1.3 Incorporation of Quotes. "Quote" means the document(s), regardless of actual name, executed by the parties which is incorporated by reference into the terms of this Master Agreement, and describes order-specific information, such as description of Product ordered, License Metrics, fees, statements of work, exhibits and milestones. At any time after execution of the Master Agreement and the initial Quote, Customer may purchase additional Products or otherwise expand the scope of existing licenses or Subscriptions granted under a Quote, upon SirsiDynix receipt and acceptance of a new Quote specifying the foregoing.

2. PRODUCTS USE RIGHTS; TITLE

2.1 Generally. Customer's purchase of Products under this Master Agreement may include from time-to-time Software, Subscriptions, Services, and/or Hardware. The following provisions under this Section 2 apply if relevant to the type of Product purchased pursuant to a Quote.

2.2.1 Software License. Subject to the terms and conditions of this Master Agreement including without limitation the restrictions set forth in Section 2.7 and Section 2.9 and timely payment of the applicable fees, SirsiDynix hereby grants to Customer a limited, non-exclusive, non-transferable and perpetual (subject to SirsiDynix termination rights pursuant to this Master Agreement) license to (i) install, run and use the Software identified in the Quote in the Operating Environment solely for Internal Business Purposes, and (ii) use the Documentation in connection with such use of the Software. Customer may not make copies of the Software except a reasonable number of machine-readable copies solely for internal backup or archival purposes. All Intellectual Property rights notices must be reproduced and included on such copies. Customer shall maintain accurate and up-to-date records of the number and location of all copies of the Software and inform SirsiDynix in writing of such upon request. **2.2.2** Unless otherwise set forth in a Quote, the Software shall not be simultaneously loaded and operated

on more than one hardware platform, except temporarily during the process of platform migration. **2.2.3** Customer shall use the Third Party Products solely in conjunction with the SirsiDynix Software and Customer shall have no broader rights with respect to the Third Party Products than it has to the SirsiDynix Software. SirsiDynix may add and/or substitute functionally equivalent products for any third party items in the event of product unavailability, end-of-life, or changes to software requirements.

2.3.1 Subscriptions. For Subscriptions purchased by Customer, and subject to the terms and conditions of this Master Agreement including without limitation the restrictions set forth in Sections 2.7 and 2.9 and timely payment of the applicable fees, SirsiDynix grants to Customer the right to access and use the Subscription identified in the Quote solely for Internal Business Purposes and to use the Documentation in connection with such access and use for the Term. SirsiDynix shall use commercially reasonable efforts to make the Subscription Services available 24x7, except for scheduled downtime events, or emergency downtime events, or Internet service provider failures or delays. SirsiDynix will use commercially reasonable efforts to perform scheduled downtime events outside of normal business hours. Customer acknowledges that the Subscription Services may be subject to limitations, delays, and other problems inherent in the use of the Internet and electronic communications. SirsiDynix is not responsible for any delays, delivery failures, or other damage resulting from such problems. **2.3.2** Customer is solely responsible for obtaining and maintaining at its own expense, all equipment that may be needed to access Subscriptions, including without limitation, Internet connections. Customer understands that Subscription communications may traverse an unencrypted public Internet connection and that use of the Internet provides the opportunity for unauthorized third parties to illegally gain access to Customer Data. Accordingly, SirsiDynix does not guaranty the privacy, security or authenticity of any information transmitted over or stored in any system connected to the Internet. Customer shall not encrypt Subscription traffic except as may be available through the SirsiDynix VPN solution. **2.3.3** Customer is responsible for maintaining the confidentiality of all passwords and for ensuring that each password is used only by the authorized user. Customer is responsible for all activities that occur under Customer's account. SirsiDynix shall have no liability for any loss or damage arising from Customer's failure to comply with these requirements. **2.3.4** Customer shall be solely responsible for the accuracy, quality, integrity and legality of Customer Data and of the means by which it acquired Customer Data. Customer acknowledges and agrees that SirsiDynix does not monitor or police the content of communications or data of Customer or its users transmitted through the Subscriptions, and that SirsiDynix shall not be responsible for the content of any such communications or transmissions. Customer shall use the Subscriptions exclusively for authorized and legal purposes, consistent with all applicable laws and regulations. SirsiDynix may remove any violating content posted or transmitted on or through the Subscriptions, without notice to Customer. SirsiDynix may suspend or terminate any user's access to the Subscriptions upon notice in the event that SirsiDynix reasonably determines that such user has violated these terms and conditions. **2.3.5** The provision of third party Subscriptions is subject to availability from third party providers and SirsiDynix shall have no liability should such Subscription become unavailable for any reason or is no longer available under reasonable commercial terms. **2.3.6** In the event that Customer is locally hosting Subscription Software, SirsiDynix hereby grants to Customer, subject to the terms and conditions of this Master Agreement including without limitation the restrictions set forth in Section 2.7 and Section 2.9 and timely payment of the applicable fees, a limited, non-exclusive, non-transferable grant of use to locally install and use the Subscription Software solely for Customer's internal business purposes. The grant of use for Subscription Software is not a license and remains in effect only while Customer is timely paying its Subscription fees to SirsiDynix. If Customer fails to timely pay Subscription fees, Customer must immediately discontinue use of and certify to SirsiDynix the removal of Subscription Software.

2.4.1 Services. Services are described in the Quote. SirsiDynix shall be responsible for securing, managing, scheduling, coordinating and supervising SirsiDynix personnel, including its subcontractors, in performing any Services. Any change to the scope of Services must be in writing signed by both parties. Once executed by both parties, a change shall become a part of the Quote. **2.4.2** Customer acknowledges and agrees that SirsiDynix performance is dependent upon the timely and effective satisfaction of Customer's responsibilities hereunder and timely decisions and approvals of Customer in connection with the Services. SirsiDynix shall be entitled to rely on all decisions and approvals of Customer. Customer's data must be provided to SirsiDynix in a format reasonably approved by SirsiDynix or additional charges will apply. Customer shall be responsible for providing secured access to Customer's systems to SirsiDynix. SirsiDynix alone shall decide whether such access is sufficient for the performance of Services.

2.5. Software Maintenance. **2.5.1** Subject to Customer's timely payment of applicable fees, SirsiDynix will provide during the Term Maintenance services for the Software in accordance with the maintenance plan indicated in the Quote, provided however that with respect to Third Party Products, SirsiDynix's obligation to offer Maintenance is limited to using commercially reasonable efforts to obtain Maintenance from the third party owner of such Software. All licenses in Customer's possession must be supported under the same maintenance plan. **2.5.2** Updates are provided if and when available, and SirsiDynix is under no obligation to develop any future programs or functionality. **2.5.3** SirsiDynix is under no obligation to provide Maintenance with respect to: (i) a Product that has been altered or modified by anyone other than SirsiDynix or its licensors; (ii) a release for which Maintenance has been discontinued; (iii) a Product used other than in accordance with the Documentation or other than on the Operating Environment; (iv) discrepancies that do not significantly impair or affect the operation of the Product; or (v) any systems or programs not supplied by SirsiDynix. **2.5.4** For the avoidance of doubt, Updates provided under Maintenance services are subsequent minor or maintenance releases to the standard Products, excluding custom development or customizations whether such customizations are performed by SirsiDynix or by Customer or a third party. SirsiDynix reserves the right to charge Client for any reintegration work required to make customizations compatible with future releases. **2.5.5** If ordered, Maintenance must be ordered for all Software and all associated License Metrics licensed by Customer. Customer may not purchase or renew Maintenance for a subset of its licenses only. **2.5.6** If an Error was corrected or is not present in a more current release of the Product, SirsiDynix shall have no obligation to correct such Errors in prior releases of the Software. **2.5.7** Fees for Maintenance Services do not include implementation, training and other Professional Services. **2.5.8** It is Customer's responsibility to ensure that all appropriate users receive initial training services sufficient to enable Customer to effectively use the

Software. Failure to do so could result in additional Maintenance fees if service requests are deemed excessive as a result of insufficient training, at SirsiDynix's discretion. **2.5.9** In the event Customer does not renew Maintenance and subsequently desires to reinstate Maintenance, a reinstatement fee shall be assessed equal to 120% of the aggregate Maintenance fee that would have been payable during the period of lapse. **2.5.10** For Software licenses and Subscription Software, Customer is solely responsible for the installation of Updates and agrees to (i) meet the Update standard set forth in the SirsiDynix Support Policies referenced in the definition of Maintenance and (ii) maintain the Operating Environment. With respect to Subscriptions, SirsiDynix is responsible for the implementation of Updates and shall no longer provide access to any previous release upon the date SirsiDynix migrates to a new Update for production use in SirsiDynix's hosted environment.

