## **ACTION**

### **Board of Supervisors**

12. Approve the issuance of refunds to the applicable Elected Official Retirement Plan (EORP) and Public Safety Personnel Retirement Plan (PSPRS) members who were identified by PSPRS to be impacted by the Hall decision in the amount of \$903,616.04 from the general fund for 91 individuals, the majority of which are still employed by Cochise County.

Ms. Lynette Nowlan, Finance Director, presented this item. Ms. Nowlan gave background:

- Both EORP and PSPRS are retirement plans created and managed by the State available for all local governments to provide a retirement benefit for elected officials and public safety personnel they employ.
- In 2011, the State legislature enacted a law increasing the rate paid by members of both EORP and PSPRS.
- The rate increased by 4% and was effective on July 1, 2011.
- Members of both EORP and PSPRS, impacted by the change, sued PSPRS claiming that the increase was unconstitutional.
- The Hall case pertained to EORP.
- The Parker case pertains to PSPRS.
- Over the last several years, the law suits have made their way through the courts to the Arizona Supreme Court.
- In November, 2016, the Arizona Supreme Court ruled in the Hall case
- PSPRS was directed to have employers reduce the rate back to the original rate.
- PSPRS was also directed to pay back the increased amount of contributions to the trust.
- At the time of the decision, PSPRS directed employers to not do anything until receiving specific instructions to do so.
- On March 29, 2017, PSPRS sent notification to employers to lower the rates for all members of both EORP and PSPRS hired on or before July 19, 2011.
- Effective for the first complete pay period on or after April 1, 2017 or as soon as practicable.
- Cochise County lowered the rate for the pay period beginning April 9, 2017. (Note: While the Parker case has not yet been finalized through the Arizona Supreme Court, PSPRS has directed employers to apply the opinion of the Hall case to the Parker case.)
- On May 31, 2017 PSPRS notified employers to begin refunding the increased contributions to employees once they receive the amounts calculated by PSPRS.
- Due to federal regulations pertaining to retirement systems, PSPRS could not pay back the amounts.
- PSPRS will allow employers to take a credit for the amount of the refunds.
- PSPRS directed employers to issue the refunds as soon as possible in order to minimize the amount of interest. (The interest rate has not yet been finalized.)

Supervisor Judd asked if the PSPRS would be providing a credit back to the County.

Ms. Nowlan said that PSPRS would be crediting the County for the amount of the payment. She moved on to the fiscal impact to the County:

- Finance continues to receive updated information from PSPRS pertaining to the refund amounts.
- Finance is preparing to issue refunds to 91 individuals in the amount of \$903,616.04.
- The entire amount will be paid from the General Fund.
- Due to the County's fiscally responsible management of not spending down the available cash balance and GF contingency, the County can afford to pay the refunds.
- The refunds represent principal.
- Interest has not yet been finalized.
- However, a delay in the issuance of the refunds will increase the amount of interest the County will pay at a later date. (Note: Interest is estimated to be an additional \$200,000)

Vice-Chairman Call moved to approve the issuance of refunds to the applicable Elected Official Retirement Plan (EORP) and Public Safety Personnel Retirement Plan (PSPRS) members who were identified by PSPRS to be impacted by the Hall decision in the amount of \$903,616.04 from the general fund for 91 individuals, the majority of which are still employed by Cochise County. Supervisor Judd seconded the motion.

Chairman English asked Ms. Orduno if the Board should also approve paying the interest.

Ms. Orduno advised against it since the amount for the interest had not yet been calculated.

Chairman English called for the vote and it was approved 3-0.

## **County Sheriff**

13. Accept a donation from the Howard G. Buffett Foundation to the Cochise County Sheriff's Office for 4 Ford F150 Trucks and 2 Chevrolet Tahoes in the amount of \$348,802.91.

Mr. Tom Alinen, Administrative Commander, Sheriff's Office, presented this item. Commander Alinen gave the background and explained that Sheriff Mark Dannels had been approached by Mr. Buffett regarding a donation of vehicles. He noted that the Ford Raptors would be purchased by the Foundation and delivered to the Sheriff's Office, while the Chevrolet Tahoes would be purchased by the Fleet Department following County Procurement Procedures.

Chairman English asked if there was a particular reason Mr. Buffett thought the Sheriff's Office needed these pickups.

Commander Alinen said that Mr. Buffett thought the staff could use vehicles that are more terrain friendly. He added that the vehicle he currently drives is a two wheel drive and having a four wheel drive vehicle would allow him access to rougher terrain areas.

