RE: Recognition of Chief Emeritus Lee Edward Lewis

We would like to formally recognize Chief Lewis for his service over 40 years to the San Jose Fire District and its community. We applaud your dedication to ensure a district was formed and then continued to run for decades to ensure the safety of those in your community. Selflessness is often overseen when emergencies are prevented by those that sacrifice their safety for the safety of others.

Your contribution to this community as a local and renowned mechanic/machinist and as a Volunteer Firefighter has made a positive impact on so many and there are no words to truly express our gratitude and admiration.

Again, our greatest congratulations on your well deserved recognition and thank you for your service to our community.

Sincerely,

Ann English
