2. Preliminary Development Plan, Mountain View Estates Housing

Move Planning and Zoning Commission recommend approval of Preliminary Development Plan amendment PLH26-0018 Mountain View Estates Housing for housing product to be constructed on a 16-lot single family subdivision located east of the northeast corner of Lindsay and Riggs roads, subject to conditions as recommended by Planning staff.

ALISA PETTERSON, SENIOR PLANNER presented PLH26-0018 Mountain View Estates Housing. MS. PETTERSON discussed the current planning and zoning for the area as well as the updated changes being requested by the applicant for a change in the housing product that will be built on the remaining available lots.

MS. PETTERSON reviewed the updated floor plans, noting that they are 25-40% less in size than the original floorplans that were approved.

A neighborhood meeting was held on May 19th, 2026. Ten residents were in attendance. People were interested in confirming that the maximum height of 22 feet (at the top of the roof) was being maintained and to confirm that there were no changes in lot sizes or setbacks. Staff is aware of two residents who had concerns about additional subdivisions being approved. MS. PETTERSON noted that this subdivision was already approved back in 2019 and that this request is only for the housing product update.

Staff recommended approval with stipulations.
