Cochise County Board of Supervisors

Mark Dannels
Cochise County Sherriff

Gentleman;

Please consider me for appointment for Constable for Willcox Percent 4.

My father was a Cochise County Sheriff Deputy, Cattle Inspector (as was my Grand Father) and Constable in the Bowie area.

I have been member of numerous community originations and clubs. Past President of Willcox Lions Club, Past Exalted Ruler of Willcox Elks Club and current board member of Willcox Historic Theater.

I have been a member of the Arizona Interscholastic Association for more than 30 years and have officiated High School Basket Ball, Foot Ball, Base Ball, Soft Ball, Track and Volley Ball and still do games on a regular basis.

I am employed by Valley TeleCom here in Willcox in the sales department and have been here for almost twenty years.

I am married to Becky and we just celebrated our 28 anniversary. We have two children a Son who lives in Wisconsin and a Daughter living in Scottsdale. Both are married and we have five grandchildren.

I am a lifelong resident of Willcox have strong ties to the community, have a high standard of morals. Have a very high appreciation of law enforcement and believe in the standard of law.

I understand the constraints of what a Constable is expected to perform and have no illusion to the contrary. I also understand this is a non-paid position.

Thank you for consideration:
