Installation Floater insurance must cover the entire Work including reasonable compensation for architects and Contractors' services and expenses and other "soft costs" made necessary by an insured loss. Builders' Risk/Installation Floater insurance must provide coverage from the time any covered property comes under the Contractor's control and or responsibility,

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

and continue without interruption during course of construction, renovation and or installation, including any time during which any project property or equipment is in transit, off site, or while on site for future use or installation. Insured property must include, but not be limited to, scaffolding, false work, and temporary buildings at the site. This insurance must also cover the cost of removing debris, including demolition as may be legally required by operation of any law, ordinance, regulation or code.

2. The Contractor must also purchase and maintain Boiler and Machinery insurance with the same requirements as Builders' Risk/Installation Floater insurance cited above if the Work to be performed involves any exposures or insurable property normally covered under a Boiler and Machinery insurance policy or made necessary as required by law or testing requirements in the performance of this Contract/Agreement. The Contractor will be responsible for any and all deductibles under these policies and the Contractor waives all rights of recovery and subrogation against the City under the Contractor's Builders' Risk/Installation Floater insurance described herein.
3. Builders' Risk/Installation Floater Insurance must be maintained until whichever of the following first occurs: (i) final payment has been made; or (ii) until no person or entity, other than the City, has an insurable interest in the property required to be covered.
    a. Builders' Risk/Installation Floater insurance must be endorsed so that the insurance will not be canceled or lapse because of any partial use or occupancy by the City.
    b. The Builders Risk/Installation Floater insurance must include as named insureds, the City, the Contractor, and all tiers of subcontractors and others with an insurable interest in the Work who will be named as additional insureds unless they are able to provide the same level of coverage with the City and Contractor named as additional insureds. Certificates must contain a provision that the insurance will not be canceled or materially altered without at least 30 days' advance notice to the City. The City must also be named as a Loss Payee under the Builders' Risk/Installation Floater coverage.
    c. The Builders Risk/Installation Floater insurance must be written using the Special Causes of Loss policy form, replacement cost basis.
    d. All rights of subrogation under the Builders Risk/Installation Floater insurance are, by this Contract/Agreement, waived against the City, its officers, officials, agents and employees.
    e. The Contractor is responsible for payment of all deductibles under the Builders' Risk/Installation Floater insurance policy.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

    1. The Contractor's insurance must contain broad form contractual liability coverage.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three-year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage, but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. Insurance *Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.
2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days' prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

EXHIBIT D TO AGREEMENT
SPECIAL CONDITIONS

ACCESS TO SECURED FACILITIES

Contract Worker Access Controls, Badge and Key Access Requirements. A Contract Worker shall not be allowed to begin work in any City facility without: (A) The prior completion and the City's acceptance of the required background screening; and (B) when required, the Contract Worker's receipt of a City issued badge. A badge will be issued to a Contract Worker solely for access to the City facility(s) to which the Contract Worker is assigned. Each Contract Worker who enters a City facility must use the badge issued to the Contract Worker. Any and all fees associated with security badging will be assessed in compliance with Chandler City Code §4-22.

Key Access Procedures. If the Contract Worker's services require keyed access to enter a City facility(s), a separate key issue/return form must be completed and submitted by Contractor for each key issued.

Stolen or Lost Badges or Keys. Contractor shall report lost or stolen badges or keys to the City immediately. A new badge application or key issue form shall be completed and submitted along with payment of the applicable fees prior to issuance of a new badge or key.

Return of Badges or Keys. All badges and keys are the property of the City and must be returned to the City within one business day of when the Contract Worker's access to a City facility is no longer required to furnish the services under this Agreement. Contractor shall collect a Contract Worker's badge and key(s) upon the termination of the Contract Worker's employment; when the Contract Worker's services are no longer required at the particular City facility(s); or upon termination, cancellation or expiration of this Agreement.

Contractor's default under this Section shall include, but is not limited to the following: (1) Contract Worker gains access to a City facility(s) without the proper badge or key; (2) Contract Worker uses a badge or key of another to gain access to a City facility; (3) Contract Worker commences services under this Agreement without the proper badge, key or Background Screening; (4) Contract Worker or Contractor submits false information or negligently submits wrong information to the City to obtain a badge, key or applicable Background Screening; or (5) Contractor fails to collect and timely return Contract Worker's badge or key upon termination of Contract Worker's employment, reassignment of Contract Worker to another City facility or upon the expiration, cancellation or termination of this Agreement. Contractor acknowledges and agrees that the access control, badge and key requirements in this Section are necessary to preserve and protect public health, safety and welfare. Accordingly, Contractor agrees to properly cure any default under this Section within three business days from the date notice of default is sent by the City. The parties agree that Contractor's failure to properly cure any default under this Section shall constitute a breach of this Section. In addition to any other remedy available to the City at law or in equity, Contractor shall be liable for and shall pay to the City the sum of $1,000.00 for each breach by Contractor of this Section. The parties further agree that the sum fixed above is reasonable and approximates the actual or anticipated loss to the City at the time and making of this Agreement in the event that Contractor breaches this Section. Further, the parties expressly acknowledge and agree to the fixed sum set forth above because of the difficulty of proving the City's actual damages in the event that Contractor breaches this Section. The parties further agree

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

that three breaches by Contractor of this Section arising out of any default within a consecutive period of three months or three breaches by Contractor of this Section arising out of the same default within a period of 12 consecutive months shall constitute a material breach of this Agreement by Contractor and the City expressly reserves all of its rights, remedies and interests under this Agreement, at law and in equity including, but not limited to, termination of this Agreement.

QUALIFICATION AND EXPERIENCE

Provide a brief history of the company including number of years in business, primary business focus and number of years providing the services described in the Scope of Work.

The Pigeon Guy has been installing only pigeon and bird control devices as licensed by the state of AZ, full time, for a minimum of 24 years.

Provide the qualifications of the company and its leadership relative to the services described in the Scope of Work.

Fred Payne is the founder and also an installer for this company. He has managed over 15k bird control jobs, with continued learning along the journey on how to offer results guarantee on the spots we treat. Our jobs include city, county, state and federal contracts. We have an A+ rating with the BBB and have no professional complaints on our previous AZROC specialty license or our AZOPM license. Our focus has only ever been on managing pigeon, small bird and bat problems, with our main treatments being installation of long-lasting, commercial-grade, deterrent devices. Since our inception, we have offered guaranteed "results" on the specific spots that we treat and we may still be the only company that accepts responsibility to fix damages to any property or equipment we might damage, including but not limited to roof tiles, landscaping, solar panels and hvac units. We do not treat bugs and have never used pesticides. We have never used legal poisons like Avitrol, even in traps, as predators will go in traps to get pigeons. If a hawk, falcon or owl eats a pigeon and dies, it carries a $50k fine as they are protected species. We have been featured in newspapers and television and we also do consulting work in and out of state including Native American entities.

Provide resumes or statements of qualifications for company leadership.

Fred Payne is the founder and CEO of The Pigeon Guy.com for 24 years, managing over 12 million in business, including all levels of government. Mr. Payne still enjoys helping on commercial installations and was also the 1st patent-pending owner for Pigeon Slide Technology for many years. Mr. Payne has previous work and service experience as an assistant executive chef for Caesar's back east, as a bartender and 12 years as a gourmet, tableside, dining-room captain in an Atlantic City Casino.

Camden Payne is our lead commercial and government technician. He is a certified applicator with the AZ Office of Pest Management and is our OSHA 10 and 30 certificate holder. Camden has an exceptional understanding of our product function and a quality appreciation for aesthetics. Camden has a love and understanding of numbers and has even written a program in Excel that has allowed us to replace Quickbooks with what is now our expanded proprietary software that matches and exceeds what our previous Quickbooks program did for us. Camden is friendly, cooperative and versatile with owners and general contractors and has been a true asset to the company for 7 years now. He is a churchgoer, has a lovely wife and 2 children.

Provide three references relative to the services described in the Scope of Work.

1.Tempe Center of the Arts C/O Michael Mercado: City of Tempe Facilities Mgt
Job Address: 700 W Rio Salado Pkwy, Tempe, AZ 85281
Scope of Work: Net, zipper, mesh, spike, electric shock.

2. Bell Towne Plaza & Center C/O Karen Messick Commercial Property Manager
Job Address: 245 E Bell Rd, Phoenix, AZ 85022
Scope of Work: Net, zipper, mesh, spike, electric shock.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

3. Phoenix Canopy C/O Nick Foster: General Contractor
Job Address: 1537 W Jackson St Phoenix, AZ 85007
Scope of Work: Roughly 50,000 square ft drop ceiling of 2" black net.

Provide resumes or statements of qualifications for all proposed key personnel. Identify the role of each individual and describe the reporting structure for oversight ensuring quality services.

Fred manages all aspects of the company and is the main point of contact for large government work. Fred and Camden both manage onsite commercial jobs including, staff training, install, scheduling, supply, safety, production, contract conformity, aesthetic and product functionality stance. Fred and Camden are available 6 days a week, even before and after hours, best via text. Fred text/cell 480-206-6515. Camden text/cell 480-737-3647.

Skylar - Office Manager, Government and Commercial Contract Administrator, Marketing Implementation.
In addition, Skylar functions as an executive assistant to the owner. She manages all government and commercial contract needs, including work through bid packages, portals, insurance requirements, yearly qualifying-documentation of staff, scheduling, licensing, customer service, residential estimator training and office-assistant training and accountability on all levels company-wide. Skylar graduated from ASU with a 4-year degree in Marketing, Magna Cum Laude. Skylar actually started her work at The Pigeon Guy training with Camden as a technician on residential and commercial work for 1 year and trained for an additional year as Fred's executive assistant. Skylar enjoys camping, traveling, and learning about naturopathy. Skylar text/cell 602-686-4601 during business hours. On Wednesdays, reach her assistant Liz text/cell 480-726-2622.

METHOD OF APPROACH

Provide a narrative that describes the approach to the Scope of Work including a project timeline, milestones, deliverables, personnel responsible for milestones and deliverables; number of hours each team member will expend in each phase of the project

(1) Library Covered Parking

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 6 weeks. Mobilization begins once funding if approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net. Add up to roughly 3 days if all optional work proposed is accepted.

Milestones

1. Project Initiation
    a. Ordering Supplies
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
    c. Full mobilization
2. Construction Execution
    a. Anchors and Cable on all 10 solar parking canopies indicate 70% job completion.
    b. Attaching a net and zipper on all 10 solar parking canopies indicates 95% job completion.
    c. May include spikes on outer beam edges, if necessary, indicates 100% of job completion.
3. Project Close Out
    a. Site walk-through
    b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
    a. Project Funding Invoicing
2. Construction Execution
    a. Progress payment Invoicing
3. Project Close Out
    a. Final Project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the staffing milestones and deliverables stated above.

of hour's each team member will expend during this phase

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Technicians are estimated to spend roughly 240 hours or about 6 billable weeks. Office is estimated to spend roughly 8 billable hours.

(2) Main PD Parking

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 5 weeks. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net. Add up to roughly 3 days if all optional work proposed is accepted.

Milestones

1. Project Initiation
    a. Ordering Supplies
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
    c. Full Mobilization
2. Construction Execution
    a. All anchors and cabling ran, indicates 70% job completion.
    b. Attaching netting indicates 95% job completion.
    c. Adding zipper access indicates 100% job completion
3. Project Close Out
    a. Site walk-through
    b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
    a. Project funding invoicing
2. Construction Execution
    a. Progress payment invoicing
3. Project Close Out
    a. Final project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 200 hours or about 5 billable weeks. Office is estimated to spend roughly 8 billable hours.

(3) City Hall

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Projected Timeline

We anticipate the project to take a maximum of 5 weeks. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (4-8 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net. Add up to roughly 5 weeks if all optional work proposed is accepted. Please note, lead time for all measurements, communications, test product and completion of order is not uncommon to take up to a month or two after the first template has been proposed for production.

Milestones

1. Project Initiation
    a. Ordering Supplies (It is not uncommon for processing of this specialized product to take 4-8 weeks before available for install)
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
    c. Street/Sidewalk Permits, if applicable
2. Construction Execution
    a. % of total Pigeon Slide pieces (90 pieces) installed is a direct correlation to job % completion.
3. Project Close Out
    a. Site walk-through
    b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
    a. Project funding invoicing
    b. Permit documentation, if applicable
2. Construction Execution
    a. Progress payment invoicing
3. Project Close Out
    a. Final project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 200 hours or about 5 billable weeks. Office is estimated to spend roughly 8 billable hours.

(4) City Hall Cooling Tower

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 1 week. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Milestones

1. Project Initiation
    a. Ordering Supplies
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
2. Construction Execution
    a. Waste cleanup/removal indicates 20% job completion
    b. Anchors and cabling indicates 70% job completion.
    c. Attaching net indicates 90% job completion.
    d. Spike on select parking light tops and zipper access indicates 100% job completion.
3. Project Close Out
    a. Site walk-through
    b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
    a. Project funding invoicing
2. Construction Execution
    a. Progress payment invoicing
3. Project Close Out
    a. Final project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 40 hours or about 1 billable week. Office is estimated to spend roughly 8 billable hours.

(5) Courts Parking

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 5 weeks. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net. Add up to roughly 4 days if all optional work proposed is accepted.

Milestones

1. Project Initiation
    a. Ordering Supplies
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
2. Construction Execution
    a. Anchors and Cable on all 9 courthouse parking canopies indicate 70% job completion.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

b. Attaching the net and zipper access to all 9 courthouses parking canopies indicates 95% job completion.
c. May include spikes on outer beam edges if it proves necessary, indicates 100% of job completion.

3. Project Close Out
   a. Site walk-through
   b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
   a. Project funding invoice
2. Construction Execution
   a. Progress payment invoicing
3. Project Close Out
   a. Final project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 200 hours or about 5 billable weeks. Office is estimated to spend roughly 8 billable hours.

(6) Center for The Arts

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 2 weeks. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net.

Milestones

1. Project Initiation
   a. Ordering Supplies
   b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
2. Construction Execution
   a. Anchors and cabling indicates 70% job completion.
   b. Attaching net and zipper access indicates 100% completion.
3. Project Close Out
   a. Site walk-through
   b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
   a. Project funding invoicing

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

2. Construction Execution
    b. Progress payment invoicing
3. Project Close Out
    c. Final project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 80 hours or about 2 billable weeks. Office is estimated to spend roughly 8 billable hours.

(7) Oregon Parking Garage

Approach to Scope of Work

Our focus will be the most desirable pigeon nesting opportunities.

Projected Timeline

We anticipate the project to take a maximum of 8 weeks. Mobilization begins once funding is approved (1 to 2 weeks), product is ordered, delivered, inventoried and put in circulation (1-4 weeks). Progress billing will be submitted to the city each month with 30 days net unless discounted rate opted for 15 days net. Add up to roughly 6 weeks if all optional work proposed is accepted. Please note, this may be the best project to plan as started in this city budget year and completed in the next.

Milestones

1. Project Initiation
    a. Ordering Supplies
    b. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management
2. Construction Execution
    a. With each parking level completed with anchors, cable, net and zipper access indicates 17% job completion. Roughly 5 levels (85% job completion)
    b. 2, 40ft metal shade walls, as well as closing off access to the associated windows on the back side of the panels, indicates 100% job completion.
3. Project Close Out
    a. Site walk-through
    b. Fencing or taping clean up, once work has been signed off on.

Deliverables

1. Project Initiation
    a. Project funding invoicing
2. Construction Execution
    a. Progress payment invoicing
3. Project Close Out
    a. Final Project invoicing

Personnel responsible for milestones and deliverables

Camden, being the commercial project lead for this contract, will be responsible for the

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

milestones and deliverables stated above.

of hour's each team member will expend during this phase

Technicians are estimated to spend roughly 320 hours or about 8 billable weeks. Office is estimated to spend roughly 8 billable hours.

Provide an overview of proposed solution's functionality

Our estimates will specify if we have provided a results guarantee on the spots we treat. This means pigeons will not nest IN, ON, BEHIND or AGAINST whatever product we use, or we will have to return to clean and fix for free for a minimum of 1 year, 5 year options available upon request.

The only results guarantee exception for pigeons on your projects is for the City Hall Cooling Tower. Pigeons may access through the waterfall when running, or when the system is turned off (discuss with me rubber flap option if needed). Our initial products should be sufficiently near waterfall to provide results guarantee otherwise.

If we use spikes, we will designate on the estimate if we have used the spike most useful for pigeons or if we have used the more costly spike necessary for small birds like cactus wren.

Net to be used as per request is 2" black net that "excludes pigeons from accessing behind it. Pigeons can nest on and against poorly installed net. Zippers may be used for maintenance accesses.

Galvanized wire mesh will be used as an exclusionary application when necessary on custom cut access spots like waterfall and top of parking garage stairwell nesting spots.

Electric shock will be used in only one spot at this time and is installed with a solar power supply and parallel contact points, in such a way as to keep pigeons off outer edges of just the covered lower roof below south windows needing treatment at the admin bldg. Other ledges can be included upon request.

Pigeon Slide technology is a very long-lasting, custom-cut and shaped, metal, slide-like treatment that when used correctly will keep pigeons from nesting or perching on treated spots.

Provide an overview of proposed solution's technical abilities

The state of AZ does not teach pesticide users what pigeon control devices can be installed where and in what way to make them work best. The state also does not teach pesticide users how to drill into different roof types, solar panels, substrates or hvac units. They do not hold pesticide sprayers accountable who provide poor results or property damage resulting from incorrect/poorly installed devices or ignorant structural penetrations. They do not teach OSHA safety tie-offs, proper lift usage, scaffolding, or crane accesses.

If you want the correct product installed in the right way, you should not have to worry if your pigeon control "EXPERT" uses lipstick. Tell your contractor that if a pigeon stands or nests on the specific spots you want treated, they will have to return to clean and fix for free for a minimum of 1 year. If they can't fix the spot, they should offer your money back. The Pigeon Guy uses proprietary products and techniques for practically every application we use, as we have spent over $400k early on to learn what works and what does not.

Describe methodology for implementation of proposed solution including estimated timeframe, overview of deliverables, assumptions and assumed responsibilities of all parties

I believe this question has been answered above. If you are looking for greater details, we might enter into protected proprietary contract language and techniques that we are hesitant to share. We can discuss these details in confidentiality, to work within limited city needs and resources.

Indicate any third parties, partners and/or subcontractors that will be used in the implementation of the proposed solution and what their specific roles and functions will be

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Any support staff we use are closely supervised and generally given the mundane and simple assignments that are repetitive and easily duplicatable at ground level. Any subs we might use, would have to evidence with documentation showing full responsibility for any property or personal damages.

Describe the role of City staff and proposed staff for testing

City staff at your choosing are invited to do an inspection of our work at any time and to be available for the final walk-through as you deem necessary before submittal of final invoicing. Any questions about ongoing maintenance should be fairly minimal and we remain willing to meet train or make adjustments as you see fit. Our staff are available for background or drug testing. Camden will be the main job foreman on site.

Give an overview any warranty/guarantee included with services (See below)

The Pigeon Guy does not give disclaimers for any damage we might cause. If we damage it, we reserve the right to manage fixing it ourselves. This includes any roof structures, solar panels or hvac units.

Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free 1 to 5 years pending ins decision. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty voids due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product.
The guarantee above is valid only for the projects listed below:

(1) Library Covered Parking
(2) Main PD Parking
(3) City Hall
(5) Courts Parking
(6) Center for the Arts

Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free 1 to 5 years pending ins decision, unless pigeons fly in past the water flow area. Please keep this in mind if turning off for maintenance or other reasons. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty void due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product.
The guarantee above is valid only for the projects listed below:

(4) City Hall Cooling Tower

Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free 1 to 5 years pending ins decision. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty void due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product. Please note as per specific request, this does not include excluding nesting “against” the product.
The guarantee above is valid only for the projects listed below:

(7) Oregon Parking Garage if windows n stairs etc included, otherwise exclude outer window sills etc

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

PRICE PROPOSAL

The following table details the basics asked to be bid, for any additional recommendations for the scope of work, please reference the optional bids total $71,500. Ie, Library (junction boxes, power wash) Courts (junction boxes) PD (electrical cabinet,) parking garage (stair wells, lower trough net, window nets spikes) City Hall (60 more vertical troughs with 80ft boom, pillar nixalite, electric shock) Cooling tower (hose)

Item #	Location Name	Location Address	Service Description	Price Per Service
1.	Library Covered Parking	22 S Delaware St	Install drop ceilings of commercial-grade net beneath all 10 library solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary.	$52,000
2.	Main PD Garage	250 E Chicago St	Completely exclude pigeon access to the concrete ledges, lights, conduit and sprinkler perches of the Chandler PD ground floor parking garage using a commercial-grade, 2" black net drop ceiling. Hanging lights will have zipper accesses provided through the nets. We will need cooperation to have full and uncompromised access to treatment areas without cars on the agreed upon ceiling areas above parking spots or the costs may change for delays. We will facilitate this access best we can using caution tape and or fencing in sections being worked on that day. This has been a problem in the past so we ask for sincere cooperation to complete this task for the city	$42,000
3.	City Hall	175 S Arizona Ave	Treat roughly 90 upper glass windowsill applications on the city hall with a removable, custom-made, metal, pigeon-slide application. Spikes displacement wire and gel here would not work as pigeons could stand or nest in, on behind or against these other products. A cheaper net option can be bid upon request. Application is to be installed in a way to allow cleaning of the windows enclosed behind the slide. Techs may use lifts and ladders and may work after hours with generators and light towers to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management, unless they are in the way of the installation, all previous applications are to remain as is.	$22,000
4.	City Hall Cooling Tower	240 S Washington	Completely enclose and exclude pigeon access inside the water feature structure on all sides using commercial grade netting and perhaps custom cut galvanized wire mesh. Exclusion from the top will go over rails and will have zipper access, not raised net stanchions...unless a bid for these expensive stanchions and extra net requested. To treat as	$4,500

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

			close to the water flow as possible, we will need cooperation with management to restrict the flow.	
5.	Courts Parking	200 E Chicago St	Install drop ceilings of commercial-grade net beneath all 9 courthouse solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary. We will not void warranty by penetrating panel sides with self-tap screws	$44,000
6.	Center for the Arts	250 N Arizona Ave	Completely exclude pigeon access to the underside of the 2 long curved walkway canopies at the Center for the Arts using commercial grade net. Net will not be installed straight across but customized in an arch shape full-length, in attempt to avoid individuals trying to cut through the net	$8,000
7.	Oregon Parking Garage	150 S Oregon St	Install a drop ceiling of 2" net on every level of this parking garage to enclose both all nesting and perching opportunities in the ceiling concrete shelves, fire suppression systems and electrical conduit above. There is nesting access through 2 of the 3 roughly 40- foot metal shade walls. Excluding pigeons from getting behind and underneath these walls will require net exclusion on the sides, tops and bottoms of these panels, as well as closing off access to the associated windows on the back side of the panels. Please note as per specific request, this does not include excluding nesting "against" the product.	$80,000
			Grand Total	$252,500
8.	Additional Insurance Per Year Required	All Locations	The $252,500 number represented above, includes the auto and full 2million aggregate insurance we have carried with no claims for the last 24 years and 12 million in business at all levels of government. Your paperwork suggests that because we gave you 5 years in warranty, the increased insurance to 4 million aggregate, contractually needed for 3 years past our warranty, (as your paperwork suggests), would represent an additional $15k over 8 years. This amount is not included in current totals. If we add all the other insurances you requested for the year of install and year of warranty, the additional costs represent $15k per year for 2 years or $30k if we understand correctly. We can pass through these costs to you with only a 10% markup if that seems fair to you or we can discuss how to provide just the insurance you really need. Keep in mind, we do not drill into your machines or compromise the integrity of your structures.	TBD

CHANDLER arizona

City Clerk Document No. _____

City Council Meeting Date: _____

CITY OF CHANDLER SERVICES AGREEMENT
BIRD ABATEMENT SERVICES
CITY OF CHANDLER AGREEMENT NO. BF5-910-4930

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and The Pigeon Guy (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made May 27, 2025 (Effective Date).

RECITALS

A. City proposes to provide bird abatement services as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Contractor must perform the services described in Exhibit A to the City's satisfaction within the terms and conditions of this Agreement and within the care and skill that a person who provides similar services in Chandler, Arizona exercises under similar conditions. All work or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the work or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the work or service.

SECTION III: PERIOD OF SERVICE

Contractor must perform the services described in Exhibit A for the term of this Agreement.

The term of the Agreement is one year and begins on __TBD___ and ends on __TBD___ unless sooner terminated in accordance with the provisions of this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to four additional terms of one year each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION lV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance of the services approved and accepted by the City under this Agreement must not exceed $350,000___. Contractor must submit requests for payment for services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those services negotiated as a lump sum will be made in accordance with the percentage of the work completed during the preceding billing period. Services negotiated as a not-to-exceed fee will be paid in accordance with the work completed on the service during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully documented request for a price adjustment. The City shall determine whether any requested price increases for

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of services, cost of performance, or Project schedule, the work will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any service provided for in this Agreement, or abandon any portion of the Project for which services have been performed by the Contractor. In the event the City abandons or suspends the services, or any part of the

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the work Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's work to appraise the work completed. The Contractor will receive compensation in full for services performed to the date of such termination. The fee shall be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

	For the City		**For the Contractor**

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Services. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor’s compliance.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.36 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.37 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.38 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.39 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Services
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.40 Special Conditions. As part of the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

5.41 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, the Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. The Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.42 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.43 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.44 Warranties. Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.45 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.46 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.47 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

approval of a budget that includes an appropriation for this item as expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

EXHIBIT B TO AGREEMENT - COMPENSATION AND FEES

The following table details the basics asked to be bid, for any additional recommendations for the scope of work, please reference the optional bids total $71,500. Ie, Library (junction boxes, power wash) Courts (junction boxes) PD (electrical cabinet) parking garage (stair wells, lower trough net, window nets spikes) City Hall (60 more vertical troughs with 80ft boom, pillar nixalite, electric shock) Cooling tower (hose)

Item #	Location Name	Location Address	Service Description	Price Per Service
1.	Library Covered Parking	22 S Delaware St	Install drop ceilings of commercial-grade net beneath all 10 library solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary.	$52,000
2.	Main PD Garage	250 E Chicago St	Completely exclude pigeon access to the concrete ledges, lights, conduit and sprinkler perches of the Chandler PD ground floor parking garage using a commercial-grade, 2" black net drop ceiling. Hanging lights will have zipper accesses provided through the nets. We will need cooperation to have full and uncompromised access to treatment areas without cars on the agreed upon ceiling areas above parking spots or the costs may change for delays. We will facilitate this access best we can using caution tape and or fencing in sections being worked on that day. This has been a problem in the past so we ask for sincere cooperation to complete this task for the city	$42,000
3.	City Hall	175 S Arizona Ave	Treat roughly 90 upper glass windowsill applications on the city hall with a removable, custom-made, metal, pigeon-slide application. Spikes displacement wire and gel here would not work as pigeons could stand or nest in, on behind or against these other products. A cheaper net option can be bid upon request. Application is to be installed in a way to allow cleaning of the windows enclosed behind the slide. Techs may use lifts and ladders and may work after hours with generators and light towers to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management, unless they are in the way of the installation, all previous applications are to remain as is.	$22,000
4.	City Hall Cooling Tower	240 S Washington	Completely enclose and exclude pigeon access inside the water feature structure on all sides using commercial grade netting and perhaps custom cut galvanized wire mesh. Exclusion from the top will go over rails and will have zipper access, not raised net stanchions...unless a bid for these expensive stanchions and extra net requested. To treat as close to the water flow as possible, we will need	$4,500

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

			cooperation with management to restrict the flow.	
5.	Courts Parking	200 E Chicago St	Install drop ceilings of commercial-grade net beneath all 9 courthouse solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary. We will not void warranty by penetrating panel sides with self-tap screws	$44,000
6.	Center for the Arts	250 N Arizona Ave	Completely exclude pigeon access to the underside of the 2 long curved walkway canopies at the Center for the Arts using commercial grade net. Net will not be installed straight across but customized in an arch shape full-length, in attempt to avoid individuals trying to cut through the net	$8,000
7.	Oregon Parking Garage	150 S Oregon St	Install a drop ceiling of 2" net on every level of this parking garage to enclose both all nesting and perching opportunities in the ceiling concrete shelves, fire suppression systems and electrical conduit above. There is nesting access through 2 of the 3 roughly 40- foot metal shade walls. Excluding pigeons from getting behind and underneath these walls will require net exclusion on the sides, tops and bottoms of these panels, as well as closing off access to the associated windows on the back side of the panels. Please note as per specific request, this does not include excluding nesting "against" the product.	$80,000
			Grand Total	$252,500
8.	Additional Insurance Per Year Required	All Locations	The $252,500 number represented above, includes the auto and full 2million aggregate insurance we have carried with no claims for the last 24 years and 12 million in business at all levels of government. Your paperwork suggests that because we gave you 5 years in warranty, the increased insurance to 4 million aggregate, contractually needed for 3 years past our warranty, (as your paperwork suggests), would represent an additional $15k over 8 years. This amount is not included in current totals. If we add all the other insurances you requested for the year of install and year of warranty, the additional costs represent $15k per year for 2 years or $30k if we understand correctly. We can pass through these costs to you with only a 10% markup if that seems fair to you or we can discuss how to provide just the insurance you really need. Keep in mind, we do not drill into your machines or compromise the integrity of your structures.	TBD

Docusign Envelope ID: BD0EE561-9364-4E6D-8C78-1CA55F5523CD

EXHIBIT C TO AGREEMENT - INSURANCE

Please take special notice of the pass through insurance option not included in current totals. We look forward to meeting with you if the opportunity permits, to discuss a package that best fits your needs and resources.

EXHIBIT D TO AGREEMENT – SPECIAL CONDITIONS

In regards to proprietary information, we are unique in that we guarantee results on the spots we treat and that we use products we have designed ourselves. Even the language and organization of our estimates are designs we have developed to help us stand out. Although bits of our information may be known by some competitors, we prefer to keep these things confidential whenever we can. We appreciate your cooperation with this and we remain happy to discuss any details with you.

Just a note on the parking garage that we may do some free net repair for awhile if kids cause damage.

We also might help with some flock control at our discretion and in cooperation with maintenance, during install times and perhaps even after the jobs have been complete.

Item		Total
10C Your Property/ Scope	Install drop ceilings of commercial-grade net beneath all 10 library solar parking canopies, includes the 3 in the secure area, to be sure no pigeons can stand or nest beneath the panels. May include spikes on outer beam edges if it proves necessary. We will not void warranty by penetrating panel sides with self-tap screws. Techs may use lifts and ladders and may work after hours with generators and outdoor lights to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management Unless they are in the way of the installation, all previous applications are to remain as is. We guarantee pigeons will not access behind these applications for a minimum of 5 years. We anticipate project to take 6 weeks once deposit has funded and supplies received. Additional recommendations of applications that are not included in the scope of work detailed above are provided below. Please note that these prices are dependent on being funded before installation of the original bid is completed. Active nesting behind solar power supplies is to be enclosed with a guarantee of results utilizing 1/2" square galvanized wire mesh or 2" square black net. OTD +$5,000	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. If we damage it, we will repair it to its functional status. This line item also includes, fall safety, pedestrian safety, set up and break down times, destination and administrative costs, unusual building access, multiple ladder types and moves plus all costs associated with out the door reach equipment, including but not limited to insurance, delivery and fuel. Technicians are fully expected to use their safety gear in order to maintain safety for pedestrians, themselves, their equipment and also to maintain the structural appeal and integrity of your property. We carry commercial liability insurance.	
11X SAFETY/ROOFING FINISH	TOTAL ROOFING BID This Line item includes pedestrian safety and lift costs/ access	12950.30
12A CLEAN START	DETAILS BELOW	
12C Clean	Remove pigeon nests when easily accessible without structural disassembly or demolition and relocate babies safely whenever possible to local wildlife refuge.	
12H Clean	Bag fecal solid concentrations from upper roof top only to limit the amount of runoff below. Pigeon waste and materials generally bagged in 3 mil thick bags and disposed of in customers trash area.	
12F Clean	No water being bid at this time since fecal solids do not seem to be presenting any immediate health or structure concerns. The relatively small amount of waste that may remain will usually be dried by sun and or washed by rains. Any frass that might be evidenced would usually be minimal.	
12I Clean	Cleaning is only a one time service. It is not uncommon for pigeons to return and try to access treated areas. In addition, waste pressed beneath tiles can dry up and come off the roof. Additional cleaning can be bid when you request it, otherwise wind and rain generally flush off most waste to ground level where it can be hosed away. Even with water, white uric acid stains are like lacquer and sometimes do not come off entirely.	
12X CLEAN FINISH	TOTAL CLEANING BID	155.00

IMPORTANT: There is no legitimate company, product or service that can guarantee pigeons will not stand on untreated surfaces. This bid represents minimum recommendations based on your current situation. Additional costs might prove necessary. Pigeons may stand beside application products, we do not treat these spots for free. Give 1 month for treatment results. We do not accept responsibility for pre-existing leak problems such as decaying tile underlayment. In general, we expect 1/2 down to schedule and 1/2 upon completion. In the even we have no received your final payment within 2 weeks of job completion, we reserve the right to return without notice to remove our products. By signing or submitting deposit, you are agreeing to contract us for work detailed above. If payment not received in a timely manner at our discretion, we are hereby notifying you we will recover our labor, material and legal expenses plus standard industry penalties and interest.

		Terms	See Line 16C

Item	Description	
13A NEST START	DETAILS BELOW	
13W Nest	Install a long-lasting, commercial-grade, black, 2', square, exclusionary, stealth-net application with a border of commercial-grade anchors to run braided cable perimeter. To this perimeter attach commercial-grade netting roughly every 2' with round hog rings to assure distribution of pull weight along net edges.*Treatment area includes the entire underbellys of all 10 solar shade canopies in the library parking lot. Treatment may also include spiking desirable outer beam tops and flanges*	
13ZZ Nest	Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free up to 5 years. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty void due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product.	
13X NEST FINISH	TOTAL NESTING BID	46263.72
14A PERCH START	DETAILS BELOW	
Notes:	Not at this time	
14X PERCH FINISH	TOTAL PERCHING	0.00
15A TRAP START	DETAILS BELOW	
15C Trap	No trapping bid at this time based on your current situation. Trapping is rarely 100% successful. In addition, trapping offers no long term results. A newly displaced flock could literally move in immediately if shaded nesting opportunities, elevation and sometimes food and water are not addressed. AZ Game and Fish minimum recommendations include treating as many nesting spots as seems reasonable in order to not draw in new pigeons. Trap smart birds are all too common when only trapping is contracted without addressing what actually brought the pigeons to the property.. namely elevation, shaded nesting spots, food and water.	
15X TRAP FINISH	TOTAL TRAPPING BID	0.00
16C Commercial Terms	This prompt payment discount for Commercial work requires deposit of one half to schedule and one half due upon completion. Progress payments to be submitted monthly and reimbursed net 30 for the remaining 50% less previously agreed upon retainage. Work may be delayed at our discretion if payments are delayed. Jobs will be scheduled once deposit has funded and supplies ordered or received. In state checks, can be scheduled for pick up and lien waivers signed. Please text Fred at 480-206-6515 to discuss other payment options, retainage or scheduling. Collection costs for payments not received within 30 days is at our discretion and would be intended to cover all our costs and expenses, including industry standard fees and interest rates for balances due. Prompt payment discount included herein.	-7369.02

IMPORTANT: There is no legitimate company, product or service that can guarantee pigeons will not stand on untreated surfaces. This bid represents minimum recommendations based on your current situation. Additional costs might prove necessary. Pigeons may stand beside application products, we do not treat these spots for free. Give 1 month for treatment results. We do not accept responsibility for pre-existing leak problems such as decaying tile underlayment. In general, we expect 1/2 down to schedule and 1/2 upon completion. 10C Your Property/ Scope	This bid is to completely exclude pigeon access to the concrete ledges, lights, conduit and sprinkler perches of the Chandler PD ground floor parking garage using a commercial-grade, 2" black net drop ceiling. Hanging lights will have zipper accesses provided through the nets. We will need cooperation to have full and uncompromised access to treatment areas without cars on the agreed upon ceiling areas above parking spots or the costs may change for delays. We will facilitate this access best we can using caution tape and or fencing in sections being worked on that day. This has been a problem in the past so we ask for sincere cooperation to complete this task for the city. Unless they are in the way of the installation, all previous applications are to remain as is. We guarantee pigeons will not access behind these applications for a minimum of 5 years. We anticipate project to take 5 weeks once deposit has funded and supplies received. Additional recommendations of applications that are not included in the scope of work detailed above are provided below. Please note that these prices are dependent on being funded before installation of the original bid is completed. We will include a vertical net installation over the west wall electrical cabinet as well as treatment to close off the south east ductwork nesting and perching opportunities. OTD +$3,000	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. If we damage it, we will repair it to its functional status. This line item also includes, fall safety, pedestrian safety, set up and break down times, destination and administrative costs, unusual building access, multiple ladder types and moves plus all costs associated with out the door reach equipment, including but not limited to insurance, delivery and fuel. Technicians are fully expected to use their safety gear in order to maintain safety for pedestrians, themselves, their equipment and also to maintain the structural appeal and integrity of your property. We carry commercial liability insurance.	
11X SAFETY/ROOFING FINISH	TOTAL ROOFING BID This Line item includes pedestrian safety and lift costs/ access	7816.33
12A CLEAN START	DETAILS BELOW	
12C Clean	Remove pigeon nests when easily accessible without structural disassembly or demolition and relocate babies safely whenever possible to local wildlife refuge.	
12H Clean	Bag fecal solid concentrations from upper roof top only to limit the amount of runoff below. Pigeon waste and materials generally bagged in 3 mil thick bags and disposed of in customers trash area.	
12F Clean	No water being bid at this time since fecal solids do not seem to be presenting any immediate health or structure concerns. The relatively small amount of waste that may remain will usually be dried by sun and or washed by rains. Any frass that might be evidenced would usually be minimal.	
12I Clean	Cleaning is only a one time service. It is not uncommon for pigeons to return and try to access treated areas. In addition, waste pressed beneath tiles can dry up and come off the roof. Additional cleaning can be bid when you request it, otherwise wind and rain generally flush off most waste to ground level where it can be hosed away. Even with water, white uric acid stains are like lacquer and sometimes do not come off entirely.	
12X CLEAN FINISH	TOTAL CLEANING BID	237.54

