TO: Board of Supervisors

THRU: Jackie Watkins, County Engineer

FROM: Teresa Murphy, Right-of-Way Agent

SUBJECT: Establishing Robbs Road as a Declared County Highway

Recommendation: The County Engineer recommends the acceptance of the accompanying Resolution for the Establishment of Robbs Road as a Declared County Highway.

Background (Brief): Cochise County has received an opportunity to improve Robbs Road to a paved surface through the awarding of the Arizona Commerce Authority-Economic Strengths Grant. The awarding of \$475,000 will go towards construction, materials and labor to pave approximately 3 miles of Robbs Road. Cochise County has been able to maintain Robbs Road due to its historical status. However, to improve the road to a paved surface, the road must be declared a County Highway.

In accordance with statute, staff has given notice of this public hearing for two weeks in the designated newspaper.

Fiscal Impact & Funding Sources: No fiscal impact for establishing a highway.

Next Steps/Action Items/Follow-up: If the recommendation is approved, no further board action is required.

Impact of Not Approving: That portion of Robbs Road will not be established as a declared County Highway.
