

ARIZONA INTERNET CRIMES AGAINST CHILDREN TASK FORCE

Intergovernmental Agreement

Between

Phoenix Police Department (Primary Grantee) / Arizona ICAC Task Force

and

Cochise County Sheriff's Office

THIS INTERGOVERNMENTAL AGREEMENT ("IGA") is entered into between the City of Phoenix, Arizona, through the Phoenix Police Department ("PPD" or "Primary Grantee"), and the County of Cochise, Arizona through the Cochise County Sheriff's Office (or "Affiliate").

I. RECITALS

1.1 Whereas public agencies are authorized and empowered to enter into intergovernmental agreements for the provision of services or for joint or cooperative action pursuant to Arizona Revised Statutes (A.R.S.) § §11-952. The City of Phoenix is also authorized and empowered pursuant to Chapter 2, Section 2 (i), of the Charter of the City of Phoenix.

1.2 Whereas the Phoenix Police Department / Arizona Internet Crimes Against Children Task Force ("ICAC Task Force"), is the recipient of a United States Department of Justice ("DOJ"), Office of Justice Program ("OJP"), Office of Juvenile Justice and Delinquency Prevention ("OJJDP") grant to enforce laws regarding Internet crimes against children ("ICAC"), and utilizes this grant for the purpose of administering and operating an ICAC Task Force in Arizona. PPD is the primary grantee for the ICAC Task Force. Agencies affiliated through this Interagency Governmental Agreement ("IGA") are known as an "Affiliate" agency. Any agency entering into this IGA becomes an affiliate of the ICAC Task Force.

1.3 Whereas the PPD / ICAC Task Force agrees to work with the affiliates to support and advance the goals of Project Safe Childhood, a DOJ initiative. Phoenix PD / ICAC Task Force may be able to provide financial assistance.

1.4 Whereas OJJDP administers the ICAC Task Force Program, which is a national network of state and local law enforcement investigative units. The national ICAC program assists state and local law enforcement agencies in the development of an

effective response to cases involving images depicting the sexual exploitation of minors and the sexual assault and abuse of children facilitated by technology. Due in large part to the technological aspects of these cases, the ICAC Task Force Program promotes a multi-jurisdictional, multi-agency approach to investigating and prosecuting ICAC cases. ICAC's goals are to increase the investigations and prosecutions of Internet crimes against children offenses, and to increase public awareness and prevention of ICAC offenses.

1.5 Whereas the national policy objectives for ICACs are to:

- (1) Increase the investigative capabilities, including effectiveness and efficiency, of law enforcement officers in the detection, investigation of qualifying offenses and the apprehension of offenders;
- (2) Increase the number of ICAC-qualifying (state and federal) offenses being prosecuted;
- (3) Create a multi-agency task force response to ICAC offenses;
- (4) Enhance the nationwide response to ICAC offenses; and
- (5) Develop and deliver ICAC public awareness and prevention programs.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the parties hereby agree to the following terms and conditions:

II. PURPOSE

2.1 The purpose of this IGA is to memorialize parties' agreement to work together to assist the ICAC Task Force in its efforts to investigate, prosecute, and deter the possession, production, and distribution of unlawful images depicting the sexual exploitation of minors and the utilization of the Internet to seek children as sexual victims.

2.2 Additionally, this IGA defines the responsibilities of the affiliate agency with the ICAC Task Force.

III. RESPONSIBILITIES

3.1 Affiliated ICAC Task Forces may include investigators, supervisors or prosecutors from various local state, and federal law enforcement agencies who provide assistance subject to availability.

3.2 Affiliated ICAC Task Forces should identify and investigate individuals who exploit children for sexual purposes through the use of technology and/or who obtain, distribute, and/or produce child pornography.

3.3 Affiliated ICAC Task Forces should be focused on presenting evidence of criminal activity to prosecutors which then leads to the successful prosecution of individuals who have committed coercion/enticement or unlawful image offenses.