IMPORTANT: There is no legitimate company, product or service that can guarantee pigeons will not stand on untreated surfaces. 10C Your Property/ Scope	This bid is to completely enclose and exclude pigeon access inside the water feature structure on all sides using commercial grade netting and perhaps custom cut galvanized wire mesh. Exclusion from the top will go over rails and will have zipper access, not raised net stanchions...unless a bid for these expensive stanchions and extra net requested. To treat as close to the water flow as possible, we will need cooperation with management to restrict the flow. The enclosed area inside is quite dirty and needs large concentrations of fecal solids and nesting material bagged. Techs may be required to wear PPE and sanitize as we deem necessary. Techs may use lifts and ladders and may work after hours with generators and outdoor lights to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management We guarantee pigeons will not access behind these applications for a minimum of 5 years, unless pigeons fly in past the water flow area. Please keep this in mind if turning off for maintenance or other reasons. We anticipate project to take 1 week once deposit has funded and supplies received.	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. If we damage it, we will repair it to its functional status. This line item also includes, fall safety, pedestrian safety, set up and break down times, destination and administrative costs, unusual building access, multiple ladder types and moves plus all costs associated with out the door reach equipment, including but not limited to insurance, delivery and fuel. Technicians are fully expected to use their safety gear in order to maintain safety for pedestrians, themselves, their equipment and also to maintain the structural appeal and integrity of your property. Item		Total
10C Your Property/ Scope	We are bidding to completely exclude pigeon access to the underside of the 2 long curved walkway canopies at the Center for the Arts using commercial grade net. Net will not be installed straight across but customized in an arch shape full-length, in attempt to avoid individuals trying to cut through the net. Techs may use lifts and ladders and may work after hours with generators and light towers to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management Unless they are in the way of the installation, all previous applications are to remain as is. We guarantee pigeons will not access behind these applications for a minimum of 5 years. We anticipate project to take 1-2 weeks once deposit has funded and supplies received.	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. If we damage it, we will repair it to its functional status. This line item also includes, fall safety, pedestrian safety, set up and break down times, destination and administrative costs, unusual building access, multiple ladder types and moves plus all costs associated with out the door reach equipment, including but not limited to insurance, delivery and fuel. Technicians are fully expected to use their safety gear in order to maintain safety for pedestrians, themselves, their equipment and also to maintain the structural appeal and integrity of your property. We carry commercial liability insurance.	
11X SAFETY/ROOFING FINISH	TOTAL ROOFING BID This Line item includes pedestrian safety and lift costs/ access	2857.29
12A CLEAN START	DETAILS BELOW	
12C Clean	Remove pigeon nests when easily accessible without structural disassembly or demolition and relocate babies safely whenever possible to local wildlife refuge.	
12H Clean	Bag fecal solid concentrations from upper roof top only to limit the amount of runoff below. Pigeon waste and materials generally bagged in 3 mil thick bags and disposed of in customers trash area.	
12F Clean	Hose or light wet brush only affected nesting treatment spots only and associated fecal solid runoff below. We do not use water to the point it will take off paint or destroy textured surfaces. We may also use safe chemicals to sanitize as we deem necessary.	
12I Clean	Cleaning is only a one time service. It is not uncommon for pigeons to return and try to access treated areas. In addition, waste pressed beneath tiles can dry up and come off the roof. Additional cleaning can be bid when you request it, otherwise wind and rain generally flush off most waste to ground level where it can be hosed away. Even with water, white uric acid stains are like lacquer and sometimes do not come off entirely.	
12X CLEAN FINISH	TOTAL CLEANING BID	120.02

IMPORTANT: There is no legitimate company, product or service that can guarantee pigeons will not stand on untreated surfaces. This bid represents minimum recommendations based on your current situation. Additional costs might prove necessary. Item	Description	
13A NEST START	DETAILS BELOW	
13W Nest	Install a long-lasting, commercial-grade, black, 2', square, exclusionary, stealth-net application with a border of commercial-grade anchors to run braided cable perimeter. To this perimeter attach commercial-grade netting roughly every 2' with round hog rings to assure distribution of pull weight along net edges. *Treatment area includes both long arched walkway canopies to be treated with nets arched and including treatment of the lower I beam flanges to eliminate any pigeon nesting or perching.*	
13ZZ Nest	Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free up to 5 years. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty void due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product.	
13X NEST FINISH	TOTAL NESTING BID	6352.25
14A PERCH START	DETAILS BELOW	
Notes:	Not at this time	
14X PERCH FINISH	TOTAL PERCHING	0.00
15A TRAP START	DETAILS BELOW	
15C Trap	No trapping bid at this time based on your current situation. Trapping is rarely 100% successful. In addition, trapping offers no long term results. A newly displaced flock could literally move in immediately if shaded nesting opportunities, elevation and sometimes food and water are not addressed. AZ Game and Fish minimum recommendations include treating as many nesting spots as seems reasonable in order to not draw in new pigeons. Trap smart birds are all too common when only trapping is contracted without addressing what actually brought the pigeons to the property.. namely elevation, shaded nesting spots, food and water.	
15X TRAP FINISH	TOTAL TRAPPING BID	0.00
16C Commercial Terms	This prompt payment discount for Commercial work requires deposit of one half to schedule and one half due upon completion. Progress payments to be submitted monthly and reimbursed net 30 for the remaining 50% less previously agreed upon retainage. Work may be delayed at our discretion if payments are delayed. Jobs will be scheduled once deposit has funded and supplies ordered or received. In state checks, can be scheduled for pick up and lien waivers signed. Please text Fred at 480-206-6515 to discuss other payment options, retainage or scheduling. Collection costs for payments not received within 30 days is at our discretion and would be intended to cover all our costs and expenses, including industry standard fees and interest rates for balances due. Prompt payment discount included herein.	-1329.56

IMPORTANT: There is no legitimate company, product or service that can guarantee pigeons will not stand on untreated surfaces. 		Terms	See Line 16C

Item	Description	Total
10C Your Property/ Scope	This bid is to install a drop ceiling of 2" net on every level of this parking garage to enclose both all nesting and perching opportunities in the ceiling concrete shelves, fire suppression systems and electrical conduit above. There is nesting access through 2 of the 3 roughly 40-foot metal shade walls. Excluding pigeons from getting behind and underneath these walls will require net exclusion on the sides, tops and bottoms of these panels, as well as closing off access to the associated windows on the back side of the panels. Please note as per specific request, this does not include excluding nesting "against" the product. As an option we have offered bidding for this result at the end of this "general summary". Once again, access to these treatment areas will need to be coned and or fenced off and outer perimeter lift access will be utilized and accessed safely with full respect for alternative paths for visitors. We are not enclosing areas where cars or pedestrians enter in and out or access stairs. Unless they are in the way of the installation, all previous applications are to remain as is. We guarantee pigeons will not access behind these applications for a minimum of 5 years. Installation time on this may take 1 to 2 months start to finish. This may be the best project to plan as started in this city budget year and completed in next. Additional recommendations of applications that are not included in the scope of work detailed above or in the totals are provided below as requested. Please note that these prices are dependent on being funded before installation of the original bid is completed. " -This line includes wrapping 2 stairwells to fully enclose all accesses not used as entryways with a netting application as well as spiking the inner, lower I-beam flanges on the top floor stairway caps. OTD +$16,000 -Where the outer 40-foot metal walls meet the corrugated overhang below, it creates nesting opportunities. To resolve nesting on these corrugated roofs a 50-degree angle from the corrugated roofs edge to the walls will be more effective. OTD +$3,000 -This line includes net on the outside of every window sill to exclude pigeon access through the window areas into the garage. OTD +$16,000	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. Technicians are fully expected to use their safety gear in order to maintain safety for pedestrians, themselves, their equipment and also to maintain the structural appeal and integrity of your property. We carry commercial liability insurance.	
11X SAFETY/ROOFING FINISH	TOTAL ROOFING BID Includes lift costs/ access, any street or sidewalk permit costs to be passed through to owner	12891.50
12A CLEAN START	DETAILS BELOW	
12C Clean	Remove pigeon nests when easily accessible without structural disassembly or demolition and relocate babies safely whenever possible to local wildlife refuge.	
12H Clean	Bag fecal solid concentrations from upper roof top only to limit the amount of runoff below. Pigeon waste and materials generally bagged in 3 mil thick bags and disposed of in customers trash area.	
12F Clean	No water being bid at this time since fecal solids do not seem to be presenting any immediate health or structure concerns. The relatively small amount of waste that may remain will usually be dried by sun and or washed by rains. Any frass that might be evidenced would usually be minimal.	
12I Clean	Cleaning is only a one time service. It is not uncommon for pigeons to return and try to access treated areas. In addition, waste pressed beneath tiles can dry up and come off the roof. Additional cleaning can be bid when you request it, otherwise wind and rain generally flush off most waste to ground level where it can be hosed away. Even with water, white uric acid stains are like lacquer and often do not come off entirely.

Item	Description	Total
10C Your Property/ Scope	We are bidding to treat roughly 90 upper glass window sill applications on the city hall with a removable, custom-made, metal, pigeon-slide application. Spikes displacement wire and gel here would not work as pigeons could stand or nest in, on behind or against these other products. A cheaper net option can be bid upon request. Application is to be installed in a way to allow cleaning of the windows enclosed behind the slide. Techs may use lifts and ladders and may work after hours with generators and light towers to gain better access. Fencing or taping off specific work areas may need to be done beforehand, in cooperation with management Unless they are in the way of the installation, all previous applications are to remain as is. We guarantee pigeons will not access behind these applications for a minimum of 5 years. Note: Lead time for all measurements, communications, test product and completion of order is not uncommon to take up to a month or two after the first template has been proposed for production. Installation time once product has been created and made available will be roughly 1 month. Additional recommendations of applications that are not included in the scope of work detailed above are provided below. Please note that these prices are dependent on being funded before installation of the original bid is completed. -There are an additional roughly 60 vertical window "trough" lengths on the corners of the property that would be treated with the same pigeon slide technology. These spots would require a larger lift and pricing is contingent upon being funded in combined 50/25/25 portions with the E25374 bid so bulk materials may be ordered. OTD +$18,000 -Included in the recommended treatment of this area is a lower courtyard flat roof that is beneath the ceiling of the courtyard. We are proposing installation of a solar powered shock system to the outer edges of the covered part of this deck to prevent waste falling down the walls on the common area immediately below. Shock system is being used as opposed to spikes or gel that can be nested against. The outer edges we treat may extend to the parapet above. OTD +$3,000 -To remove existing applications and treat roughly 15 circular pillars with a small bird spike to provide a guarantee of results that neither small birds nor pigeons will nest against or in these spikes OTD +$2,000	
11A SAFETY/ROOFING START	DETAILS BELOW	
11B Safety/Roofing	MISCELLANEOUS - The Pigeon Guy does "NOT" give you disclaimers for Tile, Roofing, HVAC or Solar Panel damage we may cause. Item	Description	
13A NEST START	DETAILS BELOW	
13SLIDE Nest	Install a custom metal "slide" on a steep enough pitch to cause pigeons to slide off. Be sure install technique assures pigeons can not slide to bottom of slide and stand against glue, attachments like self taps, or on the lower ledge of the treatment spot itself. Slide must also be installed so pigeons toes can not anchor in between 2 pieces of overlapped slide or on the ends of slide material in gaps between slide and wall. Where there is no wall on the end of the slide, treatment must exclude any birds from nesting or perching, behind, in, on, inside or against the exclusion product used. When specified, slide may be bid with powder coat and or wax for aesthetic or functional reasons. It is not uncommon for processing of this specialized product to take 1 month before available for install. *Treatment area includes roughly 90 upper glass window sill applications on the city hall.*	
13ZZ Nest	Guarantee - If a pigeon nests behind our nesting applications, we will return to clean and fix for free up to 5 years. This guarantee is in addition to an industry standard guarantee which only includes products and workmanship. In other words, we include results guarantees on the spots we treat. This warranty void due to unusual acts of nature or if painters, roofers, hvac, solar contractors or the like have made any attempts to move our product.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Council Memorandum Facilities and Fleet Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
From: Mike Hollingsworth, Facility & Fleet Services Senior Manager
Subject: Agreement No. BF2-912-4485, Amendment No. 3, for General Building Maintenance Services

Proposed Motion:

Move City Council approve Agreement No. BF2-912-4485, Amendment No. 3, with ASR Construction Group, LLC, Crawford Mechanical Services, LLC, FPS Civil, LLC, DMS Companies, Inc., dba Hernandez Companies, Kowalski Construction, Inc., MGC Contractors, Inc., and Nickle Contracting, LLC, for general building maintenance services in an amount not to exceed $4,265,000 for the period that begins September 1, 2025, and runs through August 31, 2026.

Background/Discussion:

This enterprise agreement establishes a pool of experienced, qualified, and licensed general commercial contractors to provide a range of services, including general construction, electrical, HVAC, plumbing, and landscape work. The scope includes indoor and outdoor remodeling, tenant improvements, system replacements, and preventative maintenance. Multiple contractors are being awarded under this agreement to ensure timely and efficient support for maintenance and repair needs across various City departments.

Evaluation:

On August 18, 2022, City Council approved an agreement with ASR Construction Group, LLC, Crawford Mechanical Services, LLC, FPS Civil, LLC, DMS Companies, Inc., dba Hernandez Companies, Kowalski Construction, Inc., MGC Contractors, Inc., and Nickle Contracting, LLC, for general building maintenance services, for a one-year period, with the option of up to four one-year extensions.

The contractors have agreed to extend for one additional year at the same terms, conditions, and pricing. Staff recommends extension of this agreement.

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and DMS Companies, Inc., dba Hernandez Companies, an Arizona corporation, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Docusign Envelope ID: EC1D4C48-D9A7-4CF9-A4A1-3BA945DCB068

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and FPS Civil, LLC, an Arizona limited liability company, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Docusign Envelope ID: C6251BE3-F141-40C1-9C6E-30E89069A0E3

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

CHANDLER arizona

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Kowalski Construction Inc., an Arizona corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

Docusign Envelope ID: 654742D4-8529-4AA1-A22E-34DD2CD8DC36

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Crawford Mechanical Services LLC, an Arizona limited liability company, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and MGC Contractors, Inc., an Arizona corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Docusign Envelope ID: 75810C0E-6144-42CB-B3ED-C6E544261CA0

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Nickle Contracting, LLC, an Arizona limited liability company (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Docusign Envelope ID: F64B6714-BA09-4B02-B606-F18716989A08

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

Docusign Envelope ID: B26E0C0B-7EEE-47DD-9C61-2D6A12ABC822

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
CITY-WIDE BUILDING AND FACILITY MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. BF2-912-4485

THIS AMENDMENT NO. 3 (Amendment No. 3) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and ASR Construction Group LLC, Arizona corporation, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for city-wide building and facility maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2022 through August 31, 2023, with the option of up to four (4) one-year extensions; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2023 through August 31, 2024 through Amendment 1; and

WHEREAS, the Parties extended the Agreement for a period of September 1, 2024 through August 31, 2025 through Amendment 2; and

WHEREAS, the Parties extended the term of the Agreement for city-wide building and facility maintenance and repair services in an amount not to exceed $3,205,000 for the extension term; and

WHEREAS, the Parties wish to exercise the third option through this Amendment No. 3 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

Docusign Envelope ID: B26E0C0B-7EEE-47DD-9C61-2D6A12ABC822

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period September 1, 2025 through August 31, 2026.

3. Section IV is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 3 by this reference. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $4,265,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 3 and the Agreement, the terms and conditions in this Amendment No. 3 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Chandler (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.15 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Chandler:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@chandleraz.gov

To advise City of Chandler of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@chandleraz.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from City of Chandler

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@chandleraz.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with City of Chandler

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@chandleraz.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Chandler as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Chandler during the course of your relationship with City of Chandler.

City Council Memorandum Fire Memo No.

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
Tadd Wille, Assistant City Manager
Thomas Dwiggins, Fire Chief
From: Haley Bartosik, Senior Management Analyst
Subject: Resolution No. 5922 Authorizing the Mayor to Execute an Intergovernmental Agreement (IGA) with the City of Maricopa for Joint Firefighter Training

---

Proposed Motion:

Move City Council pass and adopt Resolution No. 5922 authorizing the Mayor to execute an IGA with the City of Maricopa that will allow the Chandler Fire Department to continue to provide firefighting and emergency medical training to the City of Maricopa Fire Department.

Background/Discussion:

The City of Maricopa Fire Department (MFD) is an automatic aid partner with the City of Chandler Fire Department (CFD), regularly responding alongside Chandler crews for emergency incidents. Since 2008, MFD personnel have trained with CFD at Chandler's Public Safety Training Center to enhance the safety, efficiency, and coordination of joint operations.

This agreement renews the existing training partnership for one year, with an automatic renewal clause for up to four (4) additional one-year terms. Under the agreement, MFD firefighters will participate in four (4) fire training sessions and three (3) EMS training sessions annually, with each session lasting approximately six (6) hours.

Financial Implications:

The City of Maricopa Fire Department will contribute $400 annually per sworn firefighter, not to exceed ninety (90) firefighters per year. MFD is invoiced for the total contribution amount and payment is made within the fiscal year.

Resolution No. 5922

IGA with City of Maricopa for Joint Firefighter Training

RESOLUTION NO. 5922

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHANDLER, ARIZONA, APPROVING AN INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF MARICOPA FOR JOINT TRAINING.

WHEREAS, the Maricopa Fire and Medical Department ("MFMD") and the Chandler Fire Department ("CFD") previously entered into an intergovernmental agreement to conduct joint training at the Chandler Public Safety Training Center ("CPSTC") pursuant to the authority of Resolution 5373; and

WHEREAS, this joint training benefits MFMD and CFD both operationally and fiscally; and

WHEREAS, Arizona Revised Statutes, Section 11-951, et seq., provides that public agencies may enter into intergovernmental agreements for the provision of services, or for joint or cooperative action; and

WHEREAS, MFMD and CFD wish to execute an intergovernmental agreement ("IGA") to continue engaging in joint training at the CPSTC.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chandler, Arizona, as follows:

Section 1. Approves the terms and conditions of the IGA in substantially the form attached as Exhibit "A."

Section 2. Authorizes the Mayor of the City of Chandler to execute the IGA on behalf of the City of Chandler.

PASSED AND ADOPTED by the City Council of the City of Chandler, Arizona, this _____ day of _____, 2025.

ATTEST:

_____ _____

CITY CLERK MAYOR

CERTIFICATION

I HEREBY CERTIFY that the above and foregoing Resolution No. 5922 was duly passed and adopted by the City Council of Chandler, Arizona, at a regular meeting held on the _____ day of _____, 2025 and that a quorum was present thereat.

_____
CITY CLERK

APPROVED AS TO FORM:

EXHIBIT “A”

INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement ("IGA") is made and entered into this 1ST day of APRIL, 2025, by and between the City of Chandler, an Arizona municipal corporation ("Chandler") and the City of Maricopa, an Arizona Municipal Corporation ("Maricopa"), collectively referred to in this IGA as the "parties."

RECITALS:

WHEREAS, the City of Chandler and the City of Maricopa both operate fire departments for their respective jurisdictions; and

WHEREAS, both the Chandler Fire Department (CFD) and the Maricopa Fire and Medical Department (MFD) are obligated to train their personnel; and

WHEREAS, CFD and MFD personnel provide mutual assistance to one another with respect to emergencies; and

WHEREAS, such mutual assistance will be more effective and efficient if the respective Fire Departments' personnel are jointly trained; and

WHEREAS, Chandler's Public Safety Training Center is large enough to accommodate the training of fire department personnel from both CFD and MFD; and

WHEREAS, the cost of personnel training will be reduced for both the CFD and the MFD if joint training is provided at the Chandler Public Safety Training Center; and

WHEREAS, Arizona Revised Statutes, Section 11-951, et. seq., provides that public agencies may enter into intergovernmental agreements for the provision of services, or for joint or cooperative action; and

WHEREAS, the MFD wishes to enter into this IGA to improve its capabilities thereby directly advancing the City of Maricopa's interest in protecting the health, safety and welfare of its citizens.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained in this IGA and other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties agree as follows:

1.0 Joint Training.

1.1 Agreement to Jointly Train. CFD and MFD agree to jointly train their respective fire department personnel in accordance with the terms and conditions of this IGA.

1.2 Schedule. CFD will use its best efforts to notify MFD of the time and date set for its trainings, and the topic of each such training, no less than fourteen (14) calendar days before the scheduled training event.

1.3 Training Topics. Training topics could include blood borne pathogens, electrical safety, confined space entry, flashover training, hazardous materials response, technical rescue, hose placement, ladder use and pharmacology. Other subjects will be included as necessary and MFD will be given the opportunity to suggest additional topics.

1.4 Training Location. Unless otherwise agreed to by the parties, all training pursuant to the IGA will be conducted at the Chandler Public Safety Training Center located at 3550 South Dobson Road, Chandler, Arizona.

1.5 MFD Personnel. MFD will send only MFD personnel to trainings scheduled pursuant to this IGA. Upon the request of MFD, CFD shall identify the number of spaces available to MFD personnel based on its estimate of the number of CFD personnel to be in attendance, the availability of funds for consumable items and capacity limits associated with the subject matter or topic of the training.

1.6 MFD Instructors. Nothing in this IGA shall be deemed to preclude CFD and MFD from agreeing to have MFD instructors cover some training topics. This provision, however, will not impact any aspect of Paragraph 2.1.

1.7 Use of Facility. MFD agrees to abide by all rules and regulations for use of the Chandler Public Safety Training Center, either written or oral, as provided by the appropriate representatives of the CFD.

2.0 Financial Aspects of Joint Training.

2.1 The Maricopa Fire Department's Contribution. The MFD total contribution shall be equal to Four Hundred Dollars ($400) per sworn firefighter employed by MFD as of the Effective Date and each anniversary of that date for the term of this IGA but not to exceed ninety (90) firefighters annually. Within thirty (30) calendar days of the Effective Date, and thirty (30) calendar days prior to the Effective Date anniversary of each year in the Term of this IGA, MFD shall submit written verification of the number of sworn firefighters to be employed by MFD on October 1st of the particular calendar year. Once this written verification is received by the CFD Training Division, MFD will be invoiced for the total contribution amount for the current fiscal year. Payment for this IGA will be due thirty (30) calendar days after submission of invoice to MFD.

3.0 General Provisions.

3.1 Term. Once both parties have executed this IGA, the term of the IGA will commence on January 1, 2025, and, unless renewed, amended, or terminated early, expire on December 31, 2025. If the parties renew this IGA in accordance with Subparagraph 3.1.1., the use of the word "Term" in this IGA will include any renewal term periods as well as the original one-year Term established in this Paragraph 3.1.

3.1.1 Automatic Renewal. This IGA will automatically renew for four additional one (1) year terms unless one of the parties notifies the other, at least 90 calendar days prior to end of the Term, of its intent to let the IGA expire.

3.1.2 Early Termination. Either party may terminate this IGA by providing notice to the other at least ninety (90) calendar days prior to the date the terminating party intends for the IGA is to be terminated. If Chandler terminates prior to the end of the Term, it will refund the MFD's payment made in accordance with Paragraph 2 on a pro-rata basis based on the number of calendar months remaining in the anniversary year of the Term in which the termination is made. If the MFD terminates prior to the end of the Term, no refund of the payment amount made in accordance with Paragraph 2 will be made. No refunds will be made if MFD reduces its number of personnel during any anniversary year of the Term after payment has been made.

3.2 Meetings. Representatives from CFD and the MFD will meet no less than once per year to discuss the mechanics of this IGA. The parties shall operate in good faith and will be responsive to any reasonable request of the other to meet to discuss matters covered by this IGA in addition to the minimum once per year meeting required.

3.3 IGA Not Exclusive. Nothing in this IGA shall prevent either CFD or the MFD from entering other agreements regarding the training, or joint training, of their respective fire department personnel.

3.4 Notice and Opportunity to Cure. Unless a breach of, or default under, this IGA will result in an imminent threat to public health, safety and welfare; the non-defaulting party shall provide the defaulting party written notice of the alleged breach or default and a reasonable opportunity to cure such breach or default prior to such breach or default becoming actionable.

3.5 Dispute Resolution. Prior to conducting any litigation relating to this IGA, CFD and the MFD shall negotiate in good faith and attempt to resolve any dispute, controversy or claim arising out of or relating to this IGA or the breach, termination, interpretation or validity hereof (a "Dispute").

3.6 IGA Indemnification. The MFD shall indemnify and hold harmless Chandler, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the MFD, or loss

or damage to any property contributed to or caused by the active or passive negligence of the MFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the MFD, at the request of Chandler, will assume the defense at the MFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

The CFD shall indemnify and hold harmless the City of Maricopa, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the CFD, or loss or damage to any property contributed to or caused by the active or passive negligence of the CFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the CFD, at the request of Maricopa, will assume the defense at the CFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

3.7 Notices. Unless otherwise provided in this IGA, all notices, demands, requests, consents, approvals and other communications (collectively, "Notices") required hereunder shall be given by certified U.S. mail, postage prepaid or personally delivered, against receipted copy, at the address set forth below or at such other address as either party shall, from time to time, designate in writing to the other by notice given in the same manner specified in this paragraph. Notices shall be deemed received upon receipt, which shall be evidenced by a receipted copy (in the case of notices that are personally delivered), or as evidenced by the postal service receipt.

If to Chandler:	Chandler Fire Department Attn: Chief Tom Dwiggins 151 East Boston Street Chandler, Arizona 85225
If to the Maricopa Fire Department:	Maricopa Fire Department Attn: Fire Chief Brad Pitassi 20340 N. Estrella Pkwy Maricopa AZ, 85139

4.0 Miscellaneous.

4.1 Entire Agreement. This IGA constitutes the entire understanding of the parties and no representations or agreements, oral or written, made prior to its execution shall vary or modify the terms herein.

4.2 Amendments. Any amendment to or variation from the terms of this IGA shall be in writing and shall become effective only after approval of both parties.

4.3 Counterparts. This IGA may be executed in two or more counterparts, each of which shall be deemed an original but which, when taken together, shall constitute one and the same instrument.

4.4 Cancellation. Each party acknowledges that this Agreement is subject to the cancellation provisions of A.RS. Section 38-511.

4.5 Good Standing Authority. Each of the parties represents and warrants to the other that it is duly formed and validly existing under the law of Arizona and that the signatory has the authority to bind the party on whose behalf each such individual is signing.

4.6 Default and Remedies. In the event that a party is in default hereunder, the other party shall have all remedies available to them at law or in equity (including expedited equitable relief) whether under this IGA or otherwise. The duties and obligations imposed by this IGA and the rights and remedies available hereunder shall be in addition to and not a waiver or limitation of any duties, obligations, rights and remedies otherwise imposed or available at law or equity.

4.7 Waiver. No waiver by any party of a breach of any of the terms or conditions of this IGA shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other terms or condition contained herein.

4.8 Non-Agents. This IGA does not create a principal/agent relationship or employer/employee relationship between the parties and neither party is hereby authorized to incur costs, expenses or other obligations on behalf of the other party. The parties agree that their respective employees are not under the jurisdiction or control of the other party for purposes of § 23-1022.

4.9 Successors and Assigns. This IGA shall be binding upon, inure to the benefit of and be enforceable by and against the Parties to this IGA and their respective heirs, executors, administrators, personal representatives, successors and assigns.

4.10 Interpretations and Definitions. The Parties agree that each Party and its counsel have reviewed and revised this IGA and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this IGA.

SIGNATURES ON FOLLOWING PAGE

IN WITNESS WHEREOF, the parties have executed this IGA by signing their names on the day and date first written above.

INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement ("IGA") is made and entered into this 1ST day of APRIL, 2025, by and between the City of Chandler, an Arizona municipal corporation ("Chandler") and the City of Maricopa, an Arizona Municipal Corporation ("Maricopa"), collectively referred to in this IGA as the "parties."

RECITALS:

WHEREAS, the City of Chandler and the City of Maricopa both operate fire departments for their respective jurisdictions; and

WHEREAS, both the Chandler Fire Department (CFD) and the Maricopa Fire and Medical Department (MFD) are obligated to train their personnel; and

WHEREAS, CFD and MFD personnel provide mutual assistance to one another with respect to emergencies; and

WHEREAS, such mutual assistance will be more effective and efficient if the respective Fire Departments' personnel are jointly trained; and

WHEREAS, Chandler's Public Safety Training Center is large enough to accommodate the training of fire department personnel from both CFD and MFD; and

WHEREAS, the cost of personnel training will be reduced for both the CFD and the MFD if joint training is provided at the Chandler Public Safety Training Center; and

WHEREAS, Arizona Revised Statutes, Section 11-951, et. seq., provides that public agencies may enter into intergovernmental agreements for the provision of services, or for joint or cooperative action; and

WHEREAS, the MFD wishes to enter into this IGA to improve its capabilities thereby directly advancing the City of Maricopa's interest in protecting the health, safety and welfare of its citizens.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained in this IGA and other good and valuable consideration, the adequacy of which is hereby acknowledged, the parties agree as follows:

1.0 Joint Training.

1.1 Agreement to Jointly Train. CFD and MFD agree to jointly train their respective fire department personnel in accordance with the terms and conditions of this IGA.

1.2 Schedule. CFD will use its best efforts to notify MFD of the time and date set for its trainings, and the topic of each such training, no less than fourteen (14) calendar days before the scheduled training event.

1.3 Training Topics. Training topics could include blood borne pathogens, electrical safety, confined space entry, flashover training, hazardous materials response, technical rescue, hose placement, ladder use and pharmacology. Other subjects will be included as necessary and MFD will be given the opportunity to suggest additional topics.

1.4 Training Location. Unless otherwise agreed to by the parties, all training pursuant to the IGA will be conducted at the Chandler Public Safety Training Center located at 3550 South Dobson Road, Chandler, Arizona.

1.5 MFD Personnel. MFD will send only MFD personnel to trainings scheduled pursuant to this IGA. Upon the request of MFD, CFD shall identify the number of spaces available to MFD personnel based on its estimate of the number of CFD personnel to be in attendance, the availability of funds for consumable items and capacity limits associated with the subject matter or topic of the training.

1.6 MFD Instructors. Nothing in this IGA shall be deemed to preclude CFD and MFD from agreeing to have MFD instructors cover some training topics. This provision, however, will not impact any aspect of Paragraph 2.1.

1.7 Use of Facility. MFD agrees to abide by all rules and regulations for use of the Chandler Public Safety Training Center, either written or oral, as provided by the appropriate representatives of the CFD.

2.0 Financial Aspects of Joint Training.

2.1 The Maricopa Fire Department's Contribution. The MFD total contribution shall be equal to Four Hundred Dollars ($400) per sworn firefighter employed by MFD as of the Effective Date and each anniversary of that date for the term of this IGA but not to exceed ninety (90) firefighters annually. Within thirty (30) calendar days of the Effective Date, and thirty (30) calendar days prior to the Effective Date anniversary of each year in the Term of this IGA, MFD shall submit written verification of the number of sworn firefighters to be employed by MFD on October 1st of the particular calendar year. Once this written verification is received by the CFD Training Division, MFD will be invoiced for the total contribution amount for the current fiscal year. Payment for this IGA will be due thirty (30) calendar days after submission of invoice to MFD.

3.0 General Provisions.

3.1 Term. Once both parties have executed this IGA, the term of the IGA will commence on January 1, 2025, and, unless renewed, amended, or terminated early, expire on December 31, 2025. If the parties renew this IGA in accordance with Subparagraph 3.1.1., the use of the word "Term" in this IGA will include any renewal term periods as well as the original one-year Term established in this Paragraph 3.1.

3.1.1 Automatic Renewal. This IGA will automatically renew for four additional one (1) year terms unless one of the parties notifies the other, at least 90 calendar days prior to end of the Term, of its intent to let the IGA expire.

3.1.2 Early Termination. Either party may terminate this IGA by providing notice to the other at least ninety (90) calendar days prior to the date the terminating party intends for the IGA is to be terminated. If Chandler terminates prior to the end of the Term, it will refund the MFD's payment made in accordance with Paragraph 2 on a pro-rata basis based on the number of calendar months remaining in the anniversary year of the Term in which the termination is made. If the MFD terminates prior to the end of the Term, no refund of the payment amount made in accordance with Paragraph 2 will be made. No refunds will be made if MFD reduces its number of personnel during any anniversary year of the Term after payment has been made.

3.2 Meetings. Representatives from CFD and the MFD will meet no less than once per year to discuss the mechanics of this IGA. The parties shall operate in good faith and will be responsive to any reasonable request of the other to meet to discuss matters covered by this IGA in addition to the minimum once per year meeting required.

3.3 IGA Not Exclusive. Nothing in this IGA shall prevent either CFD or the MFD from entering other agreements regarding the training, or joint training, of their respective fire department personnel.

3.4 Notice and Opportunity to Cure. Unless a breach of, or default under, this IGA will result in an imminent threat to public health, safety and welfare; the non-defaulting party shall provide the defaulting party written notice of the alleged breach or default and a reasonable opportunity to cure such breach or default prior to such breach or default becoming actionable.

3.5 Dispute Resolution. Prior to conducting any litigation relating to this IGA, CFD and the MFD shall negotiate in good faith and attempt to resolve any dispute, controversy or claim arising out of or relating to this IGA or the breach, termination, interpretation or validity hereof (a "Dispute").

3.6 IGA Indemnification. The MFD shall indemnify and hold harmless Chandler, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the MFD, or loss

or damage to any property contributed to or caused by the active or passive negligence of the MFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the MFD, at the request of Chandler, will assume the defense at the MFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

The CFD shall indemnify and hold harmless the City of Maricopa, its officers, agents and employees from and against claims or expenses, including penalties and assessments and attorney's fees to which they or any of them may be subjected by reason of injury or death of any person, including the employees, agents and invitees of the CFD, or loss or damage to any property contributed to or caused by the active or passive negligence of the CFD, its agents, servants, employees, contractors or subcontractors in the activities described in this IGA or in connection therewith. In case any suit or other proceeding shall be brought on account thereof, the CFD, at the request of Maricopa, will assume the defense at the CFD's own expense and will pay all judgments rendered therein. The provisions of this Subparagraph 3.6 shall survive termination of this IGA.

3.7 Notices. Unless otherwise provided in this IGA, all notices, demands, requests, consents, approvals and other communications (collectively, "Notices") required hereunder shall be given by certified U.S. mail, postage prepaid or personally delivered, against receipted copy, at the address set forth below or at such other address as either party shall, from time to time, designate in writing to the other by notice given in the same manner specified in this paragraph. Notices shall be deemed received upon receipt, which shall be evidenced by a receipted copy (in the case of notices that are personally delivered), or as evidenced by the postal service receipt.

If to Chandler:	Chandler Fire Department Attn: Chief Tom Dwiggins 151 East Boston Street Chandler, Arizona 85225
If to the Maricopa Fire Department:	Maricopa Fire Department Attn: Fire Chief Brad Pitassi 20340 N. Estrella Pkwy Maricopa AZ, 85139

4.0 Miscellaneous.

4.1 Entire Agreement. This IGA constitutes the entire understanding of the parties and no representations or agreements, oral or written, made prior to its execution shall vary or modify the terms herein.

4.2 Amendments. Any amendment to or variation from the terms of this IGA shall be in writing and shall become effective only after approval of both parties.

4.3 Counterparts. This IGA may be executed in two or more counterparts, each of which shall be deemed an original but which, when taken together, shall constitute one and the same instrument.

4.4 Cancellation. Each party acknowledges that this Agreement is subject to the cancellation provisions of A.RS. Section 38-511.

4.5 Good Standing Authority. Each of the parties represents and warrants to the other that it is duly formed and validly existing under the law of Arizona and that the signatory has the authority to bind the party on whose behalf each such individual is signing.

4.6 Default and Remedies. In the event that a party is in default hereunder, the other party shall have all remedies available to them at law or in equity (including expedited equitable relief) whether under this IGA or otherwise. The duties and obligations imposed by this IGA and the rights and remedies available hereunder shall be in addition to and not a waiver or limitation of any duties, obligations, rights and remedies otherwise imposed or available at law or equity.

4.7 Waiver. No waiver by any party of a breach of any of the terms or conditions of this IGA shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other terms or condition contained herein.

4.8 Non-Agents. This IGA does not create a principal/agent relationship or employer/employee relationship between the parties and neither party is hereby authorized to incur costs, expenses or other obligations on behalf of the other party. The parties agree that their respective employees are not under the jurisdiction or control of the other party for purposes of § 23-1022.

4.9 Successors and Assigns. This IGA shall be binding upon, inure to the benefit of and be enforceable by and against the Parties to this IGA and their respective heirs, executors, administrators, personal representatives, successors and assigns.

4.10 Interpretations and Definitions. The Parties agree that each Party and its counsel have reviewed and revised this IGA and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this IGA.

City Council Memorandum Fire Memo No.

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
Tadd Wille, Assistant City Manager
Thomas Dwiggins, Fire Chief
From: Haley Bartosik, Senior Management Analyst
Subject: Fire and Emergency Medical Dispatch Services Appropriation for Fiscal Year (FY) 2025-26

Proposed Motion:

Move City Council approve the appropriation for fire and emergency medical dispatch services for FY 2025-26, in accordance with the current IGA with the City of Phoenix, in the amount of $1,697,699.

Background:

Chandler Fire Department (CFD) began utilizing the Phoenix Fire Department Regional Dispatch System in 2003, and it has greatly benefited from its Intergovernmental Agreement (IGA) with the Phoenix Fire Department. This partnership provides CFD with dispatch services, technical assistance, and equipment maintenance related to the CAD (Computer Aided Dispatch) system. In FY 2008-09, the Regional Consortium implemented a full cost recovery approach for expenses related to personnel, new equipment, and upgrades. Additionally, through this IGA, Maricopa Ambulance dispatch services are provided, with Maricopa Ambulance reimbursing the City of Chandler in the amount of $347,870 for these services.

Key benefits of being part of the Regional Dispatch Center include enhanced coordination, which improves communication and resource allocation between agencies, leading to efficient response times. The region operates on an automatic aid system in which the closest and most appropriate resources are dispatched automatically, regardless of jurisdictional boundaries. This unique system aids in improved response times and more efficient service, as all regional

partners operate within this system. The regional approach to dispatch services provided by the Phoenix Fire Department allows for the success of multi-jurisdictional responses and the resulting response time efficiencies. Additionally, cost savings are achieved through shared expenses for CAD system implementation and maintenance. The partnership also allows for the seamless sharing of data across jurisdictions and for standardized protocols for regional response. CFD also benefits from shared training resources and technical support of the CAD system.

Financial Implications:

The total financial implication to the City is $1,697,699, which is appropriated in the FY 2025-26 Fire Operating Budget. The FY 2025-26 dispatch fee rate for CFD is $33.51 per dispatch, and $24.32 per ambulance dispatch. Maricopa Ambulance will reimburse the City in the amount of $347,870 for ambulance dispatches.

INTERGOVERNMENTAL AGREEMENT
BETWEEN
THE CITY OF PHOENIX
AND
THE CITY OF CHANDLER
FOR THE PHOENIX FIRE DEPARTMENT REGIONAL DISPATCH SYSTEM

AGREEMENT NO. 07-502

This Intergovernmental Agreement ("IGA") is entered into this 5th day of June, 2019, by and between the City of Phoenix, for and on behalf of the Phoenix Fire Department ("the City"), and the City of Chandler, for and on behalf of the Chandler Fire Department ("the Agency"). Throughout this Agreement, the City and the Agency individually may be referred to as "Party" and may be referred to collectively as "Parties" to this Agreement. All entities that enter into an agreement with the Phoenix Fire Department for dispatch services, as listed herein in Exhibit A, will form the "Phoenix Fire Department Regional Dispatch System".

RECITALS

WHEREAS, the City Manager of Phoenix, is authorized and empowered by provisions of the City Charter to execute contracts; and,

WHEREAS, the City is authorized and empowered to enter into intergovernmental agreements for the provision of services or for joint or cooperative action pursuant to Arizona Revised Statutes (A.R.S.) §11-952. The City is also authorized and empowered pursuant to Chapter 2, Section 2 (i), of the Charter of the City of Phoenix; and,

WHEREAS, agreements for mutual assistance and intergovernmental cooperation in public safety areas, including operations and management of fire and police, or the public safety related agencies have existed between municipalities and governmental jurisdictions; and,

WHEREAS, it is the desire of the municipalities, governmental jurisdictions, agencies and fire districts participating in this Agreement, to work together for mutual benefit of the public, Agency's community and all of the Agency's personnel; and,

WHEREAS, the Agency desires to participate in the Phoenix Fire Department Regional Dispatch System in order to more effectively provide emergency fire, medical and other services; and,

WHEREAS, the City desires the participation of the Agency to more effectively provide emergency fire, medical and other services; and,

WHEREAS, Ordinance No. S-45763 dated June 5, 2019 authorized the City to enter into an agreement with the City of Chandler for participation in the Phoenix Fire Department Regional Dispatch System.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises, inducements, covenants, agreements, conditions and other good and valuable consideration, the receipt and sufficiency which is acknowledged, the Parties agree as follows:

ARTICLE I. PURPOSE

1. This Agreement is to enhance the effectiveness of public safety through consistency in emergency dispatch of fire department resources throughout the region.

2. The purpose of this Agreement is to define the dispatch service and support that will be provided by the Phoenix Fire Department ("PFD") to the Agency. The Phoenix Fire Department Regional Dispatch Center ("PFDRDC") utilizes a Computer Aided Dispatch ("CAD") and Global Positioning System to process and dispatch requests for assistance to fire, medical and other non-police emergencies. The PFDRDC is a secondary Public Safety Answering Point ("PSAP") for the metropolitan Phoenix region that can receive information from multiple primary PSAP locations within the region.

3. Agencies choosing to be dispatched by the PFDRDC and have likewise chosen to participate in the separately agreed to Regional Metropolitan Phoenix Fire Service Automatic Aid Agreement, will comprise the Central Arizona Life Safety Council (CASLSC).

4. The objective of CALSC is to provide the most effective and efficient use of all participant's fire department resources within the Phoenix Metropolitan region. This objective is met by the automatic dispatch of the closest, most appropriate resources meeting the needs of requested emergency responses, regardless of jurisdictional boundaries of those jurisdictions that choose to participate in the Regional Metropolitan Phoenix Fire Service Automatic Aid Agreement.

5. Agencies choosing to be dispatched by the PFDRDC and are not a member of the CASLSC will be viewed as a mutual aid jurisdiction and dispatched accordingly.

ARTICLE II. STATEMENT OF SERVICES

1. **Dispatch Services:**
   - 1.1 The City agrees to provide dispatching services for Agency's fire department apparatus, and vehicles for emergency responses within that Agency's jurisdiction.

1.2 Any request by the Agency for the support of a planned event or other activities that will require additional personnel or resources beyond the standard service provided by the City will be evaluated for the impact to the system. If, after evaluation, it is determined that the request will have a negative impact on standard operations and will require additional personnel or materials to adequately support the request, the requesting Agency will be responsible for all costs. A thirty (30) day notice is required for any request for support of a planned event.

1.3 Pursuant to this Agreement and as a condition of participation, Agency is required to participate in the Regional Metropolitan Phoenix Fire Service Automatic Aid Agreement, or participate in a Mutual Aid Agreement with neighboring jurisdictions, and agrees to comply with all requirements of those respective agreements.

1.4 Pursuant to this Agreement and as a condition of participation, Agency agrees to conform to the Phoenix Regional Standard Operating Procedures also known as Volume II made available as described in Exhibit B.

2. Technical Services:

2.1 The System utilizes a CAD system, which in turn utilizes standardized components consisting of Mobile Computer Terminals ("MCTs"), a station alerting package and direct network connections over dedicated circuits among each Agencies' fire stations and the PFDRDC. To facilitate dispatch, and as a condition of participation, Agency is required to provide for all needed infrastructure compatible with the System. Any agency currently receiving dispatch services will be required to provide direct network connection.

2.1.1 Acceptable forms of direct network connections include: dedicated leased-line, microwave, metro-optical Ethernet.

2.1.2 Non-acceptable forms of direct network connections include: wireless connections, such as LTE, cable modem, DSL, satellite, and/or dial up telephone.

2.1.3 Agencies currently receiving dispatch services on a non-acceptable form of a direct network connection will have 12-months to remedy the situation with an acceptable direct network connection.

2.2 Upon entering into an agreement the City will provide a technical assessment of Agency's initial equipment needs. After the assessment, Agency will be provided a written requirements document and will further be responsible to provide all equipment assessed as needed for all of Agency's stations, apparatus and vehicles to facilitate dispatching. If the Agency, for any reason, cannot provide

for all the initial and ongoing needed equipment as required by the City, the Agency cannot participate in this Agreement.

Further, if any future expansion or alteration to existing services are requested, a written request must be submitted to Phoenix Fire Department Technical Services. After receipt of request, the City will perform an assessment to determine equipment requirements. After the assessment is complete, Agency will be provided a written requirements document, Agency must provide all equipment assessed before any services will be provided.

2.3 The City will assist the Agency with coordination and installation of initial and any future equipment needs for Agency's fire stations, apparatus or vehicles. Installation services will be billed on a Time and Materials cost structure. All new additions to Agency's initial base equipment inventory will require a 180-day written notice prior to equipment being placed in service. Additionally, outside vendors approved by the Phoenix Fire Technical Services Section may be utilized by either Phoenix or the Agency. All equipment provided by an outside vendor must meet the Phoenix Fire Departments Technical Services specifications.

2.4 Beginning January 1, 2020 all initial and subsequent purchases of equipment will be the responsibility of the Agency.

2.5 Agency shall not, without the prior written consent of the City and the system hardware/software providers, copy or reproduce the hardware, software or firmware used within the System, or make such items available to others in whole, or in part.

2.6 Agency agrees that the requirements of this Section will be incorporated into all subcontractor/sub consultant agreements entered into by the Agency. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

2.7 The obligations of Agency under this Section will survive the termination of this Agreement.

2.8 Other communications equipment, including, but not limited to, apparatus radios, portable radios and system infrastructure, which may be necessary for Agency's deployed apparatus to function within the System, but not defined within this Agreement and not necessarily needed by the City to conduct dispatch, are the sole responsibility of the Agency. Purchase and maintenance of such equipment to ensure interoperable communications consistent with Standard Operating Procedure Phoenix Fire Department Volume 2 are required of the Agency.

3. **Other Items:**

3.1 If Agency intends to expand its original geographical and/or jurisdictional boundaries, that will require a change in service, that Agency is required to provide a 180-day written notice to allow for programing changes to the CAD system.

It is understood that such an expansion may necessitate a new assessment as described in Section 2–Technical Services. It is further understood by the Agency that an increase to the geographical and/or jurisdictional boundary may lead to an increase to the charges and fees as determined by the City.

3.2 The City agrees to install and maintain the Agency's geographical databases, necessary for processing dispatches. Agency is responsible to provide any geographical database information, including updates to the Phoenix Fire Department's Technical Services section, within one-hundred eighty (180) days of receipt.

3.3 Dispatch equipment covered under this Agreement that is damaged or rendered unserviceable by the City through improper repair, or otherwise, shall be repaired/replaced at no cost to the Agency.

3.4 Dispatch equipment covered under this Agreement that is damaged or rendered unserviceable by the Agency through improper repair, or otherwise, shall be repaired/replaced at no cost to the City.

3.5 The Agency will be responsible for any lost, stolen, or damaged equipment to City of Phoenix owned equipment installed on a temporary or permanent basis at the Agency's facilities.

3.6 The City will provide management information reports to the Agency that are consistent with Phoenix Fire Department reporting.

3.7 CAD Agencies will receive the following PCMSS licenses:

3.7.1 one (1) free PCMSS license for each fire station

3.7.2 one (1) free PCMSS license for each battalion office

3.7.3 one (1) free administrative license

Any additional PCMSS licenses requested and installed at a CAD Agency facility will be billed $200/license per year.

3.8 Any costs associated with utility company circuits, connections and monthly services, as a result of participation in this Agreement, shall be borne by Agency as necessary.

3.9 In the event that this Agreement is terminated, all devices and related equipment provided by the City and not originally purchased by the Agency, shall be returned as the sole property of the City. The City will not be obligated to reimburse monies already collected under this Agreement.

3.10 Upon the Agency's request, the City will provide an electronic copy of the Phoenix Fire Department Hydrant Map and Street Guide Book for Agency's emergency response unit.

3.11 The Parties are aware that other jurisdictions may enter into an agreement with the City and be added to the System at the sole discretion of the City.

3.12 During the course of this Agreement, the underlying technology supporting systems and equipment covered under this Agreement may become obsolete as a result of advances in technology ("Technology Obsolescence"). In the case of Technology Obsolescence, the evolution of a newer technology generation and the associated costs will be the subject of amendments to this Agreement.

ARTICLE III. TERM OF THE AGREEMENT

1. **Term:**
   This Agreement shall commence on the Effective Date referenced above, regardless of the date of recordation with the Maricopa County Recorder's Office, and shall continue in force through December 31, 2027, or until terminated by formal act of the Parties.

2. **Termination:**
   Pursuant to the provisions of A.R.S § 38-511, either party may terminate this Agreement by providing one hundred eighty days (180) written notice to the other parties Fire Chief.

ARTICLE IV. GENERAL TERMS AND CONDITIONS

1. **Governing Law; Forum; Venue:**
   This Agreement is executed and delivered in the State of Arizona, and the substantive laws of the State of Arizona (without reference to choice of law principles) will govern their interpretation and enforcement. Any action brought to interpret or enforce any provision of this Agreement that cannot be administratively resolved, or otherwise related to or arising from this Agreement, will be commenced and maintained in the state or federal courts of the State of Arizona, Maricopa County, and each of the

Parties, to the extent permitted by law, consents to jurisdiction and venue in such courts for such purposes.

2. **Implied Contract Terms:**
Each and every provision of law and any clause required by law to be in this Contract shall be read and enforced as though it were included herein, and, if through mistake or otherwise, any such provision is not inserted, or is not correctly inserted, then upon the application of either Party, the Contract shall be physically amended to make such insertion or correction.

3. **Parol Evidence:**
This Contract is intended by the undersigned Parties as the final expression of their agreement and is intended to be the complete and exclusive statement of the terms of the agreement between the Parties. No course of prior dealings between the Parties and no usage in the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing Party has knowledge of the nature of the performance and the opportunity to object.

4. **Confidentiality and Data Security:**

4.1 All data, regardless of form, including originals, images and reproductions, prepared by, obtained by, or transmitted to the Agency in connection with this Agreement is confidential, proprietary information owned by the City. Except as specifically provided in this Agreement, the Agency will not disclose data generated in the performance of the Services to any third person without the prior written consent of the City Manager, or his/her designee.

4.2 Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times to avoid unauthorized access. At a minimum, Agency must encrypt and/or password protect electronic files. This includes data saved to laptop computers, computerized devices or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed.

4.3 In the event that data collected or obtained by the Agency in connection with this Agreement is believed to have been compromised, Agency will notify the City Privacy Officer immediately. Agency agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach.

4.4 Agency agrees that the requirements of this Section will be incorporated into all subcontractor/sub consultant agreements entered into by the Agency. It is further agreed that a violation of this Section will be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice.

4.5 The obligations of Agency under this Section will survive the termination of this Agreement.

5. **Third-Party Beneficiary Clause:**
The Parties expressly agree that this Agreement is neither intended by any of its provisions to create any right of the public or any member thereof as a third Party beneficiary, nor to authorize anyone not a Party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

6. **Agreement Cancellation:**
All Parties acknowledge that this Agreement is subject to cancellation by the City pursuant to the provisions of A.R.S. § 38-511.

In addition, this Agreement may be terminated at any time by mutual written consent, or by either Party, with or without cause, upon giving one hundred and eighty-days (180) written notice to the other Party. The City at its convenience, by written notice, may terminate this Agreement, in whole or in part. If this Agreement is terminated, the Agency will be liable under the provisions of this contract for services and material rendered and accepted. All devices and related equipment provided by the City and not originally purchased by the Agency, shall be returned as the sole property of the City. The City will not be obligated to reimburse monies already collected under this Agreement.

The City reserves the right to cancel the whole or any part of this Agreement due to failure of the Agency to carry out any term, promise, or condition of the agreement. The City will issue a written notice of default to the agency for acting or failing to act as in any of the following:

- In the opinion of the City, the Agency provides personnel who do not meet the requirements of the contract;
- In the opinion of the City, the Agency fails to perform adequately the stipulations, conditions or services/specifications required in this agreement;
- In the opinion of the City, the Agency attempts to impose on the City personnel or materials, products or workmanship, which is of an unacceptable quality.

- In the opinion of the City, the Agency fails to make progress in the performance of the requirements of the agreement and/or gives the City a positive indication that the Agency will not or cannot perform to the requirements of the agreement.

7. **Fund Appropriation Contingency:**
   The Parties understand that the continuation of this Agreement is subject to the budget of the Parties providing for the contract item as an expenditure. The Parties cannot assure that the budget item for funding this Agreement will be approved in the future. In such event, either Party may terminate this Agreement.

8. **No Joint Venture:**
   No term or provision in this Agreement is intended to create a partnership, joint venture or agency arrangement between any of the Parties.

9. **Assignment and Delegation:**
   Neither this Agreement, nor any of its rights or obligations, may be transferred or assigned by either Party without the prior written consent of both Parties. Any attempt to assign this Agreement without prior written consent will be void and may result in penalties up to and including termination of the Agreement.

10. **Entire Contract; Amendment, No Oral Modification:**
    This Agreement constitutes the complete agreement of the Parties. It supersedes all previous representations, understandings, and agreements, written or oral, relating to the subject matter of this Agreement. This Agreement and its terms may not be modified or changed except in writing signed by both Parties.

11. **Invalidity of Any Provisions:**
    This Agreement will remain in effect even if one or more of its terms or provisions have been held to be invalid or unenforceable. Such a holding will result in the offending term or provision being ineffective to the extent of this Agreement, which would subsequently be construed as though the invalid or unenforceable term or provision never existed. Upon discovery by either Party of invalid terms or provisions, written notice will be given to the other Party within ten (10) business days.

12. **Independent Contractor Status:**
    The Parties agree that neither Party shall be deemed to be an employee or agent of the other Party to this Agreement and that the relationship created by this Agreement is that of independent contractors. Neither Agency nor any of Agency's agents, employees or helpers will be deemed to be the employee, agent, or servant of the City. Agency, its employees and subcontractors are not entitled to worker's compensation benefits from the City.

13. Workers' Compensation:

The Parties agree that it is the responsibility of each Party to ensure that its employees are notified in accordance with the provision of Arizona Workers' Compensation Law, specifically, A.R.S. § 23-1022, or any amendment thereto, and that all such notices, as required by such laws, shall be posted accordingly. That by signing this Agreement and to ensure compliance with the notice posting requirements, each Party grants consent to all other Parties to inspect that Party's respective premises and work places upon request of any of the other Parties. However, nothing in this Agreement should be construed as imposing a duty to inspect another Party's respective premises and work places, and this agreement does not create a joint or employer/employee relationship between a Party and another Party's employees.

14. Severability:

The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which shall remain in effect without the invalid provision or application.

15. Non-Waiver:

Any City delay or failure to exercise or enforce any right, power, privilege, or remedy under this Agreement may not be deemed a waiver, release, or modification of the requirements of this Agreement or any of its terms or provisions.

16. Compliance with Laws:

The Agency will comply with all existing and subsequently enacted federal, state and local laws, ordinances, codes, and regulations that are, or become applicable to this Agreement. If a subsequently enacted law imposes substantial additional costs, a request for an amendment may be submitted pursuant to this Agreement.

17. Transactional Conflict of Interest:

The Parties acknowledge that this Agreement is subject to cancellation provisions pursuant to Arizona Revised Statutes (A.R.S.) §38-511, the provision of which are incorporated herein and made a part hereof.

18. Compliance with Non-Discrimination Laws:

The Parties agree to comply with all applicable state and federal laws, rules, regulations and executive orders governing equal employment opportunity, non-discrimination and affirmative action.

19. Equal Employment Opportunity and Equal Pay:

In order to do business with the City, the Agency must comply with Phoenix City Code, 1969, Chapter 18, Article V, as amended, Equal Employment Opportunity Requirements. Contractor will direct any questions in regard to these requirements to the Equal Opportunity Department, (602) 262-6790.

20. Drug Free Workplace:

The Parties will comply with the Drug Free Workplace Act of 1988 and will permit inspection of its personnel records to verify such compliance. A Party's breach of the above-mentioned warranty shall be deemed a material breach of the Agreement and may result in the termination of the Agreement.

21. Immigration Requirements:

The Parties will comply with the Immigration Reform and Control Act of 1986 ("IRCA") and will permit inspection of its personnel records to verify such compliance. To the extent applicable under A.R.S. § 41-4401, each Party warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). Each Party has the right to inspect the papers of the other Parties participating in this Agreement to ensure compliance with this paragraph. A Party's breach of the above-mentioned warranty shall be deemed a material breach of the Agreement and may result in the termination of the Agreement.

22. Legal Worker Requirements:

The City is prohibited by Arizona Revised Statutes § 41-4401 from awarding an agreement to any organization who fails, or whose subcontractors fail, to comply with Arizona Revised Statutes § 23-214(A). Therefore, the Agency agrees that:

22.1 Each subcontractor the Agency uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with Arizona Revised Statutes § 23-214,

22.2 A breach of warranty will be deemed a material breach of the Agreement and is subject to penalties up to and including termination of the Agreement.

22.3 Only through an audit with the Agency, will the City retain the legal right to inspect the papers of the Agency or subcontractor employee(s) who work(s) on this Agreement to ensure that the Agency or subcontractor is complying with the warranty.

23. Lawful Presence Requirement:

Pursuant to A.R.S. §§ 1-501 and 1-502, the City of Phoenix is prohibited from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement **does not** apply to business organizations such as corporations, partnerships or limited liability companies.

24. No Israel Boycott:
By entering into this Agreement, the Parties certify that they are not currently engaged in, and agree for the duration of the Contract to not engage in, a boycott of Israel.

25. Arbitration:
In accordance with A.R.S. § 12-1518, where applicable, the Parties agree to resolve all disputes arising out of or relating to this Agreement through arbitration as required by A.R.S. § 12-133.

ARTICLE V. PAYMENTS

1. Total Charges and Fees:
Agency understands the System is based upon a one hundred percent (100%) cost recovery model and agrees to pay the City the following service fee structure as referenced in Exhibit C titled "Fees and Charges".

1.1 An Initial Technology Expenses Service Fee for all costs for all initial installation for stations, apparatus and equipment needed to provide the dispatch service.

1.2 An Additional Technology Expenses Service Fee for all costs for any additional (a) fire stations, (b) apparatus and (c) equipment added after initial purchase.

1.3 An Annual Dispatch Service Fee which will be based on the previous fiscal year's annual costs to operate the PFDRDC, this fee will be calculated as a per dispatch cost and charged to the Agency based on the Agency's previous Fiscal Year dispatch totals.

1.4 An annual General Maintenance Service Fee for the maintenance and support associated with parts and materials for each specific piece of equipment in the Agency's inventory. This fee will be calculated on a per unit charge. Each Agency will be charged based on the total number of units of equipment assigned to the Agency.

1.5 An annual Network System Fee for ongoing circuit costs, support, and maintenance of the Phoenix Fire CAD and Dispatch Network. Each customer will be charged based on the number of connections to the CAD and Dispatch Network.

1.6 An annual CAD System Fee that will include the following;

1.6.1 CAD Modernization Service Fee to allow for the future development and implementation of an upgraded CAD operating system will be charged. This charge will be assessed per each dispatch received by the Agency in the previous Fiscal Year. This fee will accrue until such time as needed for a CAD system replacement.

1.6.2 CAD Maintenance Service Fee for the ongoing support and maintenance specific to the CAD system. This charge will be assessed per each dispatch received by the Agency in the previous Fiscal Year.

1.7 An annual GIS and Data Analytics fee for the ongoing maintenance of the GIS records and for data requests. This charge will be assessed per each dispatch received by the Agency in the previous Fiscal Year.

1.8 A Planned Event fee will be charged on a time and materials basis for any support of events outside the standard dispatch services provided by the City. The requesting Agency will be provided a quote for services that are required to support the event. Prior to any services rendered, the requesting Agency must provide to the City an approved and signed quote for service.

2. **Billing:**

2.1 The City will invoice the Agency quarterly in accordance with the Schedule A contained in Exhibit C of this Agreement. Exhibit C will be annually revised and will become effective on July 1, of each year.

2.2 The City will advise the Agency of the estimated total fees and charges for the coming fiscal year no later than December 1, of the previous calendar year. The Agency is responsible to verify its equipment counts and notify the City of any discrepancies in counts by December 31, of the previous calendar year. The City will provide written notice to the Agency of the finalized total fees and charges by July 1 of each year.

2.3 The Initial or Additional technology fees will be invoiced upon completion of requested project.

2.4 The Planned Event fees will be invoiced upon completion of the event.

2.5 All fees associated with the dispatch or support of private entities contracted by the Agency, i.e. private ambulance service or air ambulance service, will be the responsibility of the Agency. These fees' will be included in the Agency's annual schedule A and will be invoiced accordingly.

ARTICLE VI. INDEMNIFICATION

1. **Indemnification:**

To the extent permitted by law, each party shall indemnify, defend, save and hold harmless the other party and its officers, officials, agents, and employees from and against any and all claims, actions liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily or personal injury (including death), or

loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of each party or any of its respective owners, officers, directors, agents, employees or subcontractors.

ARTICLE VII. NOTICES

1. Any notice, consent, or other communication ("notice") required or permitted under this Agreement must be in writing and either delivered in person, sent by facsimile transmission, deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested, or deposited with any commercial air courier or express service addressed as follows:

<u>If to CITY:</u>	<u>If to Agency:</u>
Phoenix Fire Department	Chandler Fire Department
150 South 12th Street	151 East Boston Street
Phoenix, AZ 85034	Chandler, AZ 85225
Attn: Kara Kalkbrenner	Attn: Tom Dwiggins
Phoenix Fire Chief	Chandler Fire Chief
Telephone: (602) 256-3189	Telephone: (480) 782-2120
Fax: (602) 262-4429	Fax: (480) 782-2150

Notice will be deemed received at the time it is personally served or, on the day it is sent by facsimile transmission or, upon deposit with any commercial air courier or express service or, if mailed, ten (10) days after the notice is deposited in the United States mail as provided above. Either Party may change its mailing address, fax number, or the contact information for the person to receive notice by notifying the other Party as provided herein. Notice sent by facsimile transmission must also be sent by regular mail to the recipient at the above address. This requirement for duplicate notice is not intended to change the effective date of the notice sent by facsimile transmission.

IN WITNESS WHEREOF, this Agreement is executed as provided below. Further, in signing this Agreement, the signatories below affirm and attest that they are authorized to execute this Agreement on behalf of their respective Party.

I. Dispatch Service Fee

	Per Dispatch Fee	Dispatch Count *	Total
FD Dispatches	$22.47	5,000	$112,350.00
Private Ambulance Dispatches	$13.64	100	$1,364.00
Helicopter Dispatches	$13.64	10	$136.40
		Total Dispatch Service Fees:	$113,850.40

II. General Maintenance Service Fees

	$ / Unit	# Units	Ext $
Station Pack Maint. - FD	$9,300	5	$46,500.00
Temp Station Pack Maint. - FD	$9,300	1	$9,300.00
MCT/AVL Maint. - FD	$4,100	10	$41,000.00
Airmobile Maint. - FD	$4,100	5	$20,500.00
		Total Specific Maintenance Service Fees:	$117,300.00

III. Network System Fees

	$ / Unit	# Units	Ext $
Temp Station Pack Rental - FD	$8,500	1	$8,500.00
Network System Fee - FD	$17,400	1	$17,400.00
Additional PCMSS licenses - FD	$200	1	$200.00
MCT Lite - FD	$480	1	$480.00
		Total Network System Fees:	$8,500.00

IV. CAD System Fees

	Per Dispatch Fee	Dispatch Count *	Total
CAD Modernization Service Fee - FD	$5.00	5,000	$25,000.00
CAD Maintenance Service Fee - FD	$1.00	5,000	$5,000.00
		Total CAD System Fees:	$30,000.00

V. GIS & Data Analytics Fees

	Per Dispatch Fee	Dispatch Count *	Total
GIS & Data Analytics Fee - FD	$1.00	5,000	$5,000.00
		Total GIS & Data Analystics Fees:	$5,000.00
		Total Schedule A:	**$274,650.40**

The Dispatch Service, Specific Maintenance, Network System, CAD System, and GIS & Data Analytics fees for the [Name of Agency] are $274,650.40. The City of Phoenix will invoice the Name of Jurisdiction on a quarterly basis in the amount of $68,662.60.

Dispatch counts are calculated from the total number of dispatches occuring from July 2017 through June 2018.

Item Billing Terms for CAD Partners

Item	Unit Cost	U/M	Annual Cost	U/M	Description
Dispatch Service Fee - Fire	$33.51	per dispatch			A fee charged per dispatch to help cover Alarm Room operating costs. The are three (3) rates: 1. Fire Dispatch: fee charge for each fire dispatch 2. InterFacility Dispatch: fee charge for each InterFacility ambulance dispatch (not dispatched with Fire unit) 3. Ambo/Helo Dispatch: fee charge for each ambulance or helicopter dispatch. CAD partners that provide ambulance services within their own borders and are dispatched with a Fire unit are not charged this fee.
Dispatch Service Fee - InterFacility	$24.32	per dispatch			
Dispatch Service Fee - Ambo/Helo	$24.32	per dispatch			
Fire Station Package Maintenance Fee			$9,300	each	A station alerting system is used to forward dispatch calls to and within the fire station. This version is a "permanent" installation and not designed to be moved between locations. This fee covers the cost for the USDD station package extended warranty (break and fix, replacement of dead parts, firmware updates) and support staff costs. This is solely for the USDD station package units.
Temp Fire Station Package Maintenance Fee			$9,300	each	This version is a "temporary" installation and is designed to be moved between locations or for a short-term lease. This fee covers the cost for the USDD station package extended warranty (break and fix, replacement of dead parts, firmware updates) and support staff costs. This is solely for the USDD station package units.
MCT/AVL Maintenance Fee			$4,100	each	Mobile Computer Terminal (MCT) - Panasonic Toughbooks ruggedized wireless computer. The GPS system sends location of vehicles back to Alarm Room to determine location of nearest available vehicle for an incident. This fee covers the cost of the GPS for apparatus locations back to CAD and the equipment that needs to be maintained (cabling, antenna), in addition to support staff costs.
Airmobile Equipment Maintenance Fee			$4,100	each	Airmobile server is a fire station-based server that provides wireless updates to the MCT units. This fee covers the cost for airmobile equipment maintenance and "break/fix" replacement parts, and support staff costs.
WAN/LAN System Fee			$17,400	per connection	Wide Area Network (WAN) / Local Area Network (LAN) System - This is a network connection between the City of Phoenix facility and the CAD partner. Most CAD partners have a single WAN/LAN System link between Phoenix and the partner, with the partner having their own internal computer network. Annual cost: annual telecommunications cost for this link (Lumen, Cox, AT&T, etc), equipment maintenance, system upgrades, and support staff costs.
PCMSS Additional Licenses			$200	each	PCMSS is a software package to access the CAD system to see: incident history, fire hydrant locations, unit status, etc. Cost is for maintenance upgrades and technical support. Premise Manager is software that allows users to attach documents (floor plans, access information, MSDS info, etc) to a parcel location accessible on the MCT. Cost is for maintenance upgrades and technical support. Per CAD-IGA, each CAD partner receives one (1) PCMSS license for each fire station, one (1) administrative license, and one (1) license for each battalion office. Additional licenses are charged at the state rate per license (for additional workstations).
CAD Modernization Service Fee	$5.00	per dispatch			CAD Modernization Service Fee allows for the future development and implementation of an upgraded CAD operating system will be charged. This charge will be assessed per each dispatch received by the CAD Partner in the previous Fiscal Year. This fee will accrue until such time as needed for a CAD system replacement.
CAD System Maintenance Service Fee	$1.00	per dispatch			CAD System Maintenance Service Fee is for the ongoing support and maintenance specific to the CAD system. This charge will be assessed per each dispatch received by the CAD Partner in the previous Fiscal Year.
GIS & Data Analytics Fee	$0.00	per dispatch

City Council Memorandum Information Technology Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
Sandip Dholakia, Chief Information Officer
From: Lisa Lapp, Chief Applications Officer
Subject: Purchase of Annual Support and Maintenance for the Talent Management Suite

---

Proposed Motion:

Move City Council approve the purchase of annual support and maintenance for the talent management suite, from Saba Software, Inc., for a period of three years, beginning September 25, 2025, through September 24, 2028, in an amount not to exceed $499,387 ($158,410 for the first year, $166,330 for the second year, and $174,647 for the third year).

Background/Discussion:

In Fiscal Year 2018-19, the city replaced its outdated and unsupported learning management system with a comprehensive enterprise talent management suite from Saba Software, Inc. The software solution referred to as LEAF provides a wide variety of collaboration tools, including training and performance management, that support the professional development of the city's workforce. The city is currently in the planning phase for the new enterprise resource planning system (ERP) and human resource information system (HRIS), which is not anticipated to be implemented for about two more years. This purchase is for a three-year renewal of software support and maintenance for the current LEAF system while new options are evaluated in conjunction with the ERP and HRIS replacements.

Evaluation:

On September 18, 2018, City Council approved an agreement with Saba Software, Inc. for the talent management suite. Saba Software was selected following a competitive procurement process. The terms and conditions of the original agreement remain in effect. Support and maintenance for the LEAF talent management suite is only available from Saba Software, Inc. Staff recommends the purchase of annual support and maintenance from Saba Software, Inc. for the period of September 25, 2025, through September 24, 2028.

Financial Implications:

The annual cost for each of the three years is as follows:

Year One	$158,410	September 25, 2025 - September 24, 2026
Year Two	$166,330	September 25, 2026 - September 24, 2027
Year Three	$174,647	September 25, 2027 - September 24, 2028

City Council Memorandum Information Technology Memo No. N/A

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John Pombier, Acting City Manager Dawn Lang, Deputy City Manager - CFO Sandip Dholakia, Chief Information Officer
From:	Molly Mahai, IT Chief Infrastructure Officer
Subject:	Purchase of SolarWinds Software Annual Maintenance

Proposed Motion:

Move City Council approve the purchase of SolarWinds software annual maintenance, from SHI International, utilizing the Omnia Partners Contract No. 2024056-02, in the amount of $108,390, for the period of one year, beginning August 11, 2025, through August 10, 2026.

Background/Discussion:

Solarwinds is a suite of tools which include networking monitoring and alerting, SQL database performance analyzing, and application monitoring. It is our foundational tool for alerting and is growing more useful for inventory and capturing important system information. It is currently monitoring devices throughout the city network, including switches, routers, firewalls, servers, databases, and applications. This suite allows IT to proactively address issues that may appear, usually before the user is aware. It is instrumental in providing excellent customer service and allows us to resolve problems before they become widespread. The licensing for this tool suite is subscription-based, and the renewal is due in August. City IT is recommending that city council approve the renewal in the amount of $108,390.

Evaluation:

The City of Mesa, on behalf of Omnia Partners, competitively solicited and awarded a contract for information technology solutions and services. The city has a current agreement with Omnia Partners allowing for the cooperative use of their contracts.

Fiscal Impact

City Council Memorandum Information Technology Memo No. N/A

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Dawn Lang, Deputy City Manager - CFO Sandip Dholakia, Chief Information Officer
From:	Molly Mahai, IT Chief Infrastructure Officer
Subject:	Purchase of Rubrik Support and Maintenance

Proposed Motion:

Move City Council approve the purchase of Rubrick support and maintenance, from SHI International Corp., utilizing the Omnia Partners Contract No. 2024056-02, in the amount of $213,339.

Background/Discussion:

Frequent data backups are a key component of a resilient and secure infrastructure. Rubrik is used for the city's backup solution. Databases, servers and shared drives are backed up every evening. The immutable (point in time/version) backups ensure that data cannot be altered or encrypted by ransomware, which provides a critical defense against cyber threats. It contains features that allow IT to configure the recovery point based on business requirements. This solution also positions us well for growth as it is easy to scale to match our needs. The licensing for this tool is subscription-based and the renewal is due in August. The IT department is requesting to approve $213,339 for the renewal.

Evaluation:

The City of Mesa, on behalf of Omnia Partners, competitively solicited and awarded a contract for information technology solutions and services, to SHI International Corp. The city has a current agreement with Omnia Partners allowing for the cooperative use of its contracts.

City Council Memorandum Information Technology Memo No. N/A

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Dawn Lang, Deputy City Manager - CFO Sandip Dholakia, Chief Information Officer
From:	Adrian Zamora, Technology Support Manager
Subject:	Purchase of Computers and Equipment

Proposed Motion:

Move City Council approve the purchase of computers and equipment, from Dell Marketing LP, utilizing the State of Arizona Contract No. CTR068890, in an amount not to exceed $2,852,962.

Background/Discussion:

The City of Chandler annually reviews the reliability and need for replacement of computer workstations and monitors. As part of this review, workstations and associated peripherals were identified for replacement during FY 2025-26. These workstations are anticipated to reach the end of their usable life and will no longer be supported. Prior to replacement, each computer will be assessed.

Dell Computers have been the standard for desktop and laptop computers for the City since 2007 when they were selected after comparing their offerings to other competitors. Using a single provider for these devices allows for better support and management in several ways: a single software image can be applied to all devices, technicians only need to be experts on the city's standard devices, lower quantities can be stocked; and devices can easily be swapped or moved as required. By aggregating annual purchases into a single order, the City was able to negotiate a larger discount than would normally be provided.

Evaluation:

The State of Minnesota, on behalf of NASPO ValuePoint, competitively solicited and awarded a contract for computer equipment, peripherals, and related services to Dell Marketing LP. The State of Arizona adopted the NASPO ValuePoint contract. The city has a current agreement with the State, allowing for the cooperative use of its contracts. Staff recommends the cooperative use of this contract to leverage volume discounts.

City Council Memorandum Management Services Memo No. 26-003

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
Kristi Smith, Financial Services Director
From: Danielle Wells, Revenue and Tax Senior Manager
Subject: New License Series 7, Beer and Wine Bar Liquor License application for Jeffrey Craig Miller, Agent, Outpost Kodelia, LLC, DBA The Outpost Arcade

Proposed Motion:

Move for recommendation to the State Department of Liquor Licenses and Control for approval of the State Liquor Job No. 351000, a Series 7, Beer and Wine Bar Liquor License, for Jeffrey Craig Miller, Agent, Outpost Kodelia, LLC, DBA The Outpost Arcade, located at 590 N. Alma School Road, Suite 19, and approval of the City of Chandler, Series 7, Beer and Wine Bar Liquor License No. 309913.

Discussion:

This application for a liquor license was posted for hearing on August 14, 2025.

Staff requests a recommendation for this liquor license as the establishment does not have an interim liquor license permit with the Department of Liquor Licenses and Control (DLLC) and desires to begin serving alcohol. The DLLC allows 60 days for the City to provide a recommendation for a liquor license application. This recommendation for approval by the Local Governing Body will be within 60 days allowing the applicant to proceed with their new liquor license application process.

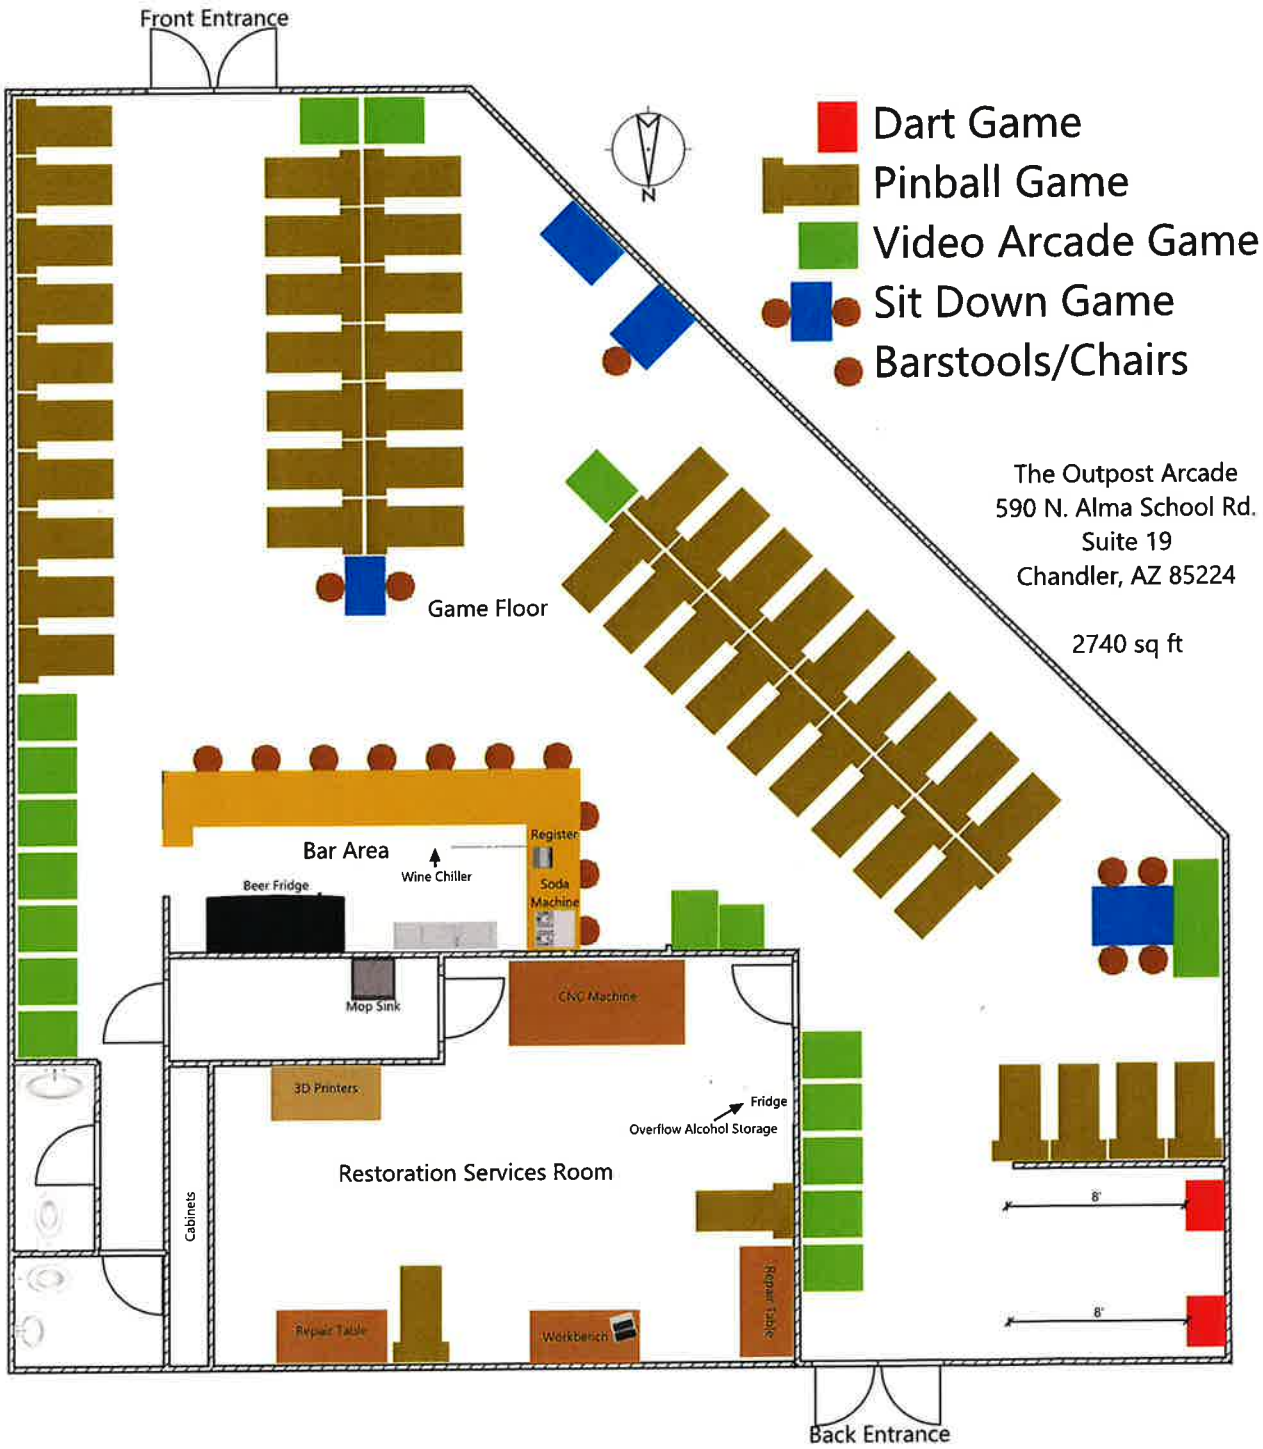

The Police Department reports no objections to the issuance of this license. With a Series 7, Beer and Wine Bar Liquor License, the business may sell beer and wine only for on- or off-premise consumption.

CHANDLER arizona
Community of Innovation

City Council Memorandum Management Services Memo No. N/A

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Dawn Lang, Deputy City Manager - CFO Kristi Smith, Financial Services Director
From:	Christina Pryor, Procurement & Supply Senior Manager
Subject:	Purchase of Janitorial and Sanitation Supplies

Proposed Motion:

Move City Council approve the purchase of janitorial and sanitation supplies, from Waxie Sanitary Supply, utilizing the City of Tucson Contract No. 240240-01, in an amount not to exceed $300,000, for the period of August 1, 2025, through July 31, 2026.

Background/Discussion:

The City of Chandler requires a diverse and extensive supply of janitorial and sanitation supplies for delivery to Central Supply and various other city locations, as well as a representative to provide onsite product and service consultations, demonstrations, and cleaning direction and training. The City of Tucson contract provides a broad supply of products and services to ensure the support of daily maintenance operations. It includes such items as carpet and hard floor care cleaners, brooms and buckets, restroom care and cleaning supplies, as well as toilet paper, paper towels, and plastic can liners.

Evaluation:

The City of Tucson, as the Principal Procurement Agency, partnered with OMNIA Partners and competitively solicited and awarded a contract for janitorial and sanitation supplies. The city has a current agreement with the City of Tucson allowing for the cooperative use of Tucson's contracts. The City of Tucson's contract is valid through June 30, 2028.

Items are purchased throughout the year only as needed and stock levels are maintained at the minimum levels necessary to support city operations. Staff recommends cooperative use of this contract based on volume discounts and value-added services such as training, consulting, and equipment repair programs.

Financial Implications:

Funds for the purchase of janitorial and sanitation supplies will be from the Central Supply Inventory account (101.0000.1516) and charged back to individual cost centers as supplies are issued.

Fiscal Impact

City Council Memorandum Management Services Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
Dawn Lang, Deputy City Manager - CFO
Kristi Smith, Financial Services Director
From: Christina Pryor, Procurement & Supply Senior Manager
Subject: Agreement No. WH2-914-4361, Amendment No. 4, for Electrical Supplies

---

Proposed Motion:

Move City Council approve Agreement No. WH2-914-4361, Amendment No. 4, with Consolidated Electrical Distributors, Inc., DBA Arizona Electric Supply, for electrical supplies, in an amount not to exceed $200,000, for the period of September 1, 2025, through August 31, 2026.

Background/Discussion:

This agreement is for the purchase of a variety of electrical supplies stocked in Central Supply and used by the Public Works and Utilities, Community Services, Neighborhood Resources, and Buildings and Facilities departments and divisions. These departments and divisions can also purchase items directly from the recommended supplier. Items available under this agreement include street lighting, electrical wire, connectors, conduits, ballasts, and traffic equipment.

Evaluation:

On August 26, 2021, City Council approved an agreement with Consolidated Electrical Distributors, Inc., DBA Arizona Electric Supply, for electrical supplies, for a one-year period, with the option of up to four one-year extensions. The Contractor has agreed to extend for one additional year at the same terms and conditions, with a price increase. Consolidated Electrical Distributors, Inc., DBA Arizona Electric Supply, was notified by its supplier manufacturers of price increases on items the City purchases. The supplier manufacturers cite cost increases on labor, transportation, and tariffs on steel and aluminum. Staff

reviewed the requested changes and found them to be reasonable. Staff recommends extension of this Agreement for the term of September 1, 2025, through August 31, 2026. This will be the fourth and final extension of this agreement.

Financial Implications:

Funds for the purchase of electrical supplies will come from the Central Supply Inventory account (101.0000.1516). Individual cost centers will be charged for supplies as they are issued from Central Supply to various departments.

Amendment 4

Docusign Envelope ID: 1419CE4F-81AF-41AB-9362-6C6F445E7DD3

City Clerk Document No. _____

City Council Meeting Date: _____

AMENDMENT TO CITY OF CHANDLER AGREEMENT
ELECTRICAL SUPPLIES
CITY OF CHANDLER AGREEMENT NO. WH2-914-4361

THIS AMENDMENT NO. 4 (Amendment No. 4) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Consolidated Electrical Distributors Inc. dba Arizona Electric Supply, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____, 2025 (Effective Date).

RECITALS

WHEREAS, the Parties entered into an agreement for electrical supplies (Agreement); and

WHEREAS, the term of the Agreement is September 1, 2021, through August 31, 2022, with the option of up to four additional one-year extensions; and

WHEREAS, the Parties wish to exercise the fourth and final option through this Amendment to extend the Agreement for September 1, 2025 through August 31, 2026.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The Agreement is extended for a one-year period September 1, 2025, through August 31, 2026.

3. Section IV Price is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B. Total payments made to the Contractor during the term of this Amendment No. 4 will not exceed $200,000.

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 4 and the Agreement, the terms and conditions in this Amendment No. 4 prevail and control.

Docusign Envelope ID: 1419CE4F-81AF-41AB-9362-6C6F445E7DD3

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Community of Innovation

City Council Memorandum Communications and Public Affairs Memo No.

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
From: Matt Burdick, Communications and Public Affairs Director
Subject: City Council Strategic Framework 2025-2027

Proposed Motion:

Move City Council pass and adopt Resolution No. 5925 to approve the City Council Strategic Framework.

Background:

The City Council first adopted a Strategic Framework in 2019 and has updated that document every two years to express its vision, goals and focus areas to guide policy decisions and investments in the community. The City Council held a retreat on April 29, 2025, which included discussions to identify desired updates to the previously adopted City Council Strategic Framework. The City Council also held a work session on June 26, 2025, to review updates that would be made to the City Council Strategic Framework for 2025-2027.

Discussion:

Resolution No. 5691, adopted in May 2023, approved the City Council Strategic Framework for 2023-2025.

Attachments

Resolution No. 5925
Strategic Framework 2025-2027

RESOLUTION NO. 5925

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHANDLER, ARIZONA, APPROVING THE CITY COUNCIL STRATEGIC FRAMEWORK FOR 2025-2027.

WHEREAS, the City Council adopted a City Council Strategic Framework in 2019 and has updated that document every two years to express its vision, brand statement, policy goals and focus areas that will guide policy decisions and investments in the community; and

WHEREAS, the City Council held a retreat on April 29, 2025, which included discussions that identified desired updates to the previously adopted City Council Strategic Framework; and

WHEREAS, the City Council held a work session on June 26, 2025, during which it reviewed updates that would be made to the City Council Strategic Framework for 2025-2027.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chandler, Arizona, that:

Section 1. Approves and adopts the City Council Strategic Framework for 2025-2027 attached hereto.

PASSED AND ADOPTED by the City Council of the City of Chandler, Arizona, this 14th day of August, 2025.

ATTEST:

Community of Innovation

Message from Mayor Kevin Hartke

Chandler doesn't just hope for a prosperous future; we prepare for it and pursue it with passion and purpose. As your Mayor, I am proud to share the Chandler City Council's future-focused vision that continues to prioritize innovation, responsible planning and high-quality services for our vibrant community.

The 2025-2027 Strategic Framework reflects our commitment to provide a clear vision that ensures Chandler remains a Community of Innovation, offering opportunity and resilience for years to come. We've become a thriving city of talented people and advanced industries that are helping to shape the nation's innovation economy and the world of tomorrow.

Chandler has earned this reputation by embracing change, advancing technology and creating an environment where ideas become action. The Strategic Framework builds upon this legacy by reinforcing the values that have made Chandler one of the most dynamic and future-focused cities in Arizona.

This kind of progress doesn't happen by chance. It is the result of intentional decisions, collaborative partnerships and a shared belief that Chandler's best days are still ahead. We remain committed to creating a city where young families, hard-working professionals and lifelong residents can enjoy a high quality of life and are proud of the community they call home.

Chandler's future is bright, and together, we will keep building a city that leads, adapts and thrives.

Sincerely,

Mayor Kevin Hartke

Community of Innovation

Future Focus

Planning and wise investments position Chandler for the future. The focus areas described on the following pages provide the strategic planning framework of policy priorities that will guide decision making by the Chandler City Council for the next two years. Each focus area page highlights ways we are focused on the future.

Six focus areas identified by the City Council are priorities for investments through 2027.

Community Safety

Connectivity

Economic Vitality

Neighborhoods

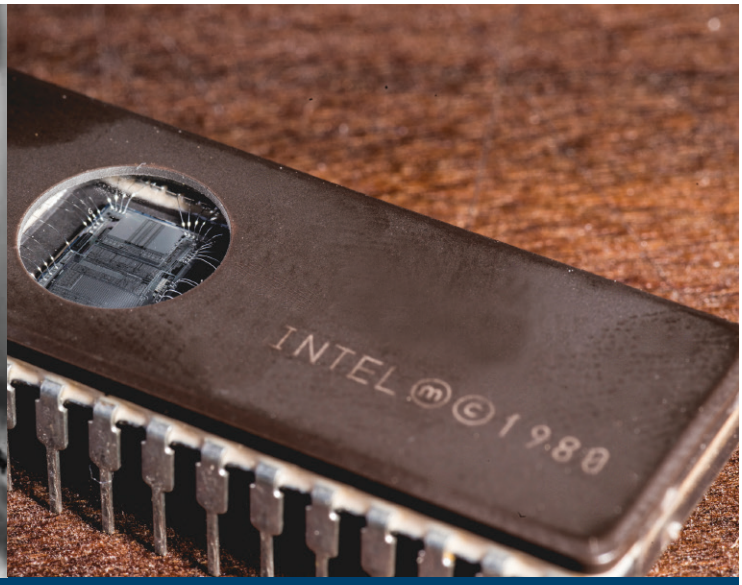

Quality of Life

Sustainability and Technology

For more than 50 years, Chandler has welcomed high-tech manufacturing, pioneering research and emerging technologies that shape the way people live and work. Today, that legacy continues to grow. We are proud to be part of the Greater Phoenix region, one of the 10 fastest-growing metro areas in North America for tech-sector jobs. Our community is at the heart of that momentum.

From advanced manufacturing to aerospace and defense, bioscience, advanced business services and next-generation software engineering, Chandler continues to attract and grow the industries that will define the innovation economy.

Major healthcare providers, global manufacturers and leading technology firms are choosing Chandler to expand their operations not just because of what we provide today, but because of the opportunity our city presents for tomorrow.

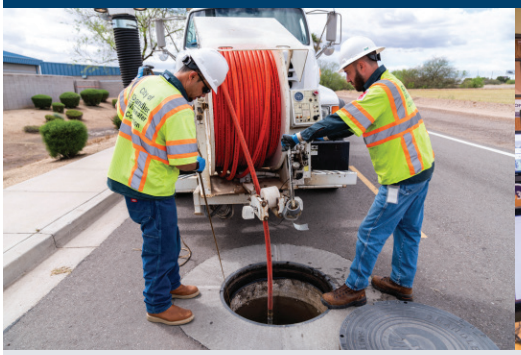

The 2025-2027 Strategic Framework ensures that Chandler is not just reacting to growth but shaping it. Thoughtful long-range planning, streamlined development processes and smart capital investments lay the groundwork for what comes next.

We are enhancing infrastructure to support business expansion, preparing the workforce through education and training partnerships and positioning the community to meet the employment, housing and mobility needs of residents.

We are building a more connected and resilient city, one that uses technology to streamline operations, increase sustainability and improve services. Our focus on water and energy efficiency, digital connectivity and cybersecurity positions Chandler as a city ready to serve in an increasingly complex and interconnected world.

What unites all these efforts is a simple truth: Chandler is a community that looks ahead. We ask not only what our city needs today, but what it will need in five, ten and twenty years and we move accordingly. The Strategic Framework is our playbook to ensure we are a step ahead, investing wisely and keeping our community's future in focus. Decisions made today create the foundation for tomorrow.

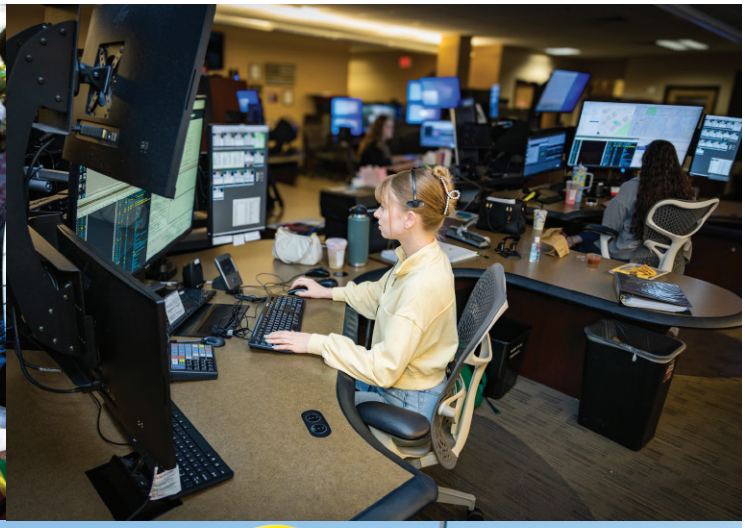

Courage, Brains and Heart

The Mayor's 2025 State of the City address showcased our community's courage to dream big, use our collective brainpower to innovate and display heart by supporting each other. Chandler's heritage gives us roots and our innovative spirit offers us wings. Let's use both to better our future.

Community Safety

Chandler is recognized among the safest cities in the nation. Our fire and police departments are accredited and elite in their field. We ensure our community's safety with continued investment in people, systems and technology. Community partnerships extend our ability to address emerging safety needs.

Ensuring community safety through:

- Community-based policing and engagement through a presence in neighborhoods and schools.
- The care provided by a municipal ambulance service and accredited paramedic training program.
- The enhanced capabilities for crime prevention and investigation enabled by the development of a Police Forensic Sciences facility.
- Technology that advances community safety and efficiency of public safety resources.
- The attraction and retention of the next generation of our public safety workforce.

Future Focus

Chandler Police use cutting-edge technology during emergency calls with real-time operational data that delivers live, actionable intelligence for officers before they arrive on-scene. This means police are better informed, better prepared and ultimately safer because in emergencies, seconds and information matter.

Connectivity

The ability to connect people, places and commerce through local, regional and virtual networks is essential. Chandler is served by three major highways, two railroad corridors, a well-planned street and transit network, expanding bike and shared-use paths and a municipal airport that efficiently connects people and commerce. Advanced communication technology and transportation systems enhance our ability to connect locally, regionally and internationally.

Future Focus

The passage of Proposition 479 has continued the dedicated regional half-cent sales tax for transportation through 2045. It will fund more than $800 million in roadway and transit improvements in the Chandler area during the next two decades, ensuring better connectivity to local and regional destinations.

Forward-thinking transportation and technology networks with:

- Safe, attractive and well-maintained roadways, bike paths and transportation infrastructure.
- Integrated micro-transit services and other forms of mobility that connect people with local destinations.
- Advanced fiber and wireless technology networks that connect people and businesses.
- Investments in transportation infrastructure that supports commerce and the viability of neighborhoods.
- Resident input and communication that follows best practices and promotes awareness of upcoming roadway projects and neighborhood improvements.

Economic Vitality

Economic vitality includes the use of proactive policies and targeted marketing efforts that ensure Chandler remains a world-class community for residents, visitors and businesses. Our approach preserves the viability of employment corridors and positions properties for adaptive reuse, infill and redevelopment. We offer a supportive environment for first-time entrepreneurs and businesses at every stage of development, from startups to global industry leaders. Chandler continues to be a destination of choice thanks to our pro-business leadership, talented workforce and nationally recognized quality of life.

Strategic economic development through:

- A future focus that preserves employment areas for business expansion and quality job creation.
- Proactive public infrastructure investments that lower development costs for desired infill and economic development with long-term returns for the city.
- Promoting Chandler's favorable ecosystem and business environment to attract financial partnerships and capital investments that further the city's economic development goals.
- A modern airport that supports business aviation and job creation through airpark area employment.
- Workforce development partnerships with higher education, trades and industries that keep Chandler's next generation of talent locally.
- Streamlined development processes that create a reputation for excellence trusted by private sector developers and businesses.
- Attraction of targeted industries and unique retail destinations.
- Downtown development that promotes the city's cultural heritage, economic vitality, safety and walkability.

Future Focus

A prosperous community is built by connecting residents with workforce development and local employment opportunities, creating a talent pipeline for continued economic growth. Chandler engages public schools, trade industries, higher education partners and local companies to prepare residents for careers with skills that address emerging employment needs.

Neighborhoods

To sustain an exceptional quality of life for Chandler residents, preservation and enhancement of neighborhoods is paramount. These approaches ensure that all neighborhoods remain safe and vibrant. High-quality housing developments and amenities shape the character of our community. Engaging residents, developers and stakeholders provide opportunities to achieve this goal, while maintaining each neighborhood's distinct character.

Future Focus

The General Plan Update for voters to approve in 2026 will lay out the community's long-term aspirations, articulate its vision and guide physical, economic and social development decisions. Concurrently, Chandler's Comprehensive Housing Plan seeks to align housing strategies with economic development goals and workforce needs.

Unique and vibrant communities with:

- Destinations for people to live with an emphasis on diverse housing products for home ownership.
- Designated housing corridors for infill and redevelopment projects that create housing, employment and retail uses.
- Land trusts that create affordable, high-quality workforce housing options for students, teachers and young professionals.
- Projects that promote reinvestment in traditional neighborhoods through infrastructure and park maintenance that support cleanliness and community pride.
- Innovative neighborhood engagement programs and partnerships with Chandler schools to develop investments and enhance neighborhoods.
- Advocacy that seeks to protect neighborhoods from state legislative impacts and commercial blight.

Quality of Life

Chandler's commitment to high standards has spanned generations and resulted in the safe and beautiful community residents and businesses enjoy today. Innovative practices and partnerships enhance the quality of services and programs offered. Our unparalleled quality of life includes a focus on arts, culture, learning and recreation.

Providing an exceptional quality of life through:

- Parks, walkable spaces and recreational amenities that cater to community needs.
- Recreational and social spaces that enable people to converse and connect in the community.
- Partnerships and streamlined permit processes that bolster special events managed by community members.
- Activities and programs that capitalize on Chandler's culture, unique history, educational excellence and captivating artistic and musical talent.
- A community and municipal organization that showcases its cultural heritage and values connection and impact.

Future Focus

The renovation of Chandler's existing parks and recreational facilities reflect ways we are adapting amenities and programs to fulfill the evolving needs of residents for active, athletic and social spaces connecting our community.

Sustainability and Technology

Reliable infrastructure, water resources and financial policies are foundational to fulfilling the needs of residents and industries that drive the local economy. The pursuit of sustainable utility and technology infrastructure advances our ability to meet the community's unique needs and equips our empowered, talented workforce to serve residents and businesses.

Embrace sustainable and technology advancements through:

- Investments in the city's water resources and utility infrastructure.
- Advocacy with energy and technology providers to enhance reliability and service capacity in Chandler.
- A sustainable building program for private sector development that produces energy efficiency and cost savings for infill and redevelopment.
- Advanced technology and artificial intelligence use that streamlines internal processes, ensures cybersecurity and promotes service delivery.
- Partnerships with energy providers to help residents' access solutions that improve energy efficiency and lower costs of services.
- Urban forestry and green space assets that enhance livability while respecting the desert environment and preserving water resources.

Future Focus

Chandler's focus on fiscal strength and stability are illustrated through the excellent stewardship of operating expenses and AAA bond ratings that limit debt on a capital improvement program that enhances public infrastructure, parks and facilities to move our community forward.

City Council Memorandum Police Memo No. N/A

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Tadd Wille, Assistant City Manager
Bryan Chapman, Police Chief
From: Carole Speranza, Police Operations Manager
Subject: Agreement No. PD5-200-4934, with FX Tactical LLC, L.N. Curtis & Sons dba Curtis Blue Line, and Galls, LLC, for Police Uniforms and Duty Gear

---

Proposed Motion:

Move City Council approve Agreement No. PD5-200-4934, with FX Tactical LLC, L.N. Curtis & Sons dba Curtis Blue Line, and Galls, LLC, for Police Uniforms and Duty Gear, in an amount not to exceed $458,000, for a one-year period, September 1, 2025, through August 31, 2026, with the option of up to four additional one-year extensions.

Background/Discussion:

This agreement provides for the Police Department's annual needs for uniforms for all patrol officers (including reserves), motor officers, park rangers, cadets, motorist assist volunteers, detention officers, civilians, as well as some uniform related accessories such as baseball caps and Class A hats. This agreement will also allow for replacement of worn or damaged uniforms, alterations, and related needs.

Evaluation:

On June 23, 2025, City staff issued a Request for Police Uniforms and Duty Gear. Notification was sent to all registered vendors. Five responses were received from the following offerors:

1. Ace Uniforms of Phoenix
2. Ares Integrated Resources LLC.
3. DANA Safety Supply, Inc.

4. FX Tactical LLC.
5. Galls, LLC.
6. GT Distributors, Inc.
7. L.N. Curtis & Sons dba Curtis Blue Line
8. Proforce Law Enforcement

The Evaluation Committee evaluated the proposals and recommends award to FX Tactical LLC, L.N. Curtis & Sons dba Curtis Blue Line, and Galls, LLC., which submitted the most advantageous offers to the City in accordance with the evaluation criteria. The term of this agreement is September 1, 2025, through August 31, 2026, with the option of up to four additional one-year extensions.

City Council Meeting Date:_____

CITY OF CHANDLER PURCHASE AGREEMENT
POLICE UNIFORMS AND DUTY GEAR
CITY OF CHANDLER AGREEMENT NO. PD5-200-4934

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and L.N. Curtis & Sons dba. Curtis Blue Line, a California Corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties), made _____, 2025 (Effective Date).

RECITALS

A. City proposes to purchase police uniforms and duty gear as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the goods or services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these goods or services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

Contractor must perform in accordance with Exhibit A to the City's satisfaction within the terms and conditions of this Agreement and within the care and skill that a person who provides similar goods services in Chandler, Arizona exercises under similar conditions. All goods or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the goods or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the goods or services.

SECTION III: PERIOD OF SERVICE

Contractor must perform in accordance with Exhibit A for the term of this Agreement.
The term of the Agreement is 1 year (s), and begins on September 1, 2025 and ends on August 31, 2026 unless sooner terminated in accordance with this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to 4 additional terms of 1 year (s) each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION IV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance approved and accepted by the City under this Agreement, and all companion agreements must not exceed **$458,000.00**. Contractor must submit requests for payment for goods or services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those goods or services negotiated as a lump sum will be made in accordance with the percentage of the goods furnished or services completed during the preceding billing period. Goods or services negotiated as a not-to-exceed fee will be paid in accordance with the goods furnished or services completed during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted goods or services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the goods or services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing goods or services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of work, cost of goods, cost of performance, or Project schedule, the goods or services will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any purchase or service provided for in this Agreement, or abandon any portion of the Project for which the Contractor has performed. In the event the City abandons or suspends the purchase or services, or any part of the purchase or services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the goods or services Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's goods or services to appraise the status completed. The Contractor will receive compensation in full for goods provided or services performed to the date of such termination. The fee will be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Purchasing Division	Name: Mike Longstreth
Title: Purchasing Officer	Title: Store Manager
Address: 175 S. Arizona Ave	Address: 5035 S. 33rd Street
Chandler, AZ 85225	Phoenix, AZ 85040
Phone: 480-752-2400	Phone: 602-529-3800
Email: purchasing@chandleraz.gov	Email: mlongstreth@curtisblueline.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in furnishing goods or performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to furnish goods or perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Work. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor's compliance.

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides goods or services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.36 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.37 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.38 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Work
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.39 Special Conditions. As part of the goods furnished or the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.40 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.41 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.42 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.43 Warranties. Unless otherwise provided in Exhibit D, the Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.44 Liens. The Contractor warrants that the materials supplied under this Agreement are free of liens and will remain free of liens.

5.45 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the City of the materials, they will be (a) of a quality to pass without objection in the trade under the Agreement description, (b) fit for the intended purposes for which the materials are used, (c) within the variations permitted by the Agreement and are of even kind, quantity, and quality within each unit and among all units, (d) adequately contained, packaged and marked as the Agreement may require, and (e) conform to the Contractor's written promises or affirmations of fact.

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

5.46 Fitness. The Contractor warrants that any material supplied to City will fully conform to all requirements of the Agreement and all the Contractor's representations, and will be fit for all purposes and uses required by the Agreement.

5.47 Inspection/Testing. The warranties set forth in the Agreement are not affected by the City's inspection or testing of or payment for the materials by the City.

5.48 Packing and Shipping. The Contractor will be responsible for industry standard packing, which conforms to requirements of carrier's tariffs and Interstate Commerce Commission (ICC) regulations. Containers must be clearly marked as to lot number, destination, address, and purchase order number.

5.49 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.50 Risk of Loss. The Contractor will bear all loss of conforming material covered under this Agreement until received by authorized personnel at the location designated in the purchase order or Agreement. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials will remain with the Contractor regardless of receipt.

5.51 Current Products. All products offered in response to this solicitation will be in current and ongoing production; will have been formally announced for general marketing purposes; will be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the City's solicitation.

5.52 Annual Usage Report. Upon request, the Contractor will furnish to the City an annual usage report delineating the acquisition activity governed by the Agreement. The format of the report will be approved by the City and will disclose the quantity and the dollar value of each agreement item by individual purchasing unit.

5.53 Catalogs/Agreement Price Listing. As applicable, the Contractor will furnish to all requesting departments catalogs at no cost, which will outline agreement prices.

5.54 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.55 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.56 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

SCOPE OF WORK

BACKGROUND AND OBJECTIVES

The City of Chandler is entering into a term contract for police uniforms and duty gear. Items will be ordered on an as-needed basis throughout the term of the contract and purchase volume is not guaranteed.

The City of Chandler Police Department currently has 348 sworn employees and 191 civilian employees. Each of these sworn employees may be provided with the standard six (6) shirts, four (4) pants, or two (2) polos for each civilian or an equivalent number of uniforms per the individuals position per year by the City. Officers may purchase additional uniforms other than those provided by the City through any resultant contract(s). The officers shall be responsible for payment of any additional uniforms purchased.

Commonly ordered duty gear equipment is listed in the Exhibit B, price schedule. Although commonly ordered duty gear equipment is identified, the list is not inclusive of all police duty gear that may be ordered under the contract and as need arises, additional product may be added or removed throughout the extension terms of the contract.

SCOPE OF WORK AND REQUIREMENTS

Contractors shall provide measuring and alteration services at the contractor's facility for all Police Department personnel, including sworn and civilian employees who are provided with uniforms under this contract.

Contractors shall provide installation of patches, hemming of pants and other minor alterations of garments as needed at no additional charge.

The city will provide patches for installation. Contractor shall chain-stitch patches 1" below the top shoulder seam of sleeve and centered on the outer facing of sleeve.

Contractors shall crease front and back of trouser legs with military style creases. Cargo pocket pant shall not have permanent creases.

Contractor shall ensure all shirts, except polo shirts, have a collar with fused-in mylar stays.

Contractor shall provide military creases on shirts.

Order Delivery: Unless otherwise agreed between the City and the contractor, items shall be delivered within 30 days of order.

Returns: Unless otherwise agreed between the City and the contractor, there shall be no fees associated with the return of items ordered under this contract.

EXHIBIT C TO AGREEMENT
INSURANCE

INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

1. The Contractor's insurance must contain broad form contractual liability coverage.

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of

Docusign Envelope ID: 6A4BE73F-B86C-4E41-A425-81AA21056E70

three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. *Insurance Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.

2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

City Clerk Document No. _____

City Council Meeting Date:_____

CITY OF CHANDLER PURCHASE AGREEMENT
POLICE UNIFORMS AND DUTY GEAR
CITY OF CHANDLER AGREEMENT NO. PD5-200-4934

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and FX Tactical, LLC, an Arizona Limited Liability Corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties), made _____ , 2025 (Effective Date).

RECITALS

A. City proposes to purchase police uniforms and duty gear as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the goods or services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these goods or services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Contractor must perform in accordance with Exhibit A to the City's satisfaction within the terms

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

and conditions of this Agreement and within the care and skill that a person who provides similar goods services in Chandler, Arizona exercises under similar conditions. All goods or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the goods or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the goods or services.

SECTION III: PERIOD OF SERVICE

Contractor must perform in accordance with Exhibit A for the term of this Agreement.
The term of the Agreement is 1 year (s), and begins on September 1, 2025 and ends on August 31, 2026 unless sooner terminated in accordance with this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to 4 additional terms of 1 year (s) each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION IV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance approved and accepted by the City under this Agreement, and all companion agreements must not exceed **$458,000.00**. Contractor must submit requests for payment for goods or services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those goods or services negotiated as a lump sum will be made in accordance with the percentage of the goods furnished or services completed during the preceding billing period. Goods or services negotiated as a not-to-exceed fee will be paid in accordance with the goods furnished or services completed during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted goods or services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the goods or services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing goods or services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of work, cost of goods, cost of performance, or Project schedule, the goods or services will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any purchase or service provided for in this Agreement, or abandon any portion of the Project for which the Contractor has performed. In the event the City abandons or suspends the purchase or services, or any part of the purchase or services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the goods or services Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's goods or services to appraise the status completed. The Contractor will receive compensation in full for goods provided or services performed to the date of such termination. The fee will be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Purchasing Division	Name: Jeff Gregory
Title: Purchasing Officer	Title: General Manager
Address: 175 S. Arizona Ave	Address: 8948 W. Cactus RD
Chandler, AZ 85225	Peoria, AZ 85381
Phone: 480-752-2400	Phone: 602-768-2818
Email: purchasing@chandleraz.gov	Email: jgregory@fx-tactical.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in furnishing goods or performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to furnish goods or perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Work. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor's compliance.

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides goods or services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.36 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.37 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.38 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Work
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.39 Special Conditions. As part of the goods furnished or the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.40 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.41 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.42 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.43 Warranties. Unless otherwise provided in Exhibit D, the Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.44 Liens. The Contractor warrants that the materials supplied under this Agreement are free of liens and will remain free of liens.

5.45 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the City of the materials, they will be (a) of a quality to pass without objection in the trade under the Agreement description, (b) fit for the intended purposes for which the materials are used, (c) within the variations permitted by the Agreement and are of even kind, quantity, and quality within each unit and among all units, (d) adequately contained, packaged and marked as the Agreement may require, and (e) conform to the Contractor's written promises or affirmations of fact.

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

5.46 Fitness. The Contractor warrants that any material supplied to City will fully conform to all requirements of the Agreement and all the Contractor's representations, and will be fit for all purposes and uses required by the Agreement.

5.47 Inspection/Testing. The warranties set forth in the Agreement are not affected by the City's inspection or testing of or payment for the materials by the City.

5.48 Packing and Shipping. The Contractor will be responsible for industry standard packing, which conforms to requirements of carrier's tariffs and Interstate Commerce Commission (ICC) regulations. Containers must be clearly marked as to lot number, destination, address, and purchase order number.

5.49 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.50 Risk of Loss. The Contractor will bear all loss of conforming material covered under this Agreement until received by authorized personnel at the location designated in the purchase order or Agreement. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials will remain with the Contractor regardless of receipt.

5.51 Current Products. All products offered in response to this solicitation will be in current and ongoing production; will have been formally announced for general marketing purposes; will be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the City's solicitation.

5.52 Annual Usage Report. Upon request, the Contractor will furnish to the City an annual usage report delineating the acquisition activity governed by the Agreement. The format of the report will be approved by the City and will disclose the quantity and the dollar value of each agreement item by individual purchasing unit.

5.53 Catalogs/Agreement Price Listing. As applicable, the Contractor will furnish to all requesting departments catalogs at no cost, which will outline agreement prices.

5.54 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.55 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.56 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

EXHIBIT A TO AGREEMENT
SCOPE OF WORK

BACKGROUND AND OBJECTIVES

The City of Chandler is entering into a term contract for police uniforms and duty gear. Items will be ordered on an as-needed basis throughout the term of the contract and purchase volume is not guaranteed.

The City of Chandler Police Department currently has 348 sworn employees and 191 civilian employees. Each of these sworn employees may be provided with the standard six (6) shirts, four (4) pants, or two (2) polos for each civilian or an equivalent number of uniforms per the individuals position per year by the City. Officers may purchase additional uniforms other than those provided by the City through any resultant contract(s). The officers shall be responsible for payment of any additional uniforms purchased.

Commonly ordered duty gear equipment is listed in the Exhibit B, price schedule. Although commonly ordered duty gear equipment is identified, the list is not inclusive of all police duty gear that may be ordered under the contract and as need arises, additional product may be added or removed throughout the extension terms of the contract.

SCOPE OF WORK AND REQUIREMENTS

Contractors shall provide measuring and alteration services at the contractor's facility for all Police Department personnel, including sworn and civilian employees who are provided with uniforms under this contract.

Contractors shall provide installation of patches, hemming of pants and other minor alterations of garments as needed at no additional charge.

The city will provide patches for installation. Contractor shall chain-stitch patches 1" below the top shoulder seam of sleeve and centered on the outer facing of sleeve.

Contractors shall crease front and back of trouser legs with military style creases. Cargo pocket pant shall not have permanent creases.

Contractor shall ensure all shirts, except polo shirts, have a collar with fused-in mylar stays.

Contractor shall provide military creases on shirts.

Order Delivery: Unless otherwise agreed between the City and the contractor, items shall be delivered within 30 days of order.

Returns: Unless otherwise agreed between the City and the contractor, there shall be no fees associated with the return of items ordered under this contract.

EXHIBIT C TO AGREEMENT
INSURANCE

INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

1. The Contractor's insurance must contain broad form contractual liability coverage.

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of

Docusign Envelope ID: 42BEF27C-98C6-4E94-998E-9712DB8FAC68

three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. *Insurance Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.
2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

City Clerk Document No. _____

City Council Meeting Date:_____

CITY OF CHANDLER PURCHASE AGREEMENT
POLICE UNIFORMS AND DUTY GEAR
CITY OF CHANDLER AGREEMENT NO. PD5-200-4934

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Galls, LLC, a Delaware Limited Liability Corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties), made _____ , 2025 (Effective Date).

RECITALS

A. City proposes to purchase police uniforms and duty gear as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the goods or services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these goods or services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Contractor must perform in accordance with Exhibit A to the City's satisfaction within the terms

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

and conditions of this Agreement and within the care and skill that a person who provides similar goods services in Chandler, Arizona exercises under similar conditions. All goods or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the goods or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the goods or services.

SECTION III: PERIOD OF SERVICE

Contractor must perform in accordance with Exhibit A for the term of this Agreement.
The term of the Agreement is 1 year (s), and begins on September 1, 2025 and ends on August 31, 2026 unless sooner terminated in accordance with this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to 4 additional terms of 1 year (s) each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION lV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance approved and accepted by the City under this Agreement, and all companion agreements must not exceed **$458,000.00**. Contractor must submit requests for payment for goods or services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those goods or services negotiated as a lump sum will be made in accordance with the percentage of the goods furnished or services completed during the preceding billing period. Goods or services negotiated as a not-to-exceed fee will be paid in accordance with the goods furnished or services completed during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted goods or services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the goods or services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing goods or services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of work, cost of goods, cost of performance, or Project schedule, the goods or services will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any purchase or service provided for in this Agreement, or abandon any portion of the Project for which the Contractor has performed. In the event the City abandons or suspends the purchase or services, or any part of the purchase or services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the goods or services Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's goods or services to appraise the status completed. The Contractor will receive compensation in full for goods provided or services performed to the date of such termination. The fee will be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

Agreement, the Contractor agrees to waive all rights of subrogation against lndemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Purchasing Division	Name: Mike Fadden
Title: Purchasing Officer	Title: CEO
Address: 175 S. Arizona Ave	Address: 1340 Russel Cave Road
Chandler, AZ 85225	Lexington, KY 40505
Phone: 480-752-2400	Phone: 844-464-2557
Email: purchasing@chandleraz.gov	Email: bidreview@galls.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in furnishing goods or performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to furnish goods or perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Work. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor's compliance.

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides goods or services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.36 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.37 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.38 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Work
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.39 Special Conditions. As part of the goods furnished or the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.40 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.41 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.42 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.43 Warranties. Unless otherwise provided in Exhibit D, the Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.44 Liens. The Contractor warrants that the materials supplied under this Agreement are free of liens and will remain free of liens.

5.45 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the City of the materials, they will be (a) of a quality to pass without objection in the trade under the Agreement description, (b) fit for the intended purposes for which the materials are used, (c) within the variations permitted by the Agreement and are of even kind, quantity, and quality within each unit and among all units, (d) adequately contained, packaged and marked as the Agreement may require, and (e) conform to the Contractor's written promises or affirmations of fact.

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

5.46 Fitness. The Contractor warrants that any material supplied to City will fully conform to all requirements of the Agreement and all the Contractor's representations, and will be fit for all purposes and uses required by the Agreement.

5.47 Inspection/Testing. The warranties set forth in the Agreement are not affected by the City's inspection or testing of or payment for the materials by the City.

5.48 Packing and Shipping. The Contractor will be responsible for industry standard packing, which conforms to requirements of carrier's tariffs and Interstate Commerce Commission (ICC) regulations. Containers must be clearly marked as to lot number, destination, address, and purchase order number.

5.49 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.50 Risk of Loss. The Contractor will bear all loss of conforming material covered under this Agreement until received by authorized personnel at the location designated in the purchase order or Agreement. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials will remain with the Contractor regardless of receipt.

5.51 Current Products. All products offered in response to this solicitation will be in current and ongoing production; will have been formally announced for general marketing purposes; will be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the City's solicitation.

5.52 Annual Usage Report. Upon request, the Contractor will furnish to the City an annual usage report delineating the acquisition activity governed by the Agreement. The format of the report will be approved by the City and will disclose the quantity and the dollar value of each agreement item by individual purchasing unit.

5.53 Catalogs/Agreement Price Listing. As applicable, the Contractor will furnish to all requesting departments catalogs at no cost, which will outline agreement prices.

5.54 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.55 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.56 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

EXHIBIT A TO AGREEMENT
SCOPE OF WORK

BACKGROUND AND OBJECTIVES

The City of Chandler is entering into a term contract for police uniforms and duty gear. Items will be ordered on an as-needed basis throughout the term of the contract and purchase volume is not guaranteed.

The City of Chandler Police Department currently has 348 sworn employees and 191 civilian employees. Each of these sworn employees may be provided with the standard six (6) shirts, four (4) pants, or two (2) polos for each civilian or an equivalent number of uniforms per the individuals position per year by the City. Officers may purchase additional uniforms other than those provided by the City through any resultant contract(s). The officers shall be responsible for payment of any additional uniforms purchased.

Commonly ordered duty gear equipment is listed in the Exhibit B, price schedule. Although commonly ordered duty gear equipment is identified, the list is not inclusive of all police duty gear that may be ordered under the contract and as need arises, additional product may be added or removed throughout the extension terms of the contract.

SCOPE OF WORK AND REQUIREMENTS

Contractors shall provide measuring and alteration services at the contractor's facility for all Police Department personnel, including sworn and civilian employees who are provided with uniforms under this contract.

Contractors shall provide installation of patches, hemming of pants and other minor alterations of garments as needed at no additional charge.

The city will provide patches for installation. Contractor shall chain-stitch patches 1" below the top shoulder seam of sleeve and centered on the outer facing of sleeve.

Contractors shall crease front and back of trouser legs with military style creases. Cargo pocket pant shall not have permanent creases.

Contractor shall ensure all shirts, except polo shirts, have a collar with fused-in mylar stays.

Contractor shall provide military creases on shirts.

Order Delivery: Unless otherwise agreed between the City and the contractor, items shall be delivered within 30 days of order.

Returns: Unless otherwise agreed between the City and the contractor, there shall be no fees associated with the return of items ordered under this contract.

EXHIBIT C TO AGREEMENT
INSURANCE

INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

1. The Contractor's insurance must contain broad form contractual liability coverage.

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of

Docusign Envelope ID: 0577766D-C058-45F6-9EF0-0687B2A02C76

three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. *Insurance Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.
2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

City Council Memorandum **Police Memo No. N/A**

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Tadd Wille, Assistant City Manager
Bryan Chapman, Police Chief
From: Michelle Potts, Police Communications Technology Senior Manager
Subject: Payment to Support the City of Chandler Radio System Infrastructure

Proposed Motion:

Move City Council approve payment to the City of Phoenix, in an amount not to exceed $561,321, for the Fiscal Year 2025-26 participation in the Regional Wireless Cooperative (RWC), including operations and maintenance costs, and system upgrade agreement.