2.6.1 Hardware and Hardware Maintenance. Title to the Hardware identified in the Quote, if any, shall pass to Customer on SirsiDynix's placement of the Hardware with a common carrier or licensed trucker, which shall constitute delivery to Customer. Thereafter Customer will be responsible for risks of loss or damage, except for loss or damage caused by SirsiDynix in the process of installation. **2.6.2** SirsiDynix does not provide support for Hardware unless Customer purchases any available maintenance associated with such Hardware. Such Hardware maintenance may be provided through a third party and is subject to that third party's standard terms, conditions and warranties, if any.

2.7 License Metrics. Customer may not use the Products in excess of the License Metrics specified in the Quote. Additional License Metrics and associated Maintenance must be purchased at the pricing in effect at the time the additional License Metrics are added in the event actual usage exceeds the licensed quantity, prorated for the remainder of the then-current Term. The additional License Metrics purchased shall terminate on the same date as the pre-existing Products. Prices are based on License Metrics purchased and not actual usage. The number of License Metrics provided in the initial Quote is a minimum amount that Customer has committed to for the Term and there shall be no fee adjustments or refunds for any decreases in usage.

2.8 Reservation of Rights. All rights not expressly granted in the Master Agreement are reserved by SirsiDynix and its third party providers. Customer acknowledges that: (i) all Software is licensed and not sold and all Subscriptions and Content are subscribed to and not sold; (ii) Customer acquires only the right to use the Protected Materials. SirsiDynix and its third party providers retain sole and exclusive ownership and all rights, title, and interest in, including Intellectual Property embodied or associated with, the Protected Materials and all copies and derivative works thereof (whether developed by SirsiDynix, Customer or a third party); and (iii) the Protected Materials, including the source and object codes, logic and structure, constitute valuable trade secrets of SirsiDynix and its third party providers. Customer agrees to secure and protect the Products consistent with the maintenance of SirsiDynix's and its third party providers' rights in the Products, as set forth in this Master Agreement.

2.9 Restrictions. Unless specifically permitted or licensed by SirsiDynix, Customer shall not itself, or through any affiliate, employee, consultant, contractor, agent or other third party: (i) sell, resell, distribute, host, lease, rent, license or sublicense, in whole or in part, the Protected Materials; (ii) decipher, decompile, disassemble, reverse assemble, modify, translate, reverse engineer or otherwise attempt to derive source code, algorithms, tags, specifications, architecture, structure or other elements of the Protected Materials, including the license keys, in whole or in part, for competitive purposes or otherwise; (iii) allow access to, provide, divulge or make available the Protected Materials to any user other than Customer's employees and independent contractors who have a need to such access and who shall be bound by a nondisclosure agreement with provisions that are at least as restrictive as the terms of this Master Agreement (except the Customer may grant access to public access catalogs to library users, other libraries, and third party entities); (iv) write or develop any derivative works based upon the Protected Materials; (v) modify, adapt, translate or otherwise make any changes to the Protected Materials or any part thereof;

If Customer fails to make payments of any amount due under the Master Agreement, SirsiDynix will be entitled to suspend its performance upon ten (10) days written notice to Customer. **3.1.2** Unless expressly provided otherwise, amounts paid or payable for Software, Subscriptions, Subscription Software and Hardware are not contingent upon the performance of any Services.

3.2 Taxes. Customer agrees to pay any sales tax arising out of the Master Agreement, other than those based on SirsiDynix's net income. If Customer is tax-exempt, Customer agrees to send SirsiDynix a copy of its tax-exempt certificate upon execution of the Master Agreement. The Initial Term and renewal terms are referred to as the "Term".

9.3.1 Termination. Either party may terminate the Master Agreement immediately upon written notice if the other party commits a non-remediable material breach of the Master Agreement, or if the other party fails to cure any remediable material breach or provide a written plan of cure acceptable to the non-breaching party within 30 days of being notified in writing of such breach. SirsiDynix may impose an additional charge to reinstate service following such suspension.

Customer agrees to provide cooperation, which means assistance, information, equipment, data, a suitable work environment, timely access, and resources reasonably necessary to enable SirsiDynix to perform any and all installation, implementation, and services required to fulfill its obligations hereunder including but not limited to ensuring SirsiDynix has remote access. Failure to grant such cooperation shall allow SirsiDynix to deem the Product purchased by Customer to be fully accepted and delivered. In the event any delay in implementing Products is caused by Customer resulting in SirsiDynix incurring additional expenses, the Customer shall pay to SirsiDynix the amount of such additional expenses.

10.4 Delegation. SirsiDynix may subcontract or delegate any work under any Quote to any third party without Customer's prior written consent, provided however that SirsiDynix shall remain responsible for the performance of any such subcontractors.

