Open Meeting Pitfalls

Serial meeting—a series of gatherings of less than a quorum

Attending other meetings

Forwarding or reply all to emails

Not providing sufficient detail on an agenda

Social Media and A.R.S. § 38-431.09

Discuss and/or take action on items not listed on agenda

Serial Meetings or Splintering the Quorum

It is not necessary for a public body to communicate simultaneously in order for a meeting to occur. A series of gatherings of less than a quorum MAY constitute a meeting if City business is discussed.

This means that if a councilmember talks to two other councilmembers about City business and then one of those councilmembers talks to another councilmember about the same thing, a meeting has taken place but no notice or agenda so OML violation.

Under A.R.S. § 38-431.09, you may express your opinion or discuss an issue with the public personally, through the media, or through technological means, IF...

1 The opinion or discussion is not principally directed at or directly given to another member of the public body

2 There is no concerted plan to engage in collective deliberation to take legal action

Emails

When you use e-mails to discuss City business, care must be taken not to violate the Open Meeting Law as e-mails can easily create a meeting inadvertently by:

- An e-mail to a quorum of the public body proposing legal action
- An e-mail exchange of facts and/or opinions if it is foreseeable that the topic may come before the public body for action
- Forwarding or responding to e-mails involving a majority of the council — be careful of chain e-mails
- **REMEMBER DO NOT REPLY ALL!**

Social Media and Social Events

Members of public bodies should not post or comment on each other's website or municipal websites where those comments could be interpreted as proposing legal action or discussion or deliberation/decisions on City issues. These types of postings would violate the Open Meeting Law because they would be "meetings".

It is NOT a violation of the Open Meeting Law when there is a gathering of a quorum of the public body, i.e., a wedding, but DO NOT talk about City business.

What Happens if We Violate the Open Meeting Law?

A.R.S. 38.431.07