Background/Discussion:

The City has participated in the RWC since October 2009. This regional radio network provides seamless, interoperable radio communications for multiple public safety and government agencies within the Phoenix metropolitan area.This agenda item provides for payment of the annual operations and maintenance (O&M) fee for approximately 1,035 City of Chandler portable and vehicle radios used by Police, Fire and other departments. Payments to the City of Phoenix include annual O&M and annual system upgrade assessment (SUAII) in the amount of $561,321 to provide software updates and ensure system compatibility.

Evaluation:

The City of Phoenix is the sole support for the regional wireless radio system. The operations and maintenance, system upgrades, and associated projects for the RWC are only available through the City of Phoenix.

City Council Memorandum Public Works & Utilities Memo No. UA26-001

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Andy Bass, Deputy City Manager John Knudson, Public Works and Utilities Director
From:	Cristabel Dykstra, Utilities Administrative Support Manager
Subject:	Purchase and Installation of Monopole Tower Services

Proposed Motion:

Move City Council approve the purchase of monopole tower services, from Arizona West Builders and Communications, Inc., utilizing Maricopa County Agreement No. 240184, in an amount not to exceed $400,000.

Background/Discussion:

The city collects approximately 87,000 monthly water meter reads. The reads are collected to produce and distribute monthly bills to the city's utility customers. The city is in the process of transitioning to Advanced Metering Infrastructure (AMI). AMI is an integrated system of smart meters, communication network, and data management which provides advanced, daily consumption data. With AMI, customers will be able to view and manage their daily water consumption data, receive leak detection alerts, and pay their monthly bill through a customer portal.

As part of the AMI network analysis, it was estimated that approximately 48 gateway collectors (small antennas) would need to be installed throughout the city to collect daily and hourly reads. As of today, thirty collectors have been installed citywide, providing 90% performance coverage for daily reads, and 75% performance coverage for hourly reads. From the remaining collectors to be installed, there are approximately seven that will need to be installed on monopoles to gain enough height to collect reads from meters within a one-to-two-mile radius. Each monopole will be a single pole, similar to a streetlight (without a light attached). Six of the monopoles will be 40-feet tall and

installed at city reservoir and well sites, and one monopole will be 60-feet tall and installed at a sewer facility. This agreement will be for the purchase and installation of these monopoles.

On July 18, 2025, postcard notifications were sent out to surrounding residents that may have a view of the pole. The postcard provides information on the AMI project, including information on how to view an image of the monopole, as well as contact information to reach city staff for any questions or concerns. City staff will be noting any responses or feedback received from residents.

Evaluation:

Maricopa County, a member of the Strategic Alliance for Volume Expenditures (S.A.V.E.), competitively solicited and awarded a contract for tower services to Arizona West Builders and Communications, Inc. The city is a member of S.A.V.E. and eligible to utilize S.A.V.E. contracts cooperatively. The Maricopa County contract is valid through November 30, 2026.

City Council Memorandum Public Works & Utilities Memo No. UA26-003

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Danny Sargent, Water Systems Senior Manager
Subject: Agreement No. PW2-936-4357, Amendment No. 2, for Water and Wastewater Equipment Maintenance and Repair Services

---

Proposed Motion:

Move City Council approve Agreement No. PW2-936-4357, Amendment No. 2 with Capital Pump and Equipment, LLC; DXP Enterprises, Inc. dba Hennesy Mechanical Sales; Foster Electric Motor Service, Inc.; James, Cooke & Hobson, Inc.; Keller Electrical Industries, LLC; KP Ventures Well Drilling & Pump Co., LLC; Layne Christensen Company; Phoenix Pumps, Inc.; Pumpman Phoenix/Scott's AZ Electric Motor Repair; Southwest Waterworks Contractors PM, LLC, dba Pumpman Waterworks; TW Associates, Inc.; and Weber Water Resources, LLC, for water and wastewater equipment maintenance and repair services, in a combined amount not to exceed $11,986,000, for a two-year period, September 1, 2025, through August 31, 2027.

Background/Discussion:

The water and wastewater divisions of the Public Works & Utilities Department require ongoing contracts for purchase, repair, and maintenance of pumps, pumping equipment, and water/wastewater process support equipment. The equipment serviced includes groundwater well pumps, booster pumps, electric motors, valves, and process systems at various water and wastewater facilities throughout the city. In addition, this agreement includes replacement and maintenance of pumps, electric motors, and related equipment used in the Parks Development and Operations, Recreation, and Buildings and Facilities divisions. These critical systems ensure Chandler residents and businesses enjoy uninterrupted water/wastewater services and use of Chandler's recreation

facilities.

Evaluation:

On August 26, 2021, City Council approved an agreement with Capital Pump and Equipment, LLC; DXP Enterprises, Inc. dba Hennesy Mechanical Sales; Foster Electric Motor Service, Inc.; James, Cooke & Hobson, Inc.; Keller Electrical Industries, LLC; KP Ventures Well Drilling & Pump Co., LLC; Layne Christensen Company; Phoenix Pumps, Inc.; Pumpman Phoenix/Scott's AZ Electric Motor Repair; Southwest Waterworks Contractors PM, LLC, dba Pumpman Waterworks; TW Associates, Inc.; and Weber Water Resources, LLC, for water and wastewater equipment maintenance and repair services, for a two-year period, with the option of up to two additional two-year extensions. Four of the twelve vendors have requested an average price increase of 15%, citing increases in materials and labor. Staff finds the increase reasonable and continues to be satisfied with the services
provided. Staff recommends extension of this agreement for the term of September 1, 2025, through August 31, 2027. This is the second
extension of the original agreement.

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER AND WASTEWATER EQUIPMENT MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. PW2-936-4357

THIS AMENDMENT NO. 2 (Amendment No. 2) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Capital Pump and Equipment, LLC, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____, 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water and wastewater equipment maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2021, through August 31, 2023, with the option of up to two additional two-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water and wastewater equipment maintenance and repair services in an amount not to exceed $11,986,000 for the extension term; and

WHEREAS, the Parties wish to exercise the second option through this Amendment No. 2 to extend the Agreement for two years.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a two-year period September 1, 2025, through August 31, 2027.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 2 by this reference. Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: BA3EC3BF-4C45-49C1-984E-1458E85C0A98

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER AND WASTEWATER EQUIPMENT MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. PW2-936-4357

THIS AMENDMENT NO. 2 (Amendment No. 2) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Keller Electrical Industries, LLC, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____, 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water and wastewater equipment maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2021, through August 31, 2023, with the option of up to two additional two-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water and wastewater equipment maintenance and repair services in an amount not to exceed $11,986,000 for the extension term; and

WHEREAS, the Parties wish to exercise the second option through this Amendment No. 2 to extend the Agreement for two years.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a two-year period September 1, 2025, through August 31, 2027.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B of the original Agreement, attached to and made a part of this Amendment No. 2. Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: 7FD58D0B-2ED0-447B-A811-09F323BEA6B9

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

EXHIBIT B TO AGREEMENT
REVISED PRICING

EXHIBIT B -PRICE PAGES			
	1) Water Treatment and Booster Facilities Pump and Process Equipment Sales and Maintenance.	This work will take place at the City's Pecos Water Treatment Facility and reservoir / booster stations at various locations throughout the City. This category will Include work on all types of pumps, valves and process equipment common to water treatment and booster station facilities.	
	2) Wastewater Facilities and Lift Station Pump and Process Equipment Sales and Maintenance.	This work will take place at the City's Airport Water Reclamation Facility, Lone Butte Wastewater Facility, Ocotillo Water Reclamation Facility, Lift Stations and Wastewater Facilities at various locations throughout the City. This category will Include work on all types of pumps, valves and process equipment common to wastewater treatment and lift station facilities.	
	3) Potable Well, Injection Well, Aquifer Storage and Recovery Well (ASR), Monitor Well, and Leachate recovery well pump and Equipment Sales and Maintenance.	This work will take place at various well locations throughout the City. This category will Include work on both Lineshaft and Submersible type well pump systems, well maintenance, rehabilitation and repair, as well as work on all types of pumps, valves and process equipment common to potable, ASR and monitor well and leachate recovery facilities.	
	4) Chandler Reverse Osmosis Plant Pumps and Process Equipment Sales and Maintenance.	This work will take place at the City's Reverse Osmosis Facility. This category will Include work on all types of pumps, valves and process equipment common to Industrial reverse osmosis water treatment facilities.	
	5) Other City Facilities	This work will take place at the City's other facilities such as City owned buildings, parks, pools, and street storm water facilities. This category will include work on all types of pumps, motors and equipment common to these facilities.	
	5) OEM parts and service provider	This work can take place in any of the City facilities. This category is for all work to be performed by the authorized representative of the Manufacturer listed in Section 4 below

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER AND WASTEWATER EQUIPMENT MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. PW2-936-4357

THIS AMENDMENT NO. 2 (Amendment No. 2) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and KP Ventures Well Drilling & Pump Co., LLC, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____, 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water and wastewater equipment maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2021, through August 31, 2023, with the option of up to two additional two-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water and wastewater equipment maintenance and repair services in an amount not to exceed $11,986,000 for the extension term; and

WHEREAS, the Parties wish to exercise the second option through this Amendment No. 2 to extend the Agreement for two years.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a two-year period September 1, 2025, through August 31, 2027.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 2 by this reference. Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: D8F87F31-E8F2-4485-8D4B-2E9FC30286CB

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER AND WASTEWATER EQUIPMENT MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. PW2-936-4357

THIS AMENDMENT NO. 2 (Amendment No. 2) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Layne Christensen Company, (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water and wastewater equipment maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2021, through August 31, 2023, with the option of up to two additional two-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water and wastewater equipment maintenance and repair services in an amount not to exceed $11,986,000 for the extension term; and

WHEREAS, the Parties wish to exercise the second option through this Amendment No. 2 to extend the Agreement for two years.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.
2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a two-year period September 1, 2025, through August 31, 2027.
3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B of the original Agreement, attached to and made a part of this Amendment No. 2. Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: 32FE06ED-BF5C-4066-BC0C-3BD33C56CBE3

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Clerk Document No. _____

City Council Meeting Date: August 14, 2025

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER AND WASTEWATER EQUIPMENT MAINTENANCE AND REPAIR SERVICES
CITY OF CHANDLER AGREEMENT NO. PW2-936-4357

THIS AMENDMENT NO. 2 (Amendment No. 2) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Phoenix Pumps, Inc., (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water and wastewater equipment maintenance and repair services (Agreement); and

WHEREAS, the term of the Agreement was September 1, 2021, through August 31, 2023, with the option of up to two additional two-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water and wastewater equipment maintenance and repair services in an amount not to exceed $11,986,000 for the extension term; and

WHEREAS, the Parties wish to exercise the second option through this Amendment No. 2 to extend the Agreement for two years.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a two-year period September 1, 2025, through August 31, 2027.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Exhibit B of the original Agreement, which is incorporated into and made a part of this Amendment No. 2 by this reference. Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: A913F70E-15F0-4611-835F-CA84A07265CD

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

Total payments made to the Contractor during the term of this Amendment No. 2 will not exceed $11,986,000.

Docusign Envelope ID: 71992EFB-6A7E-471D-A927-B1EDDBA89071

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 2 and the Agreement, the terms and conditions in this Amendment No. 2 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Council Memorandum Public Works & Utilities Memo No. UA26-004

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Danny Sargent, Water Systems Senior Manager
Subject: Agreement No. 4956, with Q-mation, Inc., for the Sole Source Purchase of AVEVA Licenses and Support

---

Proposed Motion:

Move City Council approve Agreement No. 4956, with Q-mation, Inc., for the sole source purchase of AVEVA licenses and support, for a period of three years, beginning July 1, 2025, through June 30, 2028, in an amount not to exceed $105,095 in the first year.

Background/Discussion:

The Supervisory Control and Data Acquisition (SCADA) systems in place at the Pecos Surface Water Treatment Plant (PSWTP), Airport Water Reclamation Facility (AWRF), and Ocotillo Water Reclamation Facility (OWRF) are used to monitor and control Chandler's vital water and wastewater infrastructure. The SCADA systems are used to ensure Chandler's critical water and wastewater treatment and delivery systems meet all regulatory requirements and the needs of the citizens and industrial partners. The SCADA software currently in use at these facilities is based on the AVEVA Edge software platform.

SCADA hardware and software technology continually evolves and must be kept up to date to ensure the systems are reliable and secure. This contract will renew the AVEVA licenses for the SCADA systems currently in use at PSWTP, AWRF, and OWRF. These software licenses are required to be updated regularly to ensure the latest security and functionality patches are applied to these critical systems. Additionally, this contract provides technical support to city staff in the operation and maintenance of these highly specialized software systems.

Evaluation:
Q-mation, Inc., is the sole manufacturer and distributor of the AVEVA licenses and the sole provider of support for the software.

Fiscal Impact

AVEVA Flex Software Subscription Agreement
City of Chandler Public Works and Utilities

1. SUBSCRIPTION AGREEMENT

This Subscription Agreement (“Agreement”) is made on July 1, 2025 ("Effective, Date") between the City of Chandler, a municipal corporation, with a principal place of business at 175 S. Arizona, Avenue Chandler, AZ 85225 (“City” or “End-User”), and Q-mation, Inc., a Pennsylvania corporation, with a principal place of business at 425 Caredean Drive, Horsham, PA 19044 (“Q-mation” or “AVEVA”) (City and Q-mation individually referred to as “Party” and collectively “Parties”).

2. LICENSE REPLACEMENT

The Parties hereby agree that any perpetual or subscription access licenses granted by AVEVA to End-User in any previous agreement or otherwise are hereby (1) canceled and replaced with the equivalent subscription licenses (“Subscription Licenses”) listed in section 5 below.

3. AGREEMENT TERM

The Agreement begins on the Effective Date. The Agreement will run for three (3) consecutive years, with the expiration date set at June 30, 2028.

4. SUPPORT SERVICES

Provided with this agreement, for the entire three (3) year term, is **AVEVA Customer First – Premium Level,** which provides access to AVEVA Technical Support, and distribution of license upgrades. Further details of the support services included with the agreement are noted in Exhibit 1.2.

5. AGREEMENT FEES TERM

The City is expected to issue a purchase order for the amounts stated below by July 31 of each calendar year this multi-year agreement is in place.

The Base amounts are shown below. Annual fees will be based on increased FLEX Subscription license usage, additional sites, and divestiture adjustments.

AVEVA FLEX Agreement*	Year 1 Total July 1, 2025 thru June 30, 2026	Year 2 Total July1, 2026 thru June 30, 2027	Year 3 Total July1, 2027 thru June 30, 2028
Base Amount	**$105,095**	**$110,340**	**$115,840**

***Note:** The AVEVA FLEX Agreement is calculated on a basis of 6248 total FLEX credits per year.

The follow flex and legacy licenses are covered in this Agreement:

Flex Licenses for Pecos Road Facility – 2887 credits

AVEVA Supervisory Servers - Qty 1 @ 1,000 Credits – Part # FLEX-SP-004 -Supports redundant RDS/Web clients and InTouch View App/OMI clients with unlimited number with embedded Historian Client Desktop RDS included. Suggested maximum 40 concurrent RDS clients per RDS server pair, also includes PLC logic viewer.

AVEVA Application Server Platform – Unlimited engines – Qty 1 @ 1250 Credits - Part # Flex-SP-002
Enables an Application Server with unlimited engines for a single WinPlatform, Max IO dependent upon data throughput and performance requirements, Suggested configuration 100 K I/O, Multiple engine redundancy enabled

AVEVA Historian Standard Unlimited tags - Qty 1 @ 500 credits, Part # Flex Hist-001
Supports redundancy. Does not include MS SQL or SQL Cal licenses.

Docusign Envelope ID: 0DDD0965-E4CC-43CF-8EB3-D41A4771B989

6. HOW TO PURCHASE ADDITIONAL AVEVA FLEX LICENSES

The City may procure new licenses with FLEX credits by placing a Purchase Order to Q-mation for the FLEX Top-up Credits needed at $18.50 per FLEX Credit. New credits (Top-up Credits) are purchased at a prorated amount according to the contract end date. The credits are then added to the FLEX Portal, and the licenses can be selected through a parts list and downloaded for use. The new credits will be prorated in the current year through the end of the agreement.

Year 1 / 2025-2026 Annual Calculation	
Description	**Amount**

Docusign Envelope ID: 0DDD0965-E4CC-43CF-8EB3-D41A4771B989

Base FLEX Credits at 7/1/2025 Agreement Effective Date (6,248 FLEX Credits)	$105,095
2025-2028 New FLEX credit purchases are prorated through 6/30/2028 (Invoiced at the time of purchase)	Prorated 2025-2028
Year 2 / 2026-2027 Annual Calculation	
Description	**Amount**
Base FLEX Credits at 7/1/2025 Agreement Effective Date (6,248 FLEX Credits)	$110,340
2026-2028 New FLEX credit purchases are prorated through 6/30/2028 (Invoiced at the time of purchase)	Prorated 2026-2028
Year 3 / 2027-2028 Annual Calculation	
Description	**Amount**
Base FLEX Credits at 7/1/2025 Agreement Effective Date (6,248 FLEX Credits)	$115,840
2027-2028 New FLEX credit purchases are prorated through 6/30/2028 (Invoiced at the time of purchase)	Prorated 2027-2028

7. DETERMINING ANNUAL FLEX CREDIT BASIS

Q-mation and the City will review the AVEVA Flex Program Agreement ninety (90) days before each year's renewal to account for in-year FLEX credit additions.

The AVEVA FLEX Credit base amount cannot be reduced during the three-year agreement term.

8. RENEWAL TERM / SUBSCRIPTION OPTIONS

At the end of the initial three-year term, the City can renew for a new three-year term. To allow reasonable time for negotiations, Q-mation will submit to the City a three-year renewal agreement draft for review by April1, 2028

9. CONFIDENTIALITY

Confidential Information" means any information (either oral, written or digital) provided or prepared by a party ("disclosing party") that is provided to, or obtained by the other party (including any director, officer, employee, agent, or representative) ("receiving party") including, but not limited to, that which relates to research, product plans, products, services, clients, vendors, employees, partners, business plans, markets, software, developments, inventions, processes, designs, drawings, engineering, technical data, know-how, hardware configuration information, marketing or finances of the disclosing party. The terms of the Confidentiality, if any, between the City of Chandler and Q-mation shall apply to this agreement, all current sites listed in Exhibit 1.1, and any new sites the City adds to the agreement from and after the date hereof.

10. TERMS AND CONDITIONS REQUIRED BY CITY

10.1 Applicable Taxes. Q-mation will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of Q-mation to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

10.2 Tax Indemnification. Q-mation and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by Q-mation. Q-mation will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

10.3 Mutual Indemnification. Each Party ("Indemnitor") must indemnify, defend, save and hold harmless the other Party and its officers, officials, agents and employees ("Indemnitee") from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) ("Claims") caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful

Docusign Envelope ID: 0DDD0965-E4CC-43CF-8EB3-D41A4771B989

acts, or errors or omissions of Indemnitor or any of its owners, officers, directors, agents, employees, or subconsultants in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of Indemnitor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. Indemnitor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. Indemnitor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Agreement, Q-mation agrees to waive all rights of subrogation against City for losses arising from or related to this Agreement. The obligations of the Indemnitor under this provision survive the termination or expiration of this Agreement.

10.4 Insurance Requirements. Q-mation must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit “1.3” against claims that may arise from or relate to performance of the work under this Agreement by Q-mation and its agents, representatives, employees, and subconsultants. Consultant and any subconsultant must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit “1.3” are sufficient to protect the Q-mation from liabilities that might arise out of the performance of the work under this Agreement by Q-mation, Q-mation’s agents, representatives, employees, or subconsultants. Q-mation is free to purchase such additional insurance as may be determined necessary.

10.5 Termination for Convenience. The City and Q-mation hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any service provided for in this Agreement, or abandon any portion of the Project for which services have been performed by Q-mation. In the event the City abandons or suspends the services, or any part of the services as provided in this Agreement, the City will notify Q-mation in writing and immediately after receiving such notice, Q-mation must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, Q-mation must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. Q-mation must appraise the work Q-mation has completed and submit Q-mation’s appraisal to the City for evaluation. The City may inspect Q-mation‘s work to appraise the work completed. Q-mation will receive compensation in full for services performed to the date of such termination. The fee shall be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by Q-mation and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with an alternative dispute resolution process mutually agreed to by the Parties. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after Q-mation has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

10.6 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) Q-mation fails to perform pursuant to the terms of this Agreement, (b) Q-mation is adjudged a bankrupt or insolvent, (c) Q-mation makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Q-mation or for any of Q-mation ‘s property (e) Q-mation files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) Q-mation disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) Q-mation fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Q-mation then existing or which may thereafter accrue.

11. TERMS AND CONDITIONS REQUIRED BY THE STATE OF ARIZONA

11.1 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

11.2 Compliance with Laws. Q-mation understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989. All services performed by Q-mation must also comply with all applicable City codes, ordinances, and requirements. Q-mation agrees to permit the City to verify Q-mation’s compliance.

11.3 No Israel Boycott. By entering into this Agreement, Q-mation certifies that Q-mation is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

11.4 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Q-mation agrees Q-mation and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Q-mation’s or subcontractor’s employee who

Docusign Envelope ID: 0DDD0965-E4CC-43CF-8EB3-D41A4771B989

provides services under this Agreement to ensure that the Q-mation and subcontractors comply with the warranty under this provision.

11.5 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

11.6 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Q-mation certifies and agrees Q-mation does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

EXHIBIT 1.3 – CITY OF CHANDLER
INSURANCE

1.0 Tech E&O and Network Security & Privacy Liability Insurance (Cyber). In addition to the insurance requirements set forth in the Agreement, Q-mation agrees to provide the following insurance coverage and limits of coverage as part of this Agreement.

Per Loss	$	5,000,000
Aggregate	$	5,000,000

2.0 Technology Errors and Omissions Liability including Network Security and Privacy Liability. The policy shall cover professional misconduct or lack of ordinary skill for those positions defined in the Scope of Services of this Agreement. In the event that the professional liability insurance required by this Agreement is written on a claims-made basis, Q-mation warrants that any retroactive date under the policy shall precede the effective date of this Agreement; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this Agreement is completed. If such insurance is maintained on an occurrence form basis, Q-mation shall maintain such insurance for an additional period of one (1) year following termination of Agreement. If such insurance is maintained on a claims-made basis, Q-mation shall maintain such insurance for an additional period of three (3) years following termination of the Agreement. If Q-mation contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the risks described in this section), then Q-mation shall provide proof of same.

3.0 The insurance shall provide coverage for the following risks:

3.1 Liability arising from theft, dissemination and / or use of confidential information (a defined term including but not limited to bank account, credit card account, personal information such as name, address, social security numbers, etc. information) stored or transmitted in electronic form.

3.2 Network Security Liability arising from the unauthorized access to, use of or tampering with computer systems including hacker attacks, inability of an authorized third party, to gain access to your services including denial of service, unless caused by a mechanical or electrical failure.

3.3 Liability arising from the introduction of a computer virus into, or otherwise causing damage to, a customer's or third person's computer, computer system, network or similar computer related property and the data, software, and programs thereon.

4.0 Additional Requirements:

4.1 The policy shall provide a waiver of subrogation.

City Council Memorandum Public Works & Utilities Memo No. CP26-007

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
Daniel Haskins, Capital Projects Division Manager
From: Melanie Sikes, Principal Engineer
Subject: Job Order Project Agreement No. WW2502.401, with B & F Contracting, Inc., Pursuant to Job Order Master Agreement No. JOC2413.401, for the Quarter Section 10-55 Sewer Rehabilitation

---

Proposed Motion:

Move City Council award Job Order Project Agreement No. WW2502.401, to B & F Contracting, Inc., Pursuant to Job Order Master Agreement No. JOC2413.401, for the Quarter Section 10-55 Sewer Rehabilitation, in an amount not to exceed $1,807,933.89.

Background/Discussion:

The Public Works and Utilities Department administers a Wastewater Sewer Assessment Program to evaluate, prioritize, and repair deteriorated sewer pipes and manholes within the city's collection system. As part of this program, small diameter sanitary sewer pipe and manholes in quarter section 10-55 require rehabilitation. Quarter section 10-55 is between Chandler Boulevard and Galveston Street, and Arizona Avenue and Hamilton Street. The method of rehabilitation will be via Cured-In-Place-Pipe (CIPP), which is an industry-standard method to rehabilitate pipeline. In addition, two locations with broken pipes in quarter section 8-54 will be replaced. The project scope of work consists of cleaning, installation of CIPP liner, manhole rehabilitation, temporary sewer collection, traffic control, and public outreach. The agreement completion time is 90 calendar days following Notice to Proceed.

A related Professional Services Agreement with Entellus, Inc., for the Quarter

Section 10-55 Sewer Rehabilitation, is also scheduled for this City Council meeting.

Evaluation:

The selection process was conducted in accordance with city policy and procedure and state law. The costs proposed for this project have been evaluated by staff and determined to be reasonable.

CITY OF CHANDLER
JOB ORDER PROJECT AGREEMENT

QUARTER SECTION 10-55 SEWER REHABILITATION
Project No. WW2502.401

Council Date: August 14, 2025

This JOB ORDER PROJECT AGREEMENT ("Job Order") is made this _____ day of _____ 2025 ("Effective Date"), by and between the City of Chandler, an Arizona municipal corporation, ("City") and B & F Contracting, Inc., an Arizona limited liability company, ("JOC Contractor") and is entered into pursuant to Job Order Master Agreement No. JOC2413.401 ("JOC Master Agreement"). City and JOC Contractor may be referred to individually as "Party" or collectively as "Parties").

City and JOC Contractor, in consideration of the mutual covenants herein set forth, agree as follows:

RECITALS

A. On or about February 15, 2024, the Parties entered into the JOC Master Agreement, which terms and conditions are made a part of and incorporated into this Job Order Project Agreement by this reference.

B. City proposes to engage JOC Contractor for construction services as more fully described in Article 1 and **Exhibit "A"**, which is attached to and made a part of this Job Order by this reference.

C. JOC Contractor is ready, willing, and able to provide the services described in **Exhibit "A"** for the compensation and fees set forth and as described in **Exhibit "B"**, which is attached to and made a part of this Agreement by this reference.

ARTICLE 1. DESCRIPTION OF WORK

The Parties enter into this Job Order Project Agreement for the Quarter Section 10-55 Sewer Rehabilitation, Project Number WW2502.401 The scope of work consists of sewer rehabilitation in quarter section 10-55 and a couple locations in quarter section 8-54, all as more particularly set forth in **Exhibit "A"** attached hereto and incorporated herein by reference.

Docusign Envelope ID: B4E73E01-CBAA-4255-9499-BB94D99F9F54

The JOC Contractor will not accept any change of scope, or change in Agreement provisions, unless issued in writing, as an agreement, amendment or change order and signed by the authorized signatories for each party.

Performance and Payment Bonds, as set forth in **Exhibit "C"** and **Exhibit "D"** respectively attached hereto and incorporated herein by reference, will be due prior to execution of each Job Order Project Agreement in the full amount of each Job Order.

At project completion, JOC Contractor must complete Contractor's Affidavit Regarding Settlement of Claims and Certificate of Completion, as set forth in **Exhibit "E"** and **Exhibit "F"** respectively attached hereto and incorporated herein by reference.

ARTICLE 2. PROJECT PRICE

City will pay JOC Contractor for completion of the Work in accordance with the JOC Master Agreement a fee not to exceed the Guaranteed Maximum Price of $1,807,933.89 Dollars determined and payable as set forth in JOC Master Agreement and **Exhibit "B"** attached hereto and made a part hereof by reference.

ARTICLE 3. AGREEMENT TIME & SCHEDULE

JOC Contractor agrees to complete all Construction within 90 calendar days from the Notice to Proceed (NTP) Date.

ARTICLE 4. JOB ORDER CONTACTS

The following parties serve in the capacity below for this Job Order Project.

CITY:	Construction Project Manager: Adam Kleiser	
	Phone:	480-782-3325
	Email:	Adam.Kleiser@chandleraz.gov
JOC CONTRACTOR:	B & F Contracting, Inc.	
	1011 North 23rd Avenue, Phoenix, AZ 85029	
	JOC Contractor Representative: Josh Onstott

RE: Name: **10-55 & 8-54 Small Diameter Rehabilitation**
Project No.: **WW2502.401**

SUBJECT: JOC2413.401 - Job Order Proposal

Dear Mr. Kleiser,

B&F Contracting Inc. is pleased to submit the attached proposal for the assessment and rehabilitation of the pipeline within section 10-55 and 8-54. After a thorough review of the data provided, we have developed a phased approach and defined the scope of work to ensure a comprehensive evaluation and restoration of the pipeline system.
Our initial phase will focus on conducting a detailed assessment to obtain complete video confirmation of the pipeline, particularly in areas where previous evaluations were hindered due to existing conflicts. Upon completion of this assessment, we will compile documentation and provide recommendations for review by the City, including any additional necessary work.
Following the City's final review and directive, our team will proceed with the full scope of rehabilitation, encompassing all originally identified work as well as any further corrective measures deemed necessary.
B&F Contracting Inc. appreciates the opportunity to support the City in its efforts to maintain and improve its infrastructure. We welcome the opportunity to meet and discuss our proposal further and are prepared to provide any necessary clarifications or proof of concept.

Best Regards,
B&F Contracting Inc.
President
Josh Onstott

10-55 & 8-54 SMALL DIAMETER REHABILITATION

COC Project No.: WW2502.401

Job Order Proposal

[06/03/2025]

PROJECT OVERVIEW

Project Summary: Sewer Pipe Rehabilitation

Objective:

Repair & Rehabilitate 8-inch to 18-inch sewer pipes within the area bounded by 10-55:

- **West:** Arizona Avenue
- **South:** Chandler Boulevard
- **North:** Galveston Street
- **East:** Hamilton Street

Repair & Rehabilitation of 8-inch sewer pipes within the area bounded by 08-54:

- **West:** Hartford St
- **South:** Ray Road
- **North:** Knox Road
- **East:** Arizona Avenue

Background:

CCTV inspections identified several problem areas requiring:

- Small-diameter CIPP (Cured-in-Place Pipe) rehabilitation
- UV-cured point repairs
- Excavation and repair damaged pipe segment or offset pipe joints.
- Additional assessment due to obstructions like high water, root intrusion, and debris

---

Project Phases:

- **Phase One: Cleaning & Assessment**
  - Mobilize Vactor trucks and CCTV crews
  - Perform heavy cleaning, remove protruding taps
  - Complete UV point repairs
  - Excavation and repair pipes that are unable to be repaired with trenchless methods.
  - Address inaccessible areas from initial CCTV
  - Repair manholes drop connection at Delaware & Detroit Street
  - Deliver updated assessment and proposal for any extra work
- **Phase Two: Rehabilitation**
  - Mobilize CIPP crews
  - Complete full-section CIPP lining
  - Perform any required manhole rehabilitation

GENERAL ITEMS:

Construction phase services by the JOC includes:

- Mill, Sawcut and removal of asphalt for open cut items.
- Cleaning, Heavy Cleaning, and pre-inspection by CCTV for CIPP lining
- Material to complete work
- Post Panorama on pipe rehab segments.
- Temp bypass with vactor trucks.

Docusign Envelope ID: B4E73E01-CBAA-4255-9499-BB94D99F9F54

- Coordinate with various City of Chandler departments, other agencies, utility companies, etc.
- Arrange for procurement of materials and equipment.
- Schedule and manage site operations.
- Bond and insurance for construction.
- Maintain a safe work site for all project participants.
- Hardscape removal and replacement as needed.
- Landscape restoration at disturbed areas as needed.
- Asphalt Replacement as needed.
- Quality Control Testing.
- Fuel, Labor and Equipment to complete work.

BID ITEMS:

1. Mobilization / Demobilization
   1.1. 1 Each CIPP Mobilization
   1.2. 4 Each GC moves to site and away
   1.3. Shoring Plate Mobilization / Demobilization
   1.4. Portable Restrooms
   1.5. 5 Each Vactor Truck Dump Fees
   1.6. 1 Each Water Meter
2. Heavy / Mechanically Cleaning
   2.1. Carbide saws will be utilized to clean 8-inch pipes to satisfactory dimensions per CIPP lining subcontractor and owner.
   2.2. 100 hours total heavy / mechanical cleaning including chain flail or carbide sawing.
   2.3. Chain flailing operation will be utilized for DIP over 12-inch.
   2.4. 100 hours including monitoring of cleaning with CCTV truck at time of cleaning to avoid pipe or equipment damage.
   2.5. Water truck to mobilize water to each location to mitigate the vactor truck downtime.
3. Pre Clean & CCTV Inspection
   3.1. CCTV pre-video prior to CIPP lining.
   3.2. Pre 3 pass cleaning prior CCTV and CIPP lining.
   3.3. Production 1,000 LF per 8-hour shift
4. Post Pipe Rehabilitation CCTV Inspection
   4.1. Dukes or Propipe to complete post inspection Pano video.
5. 5A&5B 8-Inch or 18-Inch UV Patch Point Repair
   5.1. 8-inch or 18-inch UV patch provided by Dukes Root Control.
   5.2. Vactor monitoring complete through allowance if needed.
6. 8-inch Dig up Point Repair
   6.1. Crew and Equipment to Complete a dig up repair for VCP pipe.
   6.2. Materials and adapter to replace pipe segment.
   6.3. Asphalt or landscape to be forward priced and performed in allowance or by T&M.
   6.4. Vactor monitoring complete through allowance if needed.
7. Vactor Monitoring Bypass
   7.1. 1ea/day Vactor truck for 8-hour shift to relieve flow on sewer during rehabilitation.
   7.2. Vactor monitoring complete through allowance if needed.
   7.3. Additional hours billed through bypass allowance at $325 per hour
8. 8-inch CIPP Liner Installation
   8.1. Labor, Equipment, and Materials to complete the installation of CIPP.
   8.2. All 3rd party testing required by standard Chandler specifications.
   8.3. Fully deteriorate liner per engineered calculations provided in submittals.
   8.4. No hydrophilic end seals included. $500 each end seal if requested and will bill through allowance with applicable tax and mark ups.
   8.5. Arizona PE stamped CIPP calculations.

Docusign Envelope ID: B4E73E01-CBAA-4255-9499-BB94D99F9F54

9. CIPP 18" (Work Perform if Needed Post Assessment)
   - 9.1. Labor, Equipment, and Materials to complete the installation of CIPP.
   - 9.2. All 3rd party testing required by standard Chandler specifications.
   - 9.3. Fully deteriorate liner per engineered calculations provided in submittals.
   - 9.4. No hydrophilic end seals included. No hydrophilic end seals included. $500 each end seal if requested and will bill through allowance with applicable tax and mark ups.
   - 9.5. Arizona PE stamped CIPP calculations.
10. Service Reinstatement
   - 10.1. Time for cutter to remove service taps post liner installation.
   - 10.2. No bypass cost included in the bid item.
11. Cut Protruding Tap
   - 11.1. Equipment, Labor, and Material to remove protruding taps prior to CIPP.
   - 11.2. No bypass time included in the bid item.
12. Manhole Bench Rehab (No Epoxy)
   - 12.1. Preparation and rehabilitation of concrete bench with C-120 rapid set concrete.
   - 12.2. Work to be performed with flow through plugs.
   - 12.3. Contractor to provide 360-degree inspection of work prior to releasing flow in manhole channel.
13. Manhole Ring and Cover Replacement / Adjustment
   - 13.1. Labor, Equipment, and Materials to remove and replace manhole ring and cover.
   - 13.2. Manhole adjustment rings and cover to be supplied by City.
   - 13.3. Limited replacements the concrete will be mixed on site in 1 CY mixer.
14. Repair Manhole Drop Connection
   - 14.1. Crew and Equipment to Complete a dig up repair for VCP pipe and manhole
   - 14.2. Materials and adapter to replace pipe segment.
   - 14.3. Asphalt or landscape to be provide a proposal with applicable mark-ups prior to performance of work under appropriate allowance or get approval to perform as T&M and billed under the appropriate allowance with applicable tax and mark-ups.
   - 14.4. Vactor monitoring complete through allowance if needed.
15. General Conditions
   - 15.1. ¼ Time Project Manager to conduct meetings, complete schedules, and submittals and transmittals during the project duration.
   - 15.2. ½ Time superintendent to schedule traffic control, quality control, complete project oversite, and manager subcontractors during the project duration.
   - 15.3. ½ Time Project Engineer to review CCTV footage, hand out notices, complete assessment recommendations, attend site visits, and general project administration duties during construction.
   - 15.4. Field Devices to complete site inspections, tracking, and documentation during the project.
   - 15.5. ST&S for field staff based historical manhour usage.

ALLOWANCE:

A.100 Traffic Control (ALLOWANCE)
   - 1.1 Allowance to cover traffic control during the project.
   - 2.1 Billing will be Cost reimbursable plus applicable mark up and fees.
   - 3.1 No police presence is expected but if required it would be reimbursable through this allowance.
   - 4.1 If required under the direction of the city this would include any vehicle relocation cost with applicable tax and mark-ups.
   - 5.1 Allowance to be utilized to place no parking signs and any coordination to relocate items in the ROW.

A.101 Additional Rehabilitation (ALLOWANCE)
   - 1.1 Due to many areas needing assessment, this is complete work not captured within the original assessment.
   - 2.1 Work will be billed at the unit price if already established once field directive is issued by City.

Docusign Envelope ID: B4E73E01-CBAA-4255-9499-BB94D99F9F54

3.1 Additional work without established unit pricing will be formally priced with applicable tax and markups for review and approval prior to beginning the work or the work will be performed under T&M upon the directive by the City.

A.102 Hard Scape / Pavement / Landscape Restoration (ALLOWANCE)

1.1 Restoration of any installation of new work or repairs that may be needed prior to rehab

2.1 All work will be formally priced with applicable markups and fees for review and approval prior to beginning the work or the work will be performed under T&M upon the directive by the City

A.103 Bypass (ALLOWANCE)

1.1 Line on the project that flow requires alternative means to bypass the flow during rehabilitation.

2.1 All work will be formally priced with applicable markups and fees for review and approval prior to beginning the work or the work will be performed under T&M upon the directive by the City.