3.4 Affiliated ICAC Task Forces may, subject to availability, sponsor community education efforts regarding the prevention of Internet crimes against children and provide ICAC training to other state and local law enforcement officials.

3.5 Affiliated ICAC Task Forces may, subject to availability:

- (1) Conduct undercover ICAC investigations; and
- (2) Conduct reactive investigations for which venue lies within the agency's Jurisdiction(s), including investigations of unlawful images depicting the sexual exploitation of minors, CYBERTIP referrals from the National Center of Missing and Exploited Children (NCMEC), Internet Service Provider and law enforcement referrals, other ICAC-related investigations and other sources.

3.6 The Affiliated ICAC Task Force will ensure that:

- (1) Only sworn law enforcement personnel will conduct undercover ICAC investigations,
- (2) Each investigator involved with undercover operations has received ICAC training prior to initiating proactive investigations, and
- (3) ICAC investigations shall also be governed by the national ICAC program's Operational and Investigative Standards (attached).

3.7 Where investigations reveal that the safety of a child is at risk, it is of paramount importance that the safety and well-being of the child clearly outweigh any consideration being given to the continued investigation.

3.8 ICAC Task Forces have a substantial number of matters to investigate which requires prioritization of these matters. The affiliate agency agrees to use the guidelines in the ICAC Investigative Standards to prioritize cases.

3.9 An additional secondary role of the affiliate agency is to educate, as time and resources permit, both children and parents regarding online dangers, and empower them with information so they may visit the Internet in safety. Task force personnel may conduct education and prevention programs to foster awareness and provide practical, relevant guidance to the community about Internet child safety issues.

IV. DURATION AND TERMINATION

4.1 This IGA shall become effective upon the date of the last signature of the executing parties. This IGA will remain in effect for two (2) years after the agreement becomes effective, and shall automatically renew itself for two (2) year periods not exceed three renewals, unless the agreement is terminated in writing by either party upon thirty day notice.

A breach of this warranty shall be deemed a material breach of the Agreement subject to penalties up to and including termination. A party shall not be deemed in material breach if it and/or its subcontractors establish compliance with the employment verification provisions of Sections 274A and 274B of the federal Immigration and Nationality Act and the E Verify requirements contained in A.R.S. § 23-214(A). Each party retains the legal right to inspect the papers of the other party and/or its subcontractor engaged in performance of this Agreement to ensure that the other party and/or its subcontractor is complying with the warranty. Any inspection will be conducted after reasonable notice and at reasonable times. If state law is amended, the parties may modify this paragraph consistent with state law.

5.3 Indemnification. To the extent permitted by law, each party will indemnify and save the other party harmless, including any of the parties' departments, agencies, officers, employees, elected officials or agents, from and against all loss, expense, damage or claim of any nature whatsoever which is caused by any activity, condition or event arising out of the performance or non-performance by the indemnifying party of any of the provisions of this Agreement.

Each party, in all instances, shall be indemnified against all liability, losses and damages of any nature for or on account of any injuries or death of persons or damages to or destruction of property arising out of or in any way connected with the performance or non-performance of this Agreement by the other party, except such injury or damage as shall have been occasioned by the negligence of that other party. 5.5 Severability. In the event any term or provision of this Agreement is held to be invalid or unenforceable, the validity of the other provisions shall not be affected, and the Agreement shall be construed and enforced as if it did not contain the particular term or provision that is deemed to be invalid or unenforceable.

5.6 Governing law. This Agreement will be governed by the laws of the State of Arizona, both as to interpretation and performance.

5.7 Modification. This Agreement may be modified only by mutual written agreement of the parties.

VI. SPECIAL PROVISIONS

6.1 Goals for cases prosecuted. Various County Attorneys' Offices throughout the State of Arizona have successfully prosecuted many cases investigated by the ICAC Task Force and its' affiliated agencies. Cases investigated by the ICAC Task Force may be prosecuted in Federal or State Court.