During the term of this Master Agreement and for a period of one year following its termination, neither party will solicit for employment directly or through other parties, without the other party's written permission, any individual employed by the other party, provided however that the hiring of individuals responding to general public marketing and recruiting advertisements and events shall not be a violation of this provision; only active, targeted solicitation is prohibited.

10.8 Compliance. During the term of this Master Agreement and for a period of one year following its termination, SirsiDynix shall have the right to verify Customer's full compliance with the terms and requirements of the Master Agreement. If such verification process reveals any noncompliance by Customer, Customer shall reimburse SirsiDynix for the reasonable costs

and expenses of such verification process incurred by SirsiDynix (including but not limited to reasonable attorneys' fees), and Customer shall promptly cure any such noncompliance; provided, however, that the obligations under this section do not constitute a waiver of SirsiDynix's termination rights and do not affect SirsiDynix's right to payment for Products and interest fees related to usage in excess of the License Metrics.

10.9 Notices. Any notice required or permitted to be sent under the Master Agreement shall be delivered by hand, by overnight courier, by email to SirsiDynix at legal@sirsidynix.com, or by email to Customer at any current Customer email address routinely used by SirsiDynix, or by registered mail, return receipt requested, to the address of the parties set forth in the Master Agreement or to such other address of the parties designated in writing in accordance with this subsection.

10.10 Relationship. The Master Agreement is not intended to create a partnership, franchise, joint venture, agency, or a fiduciary or employment relationship. Neither party may bind the other party or act in a manner which expresses or implies a relationship other than that of independent contractor.

10.11 Invalidity. If any provision of the Master Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

10.12 Survival. The following provisions will survive any termination or expiration of the Master Agreement: sections 1, 2.7, 2.8, 2.10, 2.12, 3, 4, 5, 6, 7, 8, 9, and 10.

10.13 No Waiver. Any waiver of the provisions of the Master Agreement or of a party's rights or remedies under the Master Agreement must be in writing to be effective. Any such waiver shall constitute a waiver only with respect to the specific matter described in such writing and shall in no way impair the rights of the party granting such waiver in any other respect or at any other time. The waiver by either of the parties hereto of a breach or of a default under any of the provisions of the Master Agreement shall not be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder. The rights and remedies herein provided are cumulative and none is exclusive of any other, or of any rights or remedies that any party may otherwise have at law or in equity. Failure, neglect, or delay by a party to enforce the provisions of the Master Agreement or its rights or remedies at any time, shall not be construed and shall not be deemed to be a waiver of such party's rights under the Master Agreement and shall not in any way affect the validity of the whole or any part of the Master Agreement or prejudice such party's right to take subsequent action.

10.14 Entire Agreement. The Master Agreement constitutes the parties' entire agreement relating to its subject matter. It cancels and supersedes all prior or contemporaneous oral or written communications, requests for proposals, proposals, conditions, representations, and warranties, or other communication between the parties relating to its subject matter as well as any prior contractual agreements between the parties. Notwithstanding the precedence of this Master Agreement, any existing Customer License Metrics shall continue unless new License Metrics are identified in a Quote. No modification to the Master Agreement will be binding unless in writing and signed by an authorized representative of each party.

10.15 Third Party Beneficiaries. All rights and benefits afforded to SirsiDynix under the Master Agreement shall apply equally to the owner of the Third Party Products with respect to the Third Party Products, and such third party is an intended third party beneficiary of the Master Agreement, with respect to the Third Party Products.

10.16 Governing Law and Venue. The Master Agreement shall be governed by and construed in accordance with the laws of the State of Arizona without giving effect to its principles of conflict of laws. Any dispute shall be litigated in the state or federal courts located in Arizona to whose exclusive jurisdiction the parties hereby consent. In addition, the Customer hereby waives any objection the customer may have based upon lack of personal jurisdiction, improper venue and/or "forum non conveniens".

The parties agree that this contract is not a contract for the sale of goods; therefore, the Master Agreement shall not be governed by any codification of Article 2 or 2A of the Uniform Commercial Code, or any codification of the Uniform Computer Information Technology Act ("UCITA"), or any references to the United National Convention on Contracts for the International Sale of Goods.

10.18 Counterparts. The Master Agreement and each Schedule may be executed in one or more counterparts, each of which shall constitute an enforceable original of the Master Agreement, and that facsimile, electronic

and/or .pdf scanned copies of signatures shall be as effective and binding as original signatures.

10.19 Headings and Drafting. The headings in the Master Agreement shall not be used to construe or interpret the Master Agreement. The Master Agreement shall not be construed in favor of or against a party based on the originator of the document.