A.104 Public Outreach (ALLOWNACE)

1.1 Budget to coordinate and compensate Mak Pro service during the project.

2.1 Billing will be compensated for cost reimbursable plus mark-up and applicable fees.

A.105 Construction Water (ALLOWANCE)

1.1 Water to complete the cleaning of the pipeline.

2.1 Billing will be compensated for cost reimbursable plus mark-up and applicable fees.

A.106 Quality Control Testing (ALLOWANCE)

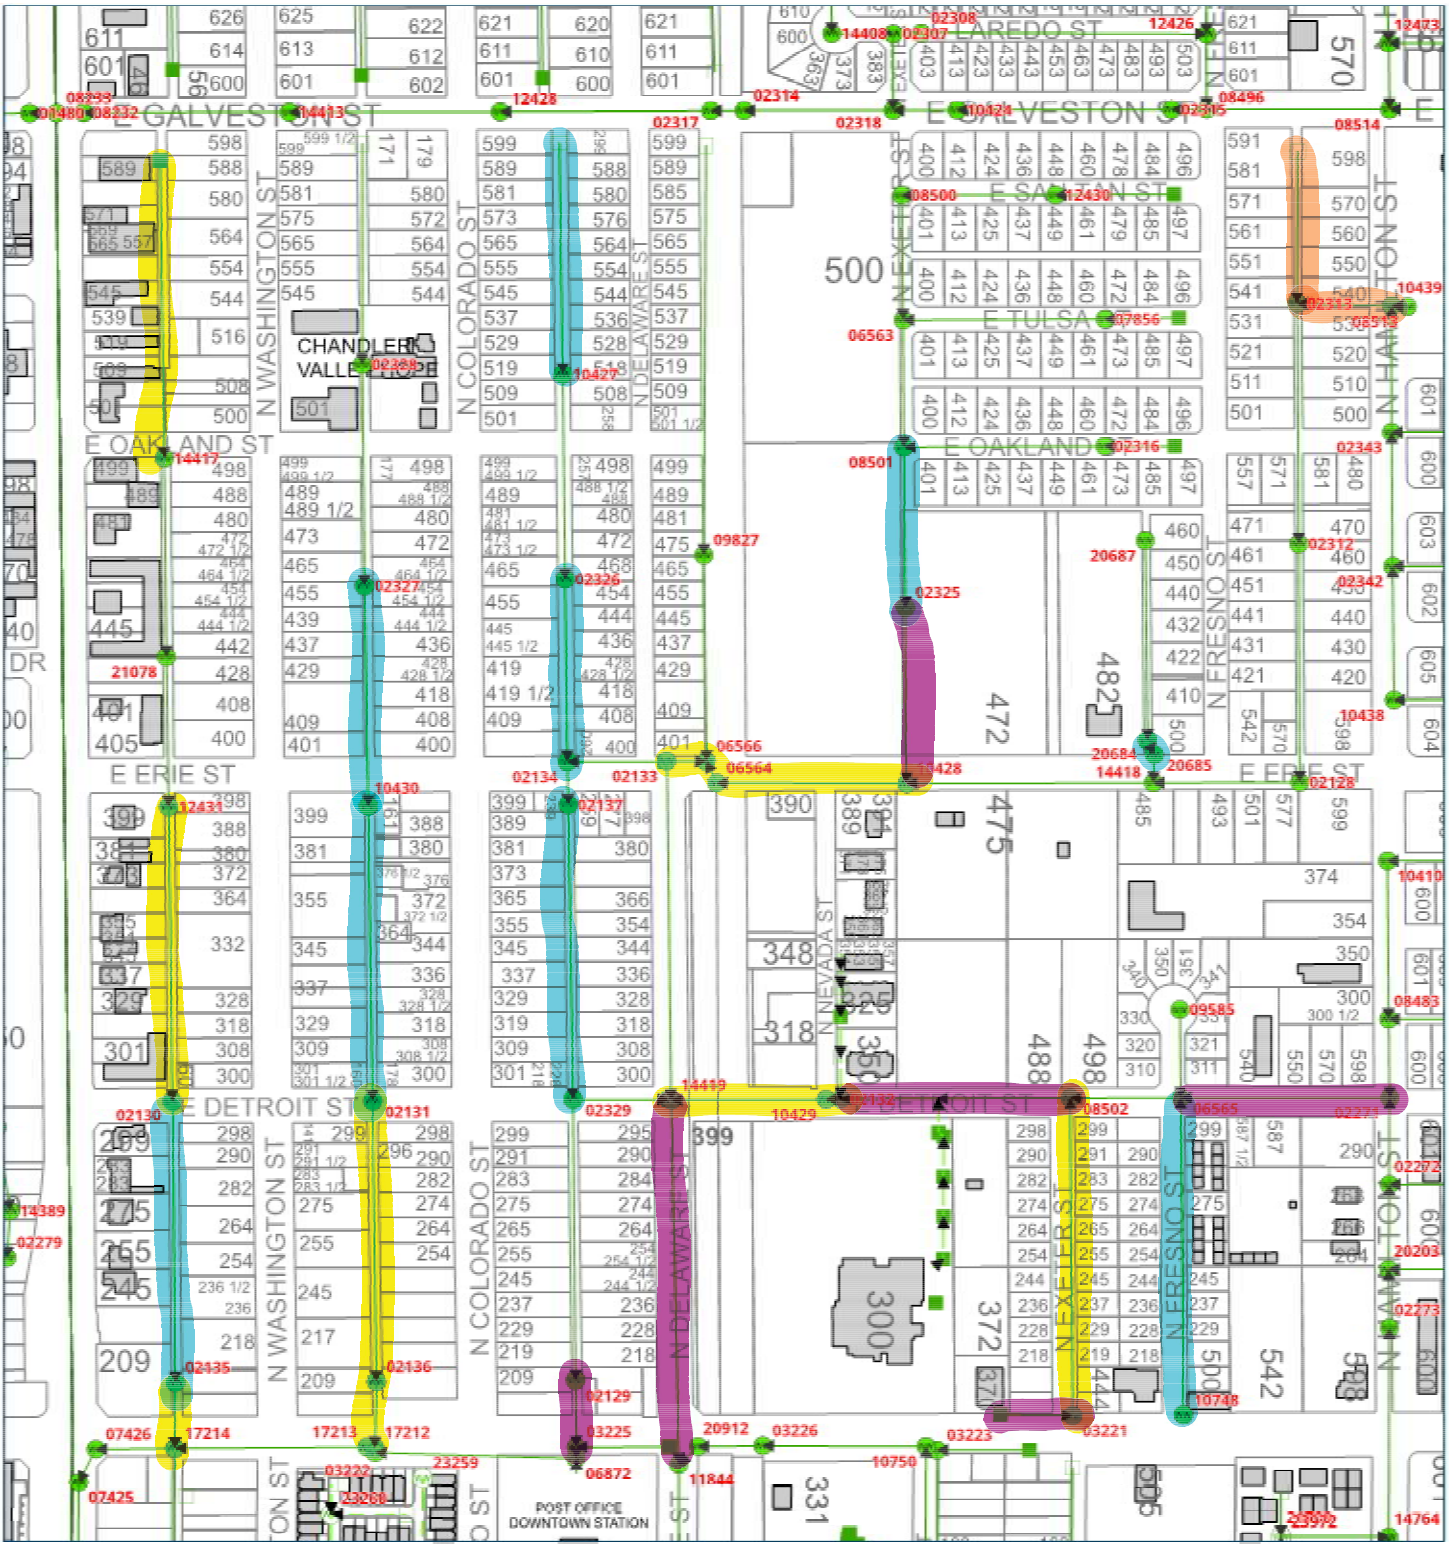

1.1 Testing for any work outside of CIPP or Manhole Rehabilitation.

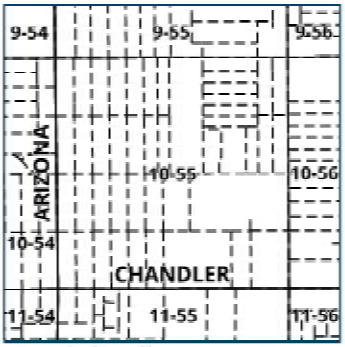

2.1 Billing will be compensated for cost reimbursable plus mark-up and applicable fees.

City Council Memorandum Public Works & Utilities Memo No. CP26-008

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
Daniel Haskins, Capital Projects Division Manager
From: Melanie Sikes, Principal Engineer
Subject: Professional Services Agreement No. WW2502.451, with Entellus, Inc., for the Quarter Section 10-55 Sewer Rehabilitation Construction Management Services

---

Proposed Motion:

Move City Council award Professional Services Agreement No. WW2502.451, to Entellus, Inc., for the Quarter Section 10-55 Sewer Rehabilitation Construction Management Services, in an amount not to exceed $117,021.46.

Background/Discussion:

The Public Works and Utilities Department administers a Wastewater Sewer Assessment Program to evaluate, prioritize, and repair deteriorated sewer pipes and manholes within the city's collection system. As part of this program, small diameter sanitary sewer pipe and manholes in quarter section 10-55 require rehabilitation. Quarter section 10-55 is between Chandler Boulevard and Galveston Street, and Arizona Avenue and Hamilton Street. The method of rehabilitation will be via Cured-In-Place-Pipe (CIPP), which is an industry-standard method to rehabilitate pipeline. In addition, two locations with broken pipes in quarter section 8-54 will be replaced. The project scope of work consists of pre-construction assistance, construction management, construction inspection, materials testing, and record drawings. The agreement completion time is 455 calendar days following Notice to Proceed.

A related Construction Agreement with B & F Contracting, Inc., for the Quarter Section 10-55 Sewer Rehabilitation, is also scheduled for this City Council

meeting.

Evaluation:

The selection process was conducted in accordance with city policy and procedure and state law. This project is being performed under the Pre-Qualified List for Construction Management Services. Staff recommends approval of this agreement with Entellus, Inc., based on qualifications, relevant firm experience, team experience, project understanding, and project approach.

PROFESSIONAL SERVICES AGREEMENT
CONSTRUCTION MANAGEMENT SERVICES
QUARTER SECTION 10-55 SEWER REHABILITATION
PROJECT NO. WW2502.451

Council Date: August 14, 2025

THIS AGREEMENT ("Agreement") is made and entered into on the _____ day of _____, 2025 ("Effective Date"), by and between City of Chandler, an Arizona municipal corporation, ("City''), and Entellus, Inc. **,** an Arizona corporation, ("Consultant") (City and Consultant may individually be referred to as "Party" and collectively referred to as "Parties").

RECITALS

A. City proposes to engage Consultant to provide construction management services for Quarter Section 10-55 Sewer Rehabilitation project ("Project") as more fully described in Exhibit "A" ("Services"), which is attached to and made a part of this Agreement by this reference.

B. Consultant is ready, willing, and able to provide the services described in **Exhibit "A"** for the compensation and fees set forth and as described in **Exhibit "B"**, which is attached to and made a part of this Agreement by this reference.

C. City desires to enter into an Agreement with Consultant to provide these services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Consultant agree as follows:

SECTION I--CONSULTANT'S SERVICES

Consultant must perform the services described in **Exhibit "A"** to City's satisfaction within the terms and conditions of this Agreement and within the care and skill that a person who provides similar services in Chandler, Arizona exercises under similar conditions. All work or services furnished by Consultant under this Agreement must be performed in a skilled and workmanlike manner. All fixtures, furnishings, and equipment furnished by Consultant as part of the work or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the work or service.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

SECTION II--PERIOD OF SERVICE

Consultant must perform the services described in **Exhibit "A"** for the term of this Agreement. Unless amended in writing by the Parties, the Agreement term expires 455 calendar days after the Notice to Proceed (NTP) Date.

SECTION III--PAYMENT OF COMPENSATION AND FEES

Unless amended in writing by the Parties, Consultant's compensation and fees as more fully described in **Exhibit "B"** for performance of the services approved and accepted by City under this Agreement must not exceed $117,021.46 for the full term of the Agreement. Consultant may not increase any compensation or fees under this Agreement without the City's prior written consent. Consultant must submit monthly requests for payment of services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subconsultant's or supplier's actual requests for payment plus similar narrative and listing of their work. Consultant must submit an Application and Certification for Payment Sheet with the monthly request for payment to: CapitalProjects.Payables@chandleraz.gov. Payment for those services negotiated as a lump sum will be made in accordance with the percentage of the work completed during the preceding billing period. Services negotiated as a not-to-exceed fee will be paid in accordance with the work effort expended on the service during the preceding month. All requests for payment must be submitted to City for review and approval. City will make payment for approved and accepted services within 30 calendar days of City's receipt of the request for payment. Consultant bears all responsibility and liability for any and all tax obligations that result from Consultant's performance under this Agreement.

SECTION IV--CITY'S OBLIGATIONS

As part of Consultant's services under this Agreement, City will provide furnished items, services, or obligations as detailed in **Exhibit "D"**.

SECTION V--GENERAL CONDITIONS

5.1 Notices. Unless otherwise provided herein, demands under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

To City:	City of Chandler - Public Works & Utilities Department Attn: CIP City Engineer: Daniel Haskins, P.E. P.O. Box 4008, Mail Stop 407 Chandler, AZ 85244-4008 Phone: 480-782-3335 Email: Daniel.Haskins@chandleraz.gov	
With a copy to:	City of Chandler - Public Works & Utilities Department Attn: Adam Kleiser, Project Manager P.O. Box 4008, Mail Stop 407, Chandler, AZ 85244-4008 Phone: 480-782-3325 Email: Adam.Kleiser@chandleraz.gov	
To Consultant:	**LEGAL COMPANY NAME:**	Entellus, Inc.

	Statutory Agent Name:	William A. Linck
	Statutory Agent Mailing Address:	3033 North 44th Street, Suite 250 Phoenix, AZ 85018
	Statutory Agent Physical Address:	3033 North 44th Street, Suite 250 Phoenix, AZ 85018
	CONSULTANT'S AUTHORIZED PROJECT REPRESENTATIVE	
	Name:	William A. Linck
	Title:	President
	Phone:	602-391-3629
	Email:	linck@entellus.com

5.2 Records/Audit. Records of Consultant's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between City and Consultant must be kept on the basis of generally accepted accounting principles and must be made available to City and its auditors for up to three years following City's final acceptance of the services under this Agreement (this requirement is increased to five years if construction of this project is federally funded). City, its authorized representative, or any federal agency, reserves the right to audit Consultant's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from Consultant following final Agreement payment on this Agreement if, upon audit of Consultant's records, the audit discloses Consultant has provided false, misleading, or inaccurate cost and pricing data. Consultant will include a similar provision in all of its Agreements with subconsultants who provide services under the Agreement to ensure that City, its authorized representative, or the appropriate federal agency, has access to the subconsultants' records to verify the accuracy of all cost and pricing data. City reserves the right to decrease Agreement price or

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

payments made on this Agreement or request reimbursement from Consultant following final payment on this Agreement if the above provision is not included in subconsultant agreements, and one or more subconsultants refuse to allow City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses Consultant has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, Consultant will be liable for reimbursement of the reasonable, actual cost of the audit.

5.3 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of services, cost of performance, or Project schedule, the work will be performed as directed by City. However, before any modified work is started, a written amendment must be approved and executed by City and Consultant. Such amendment must not be effective until approved by City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to Consultant may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra services or materials furnished by Consultant will be allowed by City except as provided herein, nor must Consultant do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by Consultant without prior written authorization will be at Consultant's own risk, cost, and expense, and Consultant hereby agrees that without written authorization Consultant will make no claim for compensation for such work or materials furnished.

5.4 Termination. City and Consultant hereby agree to the full performance of the covenants contained herein, except that City reserves the right, at its discretion and without cause, to terminate or abandon any service provided for in this Agreement, or abandon any portion of the Project for which services have been performed by Consultant. In the event City abandons or suspends the services, or any part of the services as provided in this Agreement, City will notify Consultant in writing and immediately after receiving such notice, Consultant must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, Consultant must deliver to City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by City. Consultant must appraise the work Consultant has completed and submit Consultant's appraisal to City for evaluation. City may inspect Consultant's work to appraise the work completed. Consultant will receive compensation in full for services performed to the date of such termination. The fee will be paid in accordance with Section Ill of this Agreement, and as mutually agreed upon by Consultant and City. If there is no mutual agreement on payment, the final determination will be made in accordance with the "Disputes" provision in this Agreement. However, in no event may the fee exceed the fee set forth in Section Ill of this Agreement nor as amended in accordance with Section "Alteration in Character of Work." City will make the final payment within 60 days after Consultant has delivered the last of the partially completed items and the Parties agree on the final fee. If City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

5.5 Indemnification. To the extent permitted by law, the Consultant ("lndemnitor") must indemnify, save and hold harmless City and its officers, officials, agents and employees ("lndemnitee") from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) ("Claims") caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of Consultant or any of its owners, officers, directors, agents, employees, or subconsultants in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of Consultant to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. Consultant must indemnify lndemnitee from and against any and all Claims, except those arising solely from lndemnitee's own negligent or willful acts or omissions. Consultant is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this Agreement, Consultant agrees to waive all rights of subrogation against lndemnitee for losses arising from or related to this Agreement. The obligations of Consultant under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Consultant must procure insurance under the terms and conditions and for the amounts of coverage set forth in **Exhibit "C"** against claims that may arise from or relate to performance of the work under this Agreement by Consultant and its agents, representatives, employees, and subconsultants. Consultant and any subconsultant must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. City in no way warrants that the minimum limits stated in **Exhibit "C"** are sufficient to protect Consultant from liabilities that might arise out of the performance of the work under this Agreement by Consultant, Consultant's agents, representatives, employees, or subconsultants. Consultant is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. Consultant agrees to provide City such other duly executed documents as may be reasonably requested by City to implement the intent of this Agreement.

5.8 Successors and Assigns. City and Consultant each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither City nor Consultant may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and City.

5.9 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between Consultant and City, the final determination at the administrative level will be made by City Engineer.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

5.10 Completeness and Accuracy of Consultant's Work. Consultant must be responsible for the completeness and accuracy of Consultant's services, data, and other work prepared or compiled under Consultant's obligation under this Agreement and must correct, at Consultant's expense, all willful or negligent errors, omissions, or acts that may be discovered. Correction of errors disclosed and determined to exist during any construction of the project on architectural or engineering drawings and specifications must be accomplished by Consultant. The cost of the design necessary to correct those errors attributable to Consultant and any damage incurred by City as a result of additional construction costs caused by such engineering or architectural errors will be chargeable to Consultant and will not be considered a cost of the Work. The fact that City has accepted or approved Consultant's work will in no way relieve Consultant of any of Consultant's responsibilities.

5.11 Reporting. Written monthly reports, along with updated work schedules, will be made by Consultant in the format prescribed by City. These reports will be delivered to City per schedule. When requested by City, Consultant will attend Council meetings and provide finished documents including correspondence for Council action, supporting charts, graphs, drawings and colored slides of same.

5.12 Withholding Payment. City reserves the right to withhold funds from Consultant's payments up to the amount equal to the claims City may have against Consultant until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Consultant. For this Agreement Consultant constitutes an independent contractor. Any provisions in this Agreement that may appear to give City the right to direct Consultant as to the details of accomplishing the work or to exercise a measure of control over the work means that Consultant must follow the wishes of City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, Consultant must submit to City detailed resumes of key personnel that will be involved in performing services prescribed in the Agreement. City hereby acknowledges its acceptance of such personnel to perform services under this Agreement. At any time hereafter that Consultant desires to change key personnel while performing under the Agreement, Consultant must submit the qualifications of the new personnel to City for prior approval. Key personnel include, but are not limited to, principals-in-charge, project manager, and project Consultant. Consultant will maintain an adequate and competent staff of qualified persons, as may be determined by City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Services. If City objects, with reasonable cause, to any of Consultant's staff, Consultant must take prompt corrective action acceptable to City and, if required, remove such personnel from the Project and replace with new personnel agreed to by City.

5.16 Consultants or Subconsultants. Prior to beginning the work, Consultant must furnish City for approval the names of consultants or subconsultants to be used under this Agreement. Any subsequent changes are subject to City's written prior approval.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Federal Laws. Consultant understands and acknowledges the applicability of the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and the Drug Free Workplace Act of 1989 to it. Consultant agrees to comply with these laws in performing this Agreement and to permit City to verify such compliance.

5.19 No Israel Boycott. By entering into this Agreement, Consultant certifies that Consultant is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits City from awarding an Agreement to any consultant who fails, or whose subconsultants fail, to comply with A.R.S. § 23-214(A). Therefore, Consultant agrees Consultant and each subconsultant it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with § 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Consultant's or subconsultant's employee who provides services under this Agreement to ensure that Consultant and subconsultants comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit City from awarding an Agreement to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of Agreement award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Covenant Against Contingent Fees. Consultant warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Consultant's firm. For breach or violation of this warrant, City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.23 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

every provision.

5.24 Disclosure of Information Adverse to City's Interests. To evaluate and avoid potential conflicts of interest, Consultant must provide written notice to City, as set forth in this Section, of any work or services performed by Consultant for third parties that may involve or be associated with any real property or personal property owned or leased by City. Such notice must be given 7 business days prior to commencement of the services by Consultant for a third party, or 7 business days prior to an adverse action as defined below. Written notice and disclosure must be sent in accordance with Section 6.7 above. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against City; or (c) using data to produce income for Consultant or its employees independently of performing the services under this Agreement, without the prior written consent of City. Consultant represents that except for those persons, entities, and projects identified to City, the services performed by Consultant under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to City's interests. Consultant's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.25 Data Confidentiality and Data Security. As used in the Agreement, "data" means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to Consultant or its subconsultants in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to Consultant or its subconsultants in connection with Consultant's or its subconsultant's performance of this Agreement is confidential and proprietary information belonging to City. Except as specifically provided in this Agreement, Consultant or its subconsultants must not divulge data to any third party without City's prior written consent. Consultant or its subconsultants must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to Consultant or its subconsultants have first given the required notice to City: (a) data which was known to Consultant or its subconsultants prior to its performance under this Consultant or its subconsultants by a third party, who to the best of Consultant's or its subconsultants' knowledge and belief, had the legal right to make such disclosure and Consultant or its subconsultants are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which Consultant or its subconsultants are subject. In the event Consultant or its subconsultants are required or requested to disclose data to a third party, or any other information to which Consultant or its subconsultants became privy as a result of any other Agreement with City, Consultant must first notify City as set forth in this Section of the request or demand for the data. Consultant or its subconsultants must give City sufficient facts so that City can be given an opportunity to first give its consent or take such action that City may deem appropriate to protect such data or other information from disclosure. All data must continue to be subject to the confidentiality agreements of this Agreement. Consultant or its

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

subconsultants assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate City if any of the provisions of this Section are violated by Consultant, its employees, agents or subconsultants. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Consultant agrees that the requirements of this Section must be incorporated into all subagreements entered into by Consultant. A violation of this Section may result in immediate termination of this Agreement without notice.

5.26 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Consultant or its subconsultants. At a minimum, Consultant or its subconsultants must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Consultant or its subconsultants in connection with this Agreement is believed to have been compromised, Consultant or its subconsultants must immediately notify City contact. Consultant agrees to reimburse City for any costs incurred by City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Consultant agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Consultant. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Consultant or its subconsultants under this Section must survive the termination of this Agreement.

5.27 Jurisdiction and Venue. This Agreement is made under and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.28 Survival. All warranties, representations, and indemnifications by Consultant must survive the completion or termination of this Agreement.

5.29 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

5.30 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.31 Integration. This Agreement contains the full agreement of the Parties. Any prior or

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.32 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.33 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.34 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than City and Consultant, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and Consultant and not for the benefit of any other party.

5.35 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in **Exhibit "A"**, the provisions in this Agreement prevail.

5.36 Document/Information Release. Documents and materials released to Consultant, which are identified by City as sensitive and confidential, are City's property. The document/material must be issued by and returned to City upon completion of the services under this Agreement. Consultant secondary distribution, disclosure, copying, or duplication in any manner is prohibited without City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.37 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Scope of Services / Schedule
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions
Exhibit E – Subconsultant Documents with Consultant (if applicable)
Exhibit F - Federal Requirements (if applicable)

5.38 Special Conditions. As part of the services Consultant provides under this Agreement, Consultant agrees to comply with and fully perform the special terms and conditions set forth in **Exhibit "D"**, which is attached to and made a part of this Agreement.

5.39 Non-Discrimination and Anti-Harassment Laws. Consultant must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

5.40 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Consultant must maintain all applicable City, state, and federal licenses and permits required to fully perform Consultant's services under this Agreement.

5.41 Warranties. Consultant must furnish a one-year warranty on all work and services performed under this Agreement. Consultant must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Consultant, subconsultants or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Consultant (including, but not limited to, all parts and labor) at Consultant's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to City on or before City's final acceptance of Consultant's services under this Agreement.

5.42 Cooperative Purchasing Agreement (S.A.V.E. – Strategic Alliance for Volume Expenditures). In addition to City of Chandler and with the approval of Consultant, this Agreement may be extended for use by other municipalities, school districts, and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter, or procurement rules and regulations of the respective political entity.

5.43 Budget Approval into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council.

5.44 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.45 License to City for Reasonable Use. With this Agreement, Consultant and its subconsultants hereby grant a license to City, its agents, employees, and representatives for an indefinite period of time to reasonably use, make copies, and distribute as appropriate the Documents, works or deliverables developed or created as a result of the Project and this Agreement. This license also includes the making of derivative works.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

This Agreement will be in full force and effect only when it has been approved and executed by the duly authorized City officials.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date.

EXHIBIT "A"

CONSTRUCTION MANAGEMENT
SCOPE OF SERVICES
QUARTER SECTION 10-55 SEWER REHABILITATION
PROJECT NO. WW2502.451

PROJECT TASKS

1. PRE-CONSTRUCTION ASSISTANCE

A. Task 1.1 Preconstruction Assistance

i. Consultant must attend the pre-construction meeting.

2. CONSTRUCTION MANAGEMENT

A. Task 2.1 Weekly Construction Meetings

i. Consultant must conduct weekly construction meetings. Each meeting includes agenda and minutes; Request for Information (RFI); Shop Drawing; Request for Information (RFI); Field Directive (FD); Material Certification; and Allowance Logs. Consultant assumes 12 weekly meetings will be held.

B. Task 2.2 CPM Schedule

i. Consultant must review and evaluate Contractor's initial CPM schedule and provide recommendations for acceptance.

ii. Consultant must review Contractor's monthly CPM schedule updates submitted with each payment application, identify CPM tasks behind schedule that may affect critical path items, project substantial and final completion dates and initiate correspondence to city regarding those tasks. Consultant assumes 2 reviews of updated CPM schedule.

C. Task 2.3 Requests for Information (RFI's)

i. Consultant must review, evaluate, and respond to Contractor Requests for Information (RFI's); and prepare and maintain a submittal log of all RFI's. Consultant assumes 10 RFI responses.

D. Task 2.4 Shop Drawing Submittals

i. Consultant must review, evaluate, and respond to Contractor shop drawing submittals; and prepare and maintain a submittal log of all shop drawing submittals. Consultant assumes 30 submittals.

E. Task 2.5 Requests for Proposal (RFP)

i. Consultant must prepare Requests for Proposal (RFP) documents detailing requested additional work tasks; review and evaluate Contractor RFP responses (cost derivatons) with approval recommendations; and prepare and maintain a submittal log list of all RFP's. Consultant assumes 5 RFPs.

F. Task 2.6 Field Directives (FD's)

i. Consultant must prepare Field Directive (FD) documents detailing requested additional work tasks; review and evaluate Contractor FD responses with approval recommendations; and prepare and maintain a submittal log list of all FD's. Consultant assumes 5 FD's.

G. Task 2.7 Contractor Payment Applications

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

i. Consultant must review and evaluate Contractor monthly payment applications and make recommendation for payment; maintain a weekly record of constructed pay quantities and compile monthly totals; and coordinate payment application with the city quantity report and the inspectors' daily logs. Consultant assumes 2 payment applications.

3. CONSTRUCTION INSPECTION

A. Task 3.1 Inspection Services

i. Consultant must provide weekly construction inspection to verify materials and installations conform to construction documents; prepare daily inspection reports documenting Contractor construction activities and progress during field inspection visits; and perform intermittent erosion control inspections. Consultant assumes 1 inspector full time 44 hours per week for 2 months.

B. Task 3.2 Project Closeout

i. Consultant must compile non-conformance list prior to Substantial Completion; schedule and conduct Substantial Completion inspection; prepare Substantial Completion punch list generated from Substantial Completion inspection; track items on punch list and note completed items; and complete and distribute Substantial Completion certificates.

ii. Consultant must schedule and conduct Final Completion inspection; and complete and distribute Final Completion certificates.

iii. Consultant must provide all documents in an electronic version that matches the city's filing system, so it can be imported into city's files.

4. MATERIALS TESTING

A. Task 4.1 Quality Control (QC) Test Program

i. Consultant must review and verify Contractor's Quality Control material test type and frequencies are consistent with city and MAG; review and evaluate Contractor's QC test schedule and provide recommendations on acceptance; and review and evaluate all Contractor sampling, test, and inspection results for conformance with construction documents.

5. RECORD DRAWINGS

A. Task 5.1 Record Drawings

i. Review and monitor Contractor's updates on post panorama videos after rehabilitation complete.

ii. Prepare Excel file as-built spreadsheet showing manholes rehabilitated, including EID and rehabilitation completed. Provide to city's construction manager 30 days after substantial completion.

ASSUMPTION, CLARIFICATIONS, AND EXCLUSIONS

1. Application fees for city reviews and permits will be paid by CITY.
2. The Owner's Allowance will only be utilized with prior written approval from the city representative.

EXHIBIT "C"
INSURANCE REQUIREMENTS

1. General.

1.1 At the same time as execution of this Agreement, Consultant must furnish City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement will not be deemed to apply to required Workers' Compensation coverage.

1.2 Consultant and any of its subconsultants must procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

1.3 The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

1.4 City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Consultant from liabilities that might arise out of the performance of the Agreement services under this Agreement by Consultant, its agents, representatives, employees, subconsultants, and Consultant is free to purchase any additional insurance as may be determined necessary.

1.5 Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve Consultant from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

1.6 Use of subconsultants: If any work is subcontracted in any way, Consultant must execute a written Agreement with subconsultant containing the same Indemnification Clause and Insurance Requirements as City requires of Consultant in this Agreement. Consultant is responsible for executing the Agreement with the subconsultant and obtaining Certificates of Insurance and verifying the insurance requirements.

2. Minimum Scope and Limits of Insurance. Consultant must provide coverage with limits of liability not less than those stated below.

2.1 *Professional Liability.* If the Agreement is the subject of any professional services or work performed by Consultant, or if Consultant engages in any professional services or work adjunct or residual to performing the work under this Agreement, Consultant must maintain Professional Liability insurance covering errors and omissions arising out of the work or services performed by Consultant, or anyone employed by Consultant, or anyone whose acts, mistakes, errors and omissions Consultant is legally liable, with a liability limit of $1,000,000 each claim and $2,000,000 all claims. In the event the Professional Liability

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

insurance policy is written on a "claims made" basis, coverage must extend for 3 years past completion and acceptance of the work or services, and Consultant, or its selected Design Professional will submit Certificates of Insurance as evidence the required coverage is in effect. The Design Professional must annually submit Certificates of Insurance citing that the applicable coverage is in force and contains the required provisions for a 3 year period.

2.2 *Commercial General Liability-Occurrence Form.* Consultant must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products and completed operations, independent contractors, personal injury and advertising injury. If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

2.3 *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Consultant must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Consultant owned, hired, and non-owned vehicles assigned to or used in the performance of Consultant's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

2.4 *Workers Compensation and Employers Liability Insurance:* Consultant must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Consultant employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

3. Additional Policy Provisions Required.

3.1 *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by City. If not approved, City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to City, its officers, officials, agents, employees, and volunteers.

3.1.1. Consultant's insurance must contain broad form contractual liability coverage.

3.1.2. Consultant's insurance coverage must be primary insurance with respect to City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by City, its officers, officials, agents, and employees will be in excess of the coverage provided by Consultant and must not contribute to it.

3.1.3. Consultant's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

3.1.4. Coverage provided by Consultant must not be limited to the liability assumed under the indemnification provisions of this Agreement.

Docusign Envelope ID: 498E02B1-1A65-47CA-AE63-E34327E7F332

3.1.5. The policies must contain a severability of interest clause and waiver of subrogation against City, its officers, officials, agents, and employees, for losses arising from Work performed by Consultant for City. (Does not apply to Professional Liability coverage.)

3.1.6. Consultant, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of 3 years following completion and acceptance of the Work. Consultant must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this 3-year period containing all the Agreement insurance requirements, including naming City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

3.1.7. If a Certificate of Insurance is submitted as verification of coverage, City will reasonably rely upon the Certificate of Insurance as evidence of coverage, but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

3.2. *Insurance Cancellation During Term of Agreement.*

3.2.1. If any of the required policies expire during the life of this Agreement, Consultant must forward renewal or replacement Certificates to City within 10 days after the renewal date containing all the required insurance provisions.

3.2.2. Each insurance policy required by the insurance provisions of this Agreement must provide the required coverage and must not be suspended, voided or canceled except after thirty (30) days prior written notice has been given to City, except when cancellation is for non-payment of premium, then ten (10) days prior notice may be given. Such notice must be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, Consultant or its insurance broker must notify City of any cancellation, suspension, non-renewal of any insurance within seven (7) days of receipt of insurers' notification to that effect.

3.3 City as Additional Insured. The policies are to contain, or be endorsed to contain, the following provisions:

3.3.1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, Consultant; Products and Completed operations of Consultant; and automobiles owned, leased, hired, or borrowed by Consultant.

3.3.2. City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by Consultant even if those limits of liability are in excess of those required by this Agreement.

City Council Memorandum Public Works & Utilities Memo No. UA26-005

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Andy Bass, Deputy City Manager John Knudson, Public Works and Utilities Director
From:	Josef Kennis, Wastewater Facilities Manager
Subject:	Purchase of Flow Meters and Level Meters

Proposed Motion:

Move City Council approve the purchase of flow meters and level meters, from Krohne, Inc.; Vega Americas, Inc.; Winn-Marion, Inc.; Western Environmental Equipment, Co.; Doan and Hartwig Water Systems, Inc.; Process Technology, Inc.; and ADS, LLC, utilizing City of Phoenix Contract No. IFB-2324-WWT-620, in a combined amount not to exceed $535,000.

Background/Discussion:

The Public Works & Utilities Department operates wastewater and reclaimed water facilities that among other operational responsibilities requires accurate flow monitoring. This contract will allow for the purchase of flow measuring and level sensing equipment required to support consistent and accurate measurement of our wastewater and reclaimed water flows.

Evaluation:

The City of Phoenix competitively solicited and awarded a contract for flow meters, level meters, and repair services to Krohne, Inc.; Vega Americas, Inc.; Winn-Marion, Inc.; Western Environmental Equipment, Co.; Doan and Hartwig Water Systems, Inc.; Process Technology, Inc.; and ADS, LLC. The city has a current agreement with the City of Phoenix allowing for the cooperative use of the contracts. Staff recommends use of these contracts because of competitive pricing and quality customer service. The City of Phoenix contracts are valid through August 15, 2029.

City Council Memorandum Public Works & Utilities Memo No. UA26-006

Date: August 14, 2025
To: Mayor and Council
Thru: John Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Danny Sargent, Water Systems Senior Manager
Subject: Agreement No. PW1-855-4313, Amendment No.4, with Aquafit Chlorination Systems, LLC; Hill Brothers Chemical Company; Landmark Aquatic Services, LLC; Momar, Inc.; Polydyne, Inc.; PVS DX, Inc.; Salt Works; Thatcher Company of Arizona, Inc.; and Univar Solutions USA, Inc., for the Purchase of Water Treatment Chemicals

---

Proposed Motion:

Move City Council approve Agreement No. PW1-855-4313, Amendment No.4, with Aquafit Chlorination Systems, LLC; Hill Brothers Chemical Company; Landmark Aquatic Services, LLC; Momar, Inc.; Polydyne, Inc.; PVS DX, Inc.; Salt Works; Thatcher Company of Arizona, Inc.; and Univar Solutions USA, Inc., for the purchase of water treatment chemicals, in a combined amount not to exceed $14,100,000, for a one-year term, August 15, 2025, through August 14, 2026.

Background/Discussion:

These agreements will be used to purchase bulk and packaged water and wastewater treatment chemicals for use at the city's water and wastewater treatment facilities and swimming pools. The Public Works & Utilities Department will use these agreements for water, wastewater, reverse osmosis, and well system treatment. The Community Services Department will use these agreements for swimming pool chemicals. Chemicals used by the Ocotillo Brine Reduction Facility are paid for by Intel.

Evaluation:

On August 12, 2021, City Council approved agreements with Aquafit Chlorination Systems, LLC; Hill Brothers Chemical Company; Landmark Aquatic Services, LLC; Momar, Inc.; Polydyne, Inc.; PVS DX, Inc.; Salt Works; Thatcher Company of Arizona, Inc.; and Univar Solutions USA, Inc., for a one-year term, with the option of up to four one-year extensions. The contractors have agreed to extend the agreements for one year with an average price increase of 2%, citing market conditions caused by higher wages, low usage of product, fuel, increased packaging, and supply increases due to tariffs. Staff reviewed the requested increases and found them to be fair and reasonable based on the current market and services provided. Staff recommends extension of these agreements for the term of August 15, 2025, through August 14, 2026. This is the fourth and final extension of the original agreement.

AMENDMENT TO CITY OF CHANDLER AGREEMENT
WATER TREATMENT CHEMICALS
CITY OF CHANDLER AGREEMENT NO. PW1-885-4313

THIS AMENDMENT NO. 4 is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Aquafit Chlorination Systems, LLC, a Texas corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties) and made _____ , 2025 (Effective Date).

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water treatment chemicals (Agreement); and

WHEREAS, the term of the Agreement was August 15, 2021 through August 14th, 2022 with the option of up to four one-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water treatment chemicals in an amount not to exceed $14,100,000 for the extension term; and

WHEREAS, the Parties wish to exercise the final option through this Amendment No. 4 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period August 15, 2025, through August 14, 2026.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B of Amendment No. 3, which is incorporated into and made a part of this Amendment No. 4. Total payments made to the Contractor during the term of this Amendment No. 4 will not exceed $14,100,000.

Docusign Envelope ID: 4CBAED2C-70FF-48AF-86D3-F7A834A20151

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 4 and the Agreement, the terms and conditions in this Amendment No. 4 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

RECITALS

WHEREAS, City Council approved the award of multiple Agreements for water treatment chemicals (Agreement); and

WHEREAS, the term of the Agreement was August 15, 2021 through August 14th, 2022 with the option of up to four one-year extensions; and

WHEREAS, the City wishes to extend the term of the multiple Agreements for water treatment chemicals in an amount not to exceed $14,100,000 for the extension term; and

WHEREAS, the Parties wish to exercise the final option through this Amendment No. 4 to extend the Agreement for one year.

AGREEMENT

NOW THEREFORE, the Parties agree as follows:

1. The recitals are accurate and are incorporated and made a part of the Agreement by this reference.

2. Section III, Period of Service is amended to read as follows: The term of the Agreement is extended for a one-year period August 15, 2025, through August 14, 2026.

3. Section IV, Payment of Compensation and Fees is amended to read as follows: The City will pay the Contractor the per unit cost set forth in Revised Exhibit B of Amendment No. 4, which is incorporated into and made a part of this Amendment No. 4. Total payments made to the Contractor during the term of this Amendment No. 3 will not exceed $14,100,000.

Docusign Envelope ID: 57BDECE9-D804-4F11-A8DD-0B6BC0A09755

4. All other terms and conditions of the Agreement remain unchanged and in full force and effect. If a conflict or ambiguity arises between this Amendment No. 4 and the Agreement, the terms and conditions in this Amendment No. 4 prevail and control.

IN WITNESS WHEREOF, the Parties have entered into this Amendment on the Effective Date.

City Council Memorandum Public Works & Utilities Memo No. UA26-007

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Jeremy Abbott, Public Works & Utilities Assistant Director
Subject: Agreement No. PW3-925-4631, Amendment No. 5, with Hazen and Sawyer, P.C., for the Water System Upgrades Program Consultant Services

---

Proposed Motion:

Move City Council approve Agreement No. PW3-925-4631, Amendment No. 5, with Hazen and Sawyer, P.C., for the water system upgrades program consultant services, increasing the agreement amount by $422,420.

Background/Discussion:

The city operates and maintains over 36,000 valves and 1,200 miles of pipe comprising Chandler's potable water system. Replacement of these assets are addressed by a Capital Improvement Program (CIP) which identifies water mains that are susceptible to breaks due to age and condition. The program evaluates water infrastructure, identifying high-priority water mains in need of replacement. Replacement of city water mains will result in improved system reliability and reduced liability from water damage.

The Water System Upgrades Program is intended to leverage outside consultants as extensions of staff to expedite planning of improvements to the water system. On October 19, 2023, City Council approved Agreement No. PW3-925-4631 with Hazen and Sawyer, P.C., for the Water System Upgrades Program consultant services. City staff are requesting to include consultant services to develop a ten-year roadmap for improvements to the water distribution system. The objective of the roadmap in Amendment No. 5 is to create a list of projects based on risk factors and prioritize the sequencing of implementation while maximizing collaboration and coordination with other planned city projects. Recommendations

for project grouping, project delivery methods, and planning level schedules and cost estimates will also be provided.

Evaluation:

On October 19, 2023, City Council approved an agreement with Hazen and Sawyer, P.C., for water system upgrades program consultant services, in the amount of $695,720. City Council approved Amendment No. 1 on February 22, 2024, adding additional services, extending the term of the agreement, and increasing the amount of the agreement by $149,680. Amendment No. 2 added additional services, extended the term of the agreement, increased the amount of the agreement by $89,720, and was administratively approved. Amendment No. 3 added additional services, extended the term of the agreement, increased the amount of the agreement by $98,750, and was administratively approved. City Council approved Amendment No. 4 on November 4, 2024, adding additional services, extending the term of the agreement, and increasing the amount of the agreement by $11,598,345. Amendment No. 5 includes additional services, and increases the amount of the agreement by $422,420. Staff recommends this amendment to the agreement.

Financial Implications:

This Amendment No. 5 is in the amount of $422,420, for a revised total contract amount not to exceed $13,051,635.

AMENDMENT NO. 5 TO
CONSULTANT SERVICES AGREEMENT

Water System Upgrades Program
Project No. PW3-925-4631

Council Date: August 14, 2025

THIS AMENDMENT NO. Five ("Amendment No. 5") to the professional services agreement dated October 24, 2023 (the "Agreement") is made by and between the City of Chandler, an Arizona municipal corporation, ("City") and **Hazen and Sawyer, P.C., a New York professional corporation** ("Consultant"), on this _____ day of _____, 2025 ("Effective Date" by Clerk). (City and Consultant may individually be referred to as "Party" and collectively referred to as "Parties").

RECITALS

A. The Parties entered into the Agreement for: **Consultant Services** ("Services") for the **Water System Upgrades Program** project.

B. The Parties have determined that it is necessary and desirable for the Consultant to perform additional services for the City under the terms and conditions set forth in this Amendment No. 5 and the Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual promises contained in the Agreement and this Amendment No. 5, the Parties agree to amend and modify the Agreement as follows.

SECTION I – CONSULTANT'S SERVICES

The Consultant's Services are modified as described in the Exhibit "A" attached to and made part of this amendment by reference.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

SECTION II – PERIOD OF SERVICE

The Period of Service is unchanged.

SECTION III – PAYMENT OF COMPENSATION AND FEES

The Fees are increased by $422,420 and will be payable in accordance with Exhibit B attached to and made part of this amendment by reference, for a revised total not to exceed $13,051,635.

SECTION IV – CONFLICT AMONG DOCUMENTS

The Agreement, this amendment, and any previous amendments constitute the complete agreement between the Parties concerning the subject matter of the Agreement and replace any prior oral or written communications between the Parties. If a conflict or ambiguity arises between the Agreement and this amendment, the instrument in the following order prevails and controls: (1) this amendment; (2) any previous Amendments from most recent to oldest; and (3) the Agreement.

SIGNATURE PAGE TO FOLLOW

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment No. 5 to be duly executed. Each Party warrants and represents that its respective signatories whose signatures appear below have been and are on the date of signature duly authorized to execute this Amendment No. 5.

EXHIBIT A
SCOPE OF WORK

Project Description

Hazen and Sawyer (Consultant) is currently serving as Program Manager for the Water System Program PW3-925-4631 (Program) for the City of Chandler (City). As part of the Program, the City requested Consultant to develop a scope and fee to develop a roadmap for the Water Main Replacement Program, which consists of distribution system pipeline replacements coming up over the next ~30 years.

The objective of the roadmap is to develop a list of projects based on the risk factors and prioritize the sequencing of implementation while maximizing collaboration and coordination with other planned City projects. Recommendations for project grouping, project delivery methods, and planning level schedules and cost estimates will also be provided. The following tasks will be performed as part of the project:

Task 1: Data Request and Review

Task 2: Update Desktop Level Risk Analysis for Water Distribution System

Task 3: Stakeholder Coordination

Task 4: Project Prioritization

Task 5: Water Main Replacement Program Roadmap

1. Data Request and Review

The objective of this task is to establish baseline data and information on conditions and operations of the City's water distribution system. Once data is received, Consultant will review the data, documents, and models to identify any data gaps. For any data gaps identified, Consultant will initiate additional data request(s), field verifications, or field data collection.

1.1 Data Request

Consultant will request and review technical and operations data at the beginning of the project. Information anticipated to be requested includes:

- Updated GIS
    - Water mains – size, material, age
    - Water meters – user type, detailed customer classification
    - Pipe break records
    - Land use related GIS files
    - All utilities and streets
- GIS geodatabase containing results from previous water main risk analysis
- Customer billing data
- City's latest water model

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

- City's 2018 Water, Wastewater, and Reclaimed Water Master Plan
- Pavement quality index for all roads in GIS format
- List of upcoming street projects
- List of upcoming ADA projects
- Water Distribution Operations staff group interviews
- Council approved CIP
- As-builts for water main replacement projects that have been completed since the previous master plan

1.2 GIS Data Gap Analysis

Consultant will review the GIS data provided by the City and identify any data gaps that must be addressed to update the risk analysis. Consultant will work with the City to address the gaps and ensure a fairly complete data set is available to update the risk analysis.

Task 1 Assumptions:

- Data will be available within 2 weeks of NTP
- Operations interviews will be held in-person with a group of staff over two (2) sessions, each no more than two (2) hours in duration
- The City's existing GIS data is fairly complete, meaning the linear assets contain most of the attribute data required to complete the updates to the risk analysis. Professional judgment will be used to make assumptions for unavailable data.

Task 1 Deliverables:

- Data request
- Key findings, gaps in information and recommendations to close gap

2. Update Desktop Level Risk Analysis for Water Distribution System

The objective of this task will be to update the risk scores for linear assets in the water distribution system that were established in the City's previous desktop level risk assessment. This risk analysis was prepared during the City's last water master plan update in 2018. The risk-based approach was based on determining the consequence of failure (COF) and the likelihood of failure (LOF) for each linear asset to develop risk scores. Consultant will build upon the existing framework and update risk scores for water mains that have been replaced since the previous master plan.

2.1 Calculate Updated Risk Scores

Consultant will utilize a GIS-based asset management tool to update LOF and COF scores based on the City's latest GIS and existing framework from the previous risk analysis. Scores will be updated for water mains that have been replaced since the previous master plan.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

Updates to the LOF and COF scores will be made within the City's water main risk analysis GIS geodatabase and will be used to calculate new overall risk scores for the linear assets. The updated overall risk scores will also be reflected within the water main risk analysis GIS geodatabase.

2.2 Analyze Updated Risk Scores and Results

Graphical and spatial representation of the updated results will be developed to better understand how risk scores within the distribution system have changed since the previous master plan. The results will be presented to the City during a workshop and further used during project prioritization.

2.3 Workshop

Consultant will host one (1) workshop with staff from the City's Public Works and Utilities Department to discuss the results from the updated risk analysis and start discussions on potential project areas.

Task 2 Assumptions

- Consultant will host one (1) workshop, which shall be held in-person and last no more than two (2) hours
- Consultant will use the same COF and LOF risk matrices prepared for the previous master plan. Updates to the categories, weights and criteria are excluded.
- All updates will be made within the City's existing water main risk analysis GIS geodatabase. A new GIS geodatabase will not be created.
- City's hydraulic model will not be updated or calibrated as part of this project.
- Updates and/or data cleanup to the City's GIS files are not included.

Task 2 Deliverables

- Workshop PowerPoint slides and meeting minutes in PDF format
- Updated water main risk analysis GIS geodatabase
- Maps showing risk analysis results for pipes in the water distribution system

3. Stakeholder Coordination

This task includes coordination with other City Departments/Divisions to better understand upcoming projects and/or priorities that should be accounted for in the Water Main Replacement Program.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

3.1 Workshops

Consultant will coordinate with the appropriate staff members from each department to schedule a virtual workshop. In addition, Consultant will prepare a PowerPoint presentation with some background information on the upcoming program, a summary of preliminary results from the updated risk analysis, and a list of questions to initiate discussions with City staff members. The list of departments that Consultant will meet with will be finalized based on feedback from Public Works and Utilities Department staff, and may include the following:

- Development Services
    - Planning
    - Telecommunications and Utility Franchise (TUF)
- Cultural Development
    - Downtown Redevelopment
- Neighborhood Resources
- Communications and Public Affairs (CAPA)
- Public Works and Utilities
    - Streets Maintenance
    - CIP
    - Real Estate
    - Wastewater Collections
    - Meter Services
    - Water Quality

Finally, Consultant will host one (1) virtual workshop with the City's municipal leadership team to establish the guiding principles that will be used during project prioritization.

Task 3 Assumptions:

- Consultant will host up to two (2) workshops with each department, which shall be held virtually and last no more than one (1) hour in duration each. The first workshop will be used to introduce the program and obtain input. The second workshop will be used to present the proposed program roadmap. To efficiently implement the workshops, one workshop may be held for multiple departments/divisions. The table below summarizes the assumed number of workshops based on this approach.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

Department	Division	Workshop 1	Workshop 2
Development Services	Planning	X	X
	Telecommunications and Utility Franchise (TUF)		
Public Works and Utilities	CIP		
	Real Estate		
	Streets Maintenance	X	X
	Wastewater Collections	X	X
	Meter Services	X	X
	Water Quality		
Cultural Development	Downtown Redevelopment	X	X
Neighborhood Resources	-		
Communications and Public Affairs	-		
	Total Workshops =	**5**	**5**

- Consultant will host one (1) workshop with the City's municipal leadership team, which shall be held virtually and last no more than one (1) hour in duration each. The first workshop will be used to introduce the program and obtain input.
- Consultant will document the stakeholder inputs pertaining to potential water line projects.

Task 3 Deliverables:

- Workshop PowerPoint slides and meeting minutes in PDF format

4. Project Prioritization

The objective of this task is to identify and prioritize project areas in the water distribution system that require assessment, repair, and/or replacement. Consultant will utilize the risk analysis results, feedback from stakeholder coordination and a desktop level analysis of water lines in utility service areas to identify the project areas.

4.1 Desktop Level Analysis of Water Lines in Utility Service Areas

Consultant will identify the City's water lines located in or in conflict with service areas and easements belonging to other utilities and stakeholders that may require additional coordination and permitting if they are repaired or replaced. Consultant will overlay the City's water line GIS data on top of parcel GIS linework obtained from the Maricopa County's Assessor website and any available GIS data provided by the utilities and stakeholder to identify conflicts. In addition, Consultant will, to the extent possible, attempt to identify existing water lines located within alleys that may require replacement to improve access to these linear assets during operations and maintenance.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

Consultant will coordinate with the utilities and stakeholders to obtain any available GIS data or maps that depict their service areas or easements. If PDF maps are provided, the maps will be georeferenced into ArcGIS Pro. It is expected that the following utilities and stakeholders may have utility service areas and/or easements that conflict with the City's water lines:

- ADOT
- APS
- MCDOT
- MCESD
- RWCD
- SRP Irrigation and Power
- UPRR

It should be noted that although MCESD is not a utility provider, it is a stakeholder that will require permitting during repairs or replacements. High level discussions with MCESD management personnel are expected to determine how to expedite an Approval of Construction (AOC) to bring a recently rehabilitated or constructed water main online quickly.

Consultant shall provide the findings to the City and discuss in meetings as needed. The findings will also be incorporated into the identification and prioritization of project areas for the program.

4.2 Develop List of Project Areas

Consultant will utilize the risk analysis results, feedback from stakeholder coordination, and desktop level analysis of water lines in utility service areas to identify and prioritize the project areas that will be part of the program's roadmap. Project sheets will be created for the projects required within the next 5 years and will include a summary scope of work and a planning level cost estimate for each project area. Projects beyond the 5-year mark will be listed by year, but project sheets will not be developed.

4.3 Planning Level Cost Estimate

AACE Class 5 cost estimates will be provided for each identified project area, which are common for this level of planning. In providing opinions of cost for each project, Consultant has no control over cost or price of labor and materials; unknown or latent conditions of existing equipment or structures that may affect operation or maintenance costs; competitive bidding procedures and market conditions; time or quality of performance by operating personnel or third parties; and other economic and operational factors that may materially affect the ultimate project cost or schedule. Therefore, Consultant makes no warranty that the City's actual project costs, financial aspects, economic feasibility, or schedules will not vary from the Consultant's opinions, analyses, projections, or estimates.

Task 4 Assumptions

- Consultant will conduct one (1) meeting to discuss the list of projects, which shall be held virtually and last no more than two (2) hours
- Cost estimates will be AACE Level 5
- Detailed utility coordination or conflict is not included

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

Task 4 Deliverables

- Project sheets listed in electronic PDF format
- Cost models in Excel format along with Basis of Estimate
- An exhibit depicting project locations in the distribution system in electronic PDF format
- GIS shapefiles for the proposed water main replacements. The shape files will include project name, description, rationale, target start fiscal year, and cost.

5. Water Main Replacement Program Roadmap

This task includes developing a Program Roadmap which summarizes the findings from Tasks 2, 3 and 4 and provides the path to perform upgrades in the City's water distribution system over the next 10 years.

5.1 Draft Program Roadmap

Consultant will prepare a Draft Program Roadmap that will include the following:

- Summary of findings from Tasks 2, 3, and 4
- Summary of the project areas identified in Task 4 and their justification/driver
- Summary of the cost estimates established for each of the project areas in Task 4
- Preferred procurement method for design and construction for each of the project areas
- Discussion of funding splits with stakeholders for the project areas
- Recommended schedule for implementation of the project areas

5.2 Final Program Roadmap

Consultant will develop a Final Program Roadmap that will incorporate the City's comments on the Draft Program Roadmap.

5.3 Workshop

Consultant will host one (1) workshop with the staff from the City's Public Works and Utilities Department to review their comments on the Draft Program Roadmap.

Task 5 Assumptions

- Consultant will host one (1) workshop, which shall be held in-person and last no more than two (2) hours
- City will provide one (1) round of consolidated comments on the Draft Program Roadmap, which will be incorporated and/or addressed for the Final Program Roadmap.
- The list of project areas may be subject to change due to the City's next update to their water master plan based on the latest General Plan updates. Such changes will be implemented into the Program at the City's discretion through a future contract or scope amendment.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

- The list of project areas may be subject to change based on inputs from City's planned valve exercise program. Such changes will be implemented into the Program at the City's discretion through a future contract or scope amendment.
- Consultant will work with the City to align the proposed projects with their currently approved 10-year CIP budget. If this is not possible, Consultant will suggest modifications to the CIP budget.

Task 5 Deliverables

- Workshop PowerPoint slides and meeting minutes in PDF format
- Draft Program Roadmap in electronic PDF format
- Final Program Roadmap in electronic PDF format

6. Allowances

6.1 Potholing Allowance

This allowance will be used to perform potholing to verify existing pipe materials and support the identification of areas in need of repair or replacement. The potholing results will not be used for design purposes. Potholing activities will be performed by a City approved potholing subconsultant. The allowance will only be utilized with the City's prior written authorization.

6.2 Workshops with City Manager(s) and Council Allowance

This allowance will be used for Consultant to host workshops with the City Manager(s) and Council. Up to two (2) workshops shall be held virtually and last no more than one (1) hour in duration each. The first workshop will be used to introduce the program and obtain input. The second workshop will be used to present the proposed program roadmap. The allowance will only be utilized with the City's prior written authorization.

7. Other Direct Costs (ODC)

This task is for expenses related to the project, such as travel and shipping.

Docusign Envelope ID: 5BF25584-CFC5-4C72-907E-A1FAE6478A54

City Council Memorandum Public Works & Utilities Memo No. UA26-009

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Thomas Bolyen, Utility Plant Superintendent
Subject: Agreement No. PW5-885-4950, with Brenntag Pacific, Inc., and Univar Solutions USA, LLC., for the Purchase of Hydrochloric Acid (HCL) 35%

Proposed Motion:

Move City Council approve Agreement No. PW5-885-4950, with Brenntag Pacific, Inc., and Univar Solutions USA, LLC., for the purchase of hydrochloric acid (HCL) 35%, in an amount not to exceed $1,160,000, for a one-year term, September 1, 2025, through August 31, 2026, with the option of up to four one-year extensions.

Background/Discussion:

The Ocotillo Brine Reduction Facility (OBRF), located at 3737 S. Old Price Road, is owned and operated by the city and supports Intel by treating and delivering reclaimed wastewater back to Intel for reuse in its facility. Product water from the OBRF is used to reduce the amount of potable water consumed in Intel's chip-making process. Within the OBRF's treatment process, hydrochloric acid is an important component and is used at multiple feed points to achieve rigorous water quality standards which are needed to support the chip-making process. This agreement will provide for the purchase of this specific grade and quality of hydrochloric acid used to control pH and regenerate weak acid ion exchange units. Costs associated with the OBRF will be reimbursed by Intel Corporation.

Evaluation:

On July 1, 2025, city staff issued Invitation for Bid No. PW5-885-4950, for hydrochloric acid (HCL) 35%. Notification was sent to all registered vendors. Five bids were received from the following offerors:

1. Brenntag Pacific, Inc.
2. C5 Technology Group, LLC
3. Good Bucket, LLC
4. Pennco Inc.
5. Univar Solutions USA, LLC

Staff evaluated the bids and recommends award to Brenntag Pacific, Inc., and Univar Solutions USA, LLC, which submitted the lowest, responsive, and responsible bids that meet the needs of the city.

City Clerk Document No. _____

City Council Meeting Date:_____

CITY OF CHANDLER PURCHASE AGREEMENT
HYDROCHLORIC ACID (HCL) 35%
CITY OF CHANDLER AGREEMENT NO. PW5-885-4950

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Brenntag Pacific, Inc., a Delaware Corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties), made _____ , 2025 (Effective Date).

RECITALS

A. City proposes to purchase Hydrochloric Acid as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the goods or services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these goods or services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Contractor must perform in accordance with Exhibit A to the City's satisfaction within the terms and conditions of this Agreement and within the care and skill that a person who provides similar

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

goods services in Chandler, Arizona exercises under similar conditions. All goods or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the goods or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the goods or services.

SECTION III: PERIOD OF SERVICE

Contractor must perform in accordance with Exhibit A for the term of this Agreement.

The term of the Agreement is 1 year (s), and begins on September 1, 2025 and ends on August 31, 2026 unless sooner terminated in accordance with this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to 4 additional terms of 1 year (s) each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION IV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance approved and accepted by the City under this Agreement, and all companion agreements, must not exceed **$1,160,000**. Contractor must submit requests for payment for goods or services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those goods or services negotiated as a lump sum will be made in accordance with the percentage of the goods furnished or services completed during the preceding billing period. Goods or services negotiated as a not-to-exceed fee will be paid in accordance with the goods furnished or services completed during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted goods or services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the goods or services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing goods or services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of work, cost of goods, cost of performance, or Project schedule, the goods or services will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any purchase or service provided for in this Agreement, or abandon any portion of the Project for which the Contractor has performed. In the event the City abandons or suspends the purchase or services, or any part of the purchase or services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the goods or services Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's goods or services to appraise the status completed. The Contractor will receive compensation in full for goods provided or services performed to the date of such termination. The fee will be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this

Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Purchasing Division	Name: Laura Tua
Title: Purchasing Officer	Title: Municipal Bid Manager
Address: 175 S. Arizona Ave Chandler, AZ 85225	Address: 10747 Patterson Place, Santa Fe Springs, CA 90670
Phone: 480-752-2400	Phone: 562-903-9626
Email: purchasing@chandleraz.gov	Email: laura.tua@brenntag.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in furnishing goods or performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to furnish goods or perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Work. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor's compliance.

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides goods or services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.36 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.37 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.38 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Work
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.39 Special Conditions. As part of the goods furnished or the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.40 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.41 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.42 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.43 Warranties. Unless otherwise provided in Exhibit D, the Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.44 Liens. The Contractor warrants that the materials supplied under this Agreement are free of liens and will remain free of liens.

5.45 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the City of the materials, they will be (a) of a quality to pass without objection in the trade under the Agreement description, (b) fit for the intended purposes for which the materials are used, (c) within the variations permitted by the Agreement and are of even kind, quantity, and quality within each unit and among all units, (d) adequately contained, packaged and marked as the Agreement may require, and (e) conform to the Contractor's written promises or affirmations of fact.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

5.46 Fitness. The Contractor warrants that any material supplied to City will fully conform to all requirements of the Agreement and all the Contractor's representations, and will be fit for all purposes and uses required by the Agreement.

5.47 Inspection/Testing. The warranties set forth in the Agreement are not affected by the City's inspection or testing of or payment for the materials by the City.

5.48 Packing and Shipping. The Contractor will be responsible for industry standard packing, which conforms to requirements of carrier's tariffs and Interstate Commerce Commission (ICC) regulations. Containers must be clearly marked as to lot number, destination, address, and purchase order number.

5.49 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.50 Risk of Loss. The Contractor will bear all loss of conforming material covered under this Agreement until received by authorized personnel at the location designated in the purchase order or Agreement. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials will remain with the Contractor regardless of receipt.

5.51 Current Products. All products offered in response to this solicitation will be in current and ongoing production; will have been formally announced for general marketing purposes; will be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the City's solicitation.

5.52 Annual Usage Report. Upon request, the Contractor will furnish to the City an annual usage report delineating the acquisition activity governed by the Agreement. The format of the report will be approved by the City and will disclose the quantity and the dollar value of each agreement item by individual purchasing unit.

5.53 Catalogs/Agreement Price Listing. As applicable, the Contractor will furnish to all requesting departments catalogs at no cost, which will outline agreement prices.

5.54 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.55 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.56 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

SCOPE OF WORK

The City of Chandler (COC) is contracting with qualified suppliers for purchase and delivery of hydrochloric acid for the Ocotillo Brine Reduction Facility.

The City reserves the right to award primary and secondary contracts to ensure continuity of supply. The secondary supplier will be used as needed, if the primary supplier does not fill a particular delivery request within the ARO (after receipt of order) specified in the scope of work or if the delivered product does not meet specifications.

If deliveries consistently (10% or more) do not meet the ARO or specifications for the product, the City reserves the right to utilize the secondary contractor for the remainder of the contract term.

Primary and secondary contractors may change positions as a result of approved price increase requests.

PRODUCT SPECIFICATIONS

HYDROCHLORIC ACID 35% Food Chemical Codex

a. Delivery types
    i. Bulk (4,600 gallons)

b. Minimum specifications for all delivery types:
    i. To Meet or Exceed
    ii. Strength in Baume – 22.00 Baume Minimum
    iii. Assay HCl content –35.21% -36.95%
    iv. Specific Gravity – 1.17
    v. Iron – less than 5 ppm
    vi. Sodium - less than 8 ppm
    vii. Calcium - less than 6 ppm
    viii. Color (A.P.H.A) – less than 20
    ix. Total Extractable Organic Compounds – less than 30 ppm

c. Delivery:
    i. No fuel surcharges will be accepted
    ii. FOB is Destination, Freight Prepaid and Allowed
    iii. Shipments shall be made in appropriate transport vehicle for product type that does not degrade the products ion on/off loading transport.
    iv. Contractors are responsible for ensuring delivery instructions and location are conveyed to the driver for each delivery. Unless otherwise indicated at time of order, general driver instructions are:
        1. Notify the contact indicated for the delivery of the estimated arrival time at least sixty (60) minutes prior to arrival.
        2. Check in at delivery site main office (when applicable) upon arrival.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

3. Offload will not commence until met by the delivery location contact or designee.
4. Be equipped with the proper personal protective equipment appropriate for the product delivered (apron, goggles, face shield, gloves, etc.) for use during off-loading.
5. Provide required documentation for the product at time of delivery.
    a. Bill of Lading (documentation to include volume/weight)

EXHIBIT C TO AGREEMENT
INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products and completed operations, independent contractors, personal injury and advertising injury.

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

1. The Contractor's insurance must contain broad form contractual liability coverage.

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of

Docusign Envelope ID: CF2A97E9-2651-414C-8F91-6AAC0BBA3EFE

three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. *Insurance Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.
2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

City Clerk Document No. _____

City Council Meeting Date:_____

CITY OF CHANDLER PURCHASE AGREEMENT
HYDROCHLORIC ACID (HCL) 35%
CITY OF CHANDLER AGREEMENT NO. PW5-885-4950

THIS AGREEMENT (Agreement) is made and entered into by and between the City of Chandler, an Arizona municipal corporation (City), and Univar Solutions USA, LLC., an Illinois Limited Liability Corporation (Contractor), (City and Contractor may individually be referred to as Party and collectively referred to as Parties), made _____, 2025 (Effective Date).

RECITALS

A. City proposes to purchase Hydrochloric Acid as more fully described in Exhibit A, which is attached to and made a part of this Agreement by this reference.

B. Contractor is ready, willing, and able to provide the goods or services described in Exhibit A for the compensation and fees set forth and as described in Exhibit B, which is attached to and made a part of this Agreement by this reference.

C. City desires to contract with the Contractor to provide these goods or services under the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises contained in this Agreement, City and Contractor agree as follows:

SECTION I: DEFINITIONS

For purposes of this Agreement, the following definitions apply:
Agreement means the legal agreement executed between the City and the Contractor
City means the City of Chandler, Arizona
Contractor means the individual, partnership, or corporation named in the Agreement
Days means calendar days
May, Should means something that is not mandatory but permissible
Shall, Will, Must means a mandatory requirement

SECTION II: CONTRACTOR'S SERVICES

Contractor must perform in accordance with Exhibit A to the City's satisfaction within the terms

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

and conditions of this Agreement and within the care and skill that a person who provides similar goods services in Chandler, Arizona exercises under similar conditions. All goods or services furnished by Contractor under this Agreement must be performed in a skilled and workmanlike manner. Unless authorized by the City in writing, all fixtures, furnishings, and equipment furnished by Contractor as part of the goods or services under this Agreement must be new, or the latest model, and of the most suitable grade and quality for the intended purpose of the goods or services.

SECTION III: PERIOD OF SERVICE

Contractor must perform in accordance with Exhibit A for the term of this Agreement.

The term of the Agreement is 1 year (s), and begins on September 1, 2025 and ends on August 31, 2026 unless sooner terminated in accordance with this Agreement. The City and the Contractor may mutually agree to extend the Agreement for up to 4 additional terms of 1 year (s) each, or portions thereof. The City reserves the right, at its sole discretion, to extend the Agreement for up to 60 days beyond the expiration of any extension term.

SECTION IV: PAYMENT OF COMPENSATION AND FEES

4.1 Unless amended in writing by the Parties, Contractor's compensation and fees as more fully described in Exhibit B for performance approved and accepted by the City under this Agreement, and all companion agreements, must not exceed **$1,160,000**. Contractor must submit requests for payment for goods or services approved and accepted during the previous billing period and must include, as applicable, detailed invoices and receipts, a narrative description of the tasks accomplished during the billing period, a list of any deliverables submitted, and any subcontractor's or supplier's actual requests for payment plus similar narrative and listing of their work. Payment for those goods or services negotiated as a lump sum will be made in accordance with the percentage of the goods furnished or services completed during the preceding billing period. Goods or services negotiated as a not-to-exceed fee will be paid in accordance with the goods furnished or services completed during the preceding month. All requests for payment must be submitted to the City for review and approval. The City will make payment for approved and accepted goods or services within 30 days of the City's receipt of the request for payment.

4.2 Applicable Taxes. The Contractor will pay all applicable taxes. The City is subject to all applicable state and local transaction privilege taxes. To the extent any state and local transaction privilege taxes apply to sales made under the terms of this Agreement, it is the responsibility of the Contractor to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

4.3 Tax Indemnification. The Contractor and all subcontractors will pay all Federal, state, and local taxes applicable to its operation and any persons employed by the Contractor. The Contractor will and require all subcontractors to hold the City harmless from any responsibility for taxes, damages, and interest, if applicable, contributions required under Federal, state, and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

4.4 All prices offered herein shall be firm against any increase for the initial term of the

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

Agreement. Prior to commencement of subsequent renewal terms, the City may approve a fully documented request for a price adjustment. The City shall determine whether any requested price increases for extension terms is acceptable to the City. If the City approves the price increase, the price shall remain firm for the renewal term for which it was requested. If a price increase is agreed upon by the Parties a written Agreement Amendment shall be approved and executed by the Parties.

SECTION V: GENERAL CONDITIONS

5.1 Records/Audit. Records of the Contractor's direct personnel payroll, reimbursable expenses pertaining to this Agreement and records of accounts between the City and Contractor must be kept on the basis of generally accepted accounting principles and must be made available to the City and its auditors for up to three years following the City's final acceptance of the goods or services under this Agreement. The City, its authorized representative, or any federal agency, reserves the right to audit Contractor's records to verify the accuracy and appropriateness of all cost and pricing data, including data used to negotiate this Agreement and any amendments. The City reserves the right to decrease the total amount of Agreement price or payments made under this Agreement or request reimbursement from the Contractor following final contract payment on this Agreement if, upon audit of the Contractor's records, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data. The Contractor will include a similar provision in all of its contracts with subcontractors providing goods or services under the Agreement Documents to ensure that the City, its authorized representative, or the appropriate federal agency, has access to the subcontractors' records to verify the accuracy of all cost and pricing data. The City reserves the right to decrease Contract price or payments made on this Agreement or request reimbursement from the Contractor following final payment on this Agreement if the above provision is not included in subcontractor agreements, and one or more subcontractors refuse to allow the City to audit their records to verify the accuracy and appropriateness of all cost and pricing data. If, following an audit of this Agreement, the audit discloses the Contractor has provided false, misleading, or inaccurate cost and pricing data, and the cost discrepancies exceed 1% of the total Agreement billings, the Contractor will be liable for reimbursement of the reasonable, actual cost of the audit.

5.2 Alteration in Character of Work. Whenever an alteration in the character of work results in a substantial change in this Agreement, thereby materially increasing or decreasing the scope of work, cost of goods, cost of performance, or Project schedule, the goods or services will be performed as directed by the City. However, before any modified work is started, a written amendment must be approved and executed by the City and the Contractor. Such amendment must not be effective until approved by the City. Additions to, modifications, or deletions from this Agreement as provided herein may be made, and the compensation to be paid to the Contractor may accordingly be adjusted by mutual agreement of the Parties. It is distinctly understood and agreed that no claim for extra work done or materials furnished by the Contractor will be allowed by the City except as provided herein, nor must the Contractor do any work or furnish any materials not covered by this Agreement unless such work is first authorized in writing. Any such work or materials furnished by the Contractor without prior written authorization will be at Contractor's own risk, cost, and expense, and Contractor hereby agrees that without written authorization Contractor will make no claim for compensation for such work or materials furnished.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.3 Termination for Convenience. The City and the Contractor hereby agree to the full performance of the covenants contained herein, except that the City reserves the right, at its discretion and without cause, to terminate or abandon any purchase or service provided for in this Agreement, or abandon any portion of the Project for which the Contractor has performed. In the event the City abandons or suspends the purchase or services, or any part of the purchase or services as provided in this Agreement, the City will notify the Contractor in writing and immediately after receiving such notice, the Contractor must discontinue advancing the work specified under this Agreement. Upon such termination, abandonment, or suspension, the Contractor must deliver to the City all drawings, plans, specifications, special provisions, estimates and other work entirely or partially completed, together with all unused materials supplied by the City. The Contractor must appraise the goods or services Contractor has completed and submit Contractor's appraisal to the City for evaluation. The City may inspect the Contractor's goods or services to appraise the status completed. The Contractor will receive compensation in full for goods provided or services performed to the date of such termination. The fee will be paid in accordance with Section IV of this Agreement, and as mutually agreed upon by the Contractor and the City. If there is no mutual agreement on payment, the final determination will be made in accordance with the Disputes provision in this Agreement. However, in no event may the payment exceed the payment set forth in this Agreement nor as amended in accordance with Alteration in Character of Work. The City will make the final payment within 60 days after the Contractor has delivered the last of the partially completed items and the Parties agree on the final payment. If the City is found to have improperly terminated the Agreement for cause or default, the termination will be converted to a termination for convenience in accordance with the provisions of this Agreement.

5.4 Termination for Cause. The City may terminate this Agreement for Cause upon the occurrence of any one or more of the following events: in the event that (a) the Contractor fails to perform pursuant to the terms of this Agreement, (b) the Contractor is adjudged a bankrupt or insolvent, (c) the Contractor makes a general assignment for the benefit of creditors, (d) a trustee or receiver is appointed for Contractor or for any of Contractor’s property (e) the Contractor files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, (f) the Contractor disregards laws, ordinances, rules, regulations or orders of any public body having jurisdiction, or (g) the Contractor fails to cure default within the time requested. Where Agreement has been so terminated by City, the termination will not affect any rights of City against Contractor then existing or which may thereafter accrue.

5.5 Indemnification. The Contractor (Indemnitor) must indemnify, defend, save and hold harmless the City and its officers, officials, agents and employees (Indemnitee) from any and all claims, actions, liabilities, damages, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) (Claims) caused or alleged to be caused, in whole or in part, by the wrongful, negligent or willful acts, or errors or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors in connection with this Agreement. This indemnity includes any claim or amount arising out of or recovered under workers' compensation law or on account of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. The Contractor must indemnify Indemnitee from and against any and all Claims, except those arising solely from Indemnitee's own negligent or willful acts or omissions. The Contractor is responsible for primary loss investigation, defense and judgment costs where this indemnification applies. In consideration of the award of this

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

Agreement, the Contractor agrees to waive all rights of subrogation against Indemnitee for losses arising from or related to this Agreement. The obligations of the Contractor under this provision survive the termination or expiration of this Agreement.

5.6 Insurance Requirements. Contractor must procure insurance under the terms and conditions and for the amounts of coverage set forth in Exhibit C against claims that may arise from or relate to performance of the work under this Agreement by Contractor and its agents, representatives, employees, and subcontractors. Contractor and any subcontractors must maintain this insurance until all of their obligations have been discharged, including any warranty periods under this Agreement. These insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits stated in Exhibit C are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Agreement by the Contractor, the Contractor's agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as may be determined necessary.

5.7 Cooperation and Further Documentation. The Contractor agrees to provide the City such other duly executed documents as may be reasonably requested by the City to implement the intent of this Agreement.

5.8 Notices. Unless otherwise provided, notice under this Agreement must be in writing and will be deemed to have been duly given and received either (a) on the date of service if personally served on the party to whom notice is to be given, or (b) on the date notice is sent if by electronic mail, or (c) on the third day after the date of the postmark of deposit by first class United States mail, registered or certified, postage prepaid and properly addressed as follows:

For the City	**For the Contractor**
Name: Purchasing Division	Name: Jennifer Perras
Title: Purchasing Officer	Title: Municipal Specialist
Address: 175 S. Arizona Ave	Address: 8201 S. 212th
Chandler, AZ 85225	Kent, WA 98032-1994
Phone: 480-752-2400	Phone: (253) 872-5040
Email: purchasing@chandleraz.gov	Email: miniteam-west@univarsolutions.com

5.9 Successors and Assigns. City and Contractor each bind itself, its partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of such other party in respect to all covenants of this Agreement. Neither the City nor the Contractor may assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. In no event may any contractual relation be created between any third party and the City.

5.10 Disputes. In any dispute arising out of an interpretation of this Agreement or the duties required not disposed of by agreement between the Contractor and the City, the final determination at the administrative level will be made by the City Purchasing and Materials Manager.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.11 Completeness and Accuracy of Contractor's Work. The Contractor must be responsible for the completeness and accuracy of Contractor's services, data, and other work prepared or compiled under Contractor's obligation under this Agreement and must correct, at Contractor's expense, all willful or negligent errors, omissions, or acts that may be discovered. The fact that the City has accepted or approved the Contractor's work will in no way relieve the Contractor of any of Contractor's responsibilities.

5.12 Withholding Payment. The City reserves the right to withhold funds from the Contractor's payments up to the amount equal to the claims the City may have against the Contractor until such time that a settlement on those claims has been reached.

5.13 City's Right of Cancellation. The Parties acknowledge that this Agreement is subject to cancellation by the City under the provisions of Section 38-511, Arizona Revised Statutes (A.R.S.).

5.14 Independent Contractor. For this Agreement the Contractor constitutes an independent contractor. Any provisions in this Agreement that may appear to give the City the right to direct the Contractor as to the details of accomplishing the work or to exercise a measure of control over the work means that the Contractor must follow the wishes of the City as to the results of the work only. These results must comply with all applicable laws and ordinances.

5.15 Project Staffing. Prior to the start of any work under this Agreement, the Contractor must assign to the City the key personnel that will be involved in furnishing goods or performing services prescribed in the Agreement. The City may acknowledge its acceptance of such personnel to furnish goods or perform services under this Agreement. At any time hereafter that the Contractor desires to change key personnel while performing under the Agreement, the Contractor must submit the qualifications of the new personnel to the City for prior approval. The Contractor will maintain an adequate and competent staff of qualified persons, as may be determined by the City, throughout the performance of this Agreement to ensure acceptable and timely completion of the Scope of Work. If the City objects, with reasonable cause, to any of the Contractor's staff, the Contractor must take prompt corrective action acceptable to the City and, if required, remove such personnel from the Project and replace with new personnel agreed to by the City.

5.16 Subcontractors. Prior to beginning the work, the Contractor must furnish the City for approval the names of subcontractors to be used under this Agreement. Any subsequent changes are subject to the City’s written prior approval.

5.17 Force Majeure. If either party is delayed or prevented from the performance of any act required under this Agreement by reason of acts of God or other cause beyond the control and without fault of the Party (financial inability excepted), performance of that act may be excused, but only for the period of the delay, if the Party provides written notice to the other Party within ten days of such act. The time for performance of the act may be extended for a period equivalent to the period of delay from the date written notice is received by the other Party.

5.18 Compliance with Laws. Contractor understands, acknowledges, and agrees to comply with the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986 and

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

the Drug Free Workplace Act of 1989. All services performed by Contractor must also comply with all applicable City of Chandler codes, ordinances, and requirements. Contractor agrees to permit the City to verify Contractor's compliance.

5.19 No Israel Boycott. By entering into this Agreement, Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of the Agreement, not to engage in a boycott of Israel as defined by state statute.

5.20 Legal Worker Requirements. A.R.S. § 41-4401 prohibits the City from awarding a contract to any contractor who fails, or whose subcontractors fail, to comply with A.R.S. § 23-214(A). Therefore, Contractor agrees Contractor and each subcontractor it uses warrants their compliance with all federal immigration laws and regulations that relate to their employees and their compliance with§ 23-214, subsection A. A breach of this warranty will be deemed a material breach of the Agreement and may be subject to penalties up to and including termination of the Agreement. City retains the legal right to inspect the papers of any Contractor's or subcontractor's employee who provides goods or services under this Agreement to ensure that the Contractor and subcontractors comply with the warranty under this provision.

5.21 Lawful Presence Requirement. A.R.S. §§ 1-501 and 1-502 prohibit the City from awarding a contract to any natural person who cannot establish that such person is lawfully present in the United States. To establish lawful presence, a person must produce qualifying identification and sign a City-provided affidavit affirming that the identification provided is genuine. This requirement will be imposed at the time of contract award. This requirement does not apply to business organizations such as corporations, partnerships, or limited liability companies.

5.22 Forced Labor of Ethnic Uyghurs Prohibited. By entering into this Agreement, Contractor certifies and agrees Contractor does not currently use and will not use for the term of this Agreement: (i) the forced labor of ethnic Uyghurs in the People's Republic of China; or (ii) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; or (iii) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China.

5.23 Covenant Against Contingent Fees. Contractor warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, and that no member of the Chandler City Council, or any City employee has any interest, financially, or otherwise, in Contractor's firm. For breach or violation of this warrant, the City may annul this Agreement without liability or, at its discretion, to deduct from the Agreement price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.24 Non-Waiver Provision. The failure of either Party to enforce any of the provisions of this Agreement or to require performance of the other Party of any of the provisions hereof must not be construed to be a waiver of such provisions, nor must it affect the validity of this Agreement or any part thereof, or the right of either Party to thereafter enforce each and every provision.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.25 Disclosure of Information Adverse to the City's Interests. To evaluate and avoid potential conflicts of interest, the Contractor must provide written notice to the City, as set forth in this Section, of any work or services performed by the Contractor for third parties that may involve or be associated with any real property or personal property owned or leased by the City. Such notice must be given seven business days prior to commencement of the services by the Contractor for a third party, or seven business days prior to an adverse action as defined below. Written notice and disclosure must be sent to the City's Purchasing and Materials Manager. An adverse action under this Agreement includes, but is not limited to: (a) using data as defined in the Agreement acquired in connection with this Agreement to assist a third party in pursuing administrative or judicial action against the City; or (b) testifying or providing evidence on behalf of any person in connection with an administrative or judicial action against the City; or (c) using data to produce income for the Contractor or its employees independently of performing the services under this Agreement, without the prior written consent of the City. Contractor represents that except for those persons, entities, and projects identified to the City, the services performed by the Contractor under this Agreement are not expected to create an interest with any person, entity, or third party project that is or may be adverse to the City's interests. Contractor's failure to provide a written notice and disclosure of the information as set forth in this Section constitute a material breach of this Agreement.