The affiliated agency agrees that the criteria for determining whether to prosecute a particular violation in state or federal court will be determined based upon the forum in which the greatest overall benefit to the public will be achieved. The parties agree that the greatest overall benefit to the public and victims will be achieved in the forum in which the purposes of punishment will be accomplished to the greatest possible extent. The parties agree that the sentences in ICAC cases should, to the greatest possible extent:

- (1) Reflect the seriousness of the offense,
- (2) Promote respect for the law,
- (3) Provide just punishment for the offense,
- (4) Afford adequate deterrence to criminal conduct,
- (5) Protect the public from further crimes of the defendant, and
- (6) To provide the defendant with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner.

Given these goals and the research regarding the typical hands-on offense histories of those convicted as on-line predators and child pornography offenders, incarceration is a desired outcome in ICAC cases.

6.2 Reporting statistics. The affiliated agency will provide monthly reports to the Phoenix PD / ICAC Task Force on the prescribed form.

6.3 Training. The affiliated agency may make investigators available for applicable specialized training provided through the national ICAC program and other appropriate training programs.

6.4 Media. Media outreach on cases should be coordinated with the prosecutor to whom the case has been or will be referred in order to ensure compliance with applicable bar rules. All lawful efforts will be made to protect ongoing undercover operations from media publication. Member agencies will refrain from unnecessarily releasing ongoing investigative techniques and ongoing undercover identities including screen names, age, or sex of undercover personas unless authorized and mandated by public record law or when the information is revealed pursuant to lawful discovery or at trial.

6.5 Confidentiality. It is understood that any confidential information pertaining to investigations of ICAC will be held in the strictest confidence, and will only be shared with participating ICAC Task Force members or other law enforcement agencies where necessary or as otherwise permitted by federal and/or state law.

6.6 Text messaging while driving. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

6.7 Equipment. Equipment bought on a sub-grant application will remain the property of the affiliate agency and is being loaned to the affiliate agency for use in Internet crimes against children investigations. The equipment must be made available by the affiliate agency for inspection by the AZ ICAC, the Department of Justice, or a representative of the ICAC Board of Director's anytime requested.

The equipment must be maintained in accordance with the equipment inventory policies of the affiliate agency. The future disposition of the equipment will be tracked by the AZ ICAC detail in the event that there is an audit of our purchases by the Department of Justice.

If at some future time the equipment is not serviceable or no longer useful to the affiliate agency, it is requested that the affiliate agency dispose of the items in a manner consistent with official policies and/or Federal laws concerning the proper disposition of government policy.

6.8 Data protection. All data, regardless of form, including originals, images and reproductions, prepared by, obtained by, or transmitted to affiliate agencies in connection with this agreement is to be kept confidential. Except as specifically

provided in this Agreement, the affiliate agencies shall not disclose data generated in the performance of the service to any third person without the prior written consent of all affiliate agencies, unless required by law.

Personal identifying information, financial account information, or restricted information, whether electronic format or hard copy must be secured and protected at all times to avoid unauthorized access. At a minimum, affiliate agencies must encrypt and/or password protect electronic files. This includes data saved to laptop computers, computerized devices or removable storage devices.

Unless contrary to law, which includes Arizona State Records Retention statutes, when personal identifying information, financial account information, or restricted information, regardless of its format, is no longer necessary, the information must be redacted, destroyed, or secured through appropriate and secure methods that ensure the information cannot be viewed, accessed, or reconstructed.

In the event that data collected or obtained by the affiliate agencies in connection with this agreement is believed to have been compromised, affiliate agencies shall notify all other agencies in writing within ten (10) business days.

Affiliate agencies agree that the requirements of this section shall be incorporated into all relevant subcontractor/subconsultant agreements entered into by the affiliate agencies. A violation of this section may result in immediate termination of the Agreement.

The obligations of affiliate agencies under this section shall survive the termination of this agreement.

6.9 Consistency. No local agreement can be inconsistent with any provision herein or impair achievement of any provision herein.