Chairman English is there was an understanding by the Sheriff's Office that these would not be replaced by the County due to the cost.

Commander Alinen said that was understood. He explained that the current vehicles would be returned back to the Fleet Department.

Supervisor Judd moved to accept a donation from the Howard G. Buffett Foundation to the Cochise County Sheriff's Office for 4 Ford F150 Trucks and 2 Chevrolet Tahoes in the amount of \$348,802.91. Vice-Chairman Call seconded the motion.

Vice-Chairman Call asked who the Raptors were going to.

Commander Alinen said that the four Raptors would go to the Chief Deputy and the Commanders.

Vice-Chairman Call asked who would service these vehicles.

Mr. Ruben Miranda, Fleet Services Director, explained that staff had some of the tools necessary to service the Ford vehicles, but if needed they would have to be serviced by the local Ford dealership. He added that the fuel and cost for parts for these Ford vehicles was higher than the Chevrolet vehicles supplied by the County. He noted that he would track additional costs and provide a report to the Board.

Chairman English stated that although these vehicles were free, the cost to maintain them would not be and that was an unintended consequence that Mr. Buffett might not be aware of.

Vice-Chairman Call asked Mr. Gilligan for his recommendation.

Mr. Gilligan said that it is the County's policy to meet the vehicle needs of the County in the most economical way possible. He stated that the only thing that makes adding these vehicles to our fleet economical is that they are being donated and said that the costs to the County would be absorbed by the resale of the vehicles. He added that the vehicles were also under warranty for the first three years.

Chairman English called for the vote and it was approved 3-0.

## **County Treasurer**

14. Approve a loan of \$33,278.93 to the Douglas Unified Schools #27 and authorize the Finance Director to make a payment on behalf of the Douglas Unified Schools #27 for Court Tax Judgment Case No. TX2015-000899 - Cochise Pacific Associates AZ, LP vs Cochise County, Superior Court of the State of Arizona in and for the County of Maricopa in the amount \$33,278.93.

Ms. Cathy Traywick, County Treasurer, presented this item. Ms. Traywick explained that the judgment with Pacific Associates impacted the County, but the largest impact had been to the Douglas Unified School District. She said that since the budget was already finalized it would be tough for them to address this unexpected cost.

Mr. Gilligan said that the money to pay for this would come from the general fund contingency.

Ms. Traywick added that the loan would be paid back to the County by the end of next fiscal year.

Vice-Chairman Call moved to approve a loan of \$33,278.93 to the Douglas Unified Schools #27 and authorize the Finance Director to make a payment on behalf of the Douglas Unified Schools #27 for Court Tax Judgment Case No. TX2015-000899 - Cochise Pacific Associates AZ, LP vs Cochise County, Superior Court of the State of Arizona in and for the County of Maricopa in the amount \$33,278.93. Supervisor Judd seconded the motion.

Chairman English called for the vote and it was approved 3-0.

## **Solid Waste**

15. Approve an Intergovernmental Agreement (IGA) between the Cochise County Solid Waste Department and the cities of Benson, Bisbee, Douglas, Sierra Vista, Tombstone and Willcox for Solid Waste Services effective July 1, 2017 through June 30, 2022, with the possibility of an extension through June 30, 2027.

Mr. Marty Haverty, Director of Solid Waste Management, presented this item. Mr. Haverty said that the original IGA had been approved in 1992 and renewed twice in 2002 and 2007. He noted that the IGA would expire on June 30 of this year and staff wanted to get the new IGA approved before then. He added that the attorney's office had reviewed the IGA and that this document would not be an amendment to the original, which was confusing, but instead supersede the original and the amendments. He also stated that key changes included the length of the IGA and verbiage on the responsibility of each of the members in the group to keep the system solvent. He said staff recommended approval and added that all cities involved had already approved the IGA formally through their councils.

Vice-Chairman Call moved to approve an Intergovernmental Agreement (IGA) between the Cochise County Solid Waste Department and the cities of Benson, Bisbee, Douglas, Sierra Vista, Tombstone and Willcox for Solid Waste Services effective July 1, 2017 through June 30, 2022, with the possibility of an extension through June 30, 2027. Supervisor Judd seconded the motion.

Vice-Chairman Call asked if other entities could join the group.

Mr. Haverty said that it would have to be a group discussion, but he believed that the group would consider additional partners.

Chairman English called for the vote and it was approved 3-0.
