BRIEFING

2. *Results from the Resident Bond Committee and Details about the Upcoming Bond Election – Management Services*

Mr. Matt Dunbar, Budget and Policy Director for the City of Chandler, briefed the Board on the upcoming Bond Election on November 4, 2025.

Mr. Dunbar shared that the City of Chandler is holding a Special Bond for voters to consider a \$475 million general obligation bond package to fund large capital projects in the city's 10-yr Capital Improvement Program (CIP).

Bond Project Areas include Parks and Recreation (\$158M), Fire (\$88M), Police (\$46M), and Streets (\$183M). These projects aim to improve daily life, ensure public safety, and support Chandler's growth.

Mr. Dunbar made it clear that the city predicts no increase to the property tax rate. The estimated average tax rate for the proposed bond authorization is \$0.4795 per \$100 of assessed valuation. The new bonds are timed with retiring debt, which the city projects will keep the secondary property tax rate stable at \$0.87 per \$100 of assessed valuation.

Mr. Dunbar also shared that this special election would include two proposed amendments to the Chandler City Charter. The City of Chandler provides this information without supporting or opposing the amendments.

Proposition 410: Term Limits for Councilmembers and Mayor
Proposition 411: City Manager Appointment and Removal

Board Member Montgomery asked about the term for the bonds. Mr. Dunbar responded that the bonds are typically for 10 to 20-year terms.

Board Member Montgomery asked if the city expected the bond initiative to pass. Mr. Dunbar responded that it would be dependent on the voters.

Vice-Chair Dykstra asked if the upcoming bond election for Chandler Unified would impact this bond. Mr. Dunbar responded that the two bonds are very different, and the school's bond should not have an impact.

Board Member Bradley asked if this bond presentation was ever given to charter schools. Mr. Dunbar replied that it had not.

Vice-Chair Dykstra asked if there are other changes to the charter. Mr. Dunbar responded that there aren't any for this election.
