Member Comments/Announcements

Invite Vice Mayor to speak at the next meeting to answer questions and concerns the DV Commissioners have as a Commission regarding the pause of Federal grant funds – on the agenda write “Bridging the gap between the City and services being offered to survivors in the City of Chandler.”

Have a Commission member write something on City Website on importance of connections, resources and healthy relationships these are the barriers survivors are experiencing. Katie will contact the City PIO to be added as a voting item for next meeting. Asking commissioners to keep track of impacts they are finding.
