

Tax Rate Meeting

(8/15/2016)

- This is the time and place for the setting of tax rates for the FY 16/17 year.
- The three county rates (County property, Flood and Library) are unchanged.
- We have already discussed the light improvement district tax rates. Tom Schelling is here if you have any questions.
- Fyi, the TNT rate is \$2.7068/\$100 of AV and our maximum rate is \$3.7579.
- Our adopted rate of \$2.6272 and levy of \$23,905,223 results in a \$284,026 decrease in property tax revenues from last fiscal year.
- I provided you with an e-mail thread regarding some school tax rate issues and County Treasurer Cathy Traywick is here to address those issues with you.
- Are there any questions?