5.26 Data Confidentiality and Data Security. As used in the Agreement, data means all information, whether written or verbal, including plans, photographs, studies, investigations, audits, analyses, samples, reports, calculations, internal memos, meeting minutes, data field notes, work product, proposals, correspondence and any other similar documents or information prepared by, obtained by, or transmitted to the Contractor or its subcontractors in the performance of this Agreement. The Parties agree that all data, regardless of form, including originals, images, and reproductions, prepared by, obtained by, or transmitted to the Contractor or its subcontractors in connection with the Contractor's or its subcontractor's performance of this Agreement is confidential and proprietary information belonging to the City. Except as specifically provided in this Agreement, Contractor or its subcontractors must not divulge data to any third party without the City's prior written consent. Contractor or its subcontractors must not use the data for any purposes except to perform the services required under this Agreement. These prohibitions do not apply to the following data provided to the Contractor or its subcontractors have first given the required notice to the City: (a) data which was known to the Contractor or its subcontractors prior to its performance under this Agreement unless such data was acquired in connection with work performed for the City; or (b) data which was acquired by the Contractor or its subcontractors in its performance under this Agreement and which was disclosed to the Contractor or its subcontractors by a third party, who to the best of the Contractor's or its subcontractors knowledge and belief, had the legal right to make such disclosure and the Contractor or its subcontractors are not otherwise required to hold such data in confidence; or (c) data which is required to be disclosed by virtue of law, regulation, or court order, to which the Contractor or its subcontractors are subject. In the event the Contractor or its subcontractors are required or requested to disclose data to a third party, or any other information to which the Contractor or its subcontractors became privy as a result of any other contract with the City, the Contractor must first notify the City as set forth in this Section of the request or demand for the data. The Contractor or its subcontractors must give the City sufficient facts so that the City can be given an opportunity to first give its consent or take such action that the City may deem

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

appropriate to protect such data or other information from disclosure. Unless prohibited by law, within ten calendar days after completion or termination of services under this Agreement, the Contractor or its subcontractors must promptly deliver, as set forth in this Section, a copy of all data to the City. All data must continue to be subject to the confidentiality agreements of this Agreement. Contractor or its subcontractors assume all liability to maintain the confidentiality of the data in its possession and agrees to compensate the City if any of the provisions of this Section are violated by the Contractor, its employees, agents or subcontractors. Solely for the purposes of seeking injunctive relief, it is agreed that a breach of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. A violation of this Section may result in immediate termination of this Agreement without notice.

5.27 Personal Identifying Information-Data Security. Personal identifying information, financial account information, or restricted City information, whether electronic format or hard copy, must be secured and protected at all times by Contractor and any of its subcontractors. At a minimum, Contractor must encrypt or password-protect electronic files. This includes data saved to laptop computers, computerized devices, or removable storage devices. When personal identifying information, financial account information, or restricted City information, regardless of its format, is no longer necessary, the information must be redacted or destroyed through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed. In the event that data collected or obtained by Contractor or its subcontractors in connection with this Agreement is believed to have been compromised, Contractor or its subcontractors must immediately notify the City contact. Contractor agrees to reimburse the City for any costs incurred by the City to investigate potential breaches of this data and, where applicable, the cost of notifying individuals who may be impacted by the breach. Contractor agrees that the requirements of this Section must be incorporated into all subcontracts entered into by Contractor. It is further agreed that a violation of this Section must be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Agreement without notice. The obligations of Contractor or its subcontractors under this Section must survive the termination of this Agreement.

5.28 Jurisdiction and Venue. This Agreement is made under, and must be construed in accordance with and governed by the laws of the State of Arizona without regard to the conflicts or choice of law provisions thereof. Any action to enforce any provision of this Agreement or to obtain any remedy with respect hereto must be brought in the courts located in Maricopa County, Arizona, and for this purpose, each Party hereby expressly and irrevocably consents to the jurisdiction and venue of such court.

5.29 Survival. All warranties, representations, and indemnifications by the Contractor must survive the completion or termination of this Agreement.

5.30 Modification. Except as expressly provided herein to the contrary, no supplement, modification, or amendment of any term of this Agreement will be deemed binding or effective unless in writing and signed by the Parties.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.31 Severability. If any provision of this Agreement or the application to any person or circumstance may be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application will not be affected and will be enforceable to the fullest extent permitted by law.

5.32 Integration. This Agreement contains the full agreement of the Parties. Any prior or contemporaneous written or oral agreement between the Parties regarding the subject matter is merged and superseded.

5.33 Time is of the Essence. Time of each of the terms, covenants, and conditions of this Agreement is hereby expressly made of the essence.

5.34 Date of Performance. If the date of performance of any obligation or the last day of any time period provided for should fall on a Saturday, Sunday, or holiday for the City, the obligation will be due and owing, and the time period will expire, on the first day after which is not a Saturday, Sunday or legal City holiday. Except as may otherwise be set forth in this Agreement, any performance provided for herein will be timely made if completed no later than 5:00 p.m. (Chandler time) on the day of performance.

5.35 Third Party Beneficiary. Nothing under this Agreement will be construed to give any rights or benefits in the Agreement to anyone other than the City and the Contractor, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of City and the Contractor and not for the benefit of any other party.

5.36 Conflict in Language. All work performed must conform to all applicable City of Chandler codes, ordinances, and requirements as outlined in this Agreement. If there is a conflict in interpretation between provisions in this Agreement and those in the Exhibits, the provisions in this Agreement prevail.

5.37 Document/Information Release. Documents and materials released to the Contractor, which are identified by the City as sensitive and confidential, are the City's property. The document/material must be issued by and returned to the City upon completion of the services under this Agreement. Contractor's secondary distribution, disclosure, copying, or duplication in any manner is prohibited without the City's prior written approval. The document/material must be kept secure at all times. This directive applies to all City documents, whether in photographic, printed, or electronic data format.

5.38 Exhibits. The following exhibits are made a part of this Agreement and are incorporated by reference:

Exhibit A - Project Description/Scope of Work
Exhibit B - Compensation and Fees
Exhibit C - Insurance Requirements
Exhibit D - Special Conditions

5.39 Special Conditions. As part of the goods furnished or the services Contractor provides under this Agreement, Contractor agrees to comply with and fully perform the special terms and conditions set forth in Exhibit D, which is attached to and made a part of this Agreement.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.40 Cooperative Use of Agreement. In addition to the City of Chandler and with approval of the Contractor, this Agreement may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.

If required to provide services on a school district property at least five times during a month, Contractor will submit a full set of fingerprints to the school of each person or employee who may provide such service. The District will conduct a fingerprint check in accordance with A.R.S. 41-1750 and Public Law 92-544 of all Contractors, subcontractors or vendors and their employees for which fingerprints are submitted to the District. Additionally, the Contractor will comply with the governing body fingerprinting policies of each individual school district/public entity. Contractor, sub-contractors, vendors and their employees will not provide services on school district properties until authorized by the District.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City will not be responsible for any disputes arising out of transactions made by other agencies who utilize this Agreement.

5.41 Non-Discrimination and Anti-Harassment Laws. Contractor must comply with all applicable City, state, and federal non-discrimination and anti-harassment laws, rules, and regulations.

5.42 Licenses and Permits. Beginning with the Effective Date and for the full term of this Agreement, Contractor must maintain all applicable City, state, and federal licenses and permits required to fully perform Contractor's services under this Agreement.

5.43 Warranties. Unless otherwise provided in Exhibit D, the Contractor must furnish a one-year warranty on all work and services performed under this Agreement. Contractor must furnish, or cause to be furnished, a two-year warranty on all fixtures, furnishings, and equipment furnished by Contractor, subcontractors, or suppliers under this Agreement. Any defects in design, workmanship, or materials that do not comply with this Agreement must be corrected by Contractor (including, but not limited to, all parts and labor) at Contractor's sole cost and expense. All written warranties and redlines for as-built conditions must be delivered to the City on or before the City's final acceptance of Contractor's services under this Agreement.

5.44 Liens. The Contractor warrants that the materials supplied under this Agreement are free of liens and will remain free of liens.

5.45 Quality. Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the City of the materials, they will be (a) of a quality to pass without objection in the trade under the Agreement description, (b) fit for the intended purposes for which the materials are used, (c) within the variations permitted by the Agreement and are of even kind, quantity, and quality within each unit and among all units, (d) adequately contained, packaged and marked as the Agreement may require, and (e) conform to the Contractor's written promises or affirmations of fact.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

5.46 Fitness. The Contractor warrants that any material supplied to City will fully conform to all requirements of the Agreement and all the Contractor's representations, and will be fit for all purposes and uses required by the Agreement.

5.47 Inspection/Testing. The warranties set forth in the Agreement are not affected by the City's inspection or testing of or payment for the materials by the City.

5.48 Packing and Shipping. The Contractor will be responsible for industry standard packing, which conforms to requirements of carrier's tariffs and Interstate Commerce Commission (ICC) regulations. Containers must be clearly marked as to lot number, destination, address, and purchase order number.

5.49 Delivery. All prices are F.O.B. Destination and include all delivery and unloading at the specified destinations. The Contractor will retain title and control of all goods until they are delivered and accepted by the City. All risk of transportation and all related charges will be the responsibility of the Contractor. All claims for visible or concealed damage will be filed by the Contractor. The City will notify the Contractor promptly of any damaged goods and will assist the Contractor in arranging for inspection.

5.50 Risk of Loss. The Contractor will bear all loss of conforming material covered under this Agreement until received by authorized personnel at the location designated in the purchase order or Agreement. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials will remain with the Contractor regardless of receipt.

5.51 Current Products. All products offered in response to this solicitation will be in current and ongoing production; will have been formally announced for general marketing purposes; will be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in the City's solicitation.

5.52 Annual Usage Report. Upon request, the Contractor will furnish to the City an annual usage report delineating the acquisition activity governed by the Agreement. The format of the report will be approved by the City and will disclose the quantity and the dollar value of each agreement item by individual purchasing unit.

5.53 Catalogs/Agreement Price Listing. As applicable, the Contractor will furnish to all requesting departments catalogs at no cost, which will outline agreement prices.

5.54 Emergency Purchases. City reserves the rights to purchase from other sources those items, which are required on an emergency basis and cannot be supplied immediately by the Contractor.

5.55 Non-Exclusive Agreement. This agreement is for the sole convenience of the City of Chandler. The City reserves the right to obtain like goods or services from another source when necessary.

5.56 Budget Approval Into Next Fiscal Year. This Agreement will commence on the Effective Date and continue in full force and effect until it is terminated or expires in accordance with the provisions of this Agreement. The Parties recognize that the continuation of this Agreement after

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

the close of the City's fiscal year, which ends on June 30 of each year, is subject to the City Council's approval of a budget that includes an appropriation for this item as an expenditure. The City does not represent that this budget item will be actually adopted. This determination is solely made by the City Council at the time Council adopts the budget.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

This Agreement shall be in full force and effect only when it has been approved and executed by the duly authorized City officials.

SCOPE OF WORK

The City of Chandler (COC) is contracting with qualified suppliers for purchase and delivery of hydrochloric acid for the Ocotillo Brine Reduction Facility.

The City reserves the right to award primary and secondary contracts to ensure continuity of supply. The secondary supplier will be used as needed, if the primary supplier does not fill a particular delivery request within the ARO (after receipt of order) specified in the scope of work or if the delivered product does not meet specifications.

If deliveries consistently (10% or more) do not meet the ARO or specifications for the product, the City reserves the right to utilize the secondary contractor for the remainder of the contract term.

Primary and secondary contractors may change positions as a result of approved price increase requests.

PRODUCT SPECIFICATIONS

HYDROCHLORIC ACID 35% Food Chemical Codex

a. Delivery types
    i. Bulk (4,600 gallons)

b. Minimum specifications for all delivery types:
    i. To Meet or Exceed
    ii. Strength in Baume – 22.00 Baume Minimum
    iii. Assay HCl content –35.21% -36.95%
    iv. Specific Gravity – 1.17
    v. Iron – less than 5 ppm
    vi. Sodium - less than 8 ppm
    vii. Calcium - less than 6 ppm
    viii. Color (A.P.H.A) – less than 20
    ix. Total Extractable Organic Compounds – less than 30 ppm

c. Delivery:
    i. No fuel surcharges will be accepted
    ii. FOB is Destination, Freight Prepaid and Allowed
    iii. Shipments shall be made in appropriate transport vehicle for product type that does not degrade the products ion on/off loading transport.
    iv. Contractors are responsible for ensuring delivery instructions and location are conveyed to the driver for each delivery. Unless otherwise indicated at time of order, general driver instructions are:
        1. Notify the contact indicated for the delivery of the estimated arrival time at least sixty (60) minutes prior to arrival.
        2. Check in at delivery site main office (when applicable) upon arrival.

EXHIBIT C TO AGREEMENT
INSURANCE

General.

A. At the same time as execution of this Agreement, the Contractor shall furnish the City a certificate of insurance on a standard insurance industry ACORD form. The ACORD form must be issued by an insurance company authorized to transact business in the State of Arizona possessing a current A.M. Best, Inc. rating of A-7, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to City. Provided, however, the A.M. Best rating requirement shall not be deemed to apply to required Workers' Compensation coverage.

B. The Contractor and any of its subcontractors shall procure and maintain, until all of their obligations have been discharged, including any warranty periods under this Agreement are satisfied, the insurances set forth below.

C. The insurance requirements set forth below are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement.

D. The City in no way warrants that the minimum insurance limits contained in this Agreement are sufficient to protect Contractor from liabilities that might arise out of the performance of the Agreement services under this Agreement by Contractor, its agents, representatives, employees, subcontractors, and the Contractor is free to purchase any additional insurance as may be determined necessary.

E. Failure to demand evidence of full compliance with the insurance requirements in this Agreement or failure to identify any insurance deficiency will not relieve the Contractor from, nor will it be considered a waiver of its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Use of Subcontractors: If any work is subcontracted in any way, the Contractor shall execute a written contract with Subcontractor containing the same Indemnification Clause and Insurance Requirements as the City requires of the Contractor in this Agreement. The Contractor is responsible for executing the Agreement with the Subcontractor and obtaining Certificates of Insurance and verifying the insurance requirements.

Minimum Scope and Limits of Insurance. The Contractor shall provide coverage with limits of liability not less than those stated below.

A. *Commercial General Liability-Occurrence Form*. Contractor must maintain "occurrence" form Commercial General Liability insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 aggregate. Said insurance must also include coverage for products and completed operations, independent contractors, personal injury and advertising injury.

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

If any Excess insurance is utilized to fulfill the requirements of this paragraph, the Excess insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

B. *Automobile Liability-Any Auto or Owned, Hired and Non-Owned Vehicles*
Vehicle Liability: Contractor must maintain Business/Automobile Liability insurance with a limit of $1,000,000 each accident on Contractor owned, hired, and non-owned vehicles assigned to or used in the performance of the Contractor's work or services under this Agreement. If any Excess or Umbrella insurance is utilized to fulfill the requirements of this paragraph, the Excess or Umbrella insurance must be "follow form" equal or broader in coverage scope than underlying insurance.

C. *Workers Compensation and Employers Liability Insurance*: Contractor must maintain Workers Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor employees engaged in the performance of work or services under this Agreement and must also maintain Employers' Liability insurance of not less than $1,000,000 for each accident and $1,000,000 disease for each employee.

Additional Policy Provisions Required.

A. *Self-Insured Retentions or Deductibles*. Any self-insured retentions and deductibles must be declared and approved by the City. If not approved, the City may require that the insurer reduce or eliminate any deductible or self-insured retentions with respect to the City, its officers, officials, agents, employees, and volunteers.

1. The Contractor's insurance must contain broad form contractual liability coverage.

2. The Contractor's insurance coverage must be primary insurance with respect to the City, its officers, officials, agents, and employees. Any insurance or self-insurance maintained by the City, its officers, officials, agents, and employees shall be in excess of the coverage provided by the Contractor and must not contribute to it.

3. The Contractor's insurance must apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

4. Coverage provided by the Contractor must not be limited to the liability assumed under the indemnification provisions of this Agreement.

5. The policies must contain a severability of interest clause and waiver of subrogation against the City, its officers, officials, agents, and employees, for losses arising from Work performed by the Contractor for the City.

6. The Contractor, its successors and or assigns, are required to maintain Commercial General Liability insurance as specified in this Agreement for a minimum period of

Docusign Envelope ID: 2769E5D6-3C33-4FA3-9D9E-EE2BA2F521E4

three years following completion and acceptance of the Work. The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this three year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.

7. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement.

B. *Insurance Cancellation During Term of Contract/Agreement.*

1. If any of the required policies expire during the life of this Contract/Agreement, the Contractor must forward renewal or replacement Certificates to the City within ten days after the renewal date containing all the required insurance provisions.

2. Each insurance policy required by the insurance provisions of this Contract/Agreement shall provide the required coverage and shall not be suspended, voided or canceled except after 30 days prior written notice has been given to the City, except when cancellation is for non-payment of premium, then ten days prior notice may be given. Such notice shall be sent directly to Chandler Law-Risk Management Department, Post Office Box 4008, Mailstop 628, Chandler, Arizona 85225. If any insurance company refuses to provide the required notice, the Contractor or its insurance broker shall notify the City of any cancellation, suspension, non-renewal of any insurance within seven days of receipt of insurers' notification to that effect.

A. *City as Additional Insured*. The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

2. The City, its officers, officials, agents, and employees must be additional insureds to the full limits of liability purchased by the Contractor even if those limits of liability are in excess of those required by this Agreement.

City Council Memorandum Public Works & Utilities Memo No. ST26-001

Date:	August 14, 2025
To:	Mayor and Council
Thru:	John M. Pombier, Acting City Manager Andy Bass, Deputy City Manager John Knudson, Public Works and Utilities Director
From:	John McFarland, Transportation Manager
Subject:	Purchase of Traffic Signal Heads and Components

Proposed Motion:

Move City Council approve the purchase of traffic signal heads and components, from Clark Electric Sales, Inc., utilizing Maricopa County Agreement No. 220205-C, in an amount not to exceed $800,000.

Background/Discussion:

The Transportation Division maintains 229 signalized intersections. In order to further optimize traffic signal operations, annual replacement and maintenance of signal components is necessary. These efforts include cabinet replacements. Cabinets have a typical lifespan of 20 years. Currently, there are 82 intersections with cabinets that are 20 years or older. A program has been initiated to replace all outdated cabinets by fiscal year 2033-2034. In addition, new cabinet standards have four doors on each side that allow access to certain parts of the cabinets. This ease of access will increase staff efficiency for annual maintenance.

Evaluation:

Maricopa County, a member of the Strategic Alliance for Volume Expenditures (S.A.V.E.), competitively solicited and awarded a contract for traffic signal heads and components to Clark Electric Sales, Inc. The city is a member of S.A.V.E. and is eligible to utilize S.A.V.E. contracts cooperatively. The Maricopa County contract is valid through June 30, 2026.

City Council Memorandum **Public Works & Utilities** **Memo No.** UA26-008

Date: August 14, 2025
To: Mayor and Council
Thru: John M. Pombier, Acting City Manager
Andy Bass, Deputy City Manager
John Knudson, Public Works and Utilities Director
From: Simone Kjolsrud, Water Resources Manager
Subject: Resolution No. 5911, Approving an Agreement Between Salt River Project and the City of Chandler for a Landscape Water Efficiency Program

---

Proposed Motion:

Move City Council pass and adopt Resolution No. 5911, approving an agreement between Salt River Project and the City of Chandler for a Landscape Water Efficiency Assessment Program.

Background:

Salt River Project (SRP) wishes to coordinate with the City of Chandler on a municipal parks water efficiency assessment program to evaluate irrigation systems by conducting landscape water efficiency assessments. This program supports Chandler's water conservation goals, as well as SRP's 2035 sustainability goal for water conservation. To support this program, SRP will provide funding for 15 assessments per year and will also provide up to $10,000 per site for irrigation system repairs. This program will end in the year 2030. Chandler expects to complete assessments for a total of 75 sites over a five-year period. This program supports both Chandler's water conservation goals and SRP's 2035 sustainability objectives.

- SRP Funding Commitment: Over $1 million total funding ($220,000 annually), including:
  - $65,625 per year for professional irrigation system audits (100% SRP-funded)
  - $150,000 per year for irrigation system repairs (50% SRP match, up to $10,000 per site)
- City Match Requirement: 50% cost-share for irrigation system repairs using

existing Parks Department capital program and operations/maintenance budget

- Two-Step Process:
  - Step 1: Professional consultant conducts customized irrigation audits at each park
  - Step 2: Implementation of recommended system improvements based on audit findings.

Financial Implications:

Chandler's portion of the funding to complete irrigation system repairs is identified in an existing Parks Department capital program for irrigation repairs.

Resolution No. 5911

Agreement - signed

RESOLUTION NO. 5911

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHANDLER, ARIZONA APPROVING AN AGREEMENT BETWEEN SALT RIVER PROJECT AND THE CITY OF CHANDLER FOR A LANDSCAPE WATER EFFICIENCY ASSESSMENT PROGRAM.

WHEREAS, the City of Chandler's water conservation goals include a comprehensive strategy to ensure all city parks are irrigated efficiently, leaks are identified quickly and water efficiency technology (e.g. flow sensors) is available to support these water conservation goals; and

WHEREAS, Salt River Project Agricultural Improvement and Power District ("SRP") desires to coordinate with Chandler on a municipal parks water efficiency assessment program to evaluate irrigation systems, conducting up to seventy-five (75) assessments over the next five years and identifying any necessary repairs; and

WHEREAS, SRP desires to support Chandler's water conservation goals to implement the city's drought management plan, as well as support the SRP 2035 sustainability goals through partnerships; and

WHEREAS, it is in Chandler's best interest to enter into an Agreement between Salt River Project and City of Chandler for a Landscape Water Efficiency Assessment Program (the "Agreement").

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chandler, Arizona, as follows:

Section 1. Approves the Agreement in substantially the form attached hereto as Exhibit "A."

Section 2. Authorizes the Mayor of the City of Chandler, or designee, to execute the Agreement on behalf of the City of Chandler and take all action necessary or appropriate to carry out the purposes of this Resolution.

PASSED AND ADOPTED by the City Council of the City of Chandler, Arizona, this _____ day of _____ 2025.

ATTEST:

EXHIBIT “A”

AGREEMENT

Between Salt River Project and City of Chandler
Landscape Water Efficiency Assessment Program

This AGREEMENT ("Agreement") is made and entered into as of the _____ day of _____, 2025, by and among Salt River Project Agricultural Improvement and Power District, a political subdivision of the State of Arizona ("SRP"), and City of Chandler ("Entity"; collectively the "Parties").

RECITALS:

1. SRP desires to coordinate with the Entity on a commercial, institutional, municipal parks and HOA landscape water efficiency assessment program ("Program"). The Program will utilize qualified contractor(s) agreed upon by the Parties to evaluate irrigation systems identified and agreed upon by the Parties, identify and list repair items and issues with such systems, and, if necessary, develop recommendations for capital improvement projects. The Program is expected to complete up to 75 assessments by SRP fiscal year 2030.

2. The Program supports Entity water conservation goals and will help enhance Entity's water shortage/drought management plan, as well as supporting the SRP 2035 sustainability goal for water conservation and conservation plan by identifying and supporting five billion gallons of potential water conservation through partnership by 2035.

3. To support the Program, SRP will provide funding for the Contractor at an hourly rate of $125 for an amount not to exceed $65,625 per SRP fiscal year (May 1 – April 30) total for all assessments ($125/hour x 35 hours/assessment x 15 assessments/SRP fiscal year) for the term of the Agreement. Hours are expected to vary depending on various factors, including system complexity, but are not expected to exceed 35 hours per system (unless otherwise agreed to by the Parties, with a maximum cap of 60 hours per assessment). SRP will separately provide matching funding up to $10,000 per agreed upon improvement project, in accordance with the terms and conditions set out below, up to a maximum of $150,000 per SRP fiscal year to implement Approved Customer Projects, as defined below, for the term of the Agreement.

4. The Parties believe this Agreement will benefit Entity by allowing it to provide an assessment to municipal departments and water customers seeking to implement water reduction strategies to increase water efficiency and assist the Parties in maintaining compliance with the Arizona Department of Water Resources' regulatory conservation programs.

5. All Parties understand that there are no guaranteed water conservation savings from the Program, but anticipate that the Program will, in the aggregate, result in non-negligible water savings.

NOW, THEREFORE, in consideration of the foregoing, the mutual promises contained herein and other good and valuable consideration, the sufficiency and adequacy of which the Parties acknowledge, SRP and Entity agree as follows:

1. GENERAL PROVISIONS

1.1 The foregoing recitals are incorporated into this Agreement.

1.2 Definitions. In addition to the defined and capitalized terms in this Agreement, the following terms shall have the following meanings:

(a) "Program" refers to SRP's commercial, municipal, and HOA landscape water efficiency assessment program.

(b) "Entity" means the municipality or water organization/provider listed in the introductory paragraph above.

(c) "Contractor" means the professional selected to perform the irrigation system assessment checklist (contained in Exhibit A) that has been mutually agreed upon by the Parties to perform assessments under the Program.

(d) "Customer" refers to a commercial or institutional entity, HOA, or municipal park or department that (i) receives water service from Entity, and (ii) has applied to participate in the Program and (iii) been mutually agreed upon by the Parties for inclusion in the Program.

(e) "Approved Customer Project" means a landscape efficiency project identified in a Customer assessment performed by Contractor that has been mutually approved by SRP and Entity in accordance with Section 3.1 for partial reimbursement after final completion and inspection of the project.

1.3 Effective Date. The Agreement shall be effective on the date the Agreement is fully executed ("Effective Date"). The term of the Agreement will expire on April 30, 2030, unless terminated earlier as provided herein. If Program funding is not depleted, the Agreement can be extended on an annual basis by mutual written agreement of the Parties.

1.4 SRP Responsibilities. SRP agrees to do the following in connection with the Program:

1.4.1 SRP will provide up to $ 215,625.00 in funding to support the Program for each SRP fiscal year during the term of this Agreement in accordance with Subparagraph 2.1;

1.4.2 SRP will retain Contractor to provide assessments under the Program;

1.4.3 SRP will organize meetings, provide notes and facilitate (as necessary) with respect to each assessment;

1.4.4 SRP will coordinate and act as a liaison between the Entity and Contractor, including providing Customer information provided by Entity to Contractor to allow Contractor to schedule and complete assessments for Customers that are selected to

participate in the Program, follow up with Contractor on assessment scheduling and completion, and relay assessment reports prepared by Contractor to Entity;

1.4.5 SRP will pay the Contractor(s)' invoices in accordance with section 2.1 of this Agreement.

1.5 Entity Responsibilities. Entity agrees to do the following in connection with the Program:

1.5.1 Entity will consult with SRP to determine which Customers should be selected for participation in the Program;

1.5.2 Entity will obtain written authorization from each Customer selected to participate in the Program, via appropriate agreement, to (i) share Customer water data with Contractor and SRP, and (ii) provide access to Customer's property for purposes of the assessment. No Customer may participate in the Program without first authorizing the sharing of its water data and contact information with Contractor and SRP and authorizing Contractor to access its property. Entity will not share any confidential or non-authorized Customer data with SRP;

1.5.3 Entity will provide Customer contact information to SRP for coordination with the Contractor to coordinate the assessment and any necessary follow up;

1.5.4 Entity will maintain contact with the Customer throughout the assessment and reporting process;

1.5.5 Entity will share aggregated data with SRP on water savings and findings for all Customers participating in the Program. Such aggregated data will be based on 12-month pre- & 12-month post-assessment consumption;

1.5.6 Entity will provide an additional five (5) years of water data, if available, following the initial year of completion of the Program assessment to verify maintenance of the irrigation system that was assessed as part of the Program, such data shall be provided by March 1 for the previous calendar year; if available; and

1.5.7 The Entity and SRP will coordinate to create and approve a joint media release concerning the Program, including estimated water savings and landscape improvements. Entity shall provide SRP with an opportunity to review and approve all press releases, outreach or other promotional material developed by Entity related to the Program that includes a reference to SRP or the SRP logo.

2. FUNDING

2.1. SRP shall contribute up to $ 215,625.00 to fund the Program during each SRP fiscal year this Agreement is in effect. SRP's contributions shall consist of: (i) payments to Contractor for work done pursuant to the Program in an amount not to exceed $65,625.00 total for all Customer assessments and reports completed within the Entity's service area

in a SRP fiscal year; plus (ii) up to $150,000.00 reimbursement to the Entity pursuant to Section 2.2 below.

2.2 Manner of financing Approved Customer Projects (approved per Section 3 below). Entity will fund Approved Customer Projects at Entity-owned or managed locations or reimburse qualifying Customers for the costs of Approved Customer Projects that are completed, up to a maximum of $20,000.00 per project. Entity will invoice SRP for fifty percent (50%) of the amount actually reimbursed to qualifying Customers or paid by Entity for Entity's own Approved Customer Projects, up to a maximum of $10,000.00 per Approved Customer Project, on a quarterly basis. Entity will provide (i) proof of completion of each invoiced project, (ii) information on technology implementation list associated with each invoiced project, and (iii) an estimate of potential water savings associated with each Approved Customer Project as backup for the invoice. SRP shall pay each invoice within sixty (60) days following the date of such invoice, or if such day is not a business day, on the next succeeding business day.

3. Approved Customer Projects

3.1 Following receipt of the Customer assessment reports contemplated under this Agreement, SRP and Entity shall mutually determine whether completion of any of the landscape efficiency improvements recommended by a Contractor to a Customer will result in substantial water savings.

3.2 In the event the Parties determine completion of any landscape efficiency improvements recommended by a Contractor will result in substantial water savings, Entity and SRP will determine whether to reimburse a Customer for the mutually approved costs associated with completion of mutually agreeable landscape efficiency improvements that will result in substantial water savings.

3.3 Entity will inform selected Customers of the Parties' selection of any Approved Customer Project associated with such Customer's assessment and enter into an agreement (form to be mutually agreed upon by the Parties) that sets forth the conditions and requirements for reimbursement by Entity. At a minimum, such agreement shall require the Customer to agree to share water usage data with Entity and SRP for a period of five years following completion of the Approved Customer Project.

3.4 Entity will share aggregated data annually with SRP on water savings and other significant findings related to each Approved Customer Project.

3.5 Entity will ensure any reimbursements for Approved Customer Projects are paid to the account holder of an active Entity water meter that serves the parcel on which the Approved Customer Project was completed.

3.6 SRP will contribute up to $150,000.00 in funding each SRP fiscal year during the term of this Agreement, in the form of a fifty percent (50%) project cost match for

Approved Customer Projects, subject to the maximum reimbursement of $10,000 per Approved Customer Project in accordance with section 2.2 above.

3.7 Entity acknowledges that SRP may claim to have funded the water savings, if any, resulting from a specific Approved Customer Project and may make certain environmental, water savings, or sustainability claims as a result of funding a specific Approved Customer Project in proportion to the amount of funding provided.

4. MISCELLANEOUS PROVISIONS

4.1 This Agreement may not be changed, modified or rescinded, except as provided herein and in writing and signed by the Parties hereto, and any attempt at oral modification shall be void.

4.2 All notices required pursuant to this Agreement shall be delivered or sent via certified mail, return receipt requested, to

SRP:

Salt River Project
Attn: Elvy Barton, Senior Manager of Water and Forest Sustainability
P.O. Box 52025
Phoenix, AZ 85072-2025

CHANDLER:

City of Chandler
Attn: Simone Kjolsrud
Address: P.O. Box 4008 MS 905
Chandler, AZ 85244

4.3 All notices are effective when delivered or on the date that certified mail return receipt is signed.

4.4 SRP shall have the right to designate its own employee representative(s) or its contracted representative(s) to audit and to examine, at its own expense, any cost, payment, aggregated water usage data, or supporting documentation resulting from any items set forth in this Agreement. SRP or its representative(s) shall undertake any such audit(s) at reasonable times and appropriate locations and in conformance with generally accepted auditing standards. Entity shall fully cooperate with any such audit(s). This right to audit shall extend for a period of three (3) years following the date of each payment under this Agreement. Entity shall retain all necessary records/documentation during this audit period or until any dispute in connection with an audit is resolved, whichever is longer. SRP shall notify Entity in writing of any exception taken as a result of an audit and

Entity shall respond in writing to such notification within thirty (30) days. Upon resolution of any exception, the owing Party shall directly refund the amount of any exception to the other Party within thirty (30) days.

4.5 Pursuant to A.R.S. § 38-511, this Agreement may be cancelled without penalty or further obligation within three years after execution of the Agreement if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of either Party is at any time while the Agreement or any extension of the Agreement is in effect, an employee or agent of the other Party to the contract in any capacity or is a consultant to any other party of the contract with respect to the subject matter of the Agreement. Additionally, pursuant to A.R.S. § 38-511(E) the aggrieved party may recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the aggrieved party, from the other party arising as the result of the Agreement.

4.6 SRP may terminate this Agreement by giving thirty (30) days' written notice if SRP's annual review of water savings and expenditures demonstrates that the Program is not, in SRP's reasonable discretion, resulting in anticipated water savings commensurate with expenditures.

4.7 Either Party may terminate this Agreement by giving written notice to the other Party at least sixty (60) days prior to the desired termination date.

4.8 Upon termination, all of the Parties' obligations under this Agreement shall cease, unless such obligations expressly survive termination pursuant to the terms of this Agreement.

4.9 This Agreement shall be governed by the laws of the State of Arizona without regard to Arizona's conflict of laws provision.

4.10 Any action or suit commenced in connection with this contract shall be in the Superior Court of Arizona in and for the County of Maricopa.

4.11 The rights and remedies of the Parties provided in this Agreement are not exclusive and are in addition to any other rights and remedies available to the Parties in law or equity.

4.12 Neither Party shall assume liability for claims, loss or liability arising out of or resulting from the Program other than for its own negligence and the Parties hereby release each other from any such claims, loss or liability. The Parties do not intend for anything in this Agreement or in its performance to create an employer-employee relationship, partnership, agency, joint venture, joint employer or franchise relationship between the Parties. Under no circumstances will any employee of either Party be deemed to be an employee or agent of the other Party.

4.13 Assignment. Neither Party shall assign this Agreement without the written consent of the other Party, which consent shall not be unreasonably withheld.

4.14 Entire Agreement. This Agreement, together with any supplemental provisions attached hereto, constitutes the entire Agreement between the parties. Waiver or any breach of any term, condition or covenant herein contained shall not be deemed to be a waiver or any subsequent breach of any term, covenant or condition herein. This Agreement shall be binding upon the parties hereto and their respective heirs, successors and assignees.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the ____ day of _____, 2025.

City Council Memorandum Management Services Memo No. MS 26-07

Date: August 14, 2025
To: Mayor and Council
John M. Pombier, Acting City Manager
Thru: Dawn Lang, Deputy City Manager - CFO
Kristi Smith, Financial Services Director
From: Christina Pryor, Procurement & Supply Senior Manager
Subject: Contracts and Agreements Administratively Approved, Month of July 2025

Background/Discussion

On November 7, 2022, City Council approved Ordinance No. 5030 amending the Code of the City of Chandler, Chapter 3, raising the threshold for Council approval of contracts and agreements for materials, services, equipment, and construction from $50,000 to $100,000. The threshold for Council approval of contracts and agreements for professional services was raised from $30,000 to $100,000. The changes allow contracts and agreements valued less than $100,000 to be approved administratively. As part of the change, Council requested a monthly summary of contracts and agreements approved under the newly adopted thresholds that would have required Council approval under the previous thresholds. The attached report summarizes the administratively approved contracts and agreements for materials, services, equipment, and construction valued between $50,000 and $99,999, and professional services valued between $30,000 and $99,999.

Attachments

Contracts and Agreements Administratively Approved

Informational Procurement Council Item – July 2025 Administrative Approvals

Administrative Approval of Contracts and Agreements for Materials, Services, Equipment and Construction Valued Between $50,000 and $99,999 and Professional Services Valued Between $30,000 and $99,999

Agreement No.: CTR054507
Subject: OEM Parts for City of Chandler Vehicles and Equipment
Contractor: NAPA
Value: $85,000.00
Notes: Provides original equipment manufacturer parts for city fleet.

Agreement No.: CTR050364
Subject: OEM Parts for City of Chandler Vehicles and Equipment
Contractor: Factory Motor Parts
Value: $60,000.00
Notes: Provides original equipment manufacturer parts for city fleet.

Agreement No.: Sole Source
Subject: Purchase of TYMCO Street Sweeper Parts
Contractor: MGX Equipment Services
Value: $60,000.00
Notes: Provides parts for city fleet.

Agreement No.: 2770
Subject: Motorola Annual Services Agreement
Contractor: Motorola Solutions
Value: $74,226.92
Notes: Annual service agreement for preventative maintenance and support services for Motorola radios for the Police Department.

Agreement No.: CS4-966-4801
Subject: Printing of Breaktime Magazine
Contractor: Century Graphics Inc.
Value: $80,000.00
Notes: Printing services for the city’s Breaktime Magazine.

Agreement No.: AI2202.271
Subject: Taxiway B Improvements Phase I
Contractor: Dibble CM LLC
Value: $34,000.00
Notes: Post design services.

Agreement No.: DS2504.201
Subject: Runway 4R-22L Pavement Rehabilitation
Contractor: Dibble & Associates Consulting Engineers, Inc. DBA Dibble
Value: $36,275.00
Notes: Design services.

Agreement No.: ST2406.501
Subject: Price Road And Frye Road Corridor Signal Coordination
Contractor: Union Pacific Railroad
Value: $40,000.00
Notes: Utility services.

Agreement No.: AI2501.271
Subject: Hangar Area Pavement Reconstruction
Contractor: Dibble & Associates Consulting Engineers, Inc. DBA Dibble
Value: $42,046.00
Notes: Post design services.

Agreement No.: PR2505.201
Subject: Tumbleweed Cricket and Promenade Improvements
Contractor: J2 Engineering & Environmental Design, LLC
Value: $44,704.00
Notes: Design services.

Agreement No.: ST2405.271
Subject: Turf To Xeriscape Phase 1
Contractor: J2 Engineering & Environmental Design, LLC
Value: $47,909.00
Notes: Post design services.

Agreement No.: CA2402.451
Subject: Dr. A.J. Chandler Park Renovation Phase 1
Contractor: Dibble CM LLC
Value: $59,840.00
Notes: Construction management services.

Agreement No.: WW2206.101
Subject: Reclaimed Water Conveyance Improvements
Contractor: Rider Levitt Bucknall LTD
Value: $72,495.75
Notes: Cost estimating services.

Agreement No.: DS2401.202
Subject: Transportation Management Center Audio/Visual System Design
Contractor: Iteris Inc.
Value: $75,580.00
Notes: Design services.

Agreement No.: AI2302.271
Subject: Taxiway B Improvements Phase 1
Contractor: Dibble & Associates Consulting Engineers, Inc. DBA Dibble
Value: $76,336.90
Notes: Post design services.

Agreement No.: ST2106.271

Subject: Frye Road Protected Bike Lanes
Contractor: T.Y. Lin International
Value: $80,872.67
Notes: Post design services.

Agreement No.: CA2206.451
Subject: Downtown Alley Improvements (California, Boston and Commonwealth)
Contractor: Consultant Engineering, Inc.
Value: $82,195.00
Notes: Construction management services.

Agreement No.: WW2106.271
